**J. A. Owenby**

**Heavy Issues** Elle Aycart,2014-06-30 Steering clear of relationships has never been difficult for demolitions expert Cole Bowen, but now, with his brother's engagement sending the female population into full-blown hysterics and the town of Alden's month-long festivities not helping matters, he finds himself in hell. When he discovers Christine Sheridan, Alden's new resident--and the object of all his wet dreams--has sworn off relationships and is going to hire a gigolo to get professionally laid, he decides to kill two birds with one stone. Christy is so not drinking again. Thanks to Jose Cuervo she has her friends signing her up for stud conventions and Cole frigging Bowen offering sex in exchange for fake dates, which is so out of the question it isn't even funny. She knows the domineering man will push her boundaries, and after battling all her life with self-esteem issues, she isn't ready for that. Too bad he won't take no for an answer. Cole is determined to strip away all of her defenses but refuses to lower his ever-present walls, so when Christy realizes she wants more, she's left with only two options: walk away, or crack his shield--and risk her heart in the process.

**More Than Meets the Ink** Elle Aycart,2014-06-30 Wickedly sexy James Bowen is a bad boy of the highest order--tattoos and attitude included--which unfortunately ranks way up on Tate's not-a-chance-in-hell list, right there along with skydiving naked over Teheran and juggling Ebola vials just for kicks. But what the heck, she's on holiday, the guy is absolutely irresistible, and she needs to unplug from her life. With her dad and brother gone, Tate is left to deal with the family restaurant, which is fast going down the drain. Her employees are acting up, her boyfriend has bailed out, and her very own private stalker is emailing her to death with lovely threats of doom, fire, and dismemberment. So yeah, maybe a little holiday fling is in order. Strictly sex though, and no follow-up whatsoever. Once. Just once. She hadn't counted on her take-charge holiday fling having an opinion of his own and stubbornly sticking around, before and after the sex, making himself at home in her life. There is definitely more to James than meets her prejudiced eye, and even if she's not ready to look deeper, James isn't prepared to permit her not to.

**Jacked Up** Elle Aycart,2018-01-15 Since James Bowen married Elle Cooper's sister, tall dark and handsome Jack Copeland has become a permanent fixture in Elle's life. A silent, rather annoying fixture, with his arrogant aloofness and my-way-or-the-highway attitude rubbing her the wrong way. So she does what any self-respecting woman would: aggravate the wits out of him for fun. Party girl Elle Cooper is everything covert operative Jack Copeland doesn't want in a woman.

Outspoken, sassy. A smartass. Too bad when he closes his eyes, all his mind conjures is her. To everyone else, he comes off as intimidating and unapproachable. Everyone except Elle. So he does what any self-respecting man would: stay the hell away from her. But when Elle gets herself in deep trouble, all of Jack's protective instincts kick in and keeping his distance is no longer an option. With Jack and Elle in such close proximity, sparks are flying all over and it's only a matter of time before they ignite. The only question is, who will kill Elle first, the vicious drug cartel hunting her or Jack?

*Tempt Me* Faith Summers, Khardine Gray, 2020-05-30 Love is a weakness for a man like me... Two years ago my enemies murdered my wife. They took away the mother of my newborn son. That's how I became the beast... A merciless, heartless, soulless creature. That's why I made the deal with Ava: Take her to repay her father's debt... I couldn't resist. Not when I saw she feared me as much as she wanted me. I wanted the beauty, a woman nearly half my age. I wanted to own her and possess her. Then I wanted more. More than her obedience and submission. I wanted her body, heart, mind and soul. I never knew I was signing my death warrant when our paths collided. I never knew who she truly was: A Bratva princess who's supposed to be a ghost. Her dark secrets unearth old enemies who want her dead. I'm Vincent Giordano, underboss to the Giordano family. I should know better than to start a war. I should know better than to let love into my cold heart. This isn't a fairytale. When she kisses me I won't turn into a prince. I'll still be the beast. Yet, I can't let them take her. I just don't know what it will cost me this time. *Tempt Me* is a DARK standalone, single dad, mafia billionaire romance in the Dark Odyssey series. If you love a filthy-mouthed, possessive Alpha you will love this. CAUTION: Be prepared for one wild, steamy ride. Read at your own risk.

*No Ordinary Billionaire* J. S. Scott, 2015-03 From Wall Street Journal bestselling author J. S. Scott. Dante Sinclair never cared about his family's money. All the young billionaire ever wanted was to be a cop; and now that he's a homicide detective in Los Angeles, he's a damn good one. But when he is injured and loses his partner in the line of duty, he returns to his vacation home in Amesport, Maine, to recover. Sarah Baxter, a brilliant young doctor still struggling with her stifled upbringing, has recently moved from Chicago to sleepy Amesport to escape her past, hoping to find peace. When Sarah is assigned to Dante's case, there's an instant heat between them. They couldn't possibly be more different, yet their igniting passion is impossible to ignore. As new feelings awaken within Sarah, her haunted past returns, threatening her once again. But can Dante overcome his grief and discover the secrets Sarah is hiding in time to protect and rescue her?

**Inked Ever After** Elle Aycart, 2014-11-13 Tattooed bad boy James Bowen is about to marry the love of his life. Everything would be perfect if it wasn't for the tiny detail that his bride-to-be is freaking out big time. And trying to hide it from him. Tate Cooper is losing it. She loves James with all her heart and wants to be married to him; it's the getting married that's killing her. Still grieving the loss of her father and brother, Tate just can't shake her fear and sadness. Add to that the stress of the wedding, and she's in full emotional meltdown. But James deserves a happy bride, not a high-maintenance, sorrow-filled,

guilt-stricken one, and, by God, she's going to give him that, even if she has to paste on a smile and fake it till she makes it. James can see through her front, and he doesn't know whether to be amused or pissed. He understands she's running scared, her fear of loss making it hard for her to fully commit, but there is no way in hell he's going to allow this to continue; he's going to push her to confront her fears until she happily embraces them ever after.

All the Ruggles are lovable, interesting and very individual - from capable Lily Rose down to baby William.

*Deep Down* Elle Aycart, 2014-02-10 Mike Haddican is a proud small-town gym owner, a renowned karate instructor, and all-around good guy. He's never needed much to be happy: his family, his friends, his girl. Especially his girl. But when Kyra left him seven years ago to chase her dreams, she all but destroyed him. Contemporary dancer Kyra Brims made it big, but it cost her dearly. With her life and career in shambles, she doesn't need a do-over, she needs a friggin' miracle. Injured, broke, and out of options after going through hell, she's come back to Alden, the town she swore she'd never return to and home of Mike Haddican, the man who ripped her soul to pieces, to lick her wounds and recover. Forgetting and letting go proved impossible when they were worlds apart; now that they're stuck together they don't stand a chance, especially with Mike's grandma and her partners in crime plotting, meddling and refusing to give up on them. As the passion that never died burns out of control, so do old hurts and unresolved issues. Both have reasons to be angry and feel betrayed, but now that they're older, are they wise enough to make things work?

**Return by Sea** Tracey Jerald, 2023-10-19 I lost my heart to a man who walked away without looking back. Over the years, I dealt with the hand life dealt me, slowly shutting down my soul. My heart, carefully protected by soft blankets, has been safely packed away. Until now. For twenty years, I've loved MMA fighter Nicholas Cain. He may be back but neither of us are the same people we were then. We've been polished, punished by life's harshest seas. My heart is torn between what was and what could be, but I can't turn away. And despite everything, the choice to love him both thrills and terrifies me. Just

like my brother predicted it would years before it actually happened.

**Starting Point** Elle Aycart, 2020-06-16 After years of waging a losing battle, Megan's resigned herself to kicking the bucket. Discovering that the rural retreat of her childhood is now a crazy town full of Doomsday Preppers is a surprise, but whatever. It's as good a place as any to wait for the end of her world. If the universe would be so kind as to send a hunk to make the transition bearable, she'd be good to go. Alec can't believe the woman he just rescued is the same girl who saved him all those years ago, when he was nothing but an angry street thug. She's not the doe-eyed teenager he crushed on so sweetly, but she still draws him like a magnet, and by God that he's not going to allow fate to take her away a second time. Megan was Alec's starting point. Now they've come full circle- and he vows to be hers.

He's forced to claim his mate and integrate Sonia into a world that is strange and frightening. As Sonia attempts to adjust, Callum attempts to cope with the knowledge that his mate is mortal.
