Angel Fire EastDel Rey

The first book of the triumphant and epic four-part conclusion to the Shannara series, from one of the all-time masters of fantasy. Across the Four Lands, peace has reigned for generations. But now, in the far north, an unknown enemy is massing. More troubling than the carnage is the strange and wondrous power wielded by the attackers—a breed of magic unfamiliar even to the Druid order. Fearing the worst, the High Druid dispatches a diplomatic party under the protection of the order's sworn guardian, Dar Leah, to confront the mysterious, encroaching force and discover its purpose. But another crucial journey is being undertaken. Exiled onetime High Druid Drisker Arc has been living in quiet seclusion, far from the politics and power struggles of his former life, until two brutal attacks by would-be assassins force him to seek out an infamous murder-for-hire guild—and find the hidden enemy who has marked him for death. At his side is Tarsha Kaynin, a young woman gifted with the wishsong and eager to be schooled in its formidable power by a master. She, too, is pursuing a mission: to locate her wayward brother, whose own magic has driven him to deadly madness and kindled his rage for vengeance . . . against his sister. In their darkest hours, facing dangerous adversaries, the lives and quests of Dar Leah, Drisker Arc, and Tarsha Kaynin will be inextricably drawn together. And the challenges each confronts will have resounding consequences for the future of the Four Lands. Praise for The Black Elfstone “Epic scope, heroic characters, and so much heart . . . proof that the Shannara series can still reach new heights.”—Tordotcom “A strong opening book . . . The Four Lands face a new threat.”—Fantasy Book Review “Fantastic . . . one of the best books in this saga.”—SFRevu

BONUS: This edition contains an excerpt from Terry Brooks's *The Measure of the Magic*. Horrified by the misuse of magic they had witnessed during the First War of the Races, the Druids at Paranor devoted themselves to the study of the old sciences, from the period before the collapse of civilization a thousand years before. Only the Bremen and a few trusted associates still studied the arcane arts. And for his persistence, Bremen found himself outcast, avoided by all but the few free-thinkers among the Druids. But his removal from Paranor was not altogether a terrible thing, for Bremen learned that dark forces were on the move from the Northlands. That seemingly invincible armies of trolls were fast conquering all that lay to their south. That the scouts for the army--and its principal assassins--were Skull Bearers, disfigured and transformed Druids who had fallen prey to the seductions of the magic arts. And that at the heart of the evil tide was an archmage and former Druid named Brona! Using the special skills he had acquired through his own study of Magic, Bremen was able to penetrate the huge camp of the Troll army and learn many of its secrets. And he immediately understood that if the peoples of the Four Lands were to escape eternal subjugation they would need to unite. But, even united, they would need a weapon, something so powerful that the evil magic of Brona, the Warlock Lord, would fail before its might...

Demons and other minions of the dark roam the ravaged landscape of the former United States while a small band of survivors journeys northward toward a safe haven,

led by a boy named Hawk, the legendary gypsy morph.

Young Elf Arling Elesedil possesses the enchanted means to close the breach and once more seal the denizens of the Forbidding in their prison. But when she falls into the hands of the powerful Federation's diabolical Prime Minister, her efforts may be doomed. Only her determined sister, Aphen, who bears the Elfstones and commands their magic, has any hope of saving Arling from the hideous fate her captor has in store. Meanwhile, Railing Ohmsford—desperate to save his imprisoned brother—seeks to discover if his famed but ill-fated ancestor Gianne is still alive and willing to help him save the world . . . no matter the odds or the consequences.
