

The Wire Truth Be Told Rafael Alvarez

Loretta Marion's debut novel is a twisty page-turner, expertly blending the webs of mystery, danger and suspense with the alluring possibility of romance from a once unrequited love. Not a cloud in the blue Atlanta sky, Jeffrey Ross made his morning visit to the Dunwoody Starbucks, expecting this day to be like any other. It wouldn't. Samarra Russell left her meeting at Emory Medical Center after receiving the strange call and wondered if it had anything to do with her immunology research at CDC. It was a secret, or was supposed to be. Going home as instructed, Samarra opened the box of Valentine candy on the kitchen counter and collapsed. Before losing her balance, Samarra recognized the small finger, severed and still wearing the tiny ring she gave him for his 7th birthday. Her precious son. She opened the note after regaining limited senses and read. If she didn't want to receive young Thomas Russell's head in a box, she would do as instructed. And she did.

Since its final episode aired in 2008, HBO's acclaimed crime drama *The Wire* has only become more popular and influential. The issues it tackled, from the failures of the drug war and criminal justice system to systemic bias in law enforcement and other social institutions, have become more urgent and central to the national conversation. The show's actors, such as Idris Elba, Dominic West, and Michael B. Jordan, have gone on to become major stars. Its creators and writers, including David Simon and Richard Price, have developed dedicated cult followings of their own. Universities use the show to teach everything from film theory to criminal justice to sociology. Politicians and activists reference it when discussing policy. When critics compile lists of the Greatest TV Shows of All Time, *The Wire* routinely appears near or at the top. But while there has been a great deal of critical analysis of the show and its themes, until now there has never been a definitive, behind-the-scenes take on how it came to be made. With unparalleled access to all the key actors and writers involved in its creation, Jonathan Abrams tells the astonishing, compelling, and complete account of *The Wire*, from its inception and creation through its end and powerful legacy.

A smart, funny take on the Charles Dickens classic *BLEAK HOUSE*—for anyone who's ever held on to a dream just a little too long. New York writer Ricki Carstone knows the odds of Hollywood actually turning her debut novel, *Jarndyce and Jarndyce*, into a movie are slim. But Moxie Bernard, the most famous teen on the planet, has signed on to star in the option. Plus, the producer is throwing her a super fabulous party in Hollywood (with Moxie!) to celebrate the relaunch of her book with a younger, sexier cover. Maybe it will happen after all. Quitting her dead-end paralegal job to move out to Los Angeles and keep an eye on the project, Ricki meets a handsome out-of-work actor who encourages her to try her hand at screenwriting, and an experienced screenwriter who is willing to help her for a fee, which only starts out small. And then there's her cute neighbor Simon, who thinks her new friends are just taking advantage of her. Will Ricki ever see her name in lights and make it big in Hollywood?

The *Amazing Book of No* was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers. "The *Amazing Book of No*" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: *The Amazing Book of No!*

A Bionic, a Mutant, and a Geek are forced by their Keepers to team up and prepare to take back the ruined world. Throughout their training, these teens are led to believe that not everything is as it seems.

' . . . All in the game.' West Baltimore Traditional *THE WIRE* has been widely hailed as the greatest television series of all time. It portrays the war of attrition between Baltimore's hardened police force and its drug dealers, and the blurring of good and evil, justice and injustice, right and wrong that happens every day as men and women struggle against the institutions they are bound up in. Over its five series it has built up a detailed, rich and layered portrait of Baltimore: from its corner boys touting dope and its dock workers facing extinction, through the strained education system and tainted halls of power, to the crumbling media establishment. Rafael Alvarez - a reporter, essayist and staff writer for the show - brings the reader inside this world, detailing many of the real-life incidents and personalities that have inspired the show's storylines and characters. Packed with photographs and featuring an introduction by series creator and executive producer David Simon, as well as essays by acclaimed authors George Pelecanos, Ed Burns, Richard Price, Laura Lippman and Denis Lehane, it covers all fives series in glorious detail.

When Edy Phelps falls hard for her best friend, she knows nothing can come from it. Forget actual chemistry, or the fact that she cherishes his mother more than her own; centuries of tradition say that Hassan Pradhan will grow up, marry the girl his parents select, and think nothing of his best friend: the dancer with the bursting smile. Except he can't. He won't. In a world erupting with possibilities for the boy with a body of steel and dreams of the NFL, everything seems promised while nothing at all is; when he's denied the girl he wants most. Two hearts. Two families devoted through generations of friendship. Could Edy and Hassan really risk all that? And yet ... how could they not?

The Wire Truth Be Told Simon and Schuster

A family in pain, desperate to find out what is ripping apart their once tight-knit group, turns to therapy for answers... but, as the initial four-hour session moves ahead, more and more secrets are revealed. Will these secrets rip this family apart forever? Can therapist Victoria Fields lead them back to each other and the peace and happiness they once enjoyed as a family?

Clay McGavran was stuck in hell. Otherwise known as Denson, Virginia - a small town in the shadows of the Blue Ridge Mountains - a town shrouded in the pain and tragedy of the past. As partner at one of Richmond's most successful construction and design firms, building someone else's dream home was his job. But when their dream brought him to the town of his nightmares, he was thrust into a past he'd worked diligently to forget. The only respite to his misery came from an unexpected - and inconvenient - source. His new assistant, Alison. To Clay, Alison was the woman whose perpetual smile and hauntingly familiar eyes were a balm to his scraped and bruised psyche. She was the antithesis of the type of woman he usually took to his bed but he found himself wanting her more than any woman before her. And, as his employee, she was the one woman he couldn't have. His company, friendships, and reputation were at stake. He couldn't cross that line again. He'd been reckless in the past and it had nearly

cost him his company - and his life. But it's not so easy to walk away when, in the fires of his personal hell, he may have stumbled headlong into his salvation. ***Due to coarse language and graphic sexual situations, this book is not intended for individuals under the age of 18.***

50,000 years from now... An ancient past shrouded in mystery and legend. A people different than all the creator's children. A secret society with fantastic magical powers. A city overthrown by a merciless warlord. A young man in search of his destiny. The Master Healer invites Aeden Rossam, a young nobleman, to join the Society of Healers and undertake a quest to liberate his enslaved city. With the enemy on their tail, the old man reveals that all of humanity are Rohvim--beings of metal, flesh, and fantastic powers, and that only by mastering his rohva nature will Aeden confront the warlord and put an end to the senseless devastation. And along the way, they will unlock the secrets of Earth's ancient past...

By many accounts, HBO's *The Wire* was and remains the greatest and most important television drama of all time. Conceived by writers David Simon and ex-Baltimore homicide detective Ed Burns, this five-season, sixty-episodetour de force has raised the bar for compelling, intelligent television production. With each season addressing a different arena of life in the city of Baltimore, and each season's narratives tapping into those from previous seasons, *The Wire* was able to reveal the overlapping, criss-crossing, and colliding realities that shape--if not control--the people, institutions, and culture of the modern American city. *The Wire* and *Philosophy* celebrates this show's realism as well as its intellectual and philosophical clarity. Selected philosophers who are fans of *The Wire* tap into these conflicts and interconnections to expose the underlying philosophical issues and assumptions and pursue questions, such as, can cops really tell whether they are smarter than their perps? Or do they fall victim to intellectual vanity? Do individuals really have free will to resist the temptations--of gangs, of drugs, or corruption--that surround them? Is David Simon a modern-day Marx who sees capitalism leading ultimately to its own collapse, or is Baltimore's story uniquely its own?

Praised as an "unforgettable love story" by Heather Morris, New York Times bestselling author of *The Tattooist of Auschwitz*, this is the real-life, unlikely romance between a resistance fighter and prisoner of war set in World War II Europe. In this true love story that defies all odds, Josefina Lobnik, a Yugoslav partisan heroine, and Bruce Murray, a New Zealand soldier, discover love in the midst of a brutal war. In the heart of Nazi-occupied Europe, two people meet fleetingly in a chance encounter. One an underground resistance fighter, a bold young woman determined to vanquish the enemy occupiers; the other a prisoner of war, a man longing to escape the confines of the camp so he can battle again. A crumpled note passes between these two strangers, slipped through the wire of the compound, and sets them on a course that will change their lives forever. Woven through their tales of great bravery, daring escapes, betrayal, torture, and retaliation is their remarkable love story that survived against all odds. This is an extraordinary account of two ordinary people who found love during the unimaginable hardships of Hitler's barbaric regime as told by their son-in-law Doug Gold, who decided to tell their story from the moment he heard about their remarkable tale of bravery, resilience, and resistance.

Part One: In a death-camp in war-torn Poland, a young doctor and nurse fight to save lives. As their relationship blossoms, they risk death daily by joining the camp resistance. Liberation plunges them from one nightmare into another as they are separated, the doctor carrying with him stolen Nazi secrets and a unkept promise. Part Two: In present-day England, the doctor's granddaughter, intrigued by an enigmatic carving, begins a journey of discovery. What was it that gave her grandfather nightmares? Can she keep his promise and reveal his stolen secrets to the world?

The crime-infested intersection of West Fayette and Monroe Streets is well-known--and cautiously avoided--by most of Baltimore. But this notorious corner's 24-hour open-air drug market provides the economic fuel for a dying neighborhood. David Simon, an award-winning author and crime reporter, and Edward Burns, a 20-year veteran of the urban drug war, tell the chilling story of this desolate crossroad. Through the eyes of one broken family--two drug-addicted adults and their smart, vulnerable 15-year-old son, DeAndre McCollough, Simon and Burns examine the sinister realities of inner cities across the country and unflinchingly assess why law enforcement policies, moral crusades, and the welfare system have accomplished so little. This extraordinary book is a crucial look at the price of the drug culture and the poignant scenes of hope, caring, and love that astonishingly rise in the midst of a place America has abandoned.

With a firm grasp on the hard truths of real-world problems, Tapping into 'The Wire' helps undo misconceptions and encourage a dialogue of understanding.

"A farmer and entrepreneur, Chase is a man of many abilities. Now he is being asked to use those abilities, and his own particular skills with a sword and bow, to assist an alien planet. This means trading a valuable resource that the planet harbours to convince the Inter-galactic Federation to repair its failing sun" -- Back cover.

"*He Walks with Dragons*" takes place when what was, what is, and what shall be were one in the same. Draig, a boy on the verge of his manhood, is summoned to the majestic mountain by the Great Ones. There he finds out he is about to transcend the ages and risk his life to prevent the destruction of mankind. Born into the naïve innocence of ancient man, Draig lives a simple pastoral existence in a quiet, small village. But one day he is flung on a magical journey into a forbidden new world. There, Draconos, a dragon, befriends the boy, training him in the art of warfare. From this day forward, the young boy finds himself in awe at the wonders the world holds for him. Not only has Draig become a man, but he is living like a dragon and learning their mystical powers. "From the time Man first crawled upon this earth...we found him worthy to take his rightful place among the creatures that walk upon the earth. While hiding in the shadows, we have protected him. We have nurtured him all these many ages. But now man grows in great numbers and makes war on everything he sees." And when the time comes, will Draig be willing to lay down his life for the sake of saving the dragons? And when the dragons are gone, where will he go? He is no longer just a man.

NOW A MAJOR FEATURE DOCUMENTARY Determined to cover the Syrian regime's brutal crackdown on dissent and the devastating impact of the war on Syria's civilians, veteran photographer Paul Conroy and Marie Colvin, one of the foremost war correspondents of her generation, decided to smuggle themselves across enemy lines and into the blood and terror of Homs. But tragedy struck before the pair could finish documenting the slaughter. A rocket killed Colvin and ripped a hole in Conroy's leg. As Syrian ground forces closed in on his position, Conroy was forced to make a terrifying last-ditch attempt to escape from a regime that appeared determined to murder him. Under the Wire is the epic, untold account of Conroy and Colvin's last, tragic assignment together. A rare and touching portrait of an extraordinary woman driven by an unquenchable desire to 'bear witness', it is as much a tale of courage and survival as it is the poignant account of a friendship forged amid the carnage of war.

The young narrator describes the best Christmas ever but the illustrations reveal a series of hilarious disasters. Parents and children will delight in the contradictions between words and pictures. Look out for other books in this unique series for children aged seven to eight years.

Every so called, Black man, woman, child wants to believe that slavery is over. The reason being for this belief is because times have changed. But that's not true, times may have change, and

the institution of slavery has changed with it, in how its introduced. Slavery has taken on a new form, and its through words, words that would imprison our minds Daniel Nash struggles to reconcile his feelings of betrayal with his desire to understand his life. His hopes of uncovering the secrets revealed in his father's journals are quickly dashed, and he works with a private investigator to discover the truth. Worry about his wife, Sarah, combines with his efforts to cope with his childhood trauma, an unexpected death, and the recent revelations. His obsession with the past threatens to destroy his stable life. Meanwhile, Sarah and her father, Tristan, continue to combat the lingering discord that developed between them years before but refuse to take their main focus from Daniel. As he reviews his biological father's efforts to be a good man, Daniel searches for a way to comprehend shocking disclosures. He questions his own goodness as he fights not to emotionally withdraw from those around him, especially the two people he knows will always love him, Sarah and Tristan. A time to reflect on my seventy years of life. Maybe some folks will be interested in my life and the folks I have met, or maybe not. This is a non-traditional memoir, filled with alphabetical vignettes nit chronological ones. I have made a foray into fiction with an asterisk: in those cases where I have marked the vignette as fictional, it might be 100 percent not true, but in many cases I knew of, was part of, or heard from others about the story itself. At any rate, the entire book is my recollection of things past, and as in all recollections, the more distant the memory the clearer the details.

"Extraordinary." --Stephen King "This book is not simply the great American novel; it's the great novel of las Americas. It's the great world novel! This is the international story of our times. Masterful." --Sandra Cisneros También de este lado hay sueños. On this side too, there are dreams. Lydia Quixano Pérez lives in the Mexican city of Acapulco. She runs a bookstore. She has a son, Luca, the love of her life, and a wonderful husband who is a journalist. And while there are cracks beginning to show in Acapulco because of the drug cartels, her life is, by and large, fairly comfortable. Even though she knows they'll never sell, Lydia stocks some of her all-time favorite books in her store. And then one day a man enters the shop to browse and comes up to the register with a few books he would like to buy--two of them her favorites. Javier is erudite. He is charming. And, unbeknownst to Lydia, he is the jefe of the newest drug cartel that has gruesomely taken over the city. When Lydia's husband's tell-all profile of Javier is published, none of their lives will ever be the same. Forced to flee, Lydia and eight-year-old Luca soon find themselves miles and worlds away from their comfortable middle-class existence. Instantly transformed into migrants, Lydia and Luca ride la bestia--trains that make their way north toward the United States, which is the only place Javier's reach doesn't extend. As they join the countless people trying to reach el norte, Lydia soon sees that everyone is running from something. But what exactly are they running to? American Dirt will leave readers utterly changed. It is a literary achievement filled with poignancy, drama, and humanity on every page. It is one of the most important books for our times. Already being hailed as "a Grapes of Wrath for our times" and "a new American classic," Jeanine Cummins's American Dirt is a rare exploration into the inner hearts of people willing to sacrifice everything for a glimmer of hope.

Vivia is a hag, one of the last of her race, and can die, visit the underworld and return at will. She has a job she loves--helping London's most vulnerable supernaturals, even if her colleague Malcolm drives her round the bend on a daily basis. Then Malcolm is outed as a zombie and, along with his teenage son Ben, flees the police. When Malcolm is captured, he is only able to pass on one message before his dead brain degrades completely: 'He killed me.'As Ben remains missing, the police find decades-old corpses hidden near Malcolm's house, and Vivia begins to realise there's a lot more at stake than just a possible zompocalypse...

Let Me Tell A Story is quite a departure from the military crime fiction Betit has published in the past. Written in the same tight but detailed style characteristic of his earlier books, this collection is a mix of short fiction and memoir, first-person stories that take place over a period of nearly 60 years. Although written in the first person, the narrator of one story is not necessarily the narrator of the next story in the book. It starts with a tale about a12-year-old boy who learns some important life lessons during a family trip to Maine's northern-most Aroostook County in the 1950s. It ends with a piece about an elderly Maine couple learning some lessons of their own while coming to grips with old age in the near present. In between there are stories about young soldiers and old soldiers, husbands and wives, mothers and fathers and other sordid types. Half of the ten stories in the book take place in Maine. A lot of the pieces were based on Betit's experiences during the Vietnam War and its aftermath "I call them woulda-coulda-shoulda stories," he said. "All of them contain more than one grain of truth. Usually, a lot more." Previously, Betit published Phu Bai, Kagnew Station and The Man In The Canal, military crime novels set in South Vietnam, Ethiopia and Sweden, respectively, during the late 60s and early 70s. That series follows the adventures of U.S. Army CID investigator John Murphy. During book talks promoting his crime novels Betit sometimes read early versions of a few of the stories in Let Me Tell A Story at his events. "It was a good change of pace and the stories were well received," he said. "Like my other books, this book can be classified as a good read."

Every time a lie is told, a raindrop falls. When the lie is revealed, a thunderstorm rages. When the lie is repaired, a flower appears. Yet, even when the sun is shining again, puddles still remain-- The Ripple of a Lie. This children's book is geared for ages Kindergarten through 3rd grade, when lies or half-truths are told on the playground and spread like wildfire. It includes a section with games to talk to your child about the consequences of lying.

Welcome to the critically acclaimed HBO drama series The Wire, hailed as "the best show on television, period" by the San Francisco Chronicle. The New York Times calls it "a vital part of the television landscape...unvarnished realism." Time declares that The Wire, "like its underfunded, workaday cops, just plugged away until it outshone everything else on TV." The Wire stands not only as riveting drama but also as a sociopolitical treatise with ambitions beyond any television serial. The failure of the drug war, the betrayal of the working class, the bureaucratization of the culture and the cost to individual dignity -- such are the themes of the drama's first two seasons. And with every new episode of season three and beyond, another layer of modern urban life will be revealed. Gritty, densely layered, and realistic, The Wire is series television at its very best, told from the

point of view of the Baltimore police, their targets, and many of those caught in the middle. Rafael Alvarez -- a reporter, essayist, and staff writer for the show -- brings the reader inside, detailing many of the real-life incidents and personalities that have inspired the show's storylines and characters, providing the reader with insights into the city of Baltimore -- itself an undeniable character in the series. Packed with photographs and featuring an introduction by series creator and executive producer David Simon, as well as essays by acclaimed authors George Pelecanos, Laura Lippman, and Anthony Walton, here is an invaluable resource for both fans of the show and viewers who have yet to discover *The Wire*. Hollywood has long used the cop drama to excite and entertain, and Hollywood has always dictated the terms. But *The Wire* is filmed entirely in Baltimore, conceived by Baltimoreans, and written by rust-belt journalists and novelists intimately familiar with the urban landscape. It's as close as television has yet come to allowing an American city to tell its own tale.

Our lives are spent watching the clock. We go to sleep by it. Wake up to it. Rely on it. Race it. It's easy to forget that we're only given so much. We ignore it because we're convinced we'll always have more. I am proof that we aren't promised anything. The clock owes us nothing. I know this because not only was Time my name, I wasn't given enough of it. Sure I had challenges but I vowed to make the most of it, of my young life. My limitations wouldn't hold me back. Time was on my side. Then I was told otherwise. Now the clock was working against me. I would face this disease alone. Then he walked in and changed everything. He gave me a reason to fight. He helped me prepare. Like others before me, when time slowed I wasn't ready. I begged for more. But the clock, it stopped for no one. On the day my world went black, I refused to take him with me. Only he didn't listen. I was a doctor. A bringer of bad news. I read the chart. She was fucked. My hands, they were tied. I was a doctor who could not heal what was beyond that door. I had no hope to offer her. But I wanted this over with. The sooner the better. I walked in, looked up and saw color. Not one. All of them. They surrounded her. She was a patient. You did not cross that line. I would not cross that line. I should have kept my eyes closed. Life was easier when you didn't see. But they were open now. They saw her. They saw everything. Suddenly invisible lines ceased to matter. For me, Time mattered. How far would you go to make sure the one you loved had enough of it? Would you challenge the clock? Help them prepare? Could you watch them suffer? Could you accept a life without them in it? Or, would you follow them into the darkness? I did. This is our story.

Our consumer society needs a reality check. The landfills are overflowing, the oceans are full of plastic, North American money is now used by China to buy more weapons, and still we think a product that lasts only 4 years is a good one. This book contains over 170 tips, tricks and hacks to help you repair, reuse, lead a simpler life and save money. We have entered a Grand Solar Minimum and it will get colder. This is your Darwin Moment. Survival will no longer be simple, but if you are prepared it will be easier. Inside is a guide inspired by the wisdom of the do-it-yourselfers of 100 years ago. Find out how to use tools, make things last longer, repair them when they break and live a simpler life. Make something at adult education night. Find out which tools are actually useful. How to remove a car engine in your back yard. Get through snow drifts using snow. The uses of a come-along winch. Strengthen weak and wobbly furniture. Bend metal with a metal bender. Repair broken windows and dripping taps. Reset the oven temperature on your electric stove. What to do about a "bang" in the fridge. Fix your electric stove elements. Repair a screen and frustrate the mosquitos. The basics of lumber and what is not lumber. Using a table saw, countersink and hand plane. How to get rid of pests: rats, bugs, ants and wasps. Finding the hydraulic oil filter on your tractor. How growing trees in your yard affect your wood stove. Why you should get your wood stove very hot in the morning. The challenges of life in the country and how to meet them. Staying warm with wood heat. Knowing what questions to ask. Getting good stuff for FREE. The ideas and information presented in this book will inspire you and give you great confidence that taking charge of your possessions and your life is not only easy, it is fun, and more rewarding than just buying something new. **IT IS EASY AND YOU CAN DO IT!!**

Epic, multi-layered, morally challenging and action-packed - *The Wire* is everything a TV programme should be and more. A cult hit in the US and Britain, it has thousands of committed fans willing to engage in endless debates. Once you've watched it, you'll be drawn in, too: Is Omar Little the coolest criminal since Robin Hood? Which series has the best theme tune? Will Bubbles survive Baltimore? Avon or Stringer? This book collects the thoughts of Guardian journalists and the readers of the Guardian's *Wire Re-up* blog and combines them with interviews with the show's creators and stars and the all important xxx ratings, to bring you a more than fitting eulogy that will follow the airing of the show's final season.

Critically acclaimed as one of the best television shows ever produced, the HBO series *The Wire* (2002–2008) is a landmark event in television history, offering a raw and dramatically compelling vision of the teeming drug trade and the vitality of life in the abandoned spaces of the postindustrial United States. With a sprawling narrative that dramatizes the intersections of race, urban history, and the neoliberal moment, *The Wire* offers an intricate critique of a society riven by racism and inequality. In *Connecting The Wire*, Stanley Corkin presents the first comprehensive, season-by-season analysis of the entire series. Focusing on the show's depictions of the built environment of the city of Baltimore and the geographic dimensions of race and class, he analyzes how *The Wire*'s creator and showrunner, David Simon, uses the show to develop a social vision of its historical moment, as well as a device for critiquing many social "givens." In *The Wire*'s gritty portrayals of drug dealers, cops, longshoremen, school officials and students, and members of the judicial system, Corkin maps a web of relationships and forces that define urban social life, and the lives of the urban underclass in particular, in the early twenty-first century. He makes a compelling case that, with its embedded history of race and race relations in the United States, *The Wire* is perhaps the most sustained and articulate exploration of urban life in contemporary popular culture.

My Overdue Book: Too many stories not to tell: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati

impressed early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

From the creator of HBO's *The Wire*, the classic book about homicide investigation that became the basis for the hit television show *The Wire*. The scene is Baltimore. Twice every three days another citizen is shot, stabbed, or bludgeoned to death. At the center of this hurricane of crime is the city's homicide unit, a small brotherhood of hard men who fight for whatever justice is possible in a deadly world. David Simon was the first reporter ever to gain unlimited access to a homicide unit, and this electrifying book tells the true story of a year on the violent streets of an American city. The narrative follows Donald Worden, a veteran investigator; Harry Edgerton, a black detective in a mostly white unit; and Tom Pellegrini, an earnest rookie who takes on the year's most difficult case, the brutal rape and murder of an eleven-year-old girl. Originally published fifteen years ago, *Homicide* became the basis for the acclaimed television show of the same name. This new edition—which includes a new introduction, an afterword, and photographs—revives this classic, riveting tale about the men who work on the dark side of the American experience.

In high school, everyone's talking about college. What to do. Where to go. Why it's important. Classes are given on it. Books are written about it. But details get left out. Every year, college graduates learn this the hard way as they step into adulthood. I was one of them. After earning a four-year degree, I went through two of the worst years of my life. Not that my situation is unique. I am a part of a generation that was told to go to college first and sort out the details later. Most of us did. We chased the promise of a big shiny future, and we ended up being chased by the mistakes of our past. That's not to say we completely regretted going. This book isn't a list of privileged millennial complaints. It's a collection of wisdom gained in less than pleasant ways. It's a story of hardship, failure, victory, and perseverance. It's all of the things we wish someone had told us. And it takes place before college, in college, after college, and without college. This is the wild, painful, awkward, hilarious, depressing, & beautiful journey from youth to maturity. This is the college book that no one ever gave us.

"[Sava?] writes with both sensuality and coolness, as if determined to find a rational explanation for the irrationality of existence..." -- The New York Times "I fell in love with this book." -- Katie Kitamura, author of *A Separation* A mesmerizing novel set in Paris and a changing Istanbul, about a young Turkish woman grappling with her past and her complicated relationship with a famous British writer. After her mother's death, Nunu moves from Istanbul to a small apartment in Paris. One day outside of a bookstore, she meets M., an older British writer whose novels about Istanbul Nunu has always admired. They find themselves walking the streets of Paris and talking late into the night. What follows is an unusual friendship of eccentric correspondence and long walks around the city. M. is working on a new novel set in Turkey and Nunu tells him about her family, hoping to impress and inspire him. She recounts the idyllic landscapes of her past, mythical family meals, and her elaborate childhood games. As she does so, she also begins to confront her mother's silence and anger, her father's death, and the growing unrest in Istanbul. Their intimacy deepens, so does Nunu's fear of revealing too much to M. and of giving too much of herself and her Istanbul away. Most of all, she fears that she will have to face her own guilt about her mother and the narratives she's told to protect herself from her memories. A wise and unguarded glimpse into a young woman's coming into her own, *Walking on the Ceiling* is about memory, the pleasure of invention, and those places, real and imagined, we can't escape.
