

The Wisdom Of Wallace D Wattles Including The Science Of Getting Rich The Science Of Being Great The Science Of Being Well

This carefully edited collection has been designed and formatted to the highest digital standards and adjusted for readability on all devices. "The Science of Getting Rich" was published in 1910 by the Elizabeth Towne Company. The book is still in print. It was a major inspiration for Rhonda Byrne's bestselling book and film *The Secret* (2006). In *The Science of Getting Rich* Wattles explains how can a person overcome mental barriers, and how creation, not competition, is the hidden key to wealth attraction "The Science of Being Well" is not a philosophical treatise, but a practical guide and handbook for those whose main goal is health. "The Science of Being Great" is a personal self-help book of the author. He is introducing us to a principle of power and showing us the immense effect of the power of positive thinking. Wallace Delois Wattles (1860-1911) was an American author. As a New Thought writer, he remains personally somewhat obscure, but his writing has been widely quoted and remains in print in the New Thought and self-help movements. Wattles often travelled to Chicago, where he gave "Sunday night lectures" among several leading New Thought authors. He studied the writings of Georg Wilhelm Friedrich Hegel and Ralph Waldo Emerson and recommended the study of their books to his readers who wished to understand what he characterized as "the monistic theory of the cosmos."

The Science of Getting Rich is a succinct book, separated into 17 short chapters that explain how to overcome mental obstacles, and how creation, rather than competition, is the key to wealth generation.

Provides a mental and spiritual approach on how to become rich.

Published here in one volume, the Wallace D. Wattles Trilogy includes *The Science of Getting Rich*, *The Science of Being Well*, and *The Science of Being Great*. These books prescribe an exact method for readers to accomplish three

Get Free The Wisdom Of Wallace D Wattles Including The Science Of Getting Rich The Science Of Being Great The Science Of Being Well

basic goals that will make any person happy, applying principles of metaphysics and New Thought to overcome human error. Each book focuses on a subject--wealth, health, and power--and applies an exact science that will allow anyone to achieve their goal by following some basic steps in a specific order, in a "Certain Way." Sacrificing explanations of philosophy for brevity, Wattles provides readers a stripped-down guide on shaping the universe to their benefit through the power of positive thinking.

WALLACE DELOIS WATTLES
(1860-1911)overcame poverty and failure in his life to become a pioneer of the early self-help movement. His most famous book is *The Science of Getting Rich*, part of a trilogy that also includes *The Science of Being Well*, and *The Science of Being Great*.

This eBook edition of "How to Get What You Want" has been formatted to the highest digital standards and adjusted for readability on all devices. Excerpt: "Getting what you want is success; and success is an effect, coming from the application of a cause. Success is essentially the same in all cases; the difference is in the things the successful people want, but not in the success. Success is essentially the same, whether it results in the attainment of health, wealth, development or position; success is attainment, without regard to the things attained. And it is a law in nature that like causes always produce like effects; therefore, since the success is the same in all cases, the cause of success must be the same in all cases." Wallace Delois Wattles (1860-1911) was an American author. As a New Thought writer, he remains personally somewhat obscure, but his writing has been widely quoted and remains in print in the New Thought and self-help movements. Wattles often travelled to Chicago, where he gave "Sunday night lectures" among several leading New Thought authors. He studied the writings of Georg Wilhelm Friedrich Hegel and Ralph Waldo Emerson and recommended the study of their books to his readers who wished to understand what he characterized as "the monistic theory of the cosmos." Wattles' best known work is a 1910 book called *The Science of Getting Rich* in which he explained how to become wealthy.

A New Christ (1903) is based on a lecture that Wallace Wattles delivered in 1902 entitled *Jesus: The Man and His Work*.

This carefully crafted ebook: "The Wisdom of Wallace D. Wattles Trilogy: The Science of Getting Rich, The Science of Being Well & The Science of Being Great (Complete Edition)" is formatted for your eReader with a functional and detailed table of contents. "The Science of Getting Rich" was published in 1910 by the Elizabeth Towne Company. The book is still in print. It was a major inspiration for Rhonda Byrne's bestselling book and film *The Secret* (2006). In *The Science of Getting Rich* Wattles explains how can a person overcome mental barriers, and how creation, not competition, is the hidden key to wealth attraction "The Science of Being Well" is not a philosophical treatise, but a practical guide and handbook for those whose main goal is health. "The Science of Being Great" is a personal self-help book of the author. He is introducing us to

a principle of power and showing us the immense effect of the power of positive thinking.

“This masterpiece of dogged and loving reporting will astonish you and touch your heart. The struggles and quest for redemption of football star Jackie Wallace make for a fall-from-grace tale that’s both unsettling and uplifting.”—Walter Isaacson, author of *Steve Jobs* and *Leonardo da Vinci* The heartbreaking, timeless, and redemptive story of the transformative friendship binding a fallen-from-grace NFL player and a Pulitzer Prize-winning photojournalist who meet on the streets of New Orleans, offering a rare glimpse into the precarious world of homelessness and the lingering impact of systemic racism and poverty on the lives of NOLA’s citizens. In 1990, while covering a story about homelessness for the *New Orleans Times-Picayune*, Ted Jackson encountered a drug addict sleeping under a bridge. After snapping a photo, Jackson woke the man. Pointing to the daily newspaper by his feet, the homeless stranger looked the photojournalist in the eye and said, “You ought to do a story about me.” When Ted asked why, he was stunned by the answer. “Because, I’ve played in three Super Bowls.” That chance meeting was the start of Ted’s thirty-year relationship with Jackie Wallace, a former NFL star who rose to the pinnacle of fame and fortune, only to crash and lose it all. Getting to know Jackie, Ted learned the details of his life, and how he spiraled into the “vortex of darkness” that left him addicted and living on the streets of New Orleans. Ted chronicles Jackie’s life from his teenage years in New Orleans through college and the NFL to the end of his pro career and the untimely death of his mother—devastating events that led him into addiction and homelessness. Throughout, Ted pays tribute to the enduring friendship he shares with this man he has come to know and also look at as an inspiration. But Ted is not naïve; he speaks frankly about the vulnerability of such a relationship: Can a man like Jackie recover, or is he destined to roam the streets until his end? Tragic and triumphant, inspiring and unexpected, *You Ought to Do a Story About Me* offers a rare glimpse into the precarious world of homelessness and the lingering impact of systemic racism and poverty on the lives of NOLA’s citizens. Lyrical and evocative, Ted’s account is pure, singular, and ambitious—a timeless tale about loss, redemption, and hope in their multifarious forms. “This book will melt your heart. The story of Jackie Wallace is an unforgettable tale of hope, grace, and the miracle of the human spirit. Ted Jackson writes with searing honesty and deep love for a troubled man who started as his subject and became his lifelong friend.”—Jonathan Eig, bestselling author of *Ali: A Life* and *Luckiest Man: The Life and Death of Lou Gehrig*

NOW A MAJOR MOTION PICTURE, STARRING JASON SEGAL AND JESSE EISENBERG, DIRECTED BY JAMES PONSOLDT An indelible portrait of David Foster Wallace, by turns funny and inspiring, based on a five-day trip with award-winning writer David Lipsky during Wallace’s *Infinite Jest* tour In David Lipsky’s view, David Foster Wallace was the best young writer in America. Wallace’s pieces for Harper’s

Get Free The Wisdom Of Wallace D Wattles Including The Science Of Getting Rich The Science Of Being Great The Science Of Being Well

magazine in the '90s were, according to Lipsky, “like hearing for the first time the brain voice of everybody I knew: Here was how we all talked, experienced, thought. It was like smelling the damp in the air, seeing the first flash from a storm a mile away. You knew something gigantic was coming.” Then Rolling Stone sent Lipsky to join Wallace on the last leg of his book tour for *Infinite Jest*, the novel that made him internationally famous. They lose to each other at chess. They get iced-in at an airport. They dash to Chicago to catch a make-up flight. They endure a terrible reader’s escort in Minneapolis. Wallace does a reading, a signing, an NPR appearance. Wallace gives in and imbibes titanic amounts of hotel television (what he calls an “orgy of spectatorship”). They fly back to Illinois, drive home, walk Wallace’s dogs. Amid these everyday events, Wallace tells Lipsky remarkable things—everything he can about his life, how he feels, what he thinks, what terrifies and fascinates and confounds him—in the writing voice Lipsky had come to love. Lipsky took notes, stopped envying him, and came to feel about him—that grateful, awake feeling—the same way he felt about *Infinite Jest*. Then Lipsky heads to the airport, and Wallace goes to a dance at a Baptist church. A biography in five days, *Although Of Course You End Up Becoming Yourself* is David Foster Wallace as few experienced this great American writer. Told in his own words, here is Wallace’s own story, and his astonishing, humane, alert way of looking at the world; here are stories of being a young writer—of being young generally—trying to knit together your ideas of who you should be and who other people expect you to be, and of being young in March of 1996. And of what it was like to be with and—as he tells it—what it was like to become David Foster Wallace. "If you can think of times in your life that you've treated people with extraordinary decency and love, and pure uninterested concern, just because they were valuable as human beings. The ability to do that with ourselves. To treat ourselves the way we would treat a really good, precious friend. Or a tiny child of ours that we absolutely loved more than life itself. And I think it's probably possible to achieve that. I think part of the job we're here for is to learn how to do it. I know that sounds a little pious." —David Foster Wallace

The original guide to creating wealth! With this seminal book, Wallace Wattles popularized the Law of Attraction, the powerful concept that inspired *The Secret*. *The Science of Getting Rich* explains how to attract wealth, overcome emotional barriers, and apply foolproof methods to bring financial success into your life. This special 100-year edition contains the complete, original text, along with never-before published biographical information on Wattles, and a foreword by Catherine Ponder, the doyenne of modern prosperity writers. It also features an introduction from personal development authority Tom Butler-Bowdon, plus another Wattles classic, *The Science of Being Great*.

“*The Science of Being Great*” is a 1910 self-help book by Wallace D. Wattles. In this book, Wattles offers simple, step-by-step instructions on how to achieve wealth and success in one's life. A classic self-help book that continues to help millions achieve a happy and fulfilling life. Contents include: “Any Person May Become Great”, “Heredity And Opportunity”, “The Source Of Power”, “The Mind Of God”, “Preparation”, “The Social Point Of View”, “The Individual Point Of View”, etc. Wallace Delois Wattles (1860–1911) was an American New Thought writer whose work remains in print in the New Thought and self-help movements. He is perhaps most famous for his 1910 books entitled “*The Science of Getting Rich*”, wherein he offers advice on becoming wealthy.

The Wisdom of Wallace D. Wattles III - Including: The Science of Mind, The Road to Power AND Your Invisible Power The Science of Mind To make proper use of mind, one must have a scientific understanding of how mind works. Read how W. D. Wattles endeavors to make self-culture a process of mathematical exactness as he investigates the nature of life and intelligence starting with the simplest organisms and moving towards mankind. Read about the differences between Will and Want, how to make brain records, and the force of Will plus Faith as Wattles establishes firm ground for faith in the soul's power of accomplishment. **The Road to Power** He who learns the great truths about the universe ".can do what he wants to do and become what he wants to become. " According to W. D. Wattles, all things are forms of one Substance, and that intelligent Substance or cause is Spirit. Spirit works under fixed laws, and it is man's search for truth and his will to do the will of God that advances him toward unity with Spirit and ultimately toward the fulfillment of his desires. Begin to open your spiritual eyes, and begin to experience the powerful life that can be lived here on earth. **AND Your Invisible Power** In his incessant search for scientific and religious truths upon which to base man's endeavors toward health and wholeness, W. D. Wattles probes the spiritual and physical facts underlying realities such as time, space, substance, consciousness, motion, and ultimately, the power that is the Will of God. Learn how to unify yourself with God's desire for man's highest good - and you will discover how to secure your every need and wish.

The Science of Being Great is from the author Wallace D. Wattles (1860 - 1911), whose work inspired the cult-phenomenon book and film "The Secret". He was a widely popular and pioneering writer in the self-help and success genres. According to Wattles each person has within themselves a Principle of Health. (The word Principle is used as meaning source.) The Principle of Health in a person, when in full constructive activity, causes all the voluntary functions of his life to ...

The Wisdom of Wallace D. Wattles SoHo Books

The Science of Getting Rich is a very influential self-help book written by Wallace D. Wattles. The book was published in 1910 before other classics such as *The Master Key System* and *Think and Grow Rich*. Many of the ideas introduced in this book are still relevant today. **The Science of Being Great** is a self-help book written by Wallace D. Wattles in which he explains how our thoughts can dictate how great we can become. Wattles believed that visualizing what we wish to have happen is a key to success. Wallace D. Wattles was an American who became one of the most famous New Thought writers. Wattles wrote some of the most influential books in self-help literature including *The Science of Getting Rich* and *The Science of Being Great*.

In this rare peak into the personal life of the author of numerous bestselling novels, gain an understanding of David Foster Wallace and how he became the man that he was. Only once did David Foster Wallace give a public talk on his views on life, during a commencement address given in 2005 at Kenyon College. The speech is reprinted for the first time in book form in *This is Water*. How does one keep from going through their comfortable, prosperous adult life unconsciously? How do we get ourselves out of the foreground of our thoughts and achieve compassion? The speech captures Wallace's electric intellect as well as his grace in attention to others. After his death, it became a

treasured piece of writing reprinted in The Wall Street Journal and the London Times, commented on endlessly in blogs, and emailed from friend to friend. Writing with his one-of-a-kind blend of causal humor, exacting intellect, and practical philosophy, David Foster Wallace probes the challenges of daily living and offers advice that renews us with every reading.

The Wisdom of Wallace D. Wattles I - Including: The Science of Getting Rich, The Science of Being Great & The Science of Being Well The Science of Getting Rich THIS book is pragmatical, not philosophical; a practical manual, not a treatise upon theories. It is intended for the men and women whose most pressing need is for money; who wish to get rich first, and philosophize afterward. It is for those who have, so far, found neither the time, the means, nor the opportunity to go deeply into the study of metaphysics, but who want results and who are willing to take the conclusions of science as a basis for action, without going into all the processes by which those conclusions were reached. It is expected that the reader will take the fundamental statements upon faith, just as he would take statements concerning a law of electrical action if they were promulgated by a Marconi or an Edison; and, taking the statements upon faith, that he will prove their truth by acting upon them without fear or hesitation. Every man or woman who does this will certainly get rich; for the science herein applied is an exact science, and failure is impossible. For the benefit, however, of those who wish to investigate philosophical theories and so secure a logical basis for faith, I will here cite certain authorities. The monistic theory of the universe the theory that One is All, and that All is One; That one Substance manifests itself as the seeming many elements of the material world -is of Hindu origin, and has been gradually winning its way into the thought of the western world for two hundred years. It is the foundation of all the Oriental philosophies, and of those of Descartes, Spinoza, Leibnitz, Schopenhauer, Hegel, and Emerson. The reader who would dig to the philosophical foundations of this is advised to read Hegel and Emerson for himself. In writing this book I have sacrificed all other considerations to plainness and simplicity of style, so that all might understand. The plan of action laid down therein was deduced from the conclusions of philosophy; it has been thoroughly tested, and bears the supreme test of practical experiment; it works. If you wish to know how the conclusions were arrived at, read the writings of the authors mentioned above; and if you wish to reap the fruits of their philosophies in actual practice, read this book and do exactly as it tells you to do. The Science of Being Great ..". in Mr. Wattles' book, "THE SCIENCE OF BEING GREAT," you will get methods, plans, carefully outlined instruction, for the highest self-development and training for efficient living." & The Science of Being Well If you are well this book will tell you how to keep so. If you are seeking better health this book is for you. _ Each book builds upon the previous one to construct a complete, simple, practical, easy-to-understand, step-by-step system for getting rich, being healthy, and becoming successful.

Here are three of the most important financial books ever written in one volume. All three of these books cover how to become rich, from slightly different angles. Following the advice that is laid out clearly in these books will help you live a happier more wealthy life. Success is right around the corner. Wallace D. Wattles introduced the world to the power of positive thinking. He was a profound influence on Michael Losier and James Arthur Ray. Without Wattles "Science Of"

trilogy, there never would have been books such as The Laws of Attraction, The Science of Success, and the Power of Positive Thinking. Now you can go directly to the source! In Think and Grow Rich Napoleon Hill researched more than forty millionaires to find out what made them the men that they were. In this book he imparts that knowledge to you. Once you've read this book you will understand what gives certain people an edge over everyone else. After reading this book you'll be the one with an edge. It's time to stop wondering what it's like to be rich and start knowing. The Master Keys System will not only outline how important positive thinking is, it will guide you through practical lessons that will make it easy for you to change your entire way of thinking. Charles F. Haanel has mapped out a twenty four lesson program that, when followed, realizes tremendous results.

This volume includes ALL the books written by Wallace D. Wattles, one of the most influential authors of the New Thought, who inspired modern books like "The Secret". Wallace sought a complete human being, healthy, purposeful, living in harmony with family and peers, and rich enough to enjoy ALL that is good in life. He saw men and women able to enjoy the things the Universal Source (God) has made available to all, if only we would follow basic rules that HE -over and over and over again throughout history, has tried to communicate via Messages and Messengers. The Wisdom of Wallace, his philosophy and his way of expressing it, are a universal treasure that could certainly contribute to getting us closer to the eternal truth. The truth that there is SOMETHING beyond our understanding which we call many names, and is in all things and in all of us, whether we are rich or poor, religious or not religious. This COLLECTION includes:- The Science of Getting Rich- The Science of Being Great - The Science of Being Well- How to Get What You Want - A New Christ - Jesus: The Man and his Work - Making the Man who can (How to Promote Yourself) - The New Science of Living and Healing - Hellfire Harrison (a novel)

Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.

Suffice to say we all want to get rich or make some wealth, become great in our own right and remain well or healthy in life to enjoy all that the years of our lives has to offer. Wallace D. Wattle's trilogy makes this very simple and offers a clear and simple yet effective way on how this can be accomplished.

For over 50 years millions have enjoyed the wisdom of Wallace D wattles in his most famous book, the Science of getting rich. Now you can enjoy the complete series of Mr. Wattles most famous books in one complete set, The Science of Living according to Wallace D. Wattles. The author took years to write this volume of works and says, like many other famous people, if you use the information in this book, it is a scientific fact that you will be successful. (rich)

Fasting has long been an exercise practiced by those seeking spiritual strength, but here, Wallace D. Wattles asserts the benefits of fasting on physical strength as well. Wattles uses personal experience and firsthand knowledge to drive his theories on how to increase one's health, happiness, and creativity through approaching eating in a different way. In addition to discussing the nutritional content, quantity, and timing of eating, he includes detailed arguments for the benefit of adequate sleep and the importance of deep breathing and fresh air. Wattles stands out from other writers on the subject of health and wellness (both those in 1907 and today) by focusing his conversational and compassionate prose on the simplest principles and common sense, making clear his affirmation that is it possible for anyone to improve his or her own health and happiness without the need for elaborate science. American author WALLACE DELOIS WATTLES (1860-1911) overcame poverty and failure in his life to become a pioneer of the early self-help movement. Among his books are The Science of Getting

The Wisdom of Wallace D. Wattles II - Including: The Purpose Driven Life, The Law of Attraction & The Law of Opulence The Purpose Driven Life Discover the one, all intelligent Source of power as W. D. Wattles guides you, step-by-step, on how to bring about the mental and physical conditions you desire. Learn how to successfully use prayer, will, and faith to demonstrate health, wealth, peace and wisdom in your life, as you explore the timeless question: What on Earth Am I Here For? The Law of Attraction We speak learnedly of the Law of Gravitation, but ignore that equally wonderful manifestation, THE LAW OF ATTRACTION. Discover the steadfast, mathematical cause of success available to all mankind, and begin to apply it to YOUR life today to produce the effects you seek. Wattles explains how to KNOW, with certitude, that you can succeed, and shows you HOW to do so. The power lies within your own mind. Master the principles Wattles presents, and you cannot fail to move forward toward the attainment of your goals. & The Law of Opulence Learn the requirements for non-competitive success - the true secret to living happily in God's world. Since the purpose of nature is the continuous advancement of every man into more abundance, to be one with the laws or the mind of nature is to desire the advancement of all men at the expense of none. When what you seek for yourself you seek for all, then what you get for yourself - health, wealth, and happiness - you get for all.

This volume contains the complete collection of Wallace D. Wattles writings, one of the most influential authors of the New Thought, who inspired modern books like "The Secret." Wallace sought a complete human being, healthy, purposeful, living in harmony with family and peers, and rich enough to enjoy ALL that is

good in life. He saw men and women able to enjoy the things the Universal Source (God) has made available to all, if only we would follow basic rules that HE -over and over and over again throughout history, has tried to communicate via Messages and Messengers. The Wisdom of Wallace, his philosophy and his way of expressing it, are a universal treasure that could certainly contribute to getting us closer to the eternal truth. The truth that there is SOMETHING beyond our understanding which we call many names, and is in all things and in all of us, whether we are rich or poor, religious or not religious."

Everyone wants to be rich, but do you know that there is a SCIENCE OF GETTING RICH. This book explains in simple steps how you can first ready yourself to earn more, without hassles or worries. From the simplest question of who all can actually get rich, to the small steps taken – like developing a will power, showing gratitude, getting into the right business – have been explained in detail, in everyday terms. Read on, and find out the secret behind changing your life and the way you earn.

The Law of Opulence, originally published in 1905 as a series of three articles in The Nautilus, the leading New Thought magazine of its day, explains how success can be attained by living happily in God's world. Read and learn about attaining health, wealth, and happiness.

An homage to the West and to two great writers who set the standard for all who celebrate and defend it. Archetypal wild man Edward Abbey and proper, dedicated Wallace Stegner left their footprints all over the western landscape. Now, award-winning nature writer David Gessner follows the ghosts of these two remarkable writer-environmentalists from Stegner's birthplace in Saskatchewan to the site of Abbey's pilgrimages to Arches National Park in Utah, braiding their stories and asking how they speak to the lives of all those who care about the West. These two great westerners had very different ideas about what it meant to love the land and try to care for it, and they did so in distinctly different styles. Boozy, lustful, and irascible, Abbey was best known as the author of the novel The Monkey Wrench Gang (and also of the classic nature memoir Desert Solitaire), famous for spawning the idea of guerrilla actions—known to admirers as "monkeywrenching" and to law enforcement as domestic terrorism—to disrupt commercial exploitation of western lands. By contrast, Stegner, a buttoned-down, disciplined, faithful family man and devoted professor of creative writing, dedicated himself to working through the system to protect western sites such as Dinosaur National Monument in Colorado. In a region beset by droughts and fires, by fracking and drilling, and by an ever-growing population that seems to be in the process of loving the West to death, Gessner asks: how might these two farseeing environmental thinkers have responded to the crisis? Gessner takes us on an inspiring, entertaining journey as he renews his own commitment to cultivating a meaningful relationship with the wild, confronting American overconsumption, and fighting environmental injustice—all while reawakening the thrill of the words of his two great heroes.

Get Free The Wisdom Of Wallace D Wattles Including The Science Of Getting Rich The Science Of Being Great The Science Of Being Well

The accumulated wisdom of the most celebrated motivational writers of all time is distilled into one brief playbook for unlocking the prosperity-power of a person's mind. Includes insight from Christian Larson, Julia Seton, Wallace D. Wattles, Joseph Murphy, and others.

The Complete Collection The Science Wallace D. Wattles: The Science of Getting Rich, The Science of Being Well, The Science of Being Great. (3 Books)
This volume contains the complete collection of Wallace D. Wattles writings, one of the most influential authors of the New Thought, who inspired modern books like "The Secret". Wallace sought a complete human being, healthy, purposeful, living in harmony with family and peers, and rich enough to enjoy ALL that is good in life. He saw men and women able to enjoy the things the Universal Source (God) has made available to all, if only we would follow basic rules that HE -over and over and over again throughout history, has tried to communicate via Messages and Messengers. The Wisdom of Wallace, his philosophy and his way of expressing it, are a universal treasure that could certainly contribute to getting us closer to the eternal truth. The truth that there is SOMETHING beyond our understanding which we call many names, and is in all things and in all of us, whether we are rich or poor, religious or not religious.

This is the 100-year-old book that inspired The Secret, Rhonda Byrne's bestseller. The Science of Getting Rich shows how economic and emotional security can be achieved in a practical, imaginative, and noncompetitive way. By living in accordance with the positive principles outlined in this book we can find our rightful place in the cosmic scheme and grow in wealth, wisdom, and happiness.

A lethal virus is awoken on an abandoned spaceship in this incredibly fast-paced, claustrophobic thriller. They thought the ship would be their salvation. Zahra knew every detail of the plan. House of Wisdom, a massive exploration vessel, had been abandoned by the government of Earth a decade earlier, when a deadly virus broke out and killed everyone on board in a matter of hours. But now it could belong to her people if they were bold enough to take it. All they needed to do was kidnap Jaswinder Bhattacharya--the sole survivor of the tragedy, and the last person whose genetic signature would allow entry to the spaceship. But what Zahra and her crew could not know was what waited for them on the ship--a terrifying secret buried by the government. A threat to all of humanity that lay sleeping alongside the orbiting dead. And then they woke it up.

Is it possible to will your way to a life of wealth? Can your thoughts take you to a higher level of abundant living? Take a look inside this timeless classic — the inspiration behind the motivational bestseller The Secret — and you'll find that it's all possible by following a program that has set generations of readers on the path to prosperity. Written a century ago, the principles of this approach are as valuable now as they were then. More practical than philosophical, Wattles' method is an exact science with specific laws—and an established outcome. With the help of his tools, you'll discover how to use your mind to create a clear vision

of the goal you desire, entertain an ongoing, deeply felt gratitude for having already received the blessing, align yourself with positive principles to find your place in the world, and create a noncompetitive, harmonious environment to nurture wealth and wisdom. It's time to achieve your full potential and use it to create a more rewarding and abundant life. You have the right to be rich! And The Science of Getting Rich can set you on that path today.

Three Classics: The Science of Getting Rich, Acres of Diamonds, As a Man Thinketh - The most famous works of Wallace D. Wattles, Russell H. Conwell, and James Allen all in one volume! Discover the secrets of self-realization, wealth, and happiness that have inspired numerous teachers and laid the foundation for modern motivational works such as The Secret.

In his previous book, The Attention Revolution, bestselling author Alan Wallace guided readers through the stages of shamatha, a meditation for focusing the mind. In Stilling the Mind, he uses the wisdom of Dzogchen--the highest of all the meditation traditions--to open up the shamatha practice into a space of vast freedom. Here, Wallace introduces us to Dudjom Lingpa's Vajra Essence, one of the most cherished works of the Nyingma school from which Dzogchen stems. With his trademark enthusiasm and keen intelligence, Wallace makes obscure concepts intelligible to contemporary readers and allows us to glimpse the profound realizations of a great nineteenth-century spiritual adept.

This book is pragmatical, not philosophical; a practical manual, not a treatise upon theories. It is intended for the men and women whose most pressing need is for money; who wish to get rich first, and philosophize afterward. It is for those who have, so far, found neither the time, the means, nor the opportunity to go deeply into the study of metaphysics, but who want results and who are willing to take the conclusions of science as a basis for action, without going into all the processes by which those conclusions were reached.
