This large-format, high-page-count monograph is the definitive tome on the work of the prolific Provensen husband-and-wife team. The book includes many never-before-seen sketches and development work for many of their books; exquisite drawings from their extensive travel journals; and many personal paintings, illustrations, photographs, and artifacts. The Art of Alice and Martin Provensen is the first-ever monograph on this beloved mid-century husband-and-wife illustration team. This award-winning pair created more than 40 beloved children's books over the span of seven decades, many of which appeared on the New York Times Best Illustrated Books of the Year lists. From early favorites for Golden Books such as *The Color Kittens* by Margaret Wise Brown, 1949, to their Caldecott-winning title *The Glorious Flight: Across the Channel with Louis Bleriot*, 1983, the Provenses' books inspired generations of young readers. This beautiful volume showcases hundreds of their well-known illustrations, their signature design for Kellogg's Tony the Tiger mascot, 1952, as well as many never-before-seen paintings, ideations, travel sketchbooks, and ephemera. The Provenses' colorful, inimitable artwork is a treasure trove for designers, illustrators, literary historians, and all who cherish classic children's books. **FIRST MONOGRAPH:** This is the first-ever, long-overdue monograph on this influential and revered husband-and-wife illustration team. **UNIQUE VIEWPOINT:** Their mid-century hand-drawn style is vintage and charming and has influenced a generation of illustrators and designers. **IDEAL GIFT/COVETABLE OBJECT:** This is an ideal gift for fans of mid-century modern design and illustration, art-book collectors, and anyone looking for the perfect coffee-table book. **VINTAGE:** There has been a resurgence of appreciation of hand-done illustration as opposed to art produced digitally. This book is a nostalgic look-back at classic, vintage, and beloved children's books and two of the premier illustrators of the genre. **MERCH/DISPLAY OPPORTUNITIES:** Colorful, whimsical, and charming, this is an ideal book for retailers to merchandise. Perfect for: Illustrated children's

book collectors and fans, design enthusiasts, illustrators, art students, fans of mid-century modernism, book collectors, art aficionados, aesthetes

Seven fussy eaters find a way to surprise their mother.

World-renowned folklorist Maria Tatar reveals an astonishing but long buried history of heroines, taking us from Cassandra and Scheherazade to Nancy Drew and Wonder Woman. The Heroine with 1,001 Faces dismantles the cult of warrior heroes, revealing a secret history of heroism at the very heart of our collective cultural imagination.

Maria Tatar, a leading authority on fairy tales and folklore, explores how heroines, rarely wielding a sword and often deprived of a pen, have flown beneath the radar even as they have been bent on redemptive missions. Deploying the domestic crafts and using words as weapons, they have found ways to survive assaults and rescue others from harm, all while repairing the fraying edges in the fabric of their social worlds. Like the tongueless Philomela, who spins the tale of her rape into a tapestry, or Arachne, who portrays the misdeeds of the gods, they have discovered instruments for securing fairness in the storytelling circles where so-called women's work—spinning, mending, and weaving—is carried out. Tatar challenges the canonical models of heroism in Joseph Campbell's *The Hero with a Thousand Faces*, with their male-centric emphases on achieving glory and immortality. Finding the women missing from his account and defining their own heroic trajectories is no easy task, for Campbell created the playbook for Hollywood directors. Audiences around the world have willingly surrendered to the lure of quest narratives and charismatic heroes. Whether in the form of Frodo, Luke Skywalker, or Harry Potter, Campbell's archetypal hero has dominated more than the box office. In a broad-ranging volume that moves with ease from the local to the global, Tatar demonstrates how our new heroines wear their curiosity as a badge of honor rather than a mark of shame, and how their "mischief making" evidences compassion and concern. From Bluebeard's wife to Nancy Drew,

and from Jane Eyre to Janie Crawford, women have long crafted stories to broadcast offenses in the pursuit of social justice. Girls, too, have now precociously stepped up to the plate, with Hermione Granger, Katniss Everdeen, and Starr Carter as trickster figures enacting their own forms of extrajudicial justice. Their quests may not take the traditional form of a “hero’s journey,” but they reveal the value of courage, defiance, and, above all, care. “By turns dazzling and chilling” (Ruth Franklin), *The Heroine with 1,001 Faces* creates a luminous arc that takes us from ancient times to the present day. It casts an unusually wide net, expanding the canon and thinking capaciously in global terms, breaking down the boundaries of genre, and displaying a sovereign command of cultural context. This, then, is a historic volume that informs our present and its newfound investment in empathy and social justice like no other work of recent cultural history.

Printz Honor and NEW YORK TIMES bestselling author Carolyn Mackler brings honesty and charm to this story of a friendship between two girls. Meet Hannah. Her name is a palindrome. Her birthday is on New Year’s. She wishes she had a cat. She’s medium height and a little awkward. Her life has NOT been fun lately -- her dad and stepmom are having a baby and, worst of all, her best friend next door just moved away. Now a new girl is here, taking over her best friend’s bedroom . . . and her own identity. Meet Emme. Her name is a palindrome. Her birthday is on New Year’s. She loves her enormous orange cat. She’s so short that last week she was mistaken for a kindergartner. She’s found moving hard . . . but at least there’s the girl next door, Hannah. Maybe they’ll become friends? While Hannah and Emme are alike in so many ways, they’re also different in some wrong ways, too. Is this the perfect friendship . . . or a recipe for disaster? From award-winning writer Carolyn Mackler comes a funny, smart story about finding out who your best friends are, in good times and bad.
