While at play with his dog, Newton, a young boy discovers the laws of force and motion in his everyday activities. Told in rhyme, Lynne Mayer's *Newton and Me* follows these best friends on an adventure as they apply physics to throwing a ball, pulling a wagon, riding a bike, and much more. They will realize that Newton's Laws of Motion describe experiences they have every day, and they will recognize how forces affect the objects around them. the "for Creative Minds" educational section includes: Force and Motion Fun Facts, Matching Forces,

Who Was Newton?, and Newton's Laws of Motion (2 of 3). Additional teaching activities and interactive quizzes are available on the Arbordale Publishing website.

From Hans Christian Anderson Award winner and three-time Caldecott Honoree Peter Sis comes a delectable picture book that is as breezy, sweet and irresistible as ice cream in summer. Dear Grandpa, Summer is going well. I am very busy. But don't worry, I am not forgetting about school! I read every day. I practice my math facts. And I am even studying world history! Peter Sís's delicious tongue-in-cheek vision of summer dishes up the whole scoop on everyone's favorite frozen treat--and proves that ice cream is every bit as enriching for the mind as it is for the taste buds. Readers everywhere will be begging for seconds and thirds!

Words Every Third Grader Needs to Know! is a vocabulary resource designed to support instruction in the content areas. Each activity gives students extra practice with academic vocabulary, which are the subject-specific words that often challenge learners. Students rarely encounter these words in everyday use. However, knowing them is essential to a student's ability to learn new subject concepts. The 200 words in Words Every Third Grader Needs to Know! have been carefully selected to match national education standards in the curriculum areas of math, science and health, technology, language arts, history, geography, civics and economics, and the arts. The activities feature vocabulary words in a variety of contexts so that students can make their own thoughtful connections about them. This book also includes a reproducible student dictionary, vocabulary game ideas and reproducible templates, and word cards—tools that will make learning academic vocabulary words both effective and fun! Features:

- 200 subject-specific vocabulary words
- Standards-based activities
- Vocabulary games and templates
- Student dictionary
- Word cards
