My Grandmother's Braid Alina Bronsky,2021-01-19 The acclaimed author of *The Hottest Dishes of the Tartar Cuisine* “explores the peculiarities of familial relations to tremendous result” (Asymptote). A Lit Hub Most Anticipated Book of 2021 Max lives with his grandparents in a residential home for refugees in Germany. When his grandmother—a terrifying, stubborn matriarch and a former Russian prima donna—moved them from the Motherland it was in search of a better life. But she is not at all pleased with how things are run in Germany: the doctors and teachers are incompetent, the food is toxic, and the Germans are generally untrustworthy. His grandmother has been telling Max that he is an inept, clueless weakling since he was a child and she’d spend the day sitting in the back of his classroom to be sure he came to no harm. While he may be a dolt in his grandmother’s eyes, Max is bright enough to notice that his stoic and taciturn grandfather has fallen hopelessly in love with their neighbor, Nina. When a child is born to Nina that is the spitting image of Max’s grandfather, things come to a hilarious if dramatic head. Everybody will have to learn to defend themselves from Max’s all-powerful grandmother. Alina Bronsky, author of *The Hottest Dishes of the Tartar Cuisine*, writes of family dysfunction and machinations with a droll and biting humor, a tremendous ear for dialog, and a generous heart that is forgiving of human weakness. “[A] comic feel-bad novel. Bronsky has a Dickensian flair for writing about miserable children—or, rather, the miseries of childhood.” —Vulture

The Hand of the Enemy Kerima Polotan,1962 Won the Stonehill Award for Filipino Novel in English. This novel probes into the sensibility of the middle-class, and the intellectual elite. Polotan follows her heroine as she agonizes through her marriage, the unfaithfulness of her husband, and the sense that life has defeated her. These personal concerns are linked to the climate of social and political corruption particularly in the city due to society's failure to read the lessons of history. Yet Polotan, although she shows her character to be a victim (not so much of society circumstances as of her own failure of will and her rather romantic perceptions and confused set of priorities), recognizes in her life and career that it is essential for a woman to survive and for a woman writer to be able to write and continue writing --publisher.

A Texan's Luck Jodi Thomas,2004-10-26 New York Times bestselling author Jodi Thomas “continues to demonstrate why she is one of the finest western romance writers today” (Historical Romance Reviews) in this captivating novel in the Wife Lottery series. Captain Walker Larson received the shock of his life when a beautiful stranger boldly walked into his

office—claiming to be his wife. His father may have bought Lacy Larson for him in a “Wife Lottery,” but Walker had no desire for a bride—even one as captivating as the one standing before him. So he promptly sent Lacy back to Cedar Point. Three years later, Lacy is shocked when Walker shows up on her doorstep—ordered by the military to protect his wife from a killer. Lacy wants nothing to do with the gruff soldier who once drove her away. But despite their different lifestyles and expectations, she finds herself wondering if their marriage was a far better gamble than either of them had imagined...and what it would feel like to be in his arms...

The Italian Shukri Mabkouth,2021-10-21 An emblematic story of the shipwreck of the Arab Spring At his father's funeral, to the great consternation of all present, Abdel Nasser beats the imam who is celebrating the funeral rite. The narrator, a childhood friend of the protagonist, retraces the story of the Italian from his days as a free and rebellious adolescent spirit to the leader of a student movement and then affirmed journalist. Those were crucial years in Tunisia, years of great tension, change, and repression. Against this background full of revolutionary ferments stands the tormented love story between Abdel Nasser and Zeina, a brilliant and beautiful philosophy student. Their dreams will unfortunately end up being wrecked under the ruthless gears of a corrupt and chauvinist society. Abdel Nasser's transformation from a young idealist with high hopes to a successful, but disillusioned and tired journalist is masterfully narrated in a stream of stories, digressions and flashbacks in which the narrative tension is always high. Winner of the 2015 International Prize for Arabic Fiction

Barefoot Dogs Antonio Ruiz-Camacho,2015-03-10 Winner of the Jesse H. Jones Award for Best Work of Fiction from the Texas Institute of Letters * A San Francisco Chronicle Recommended Book of 2015 * Fiction Finalist for the 2015 Writers' League of Texas Book Awards * A Kirkus Reviews Best Book of 2015 * One of the Texas Observer's "Five Books We Loved in 2015" * One of PRI's "The World's Five Books You Should Read in 2016" "Profound and wrenching...A deeply moving chronicle of one family's collective devastation, full of remarkable wisdom and humor" (The New York Times Book Review) that follows the members of a wealthy Mexican family after their patriarch is kidnapped. On an unremarkable night, José Victoriano Arteaga—the head of a thriving Mexico City family—vanishes on his way home from work. The Arteagas find few answers; the full truth of what happened to Arteaga is lost to the shadows of Mexico's vast underworld. But soon packages arrive to the family house, offering horrifying clues. Fear, guilt, and the prospect of financial ruin fracture the once-proud family and scatter them across the globe, yet delicate threads still hold them together: in a swimming pool in Palo Alto, Arteaga's grandson struggles to make sense of the grief that has hobbled his family; in Mexico City, Arteaga's mistress

alternates between rage and heartbreak as she waits, in growing panic, for her lover's return; in Austin, the Arteagas' housekeeper tries to piece together a second life in an alienating new land; in Madrid, Arteaga's son takes his dog through the hot and unforgiving streets, in search of his father's ghost. A stunningly original exploration of the wages of a hidden war, *Barefoot Dogs* is a heartfelt elegy to the stolen innocence of every family struck by tragedy. Urgent and vital fiction, "these powerful stories are worthy of rereading in order to fully digest the far-reaching implications of one man's disappearance...this singular book affords the reader the chance to step inside a world of privilege and loss, and understand how the two are inextricably intertwined" (San Francisco Chronicle).

The Hemingway Stories Ernest Hemingway,2021-03-02 A new collection showcasing the best of Ernest Hemingway's short stories including his well-known classics, as featured in the magnificent three-part, six-hour PBS documentary by Ken Burns and Lynn Novick—introduced by award-winning author Tobias Wolff. Ernest Hemingway, a literary icon and considered one of the greatest American writers of all time, is the subject of a major documentary by award-winning filmmakers Ken Burns and Lynn Novick. This intimate portrait of Hemingway—who brilliantly captured the complexities of the human condition in spare and profound prose, and whose work remains deeply influential in literature and culture—interweaves a close study of biographical events with excerpts from his work. The Hemingway Stories features Hemingway's most significant short stories in chronological order, so viewers of the film as well as fans old and new can follow the trajectory of his impressive life and career. Hemingway's beloved classics, such as "The Short and Happy Life of Francis Macomber," "Up in Michigan," "Indian Camp," and "The Snows of Kilimanjaro," are accompanied by fresh insights from renowned writers around the world—Mario Vargas Llosa, Edna O'Brien, Abraham Verghese, Tim O'Brien, and Mary Karr. Tobias Wolff's introduction adds a new perspective to Hemingway's work, and Wolff has selected additional stories that demonstrate Hemingway's talent and range. The power of the Ernest Hemingway's revolutionary style is perhaps most striking in his short stories, and here readers can encounter the tales that created the legend: stories of men and women in love and in war and on the hunt, stories of a lost generation born into a fractured time. This collection is a perfect

introduction for a new generation of Hemingway readers and a vital volume for any fan.

The Welshman's Way Margaret Moore,2012-07-16 Reluctant Bride Never the docile, obedient maid, Madeline de Montmorency railed against her fate, proclaiming she'd not go willingly to the marriage bed of a stranger. Especially since her heart had chosen another alliance—with a man branded as an outlaw, and a thief! Rebel Outlaw Dafydd ap Iolo was weary of the fight until he laid eyes upon the fiery Lady Madeline. For here was the first Norman he'd no desire to call an enemy, and his longing for the green hills of Wales dimmed against the burning flame of their mutual desire.

Time Commences in Xibalbá Luis de Lión,2012-11-01 Time Commences in Xibalbá tells the story of a violent village crisis in Guatemala sparked by the return of a prodigal son, Pascual. He had been raised tough by a poor, single mother in the village before going off with the military. When Pascual comes back, he is changed—both scarred and “enlightened” by his experiences. To his eyes, the village has remained frozen in time. After experiencing alternative cultures in the wider world, he finds that he is both comforted and disgusted by the village’s lingering “indigenous” characteristics.

Nauti Temptress Lora Leigh,2012-11-06 The Mackay cousins—Natches, Rowdy, and Dawg—would do anything for family, so when former DHS agent Timothy Cranston drops off four sisters that Dawg never knew he had, there is no question: The cousins will protect and care for the girls, and their mother, because they’re family. Five years later, Eve Mackay, the eldest sister, has graduated from college and settled in to life as a Mackay in Pulaski County, Kentucky. She works hard as a cocktail waitress and helps out at the bed-and-breakfast that Dawg bought for her mother. If she keeps herself busy enough, maybe she’ll be able to stay away from the man she promised Dawg she wouldn’t date, the man who has awakened her most ravenous fantasies... He’s Brogan Campbell, a biker rumored to be a traitor and a thief. But he’s just playing a part; he came to Kentucky for a DHS mission that no one, except Cranston, is supposed to know about. Eve is the key to the whole operation, and his orders are to get her participation. But his need for Eve has nothing to do with stolen secrets and the safety of the country... When Dawg took in Eve and her sisters, he warned them that if they ever lied, cheated, or betrayed the family, they risked losing everything. But desire and danger are locked in an inescapable embrace, and Eve has to make her choice between family or Brogan, for better or worse...
