In the third novel of the New York Times bestselling Temeraire series, Captain Will Laurence and his dragon transport precious cargo while fending off enemies on all sides. “A splendid series.”—Anne McCaffrey After their fateful adventure in China, Captain Will Laurence of His Majesty’s Aerial Corps and his extraordinary dragon, Temeraire, are waylaid by a mysterious envoy bearing urgent new orders from Britain. Three valuable dragon eggs have been purchased from the Ottoman Empire, and Laurence and Temeraire must detour to Istanbul to escort the precious cargo back to England. Time is of the essence if the eggs are to be borne home before hatching. Yet disaster threatens the mission at every turn—thanks to the diabolical machinations of the Chinese dragon Lien, who blames Temeraire for her master’s death and vows to ally herself with Napoleon and take vengeance. Then, faced with shattering betrayal in an unexpected place, Laurence, Temeraire, and their squad must launch a daring offensive. But what chance do they have against the massed forces of Bonaparte’s implacable army? Serpents continues the fantastical Napoleonic War experiences of Captain Will Laurence and his indefatigable fighting dragon, who travel to South America to negotiate with the Incas as part of a plan to stop the Emperor's campaign for world domination. In the second novel of the New York Times bestselling Temeraire series, the Napoleonic Wars take Captain Will Laurence and his dragon to China on a perilous mission. "Full of wonderful characters with real heart."—Peter Jackson When Britain intercepted a French ship and its precious cargo—an unhatched dragon's egg—Captain Will Laurence of HMS Reliant unexpectedly became master and commander of the noble dragon he named Temeraire. As new recruits in Britain's Aerial Corps, man and dragon soon proved their mettle in daring combat against Napoleon Bonaparte's invading forces. Now China has discovered that its rare gift, intended for Napoleon, has fallen into British hands—and an angry Chinese delegation vows to reclaim the remarkable beast. A reluctant Laurence has no choice but to take Temeraire back to China—a long voyage fraught with peril, intrigue, and the untold terrors of the deep. Yet once the pair reaches the court of the Chinese emperor, even more shocking discoveries and darker dangers await. All his life, Moon roamed the Three Worlds, a solitary wanderer forced to hide his true nature — until he was reunited with his own kind, the Raksura, and found a new life as consort to Jade, sister queen of the Indigo Cloud court. But now a rival court has laid claim to him, and Jade may or may not be willing to fight for him. Beset by doubts, Moon must travel in the company of strangers to a distant realm where he will finally face the forgotten secrets of his past, even as an old enemy returns with a vengeance. The Fell, a vicious race of shape-shifting predators, menaces groundlings and Raksura alike. Determined to crossbreed with the Raksura for arcane purposes, they are driven by an ancient voice that cries out from . . . The siren depths.

**HE'S BACK. AND HE'S THE BIGGEST THING IN POLITICS.**

He is the perfect presidential candidate. Conservatives love his hard-hitting Republican résumé. Liberals love his peaceful, progressive practicality. The media can't get enough of his larger-than-life personality. And all the American people love that he's an honest, hard-working man who tells it like it is. There's just one problem. He is William Howard Taft . . . and he was already president a hundred years ago. So what on earth is he doing alive and well and considering a running mate in 2012? A most extraordinary satire, Jason Heller's debut novel follows the strange new life of a presidential Rip Van Winkle: a man who never even wanted the White House in the first place, yet finds himself

Top 10 Finalist in Mark Lawrence's SPFBO 2018 Sable hated the gods. She hated what men did in their name. Magic is forbidden throughout the Five Provinces; those born with it are hunted and killed. Sable doesn't know her music holds power over souls--not until, at age nine, she plays her flute before the desert court and accidentally stops her baby sister's heart, killing her. Horrified by what she's done and fearing for her life, she flees north, out of Provincial jurisdiction and into the frigid land of exiles and thieves, known as The Wilds. There, Sable lives in hiding, burdened by guilt, and survives as a healer. But now, ten years later, someone--or something--is hunting her. On the run again, Sable's best chance for survival is Jos, a lethal man from the Five Provinces, who claims to need her skills as a healer to save his dying father, and she needs the large sum of money he's offered. There's something about him Sable doesn't trust, but she doesn't have many options. A spirit of the dead is hunting her, summoned by a mysterious necromancer, and it's getting closer. Sable soon discovers she's just the start of the necromancer's plan to take over the Five Provinces, and she's the only one with the power to stop it. But harnessing her forbidden power means revealing it to the world, and the dangerous Provincial, Jos, she's beginning to fall for. Fans of Brandon Sanderson, Naomi Novik, and Victoria Schwab will love this dark and epic fantasy adventure.

Together in one volume, here are the first three novels in Naomi Novik's New York Times bestselling Temeraire series, combining the gripping history of the Napoleonic era, the thrill of Anne McCaffrey's Dragonriders of Pern books, and the excitement of Patrick O'Brian's seafaring adventures. In His Majesty's Service also includes an exclusive original Temeraire short story. Capt. Will Laurence is serving with

honor in the British Navy when his ship captures a French frigate harboring most a unusual cargo—an incalculably valuable dragon egg. When the egg hatches, Laurence unexpectedly becomes the master of the young dragon Temeraire and finds himself on an extraordinary journey that will shatter his orderly, respectable life and alter the course of his nation's history. Thrust into England's Aerial Corps, Laurence and Temeraire undergo rigorous training while staving off French forces intent on breaching British soil. But the pair has more than France to contend with when China learns that an imperial dragon intended for Napoleon—Temeraire himself— has fallen into British hands. The emperor summons the new pilot and his dragon to the Far East, a long voyage fraught with peril and intrigue. From England's shores to China's palaces, from the Silk Road's outer limits to the embattled borders of Prussia and Poland, Laurence and Temeraire must defend their partnership and their country from powerful adversaries around the globe. But can they succeed against the massed forces of Bonaparte's implacable army?

A tactile touch-and-feel book all about dragons.

DEFIANCE IS TREASON. TREASON IS DEATH. A siege is laid against the last resistance to the Senate's rule. As the battle rages, a commander, a soldier, and a rebel will decide how far they are willing to go for victory. THE COMMANDER Marcus is forced to choose between destroying the rebel forces and liberating his legion. He must face the true cost of being a leader. And an oppressor. THE SOLDIER Agrippa sets his sights on glory to fill the deepening void within him. He discovers that the price of fame might not just be paid in blood, it might be paid by his heart. THE REBEL Silvara joins the rebel forces to fight against the legions who would see her family dead. While she dreams of being a warrior, she finds her sharpest weapon is seduction. But to defeat the Empire, she'll have to betray the young man who now has her heart. Inspired by the harsh world of ancient Rome, readers are obsessed with this martial tale of fiery romance, friendship, and enmity. Told from three points of view, TARNISHED EMPIRE is filled with twists you'll never see coming but will keep you turning the pages all night. TARNISHED EMPIRE is set in the world of Danielle L. Novik's stunning Temeraire series, following the global adventures of Captain William Laurence and his fighting dragon Temeraire as they are thrown together to fight for Britain during the Napoleonic Wars.

A fantasist without equal, Patricia A. McKillip has created worlds of intricate beauty and unforgettably nuanced characters. For 25 years, she's drawn readers into her spell, spinning modern-day fables with a grace rarely seen. Now she presents a book of previously uncollected short stories, full of beautiful dragons, rueful princesses, and handsome bards, and written in the gorgeous - and often surprisingly funny - prose she's known for. This is her world, wrapped up in the finery of fairy tales. Two young Regency ladies with special powers must save the monarchy: "A satisfying blend of magic, mystery, humor, and romance" (Booklist). Ocean voyages do not agree with wizards, and seasickness during the Channel crossing is the price Cecelia must pay for her budding magical skill. As her nausea ebbs, she is comforted by her new husband, James, and the knowledge that at long last they are on their honeymoon. In their company is Cecelia's cousin Kate, newly minted as the Marchioness of Schofield, and her husband, Thomas. The shared journey guarantees the two couples a happy start to married life, if they can survive the perils of the Continent. In Calais, a mysterious woman visits

"A new writer is soaring on the wings of a dragon."—The New York Times Tragedy has struck His Majesty's Aerial Corps, whose magnificent fleet of fighting dragons and their human captains valiantly defend England's shores against the encroaching armies of Napoleon Bonaparte. An epidemic of unknown origin and no known cure is decimating the noble dragons' ranks—forcing the hopelessly stricken into quarantine. Now only Temeraire and a pack of newly recruited dragons remain uninfected—and stand as the only means of an airborne defense against France's ever bolder sorties. Bonaparte's dragons are already harrowing Britain's ships at sea. Only one recourse remains: Temeraire and his captain, Will Laurence, must take wing to Africa, whose shores may hold the cure to the mysterious and deadly contagion. On this

The past is a mystery, each new day feels the same as the last, and before is blasphemy. But slowly, inexplicably, Simon is beginning to remember. He emerges from sleep each morning with a pricking feeling, and sense there is something he urgently has to do. In the city Simon meets Lucien, who has a gift for hearing, some secrets of his own, and a theory about the danger lurking in Simon's past. A stunning debut composed of memory, music, love and freedom, The Chimes pulls you into a world that will captivate, enthrall and inspire.

As Napoleon launches an attack on Britain, Captain Will Laurence, accused of treason, escapes from his prison ship and sets out on a desperate quest to reunite with his fighting dragon, Temeraire, who has been consigned to breeding grounds in Wales.

Captain Laurence washes onto the shores of Japan with limited memories about his life, a situation that tests the strength of his bond with the dragon Temeraire.

bestselling author Naomi Novik has created a fantasy series like no other, combining the high-flying appeal of Anne McCaffrey's Pern saga and the swashbuckling derring-do of Patrick O'Brian's historical seafaring adventures. Now, with *League of Dragons*, Novik brings the imaginative tour de force that has captivated millions to an unforgettable finish. Napoleon's invasion of Russia has been roundly thwarted. But even as Capt. William Laurence and the dragon Temeraire pursue the retreating enemy through an unforgiving winter, Napoleon is raising a new force, and he'll soon have enough men and dragons to resume the offensive. While the emperor regroups, the allies have an opportunity to strike first and defeat him once and for all—if internal struggles and petty squabbles don't tear them apart. Aware of his weakened position, Napoleon has promised the dragons of every country—and the ferals, loyal only to themselves—vast new rights and powers if they fight under his banner. It is an offer eagerly embraced from Asia to Africa—and even by England, whose dragons have long rankled at their disrespectful treatment. But Laurence and his faithful dragon soon discover that the wily Napoleon has one more gambit at the ready—one that may win him the war, and the world. Praise for *League of Dragons* “Novik has accomplished something singular with her Temeraire series. It's long. It's sumptuous. . . . It's a story about friendship that transcends not only time and class, but species. . . . *League of Dragons* masterfully wraps up so many plot threads and loose ends that had built up throughout the previous eight books [but] Novik never forgets that, as

sixteen-year-old Leah Taymore, just making her way through classes without incident is shaping up to be a superhuman task. Star struck by legendary ex-hero turned student advisor Calvin Washington, petrified by ultrastrict dean Dr. Santos, and tongue-tied over her supercool (and handsome) classmate Paul Lyman, timid Leah fears that even her ability to manipulate atoms won't be enough to survive the rigors of L.V.—and become a full-fledged defender of all that is right. But the real test of her mettle is yet to come, in the form of infamous supervillain Bane, who has infiltrated Liberty with a sinister plan to bring down the best and brightest heroes of tomorrow before they even take flight.

One choice. Two possible timelines. And a world hanging in the balance. It's the summer of 1986 and reluctant prodigy Nick Hayes is a student at Cambridge University, working with world-renowned mathematician Professor Halligan. He just wants to be a regular student, but regular isn't really an option for a boy-genius cancer survivor who's already dabbled in time travel. When he crosses paths with a mysterious yet curiously familiar girl, Nick discovers that creases have appeared in the fabric of time, and that he is at the centre of the disruption. Only Nick can resolve this time paradox before the damage becomes catastrophic for both him and the future of the world. Time is running out--literally. Wrapped up with him in this potentially apocalyptic scenario are his ex-girlfriend, Mia, and fellow student Helen. Facing the world-ending chaos of a split in time, Nick must act fast and make the choice of a lifetime--or lifetimes. Game on.

NEW YORK TIMES BESTSELLER • The specter of graduation looms large as Naomi Novik’s groundbreaking, New York Times bestselling trilogy continues in the stunning sequel to *A Deadly Education*. In *Wisdom, Shelter*. That’s the official motto of the Scholomance. I suppose you could even argue that it’s true—only the wisdom is hard to come by, so the shelter’s rather scant. Our beloved school does its best to devour all its students—but now that I’ve reached my senior year and have actually won myself a handful of allies, it’s suddenly developed a very particular craving for me. And even if I somehow make it through the endless waves of maleficaria that it keeps throwing at me in between grueling homework assignments, I haven’t any idea how my allies and I are going to make it through the graduation hall alive. Unless, of course, I finally accept my foretold destiny of dark sorcery and destruction. That would certainly let me sail straight out of here. The course of wisdom, surely. But I’m not giving in—not to the mals, not to fate, and especially not to the Scholomance. I’m going to get myself and my friends out of this hideous place for good—even if it’s the last thing I do. With keen insight and mordant humor, Novik reminds us that sometimes it is not enough to rewrite the rules—sometimes, you need to toss out the entire rulebook. The magic of the Scholomance trilogy will continue in 2022
