In a sprawling bungalow on New Delhi's posh Hailey Road, Justice Laxmi Narayan Thakur and his wife Mamta spend their days watching anxiously over their five beautiful (but troublesome) alphabetically named daughters. Anjini, married but an incorrigible flirt; Binodini, very worried about her children's hissa in the family property; Chandrakanta, who eloped with a foreigner on the eve of her wedding; Eshwari, who is just a little too popular at Modern School, Barakhamba Road; and the Judge's favourite (though fathers shouldn't have favourites): the quietly fiery Debjani, champion of all the stray animals on Hailey Road, who reads the English news on DD and clashes constantly with crusading journalist Dylan Singh Shekhawat, he of shining professional credentials but tarnished personal reputation, crushingly dismissive of her 'state-sponsored propaganda', but always seeking her out with half-sarcastic, half-intrigued dark eyes. Spot-on funny and toe-curlingly sexy, *Those Pricey Thakur Girls* is rom-com specialist Anuja Chauhan writing at her sparkling best.

Raised in a family of four, Kylila thinks she has the most ideal family. After her village has been burnt down, her deep, dark secret in her life begins to unfold. Having the powers to save or destroy the world, which would Kylila choose? The image of the supreme Self, stained by the dust of imaginings, dwelling inwardly, endless, evil, comes forth pure, by the stirring power of enlightenment, as the scent of sandalwood comes clear. . . "And thus clearly, in lucidity and grace, comes forth çankarâchârya's instruction to all who have sensed the possibility of a better world, and will have it so. With the stirring power of enlightenment, the cleansing power of truth, he removes the veils from before the eyes of those who will follow him. A textbook of spirituality is perhaps an impossibility, but this book makes a very close approach to it. Hollywood actress Shauna Jackson should have the world at her feet. Instead, scandal and betrayal have tarnished her happiness and she is left reeling in the aftermath. When Shauna is offered the role of a lifetime, it's the catalyst for her return to the Greek idyll of Ithos, the jewel of the Mediterranean, and an island of secrets. Grace Taylor has come to the Ithos on a voyage of discovery and finds herself bewitched by the thyme-scented groves, and bleached white houses bounded by a sapphire sea. When she becomes entangled in the family of the enigmatic tycoon, Demetrious Theodosius, her arrival heralds a reckoning in the family that threatens to tear them apart. As their lives converge, a yearning for the truth will force them all to confront the past, and take them from Hollywood to Monaco, and back to one summer long ago.

The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. The effectiveness of Netflix's content management lies in its ability to appeal to a vastly disparate global viewership without a unified cache of content. Instead, the company invests in buying or developing myriad programming and uses sophisticated algorithms to “narrowcast” to micro-targeted audience groups. In this collection of new essays, contributors explore how Netflix has become a cultural institution and transformed the way we consume popular media.

Sex workers are free in four respects: we don't have to cook for a husband; we don't have to wash his dirty clothes; we don't have to ask for his permission to raise our kids as we deem fit; we don't have to run after a husband claiming rights to his property. ?
