From the celebrated team behind *Creepy Carrots!*, Aaron Reynolds and Caldecott Honor winner Peter Brown, comes a hilarious (and just a little creepy) story of a brave rabbit and a very weird pair of underwear. Jasper Rabbit is NOT a little bunny anymore. He's not afraid of the dark, and he's definitely not afraid of something as silly as underwear. But when the lights go out, suddenly his new big rabbit underwear glows in the dark. A ghoulish, greenish glow. If Jasper didn't know any better he'd say his undies were a little, well, creepy. Jasper's not scared obviously, he's just done with creepy underwear. But after trying everything to get rid of them, they keep coming back!

Renowned activist Andy Parker's account of the story that shocked America, the murder of his daughter, reporter Alison Parker, on live television, and his extraordinary ensuing fight for commonsense gun safety legislation and doing "Whatever It Takes" to end gun violence. On August 26, 2015, Emmy Award-winning twenty-four-year-old reporter Alison Parker was murdered on live television, along with her colleague, photojournalist Adam Ward. Their interviewee was also shot, but survived. People watching at home heard the gunshots, and the gunman's video of the murder, which he uploaded to Facebook, would spread over the internet like wildfire. In the wake of his daughter's murder, Andy Parker became a national leader in the fight for commonsense gun safety legislation. The night of the murder, with his emotions still raw, he went on Fox News and vowed to do "Whatever it Takes" to end gun violence in America. Today he is a media go-to each time a shooting shocks the national consciousness, and has worked with a range of other crusaders, like Congresswoman Gabby Giffords, Mayor Michael Bloomberg, and Lenny Pozner, whose son was killed at Sandy Hook Elementary School and brought suit against Alex Jones and Infowars, who claimed the shooting was staged. In *For Alison*, Parker shares his work as a powerhouse battling gun violence and gives a plan for commonsense gun legislation that all sides should agree on. He calls out the NRA-backed politicians blocking the legislation, shares his fight against "truthers," who claim Alison's murder was fabricated, and reveals what's ahead in his fight to do whatever it takes to stop gun violence. Parker's story is one of great loss, but also resilience, determination, and a call to action. Senator Tim Kaine, also a fierce advocate for commonsense gun laws, contributes a moving foreword.
