

Time Deal

FBI profiler Sayer Altair hunts a brilliant serial killer with a dangerous obsession in *Caged*, a gripping thriller from debut author Ellison Cooper. In a residential Washington, D.C. neighborhood, a young woman's body is found in the basement of an abandoned house--starved to death in a cage, along with the video footage of a dark and deadly ritual. The victim is identified as the daughter of a prominent D.C. politician, and it falls to the FBI to track down the unconscionable psychopath who murdered her. FBI special agent Sayer Altair would rather conduct research on criminality than catch actual criminals. But when she's offered a promotion hinging on her next assignment, she reluctantly accepts the "Cage Killer" case. Taunted by a photo of another victim at the mercy of this vicious killer, Sayer and her team are driven to put an end to these grisly homicides. During the investigation, clues emerge connecting the murders to Sayer's past. Now, the stakes are personal, and the deeper Sayer is drawn into the deadly web, the more she believes she is the only one who can uncover the killer's identity. Told with devastating detail, shocking twists and unrelenting suspense, Cooper proves her exceptional ability to entertain and enthrall.

The inside story of the meteoric rise of Groupon from startup to \$30 billion online giant and the audacious genius behind it, founder Andrew Mason In late 2010, Groupon made an incredible gamble. Rather than take Google's \$6 billion buyout offer, founder

Read Free Time Deal

Andrew Mason turned the search giant down and decided to go it alone. The experts thought he was insane. Groupon was little more than two years old and staffed from top to bottom with twenty-somethings. The wild ride couldn't last, but Mason thought otherwise, and with knowledge of a possible IPO he liked his odds. A discount service that offers a deal a day at local merchants in countless cities in more than forty-three countries, Groupon is the fastest-growing company in Internet history and is as committed to innovating a new model for commerce as it is to creating an office culture and editorial voice based on radical transparency and absurd humor. Groupon's Biggest Deal Ever is the exclusive and unparalleled account of the incredible rise of discount giant Groupon and the compelling story of its offbeat founder Andrew Mason as he created a juggernaut of online commerce and ignited a consumer revolution. President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big."—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully

reveals the deal-maker's art. And throughout, Trump talks—really talks—about how he does it. *Trump: The Art of the Deal* is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for *Trump: The Art of the Deal* “Trump makes one believe for a moment in the American dream again.”—The New York Times “Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet.”—Chicago Tribune “Fascinating . . . wholly absorbing . . . conveys Trump’s larger-than-life demeanor so vibrantly that the reader’s attention is instantly and fully claimed.”—Boston Herald “A chatty, generous, chutzpa-filled autobiography.”—New York Post

"In October 2016, Maine resident Libby Chamberlain created a secret Facebook group encouraging a handful of friends to wear pantsuits to the polls. Overnight, the group of thirty exploded to 24,000 members. By November 8, the group was three million strong. Since Pantsuit Nation's inception, its members have shared personal stories that illustrate the complexities of living in a vibrant, oftentimes contentious democracy. Members turn to Pantsuit Nation as a place of refuge and inspiration, where marginalized voices are amplified, faces are put to political decisions, resources are shared, and activism is ignited. It is a dynamic, diverse community united by an unwavering commitment to building a more just, inclusive world"--Amazon.com.

In 1845 a blight of unknown origin destroyed the potato crop in Ireland triggering a series of events that would change forever the course of Ireland's history. The British

Read Free Time Deal

government called the famine an act of God. The Irish called it genocide. By any name the famine caused the death of over one million men, women, and children by starvation and disease. Another two million were forced to flee the country. With the famine as a backdrop, this is a story about two families as different as coarse wool and fine silk. Michael Ranahan, the son of a tenant farmer, dreams of breaking his bondage to the land and going to America. The passage money has been saved. He's made up his mind to go. And then-the blight strikes and Michael must put his dream on hold. The landlord, Lord Somerville, is a compassionate man who struggles to preserve a way of life without compromising his ideals. To add to his troubles, he has to deal with a recalcitrant daughter who chafes at being forced to live in a country of "bog runners." In *The Time Of Famine* is a story of survival. It's a story of duplicity. But most of all, it's a story of love and sacrifice.

Trump: The Art of the Deal Ballantine Books

Very few jobs today offer the mystique, excitement and fun of being a private eye. Once a fixture of old movies and cheap detective novels, today's private investigator is an important player in the modern business world, filling gaps where law-enforcement officers cannot or will not tread. And there's plenty of work to be had - if you know where to find it and, most importantly, how to get paid for it. Author Russ Bubas has spent 35 years in the business and now runs a successful corporate private investigation firm with more than 1,000 clients nationwide. In *Be a Big Time, Big Deal*

Read Free Time Deal

Private Eye, Bubas provides an entertaining introduction to private investigation as an adventurous, profitable and satisfying career. He describes the common (and not so common) slices of the modern PI business, including who uses these services and why, and he tells you how to price your work correctly so you can make a good living at it. Bubas uses fascinating stories from his long career to show you how PIs operate in the real world - whether it's staking out crooked employees in downtown bars, working undercover in major corporations or performing any number of other assignments that modern PIs are expected to do. Finally, he shows you how to establish and run your own business like a professional, from setting up shop to landing your first clients to marketing your services the right way.

It's Christmas Even morning. Years ago a man abandoned his son to pursue professional success; now he wonders if it's too late to forge a relationship with him. One week earlier, in a hospital late at night, the man met a five-year-old girl with cancer. When the man is given the chance to do something selfless that could change the destiny of the little girl in the hospital bed, he needs to find out what his own life has actually been worth in the eyes of his son before he makes the deal of a lifetime.

deals. Build your confidence and overcome the fear of making a bad deal. Do you know the secrets of a deal? If not, how in the world can you pitch a deal successfully. Let Jim Nissing show you how to identify, pitch and negotiate your next big deal and become a Master Deal Maker.

An upcoming book to be published by Penguin Random House.

Hannah Wells has finally found someone who turns her on. But while she might be confident in every other area of her life, she's carting around a full set of baggage when it comes to sex and seduction. If she wants to get her crush's attention, she'll have to step out of her comfort zone and make him take notice...even if it means tutoring the annoying, childish, cocky captain of the hockey team in exchange for a pretend date. All Garrett Graham has ever wanted is to play professional hockey after graduation, but his plummeting GPA is threatening everything he's worked so hard for. If helping a sarcastic brunette make another guy jealous will help him secure his position on the team, he's all for it. But when one unexpected kiss leads to the wildest sex of both their lives, it doesn't take long for Garrett to realize that pretend isn't going to cut it. Now he just has to convince Hannah that the man she wants looks a lot like him.

Read This Fall" "Compulsively readable . . . ravenously consuming . . . manna from heaven . . . If ever someone knew how to put a genuinely irresistible book together, it's Jacobs in *Still Here*." —Jeff Simon, *The Buffalo News* *Still Here* is the first full telling of Elaine Stritch's life. Rollicking but intimate, it tracks one of Broadway's great personalities from her upbringing in Detroit during the Great Depression to her fateful move to New York City, where she studied alongside Marlon Brando, Bea Arthur, and Harry Belafonte. We accompany Elaine through her jagged rise to fame, to Hollywood and London, and across her later years, when she enjoyed a stunning renaissance, punctuated by a turn on the popular television show *30 Rock*. We explore the influential—and often fraught—collaborations she developed with Noël Coward, Tennessee Williams, and above all Stephen Sondheim, as well as her courageous yet flawed attempts to control a serious drinking problem. And we see the entertainer triumphing over personal turmoil with the development of her Tony Award–winning one-woman show, *Elaine Stritch at Liberty*, which established her as an emblem of spiky independence and Manhattan life for an entirely new generation of admirers. In *Still Here*, Alexandra Jacobs conveys the full force of Stritch's sardonic wit and brassy charm while acknowledging her many dark complexities. Following years of meticulous research and interviews, this is a portrait of a powerful, vulnerable,

Read Free Time Deal

honest, and humorous figure who continues to reverberate in the public consciousness.

There has been an explosion of studies in the field of genetic hearing impairment in the past decade, associated with major advances in our understanding of the mechanisms and conditions involved. However, a recent review has highlighted the very limited number of studies on the effects of such hearing impairment on the individuals and families of those concerned. In *The Effects of Genetic Hearing Impairment in the Family*, under the aegis of the European Union GENDEAF programme, the editors have taken the first steps to address this deficit in our knowledge and understanding of this topic. The book addresses the problem by secondary analyses of existing large scale population studies, by prospective investigation of individuals with a family history of hearing impairment and by specific studies on patients with otosclerosis and neurofibromatosis 2 and their families. In addition several chapters look at the specific impact of deaf culture, ethnicity and religion on reactions to deafness and the specific needs in genetic counselling. This book represents an important first step in this field and should be an invaluable resource for all professionals involved with people with hearing impairments.

This revelatory biography of Melania Trump from Pulitzer Prize–winning

Read Free Time Deal

Washington Post reporter Mary Jordan “deftly, and without agenda, decodes Melania [Trump]” (NBC News) who is far more influential in the White House than most people realize. Based on interviews with more than one hundred people in five countries, *The Art of Her Deal: The Untold Story of Melania Trump* draws an unprecedented portrait of the first lady. While her public image is of an aloof woman floating above the political gamesmanship of Washington, behind the scenes Melania Trump is not only part of President Trump’s inner circle, but for some key decisions she has been his single most influential adviser.

Throughout her public life, Melania Trump has purposefully worked to remain mysterious. With the help of key people speaking publicly for the first time and never-before-seen documents and tapes, *The Art of Her Deal* looks beyond the surface image to find a determined immigrant and the life she had before she met Donald Trump. Mary Jordan traces Melania’s journey from Slovenia, where her family stood out for their nonconformity, to her days as a fledgling model known for steering clear of the industry’s hard-partying scene, to a tiny living space in Manhattan she shared platonically with a male photographer, to the long, complicated dating dance that finally resulted in her marriage to Trump. Jordan documents Melania’s key role in Trump’s political life before and at the White House, and shows why he trusts her instincts above all. The picture of Melania

Trump that emerges in *The Art of Her Deal* is one of a woman who is savvy, steely, ambitious, deliberate, and who plays the long game. And while it is her husband who became famous for the phrase “the art of the deal,” it is she who has consistently used her leverage to get exactly what she wants. This is the story of the art of her deal.

An urgent plan to confront climate change, transform the American economy, and create a green post-fossil fuel culture. A new vision for America’s future is quickly gaining momentum. Facing a global emergency, a younger generation is spearheading a national conversation around a Green New Deal and setting the agenda for a bold political movement with the potential to revolutionize society. Millennials, the largest voting bloc in the country, are now leading on the issue of climate change. While the Green New Deal has become a lightning rod in the political sphere, there is a parallel movement emerging within the business community that will shake the very foundation of the global economy in coming years. Key sectors of the economy are fast-decoupling from fossil fuels in favor of ever cheaper solar and wind energies and the new business opportunities and employment that accompany them. New studies are sounding the alarm that trillions of dollars in stranded fossil fuel assets could create a carbon bubble likely to burst by 2028, causing the collapse of the fossil fuel civilization. The marketplace is speaking, and governments will need to adapt if they are to survive and prosper. In *The Green New Deal*, New York Times bestselling author and renowned economic theorist Jeremy Rifkin delivers the political narrative and economic plan for the Green New Deal that we need at this critical moment in history. The concurrence of a stranded fossil fuel

Read Free Time Deal

assets bubble and a green political vision opens up the possibility of a massive shift to a post-carbon ecological era, in time to prevent a temperature rise that will tip us over the edge into runaway climate change. With twenty-five years of experience implementing Green New Deal-style transitions for both the European Union and the People's Republic of China, Rifkin offers his vision for how to transform the global economy and save life on Earth.

From Michael Dell, renowned founder and chief executive of one of America's largest technology companies, the inside story of the battles that defined him as a leader In 1984,

Read Free Time Deal

soon-to-be college dropout Michael Dell hid signs of his fledgling PC business in the bathroom of his University of Texas dorm room. Almost 30 years later, at the pinnacle of his success as founder and leader of Dell Technologies, he found himself embroiled in a battle for his company's survival. What he'd do next could ensure its legacy--or destroy it completely. *Play Nice But Win* is a riveting account of the three battles waged for Dell Technologies: one to launch it, one to keep it, and one to transform it. For the first time, Dell reveals the highs and lows of the company's evolution amidst a rapidly changing industry--and his own, as he matured into the CEO it needed. With humor and humility, he recalls the mentors who showed him how to turn his passion into a business; the competitors who became friends, foes, or both; and the sharks that circled, looking for weakness. What emerges is the long-term vision underpinning his success: that technology is ultimately about people and their potential. More than an honest portrait of a leader at a crossroads, *Play Nice But Win* is a survival story proving that while anyone with technological insight and entrepreneurial zeal might build something great--it takes a leader to build something that lasts.

Quentin Tarantino's long-awaited first work of fiction—at once hilarious, delicious and brutal—is the always surprising, sometimes shocking, novelization of his Academy Award winning film. **RICK DALTON**—Once he had his own TV series, but now Rick's a washed-up villain-of-the-week drowning his sorrows in whiskey sours. Will a phone call from Rome save his fate or seal it? **CLIFF BOOTH**—Rick's stunt double, and the most infamous man on any movie set because he's the only one there who might have got away with murder. . . . **SHARON TATE**—She left Texas to chase a movie-star dream, and found it. out hippies thinking he's their spiritual leader, but he'd trade it all to be a rock 'n' roll star. Graceling meets Red Queen in this exciting debut novel by an electrifying new voice "Hush has all the trappings of a great fantasy: a curse, a labyrinthine castle, many secrets, and powerful magic. At the center of it all, a girl unwilling to allow her world to be twisted by lies when she knows the truth. A truly gripping read." - Emily A. Duncan, New York Times bestselling author of Wicked Saints They use magic to silence the world. Who will break the hush? Seventeen-year-old Shae has led a seemingly quiet life, joking with her best friend Fiona, and chatting with Mads, the neighborhood boy who always knows how to make her smile. All while secretly keeping her fears at bay... Of the disease that took her brother's life. Of how her dreams seem to bleed into reality around her. Of a group of justice seekers called the Bards who claim to use the magic of Telling to keep her community safe. When her mother is murdered, she can no longer pretend. Not knowing who to trust, Shae journeys to unlock the truth, instead finding a new enemy keen to destroy her, a brooding boy with dark secrets, and an untold power she never thought possible. From Dylan Farrow comes Hush, a powerful fantasy where one girl is determined to remake the world.

Time management is a challenge for everyone, but it is a particularly daunting challenge for middle and high school students. There is an expectation that at their age they should be independent and know how to get things done on their own. But teens are busier than ever. Between homework, school, afterschool activities, family, friends, jobs, and more, teens often find that their time is truly NOT their own. Add in the fact that they often lack the tools to manage their time; maybe it's a little unrealistic for parents to expect their teenagers to instinctively know how to manage time. "What's the Deal with Teens and Time Management"

Read Free Time Deal

takes parents step-by-step through the basics of teaching their teens the time management skills they need to succeed-at school, at work and in life! This is a user-friendly guide full of best practice solutions for helping teens stay on top of their homework, avoid procrastination traps, get out the door in the morning with minimal conflict and manage the use of their electronics. In a readable, breezy and witty fashion, Josel opens the door to the world of time management, what it really means, why it's important and why your teen probably doesn't "get it." And throughout the book, Josel offers up the "Triple Ts" - her tried and true Tips, Tools and Techniques - to provide support and guidance for parents looking to help their teens understand, develop and implement time management skills. In this book, you'll learn: The FIVE mindsets parents need to start their teen on the journey of time management awareness. How to create a "Personal Homework Profile" to better understand how your teen tackles homework. How to help your teen create a time sense and develop "future awareness." How to pick an appropriate paper or electronic academic planner and how to properly plan their time. How to create a peaceful and calm morning routine to get your teen out the door in the morning without anxiety and frustration. Case studies, useful resources, Leslie's straight talk and much, much more! Time Management is a Life Skill that Doesn't Come Naturally to Everyone. It Can be Learned."

With Tucker as your guide, gain more confidence to not just make but succeed at that big move.

An exploration of the New Deal era highlights the politicians and pundits of the time, many of whom advocated for questionable positions, including separation of the races and an American dictatorship.

In 2000, after the Tribune Company acquired Times Mirror Corporation, it comprised the most powerful collection of newspapers in the world. How then did Tribune nosedive in to bankruptcy and public scandal? *The Deal from Hell* is the riveting narrative in which veteran editor James O'Shea takes us behind the scenes of the decisions that led to that ongoing disaster.

From New York Times bestselling author Jill Shalvis comes a friends-to-frenemies-to-lovers story... Add in a few secrets. Shake. Stir. Then read on a lazy summer day at the beach... Brynn Turner desperately wishes she had it together, but her personal life is like a ping-pong match that's left her scared and hurt after so many attempts to get it right. In search of a place to lick her wounds and get a fresh start, she heads back home to Wildstone. And then there's Kinsey Davis, who after battling serious health issues her entire twenty-nine years of life, is tired of hoping for . . . well, anything. She's fierce,

Read Free Time Deal

tough, and she's keeping more than one bombshell of a secret from Brynn -- her long-time frenemy. But then Brynn runs into Kinsey's best friend, Eli, renewing her childhood crush. The good news: he's still easy-going and funny and sexy as hell. The bad news: when he gets her to agree to a summer-time deal to trust him to do right by her, no matter what, she never dreams it'll result in finding a piece of herself she didn't even know was missing. She could have real connections, possibly love, and a future—if she can only learn to let go of the past. As the long days of summer wind down, the three of them must discover if forgiveness is enough to grasp the unconditional love that's right in front of them.

Two girls on opposite sides of a war discover they're fighting for a common purpose—and falling for each other—in Zoe Hana Mikuta's high-octane debut *Gearbreakers*, perfect for fans of *Pacific Rim*, Pierce Brown's *Red Rising Saga*, and Marie Lu's *Legend* series. We went past praying to deities and started to build them instead... The shadow of Godolia's tyrannical rule is spreading, aided by their giant mechanized weapons known as Windups. War and oppression are everyday constants for the people of the Badlands, who live under the thumb of their cruel Godolia overlords. Eris Shindanai is a Gearbreaker, a brash young rebel who specializes in taking down Windups from the inside. When one of her missions goes awry and she finds herself in a Godolia prison, Eris meets Sona Steelcrest, a cybernetically enhanced Windup pilot. At first Eris sees Sona as her mortal enemy, but Sona has a secret: She

Read Free Time Deal

has intentionally infiltrated the Windup program to destroy Godolia from within. As the clock ticks down to their deadliest mission yet, a direct attack to end Godolia's reign once and for all, Eris and Sona grow closer—as comrades, friends, and perhaps something more... Praise for Gearbreakers: "An absolute joyride of a story set in a vivid, arresting world. Gearbreakers is sci-fi at its very finest, combining the grandeur of mecha fighting machines with the intimacy of (splendidly feral) found family. Zoe Hana Mikuta is a talent to be in awe of." —Chloe Gong, New York Times bestselling author of *These Violent Delights*

In the twenty-first century, all politics are climate politics. The age of climate gradualism is over, as unprecedented disasters are exacerbated by inequalities of race and class. We need profound, radical change. A Green New Deal can tackle the climate emergency and rampant inequality at the same time. Cutting carbon emissions while winning immediate gains for the many is the only way to build a movement strong enough to defeat big oil, big business, and the super-rich—starting right now. *A Planet to Win* explores the political potential and concrete first steps of a Green New Deal. It calls for dismantling the fossil fuel industry and building beautiful landscapes of renewable energy, guaranteeing climate-friendly work and no-carbon housing and free public transit. And it shows how a Green New Deal in the United States can strengthen climate justice movements worldwide. We don't make politics under conditions of our own choosing, and no one would choose this crisis. But crises also present

Read Free Time Deal

opportunities. We stand on the brink of disaster—but also at the cusp of wondrous, transformative change.

The extensively researched biography that goes beyond the hype to “separate Trump the reality from Trump the reality show” (USA Today). Now with a new introduction by the author, this entertaining look inside the world of Donald Trump is chock full of rip-roaring anecdotes, jaw-dropping quotes, and rigorous research into the business deals, political antics, curious relationships, and complex background of the forty-fifth US president. Granted unprecedented access, Timothy L. O’Brien traveled across the country and up and down the East Coast with Trump on his private jet, wheeled around Palm Beach with him in his Ferrari, and spent hours interviewing him in his home, in his office, and on the golf course. He met with the entrepreneur’s closest friends and most aggressive rivals, while compiling a treasure trove of Trumpisms from the Donald himself: Trump on the public’s enduring fascination with Trump: “There is something crazy, hot, a phenomenon out there about me, but I’m not sure I can define it and I’m not sure I want to.” Trump on naysayers: “You can go ahead and speak to guys who have four-hundred-pound wives at home who are jealous of me, but the guys who really know me know I’m a great builder.” Trump on the art of self-promotion: “You might as well tell people how great you are, because no one else is going to.” Ultimately, when O’Brien’s research revealed that Trump’s business record and annual spot on the Forbes 400 list of richest Americans might be more fantasy than reality, he—like so

Friends. Alice, a novelist, meets Felix, who works in a warehouse, and asks him if he'd like to travel to Rome with her. In Dublin, her best friend, Eileen, is getting over a break-up, and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen, and Simon are still young—but life is catching up with them. They desire each other, they delude each other, they get together, they break apart. They have sex, they worry about sex, they worry about their friendships and the world they live in. Are they standing in the last lighted room before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world?

The history of Deal has been shaped by its position on the extreme eastern coastline of Kent. Close to France, it was of such significant naval importance that Henry VIII chose to erect a castle here on the concentric circle plan. Revolutionary at the time, it is beautifully preserved today. Barracks were established here from 1861. This corps of the British Army was infamously bombed by the IRA in 1989, and the School of Music departed seven years later

SHORTLISTED FOR 'BEST COMMUTER READ', CMI MANAGEMENT BOOK OF THE YEAR 2017

How do you ask for a promotion, deliver tough news to clients, or secure investment for your new business? The answer is negotiation. It is the most important skill you can develop to get what you want in business and life. No matter how much experience you've got, *We Have a Deal* can help you to improve your negotiation skill – developing an awareness of your habits and abilities, recognising what's really going on in a deal, and building a flexible approach that is confident and appropriate to each situation. Negotiation expert Natalie Reynolds moves beyond the old-fashioned rules of deal making to explore why people react the way they do in certain situations and how can we use that knowledge to get a good deal. Her five-step DEALS

method has helped individuals and organisations to excel at all kinds of negotiation, from clinching a pay rise to resolving disputes, from developing partnerships to shaking hands on multi-million dollar deals. *We Have a Deal* will help you to overcome obstacles, work with different personalities and in varied cultures, and develop an intelligent and flexible approach will empower you to get the best deal, every time.

The reign of Big Tech is here, and Americans' First Amendment rights hang by a keystroke. Amassing unimaginable amounts of personal data, giants like Google, Facebook, Amazon, and Apple—once symbols of American ingenuity and freedom—have become a techno-oligarchy with overwhelming economic and political power. Decades of unchecked data collection have given Big Tech more targeted control over Americans' daily lives than any company or government in the world. In *The Tyranny of Big Tech*, Senator Josh Hawley of Missouri argues that these mega-corporations—controlled by the robber barons of the modern era—are the gravest threat to American liberty in decades. To reverse course, Hawley argues, we must correct progressives' mistakes of the past. That means recovering the link between liberty and democratic participation, building an economy that makes the working class strong, independent, and beholden to no one, and curbing the influence of corporate and political elites. Big Tech and its allies do not deal gently with those who cross them, and Senator Hawley proudly bears his own battle scars. But hubris is dangerous. The time is ripe to overcome the tyranny of Big Tech by reshaping the business and legal landscape of the digital world.

AWARD NOMINEE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Jennifer Szalai, The New York Times • NPR • The Guardian • Marie Claire In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation’s highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune’s Spear, which leads to the death of Osama bin Laden. *A Promised Land* is extraordinarily intimate and introspective—the story of one man’s bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of

running for office as a Black American, bearing the expectations of a generation buoyed by messages of “hope and change,” and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama’s conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day.
