

## Thirteen The Last 1 James Phelan

The numbers in the King James Holy Bible have significant meaning that follow the number throughout the scripture. The number 13 has always been an 'unlucky' number. The number 13 is the number that represents Satan, evil, wickedness, devils, and everything vile that is connected to them. This book is a chronological account of the number of 'Rebellion' in the bible from Genesis to Revelation. The word "THIRTEENTH" is found to be the thirteenth word in a bible verse only one time at: Esther 9:1 Now in the twelfth month, that is, the month Adar, on the thirteenth day of the same, ...The words thirteen and thirteenth appears 26 (2x13) times in the bible. There are 13 famines recorded in scripture. There are 13 kings recorded from David to Zedekiah who went into Babylonian captivity. 2nd Chron. 36:10 The phrase: 'the old serpent', 'thousand years', 'Jannes/Jambres' have 13 letters. The Antichrist (13 letters), who we know to be 'Judas Iscariot; (13 letters), is the one who 'betrayed Jesus' (13 letters). He is the coming to rule over 'New World Order' (13 letters) that is being set up currently by the globalists. The Antichrist 'is the man of sin' (13 letters) spoken of by Jesus in the gospels, and his final abode will be 'the lake of fire' (13 letters). A sample of the Revelation 13:18 (a 13 with 3x6), the 66th book of the bible; the 13th chapter; and the 18th verse; here we get the "number of a man"; 'the Antichrist', which is 666; the unholy trinity of man. The word "beast" in sole reference to the person of 'the Antichrist' (13 letters), himself, appears a total of 36 (6x6) times in Revelation. No coincidence. The address 13:18 (13+3x6) added together is: 1+3+1+8=13; and 13+18=31 a 13 reversed; 'the Antichrist' is covered over with 6s, 13s and their multiples. Another infamous 13:18 is found in John's gospel (see); John is also the author of the book of Revelation; and he records Jesus, at the last supper, quoting Psa. 41:9 and Jesus says: "He that eateth bread with me hath lift up his heel against me." a direct reference to the "betrayer" 'Judas Iscariot' (13 letters) and the quote just happens to be 13 words in length; see the nuggets in John 13 of this work to see other such "coincidences" as the scoffers would say. In Genesis 3:15 we have the first recorded prophecy in the bible of the Devil's seed 'the Antichrist' (13 letters), and the address of Gen. 3:15 is (3+15=18, 666). The only use in the bible of the capital "S" Six; is found in verse 18; and it personifies the number as you would capitalize a proper name.

In spite of its key role in creating the ruinous financial crisis of 2008, the American banking industry has grown bigger, more profitable, and more resistant to regulation than ever. Anchored by six megabanks whose assets amount to more than 60 percent of the country's gross domestic product, this oligarchy proved it could first hold the global economy hostage and then use its political muscle to fight off meaningful reform. 13 Bankers brilliantly charts the rise to power of the financial sector and forcefully argues that we must break up the big banks if we want to avoid future financial catastrophes. Updated, with additional analysis of the government's recent attempt to reform the banking industry, this is a timely and expert account of our troubled political economy.

Classic Books Library presents this brand new edition of “The Federalist Papers”, a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. “The Federalist”, as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755–1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation’s finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.
