Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home. "Beautiful and propulsive . . . From Jacqueline Elliot, the passionate co-founder of the highly successful PUC charter school network in Los Angeles and a relentless advocate for excellence and equity in public education, comes a frank, inspirational memoir about her journey as a spirited activist for social justice who battles to reform the public education system. Jacqueline Elliot, often identified as an icon in the charter school movement in California, has a reputation of being a tenacious fighter who tirelessly defends the rights of all children to be provided with an education that provides them with the opportunity to achieve their potential and their dreams. Emigrating to Los Angeles at age 13, Jacqueline experienced the anonymity that is often characteristic for students in large urban schools but emerged as an accomplished scholar and courageous warrior for educational equity. Her commitment to public school reform began in 1986 when she became a teacher in one of the most socio-economically challenged neighborhoods in Los Angeles, where the expectations for students and conditions were abysmal. She ultimately galvanized one hundred families from the community as her partners in a relentless quest to create a better public school for their children. Her founding of the first public charter middle school in Los Angeles in 1999 was historic and demonstrated the power of what can be accomplished when individuals unite in one vision and refuse to give up until their dream is achieved. In this personal, candid memoir, Elliot shares what led her to become a forward-thinking education entrepreneur and describes a number of the battles she fought to create and sustain what is now a 20-year old network of high achieving public charter schools. *Passionate Warrior: My Charter School Journey* is a call to action for those who care about our children and the future of America and is sure to unify supporters, provide food for thought for teachers, parents and all who care about our public schools.

An indolent college student creates a chaotic fictional world in this classic of Irish literature: "A marvel of imagination, language, and humor" (New Republic). In this comic masterpiece, our unnamed narrator—a student at University College, Dublin, who spends more time drinking and working on his novel than attending classes—creates a character, a pub owner named Trellis, who himself is devoted mainly to writing and sleeping. Soon Trellis is collaborating with an author of cowboy romances, and from there unspools a brilliantly unpredictable adventure that James Joyce himself called "a really funny book." "'Tis the odd joke of modern Irish literature—of the three novelists in its holy trinity, James Joyce, Samuel Beckett and Flann O'Brien, the easiest and most accessible of the lot is O'Brien. . . . Flann O'Brien was too much his own man, Ireland's man, to speak in any but his own tongue." —The Washington Post "As with Scott Fitzgerald, there is a brilliant ease in [O'Brien's] prose, a poignant grace glimmering off every page." —John Updike "One of the best books of our century." —Graham Greene

Beautiful early writings by one of the 20th century's greatest poets on the 150th anniversary of his birth A Penguin Classic The poems, prose, and drama gathered in *When You Are Old* present a fresh portrait of the Nobel Prize-winning writer as a younger man: the 1890s aesthete who dressed as a dandy, collected Irish folklore, dabbled in magic, and wrote heartrending poems for his beloved, the beautiful, elusive Irish revolutionary Maud Gonne. Included here are such celebrated, lyrical poems as "The Lake Isle of Innisfree" and "He Wishes for the Cloths of Heaven," as well as Yeats's imaginative retellings of Irish fairytales—including his first major poem, "The Wanderings of Oisín," based on a Celtic fable—and his critical writings, which offer a fascinating window onto his artistic theories. Through these enchanting works, readers will encounter Yeats as the mystical, lovelorn bard and Irish nationalist popular during his own lifetime. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The book aims to cover the basics of the architecture, structure, evolution, and dynamics of the Earth's crust through an anthology of contributed chapters that will enlighten readers about the various aspects of the Earth's crust, including the existence, development, and sustainability of our modern lifestyles on its surface.

Saying no isn't the hard part—they've only been dating for five months, and he can't even spell her name correctly. The hard part is having to face a stadium full of disappointed fans... At the game with his sister, Carlos Ibarra comes to Nik's rescue and rushes her away from a camera crew. He's even there for her when the video goes viral and Nik's social media blows up—in a bad way. Nik knows that in the wilds of LA, a handsome doctor like Carlos can't be looking for anything serious, so she embarks on an epic rebound with him, filled with food, fun, and fantastic sex. But when their glorified hookups start breaking the rules, one of them has to be smart enough to put on the brakes...
