

## Tone It Up Nutrition Plan

Join Jodie Kidd to get fit, eat well, and take control of your life with this exercise and eating programme for busy people, specially devised by French personal trainer and nutritionist Amélie Khellaf-Govett, who was voted one of London's top fitness coaches by Tatler in 2016 and 2017. TV presenter and former international supermodel Jodie Kidd follows the programme at her home, with Amélie showing her how to fit it around her busy life. With Balance Your Life you too can do this, and benefit from Amélie's motivational coaching, time-efficient workout routines, and deliciously simple and nutritious way of eating. Like Jodie, who shares her experience throughout, you'll find that this is a programme you can stick to. And when you get to the end of six weeks, Amélie gives you foolproof strategies for moving forward. Weekly eating plans are accompanied by simple flavoursome recipes, plus six favourites from Jodie. Easy-to-follow home exercise programmes are explained with step-by-step photography. We all yearn for a calmer, healthier, more balanced life - Amélie's plan promises this. That's the reason why she's London's go-to personal trainer for successful women. Tone It Up 28 Days to Fit, Fierce, and Fabulous Rodale

Ready to transform your body and mind into the

healthiest, happiest you? You're going to need enthusiasm, an open mind, and a good deal of grit. In *It Takes Grit*, fitness expert and mindset coach Rebecca Louise shares a practical no-BS guide to take your workouts, health, and motivation to the next level—along with a 30-day challenge to kick-start your results. Through her ultrapopular YouTube channel and social media, Rebecca Louise has helped millions of people improve their mindset and achieve their wellness goals. Rebecca knows what it's like to feel lost, unable to find the right career, live broke, go through a divorce, and struggle with a negative relationship with food. It wasn't until she changed her mindset and started to master high-performance habits that she truly found her way to a career she loved and a healthy lifestyle. Now, in *It Takes Grit*, Rebecca shares her tried-and-true tools to lock onto your purpose, uncover your inner grit, and get in the right mindset to go after your goals. She shares:

- Her 10-step guide to getting results in all areas of your life
- An action plan to get started, no matter where you are right now
- Tips to create a meal plan and training routine you can stick to forever
- How to get and stay motivated no matter what life throws at you
- Interactive tasks after each chapter to master your daily habits

Rebecca also shares her 30-day targeted daily workout program (with bonus online workout videos), to make sure you're never overworking your body, recipes for

every meal, and daily tasks that will help you get to the next level. It Takes Grit will give you the tools needed to take control of your health and happiness. The best-selling authors of *It Starts With Food* outline a scientifically based, step-by-step guide to weight loss that explains how to change one's relationship with food for better habits, improved digestion and a stronger immune system. 150,000 first printing.

NEW YORK TIMES BESTSELLER *Zero Belly Diet* is the revolutionary new plan to turn off your fat genes and help keep you lean for life! Nutrition expert David Zinczenko—the New York Times bestselling author of the *Abs Diet* series, *Eat This, Not That!* series, and *Eat It to Beat It!*—has spent his entire career learning about belly fat—where it comes from and what it does to us. And what he knows is this: There is no greater threat to you and your family—to your health, your happiness, even your financial future. Yes, you can: Change your destiny.

Overcome your fat genes. Strip away belly fat and finally attain the lean, strong, healthy body you've always wanted. With *Zero Belly Diet*, David Zinczenko reveals explosive new research that explains the mystery of why some of us stay thin, and why some can't lose weight no matter how hard

we try. He explains how some foods turn our fat genes on—causing seemingly irreversible weight gain—and uncovers the nine essential power foods that act directly on those switches, turning them to “off” and allowing for easy, rapid, and sustainable weight loss. And he shows how these foods help heal your digestive system, keeping those gene switches turned off and setting you up for a lifetime of leanness. Other diets can help you lose weight, but only the Zero Belly diet attacks fat on a genetic level, placing a bull’s-eye on the fat cells that matter most: visceral fat, the type of fat ensconced in your belly. These fat cells act like an invading army, increasing inflammation and putting you at risk for diabetes, Alzheimer’s, arthritis, heart disease, and cancer. Visceral fat can also alter your hormone levels, erode muscle tissue, increase your chances of depression, and destroy your sex drive. But you can turn the odds in your favor. Zero Belly Diet shows you how to deactivate your fat genes, rev up your metabolism, banish bloat, and balance your digestive health, allowing you to easily build lean, strong stomach muscle and strip away unwanted belly fat without sacrificing calories or spending hours at the gym. The result: weight loss that is easier, faster, more lasting, and more delicious than you’d ever imagine. You’ll be stunned and inspired by the results of an amazing 500-person test panel—men and women who lost weight quickly, and

with ease, following the Zero Belly diet. In just the first 14 days: Bob McMicken, 51, lost 16.3 pounds Kyle Cambridge, 28, lost 15 pounds Martha Chesler, 54, lost 11 pounds Matt Brunner, 43, lost 14 pounds Zero Belly Diet features a week-by-week menu plan, fifty tasty recipes, and a handy shopping list that leads to a minimum of cooking and plenty of feasting. Best of all, Zero Belly Diet offers something more: freedom. Freedom from bloating, freedom from food deprivation, freedom from weight loss fads, freedom from stress. So say goodbye to your paunch and hello to a happier, healthier you!

In *The Petite Advantage Diet*, weight-loss expert Jim Karas delivers a breakthrough lifestyle guide that's already revolutionizing the world of health and fitness: the first book of its kind designed exclusively for women 5'4" and under. Readers of his New York Times bestselling book *The Business Plan for the Body* can testify to how his advice has helped millions of women find their way to fitter, firmer, healthier, and happier lives. Now Jim Karas reveals a program designed for petite women, for whom *The Belly Fat Cure* can't offer a real cure and *21 Pounds in 21 Days* means losing too much too quickly: *The Petite Advantage Diet*. Achieve that long, lean look—and eat the right foods to feel full fast—with the specialized diet for women 5'4" and under. Discover the original international diet sensation—used by Adele, heavyweight champion

David Haye, and Pippa Middleton—that will help you lose seven pounds in seven days while experiencing lasting energy and eating all the foods you love. Over the past few years, fasting has become a popular diet option. Studies show that fasting—whether through moderate calorie restriction every day or the more severe but less frequent intermittent fasting—can help people lose about thirteen to fourteen pounds in six months and reduce their risk of developing disease. When we fast, our body’s energy stores activate what is known as sirtuins, or the “skinny gene,” and many positive changes ensue. Fat storage is switched off, and our body stops its normal growth processes and goes into “survival” mode. Fat burning is stimulated and the genes involved in the repair and rejuvenation of our cells are turned on—which all results to weight loss and improved resistance to disease. But if not done correctly, fasting can lead to hunger, irritability, fatigue, and loss of muscle. Enter Sirtfoods: a newly discovered group of foods that is revolutionizing healthy eating. Ranging from chocolate and red wine to garlic and walnuts, sirtfoods are particularly rich in special nutrients that help us activate the same skinny genes in our bodies that fasting triggers. Nutritionists Aidan Goggins and Glen Matten have created The Sirtfood Diet to help you effectively lose weight and improve your resistance to disease, while still giving you incredible energy and glowing health.

## Online Library Tone It Up Nutrition Plan

Introduces a nutrition and diet program that involves eating five small meals a day and doing five short workouts a week, and includes more than one hundred simple recipes with five or fewer ingredients.

For years experts have been telling Americans what to eat and what not to eat. Fat, they told us, was the enemy. Then it was salt, then sugar, then cholesterol... and on it goes. Americans listened and they lost -- but not their excess fat. What they lost was their health and waistlines. Americans are the fattest people on earth... and why? Mainly because of the food they eat. In this scientific and revolutionary book, based on Nobel Prize-winning research, medical visionary and former Massachusetts Institute of Technology researcher Dr. Barry Sears makes peak physical and mental performance, as well as permanent fat loss, simple for you to understand and achieve. With lists of good and bad carbohydrates, easy-to-follow food blocks and delicious recipes, The Zone provides all you need to begin your journey toward permanent fat loss, great health and all-round peak performance. In balance, your body will not only burn fat, but you'll fight heart disease, diabetes, PMS, chronic fatigue, depression and cancer, as well as alleviate the painful symptoms of diseases such as multiple sclerosis and HIV. This Zone state of exceptional health is well-known to champion athletes. Your own

journey toward it can begin with your next meal. You will no longer think of food as merely an item of pleasure or a means to appease hunger. Food is your medicine and your ticket to that state of ultimate body balance, strength and great health: the Zone. Popular husband-and-wife bloggers and podcasters ([acouplecooks.com](http://acouplecooks.com)) offer 100 recipes with an emphasis on whole foods and getting into the kitchen together. The couple's non-diet approach features simple lifestyle changes to make healthy cooking sustainable, rather than a short-term fix. A love story at its finest, Alex and Sonja Overhiser first fell for each other--and then the kitchen. In a matter of months, the writer-photographer duo went from eating fast and frozen food to regularly cooking vegetarian meals from scratch. Together, the two unraveled a "pretty simple" approach to home cooking that kicks the diet in favor of long-term lifestyle changes. While cooking isn't always easy or quick, it can be pretty simple by finding love in the process. *A Couple Cooks | Pretty Simple Cooking* is an irresistible combination of spirited writing, nourishing recipes with a Mediterranean flair, and vibrant photography. Dubbed a "vegetarian cookbook for non-vegetarians", it's a beautiful book that's food for thought, at the same time providing real food recipes for eating around the table. The book features: 100 vegetarian recipes, with 75 vegan and 90 gluten-free options A full-color photograph for

every recipe Recipes arranged from quickest to more time-consuming 10 life lessons for a sustainably healthy approach to cooking, artfully illustrated with a custom watercolor

A clinical dietician shares over 130 recipes that show you it's possible to eat meals that are delicious and still good for you. Greek yogurt has quickly become America's favorite health food, its tangy, luscious taste going far beyond a typical breakfast or simple snack. Thanks to its health benefits, this power food has become a staple. Greek yogurt's protein quantity builds muscles and regulates metabolism and the probiotics help maintain a healthy digestive tract and boost the immune system. Greek yogurt is also an excellent source of calcium and very low in sodium—and it's lactose-intolerant friendly, too! Why wouldn't you want it in every meal? Now, in *The Greek Yogurt Kitchen*, nutrition expert Toby Amidor shows readers how to cut back on fat and calories without compromising flavor. She shares how to use this most versatile and healthful ingredient in unexpected ways, making even the most bad-for-you foods healthier, tastier, and more satisfying. Recipes include: —Lemon-Blueberry Stuffed French Toast —Herbed Goat Cheese and Red Pepper Crostini —Penne Bolognese —White Margarita Pizza —Spiced Chocolate Cupcakes —And more! "I love Greek yogurt and love even more what Toby has done with it! These recipes are creative, flavorful, and a lot of

fun. Now you can enjoy your favorite dishes using a newer, healthier approach to cooking.” —Rocco DiSpirito, #1 New York Times–bestselling author of the Rocco’s Healthy & Delicious “These inspiring recipes prove this well-loved, healthy ingredient more versatile than you ever imagined. It’s official. In Toby’s hands Greek yogurt makes everything better!” —Ellie Krieger, MS RDN, New York Times–bestselling and James Beard Award–winning author of *Weeknight Wonders*

Mention the name Bill Phillips to any of the people he's helped transform and you will see their faces light up with appreciation and respect. These people include: Hundreds of thousands of men and women who read his magazine for guidance and straightforward information about exercise, nutrition, and living with strength. Elite professional athletes, among them John Elway, Karl Malone, Mike Piazza, and Terrell Davis who have turned to Phillips for clear–cut information to enhance their energy and performance. People once plagued by obesity, alcoholism, and life–threatening ailments who accepted a personal challenge from Bill Phillips and, with his help, have regained control of their bodies and their lives. When you begin to apply the information in this book, you will be proving to yourself that astounding changes are within your grasp too. And, you will discover *Body–for–LIFE* is much more than a book about physical fitness ?t's a

gateway to a new and better life, a life of rewarding and fulfilling moments, perhaps more spectacular than you've ever dared to dream before. Within 12 weeks, you too are going to know ?ot believe, but know : that the transformation you've created with your body is merely an example of the power you have to transform everything else in your world. In language that is vivid and down-to-earth, Bill Phillips guides you, step by step, through the integrated Body-for-LIFE Program, which reveals: How to lose fat and increase your strength by exercising less, not more; How to tap into an endless source of energy by living with the Power Mindset™; How to create more time for everything meaningful in your life; How to trade hours of aerobics for minutes of weight training ?ith dramatic results; How to make continual progress by using the High-Point Technique™; How to feed your muscles while starving fat with the Nutrition-for-LIFE Method™; How thousands of ordinary people have now become extraordinary and how you can, too; How to gain control of your body and life, once and for all. The principles of the Body-for-LIFE Program are surprisingly simple but remarkably powerful. So allow yourself to experience the force of the information in this book, allow yourself to take your mind, your body, your life to a higher point than you may have ever dreamed you could. All in as little as 12 weeks.

Are you tired of diets that don't work? Tired of being

put in a box of eating dos and don'ts? The world is full of mixed messages when it comes to our health, and it can be hard to know who or what to trust. But what if the one source we trust the most—God and his Word, the Bible—could also teach us about how to live healthy and love ourselves, both spiritually and physically? TRUE Health is your complete guide to recognizing and releasing health struggles, embracing who you are, and stepping fully into your God-given potential. Author and certified health and life coach Julie Watson shows you how to achieve better health without depriving yourself or trying to adopt practices you don't enjoy. It's your life and your personal journey. Health is about having the mindset, nourishment, and self-understanding that will set you up for success. You need a strategy for your health and for your life that is true to you—and to the woman God is calling you to be. With sound, practical strategies and the spiritual and emotional encouragement you can receive from faith in God, you will learn how to create true health so you can show up fully in this world, stop playing small, and live the life you are meant to live!

Celebrity favorite health and wellness consultant Kelly LeVeque shares her secrets for losing weight, attuning ourselves to our bodies' needs, and freeing ourselves from food drama in this essential wellness guide, which includes 88 delectable recipes! In this inspirational yet practical book, the nutritional

consultant and holistic healthcare expert who has helped celebrities such as Jessica Alba, Molly Sims, Chelsea Handler, and Emmy Rossum improve their health and achieve their goals shows you how to get beyond the food drama of cyclical fad diets and feel and look great by eating well. Kelly's Food Freedom program helps you set yourself up for success, eliminating cravings, mood swings, and other symptoms caused by food drama. Start your day with her Fab Four Smoothies, including a Strawberry Shortcake Smoothie and a Mango Kale Madness Smoothie, which pack protein, fat, fiber, and carbs to balance your blood sugar and keep you full and happy. After breakfast, you'll thrive with her Fab Four recipes, including Turkey-Stuffed Delicata Squash, Spicy Salmon Nori Burritos, and Anti-Inflammatory Detox Salad, which include the Fab Four food groups—protein, fat, fiber, and greens—that play a role in day-long satiety. Kelly also teaches you how to elongate your blood sugar curve to stay full and happy, and make yourself insulin aware. Kelly has studied the science behind familiar diets to understand how they trigger the body to lose pounds—and why they aren't sustainable. Instead, she offers a better choice: her four-step Food Freedom program that helps you find your wellness balance between eating enough and deciding how you feel. Once you find your balance, you will lose weight, lose fat, increase lean muscle mass, and

drop at least one size. You'll also enjoy thicker, shinier hair; clear, glowing skin; a remarkable improvement in your overall appearance; reduced joint pain and other inflammations; increased energy; and better sleep. Filled with tips and resources on supplements and cleansing, dozens of delicious, healthy recipes and advice on how to adjust your eating when traveling and on vacation, *Body Love* is your one-stop resource to living clean and happy! The debut cookbook from the *Saveur* blog award-winning Internet expert on making eating cheap dependably delicious As a college grad during the recent great recession, Beth Moncel found herself, like so many others, broke. Unwilling to sacrifice eating healthy and well—and armed with a degree in nutritional science—Beth began tracking her costs with obsessive precision, and soon cut her grocery bill in half. Eager to share her tips and recipes, she launched her blog, *Budget Bytes*. Soon the blog received millions of readers clamoring for more. Beth's eagerly awaited cookbook proves cutting back on cost does not mean cutting back on taste. *Budget Bytes* has more than 100 simple, healthy, and delicious recipes, including Greek Steak Tacos, Coconut Chicken Curry, Chorizo Sweet Potato Enchilada, and Teriyaki Salmon with Sriracha Mayonnaise, to name a few. It also contains expert principles for saving in the kitchen—including how to combine inexpensive ingredients with expensive to

ensure that you can still have that steak you're craving, and information to help anyone get acquainted with his or her kitchen and get maximum use out of the freezer. Whether you're urban or rural, vegan or paleo, Budget Bytes is guaranteed to delight both the palate and the pocketbook.

Enjoy delicious dishes such as Seared Wild Salmon with Mango Salsa, Slow Cooker Chili, and Pumpkin-Maple Cheesecake--and you will lose belly inches and greatly enhance your likelihood of living a longer and healthier life.

Includes a sneak peek of Undoctored—the new book from Dr. Davis! In this #1 New York Times bestseller, a renowned cardiologist explains how eliminating wheat from our diets can prevent fat storage, shrink unsightly bulges, and reverse myriad health problems. Every day, over 200 million Americans consume food products made of wheat. As a result,

over 100 million of them experience some form of adverse health effect, ranging from minor rashes and high blood sugar to the unattractive stomach bulges that preventive cardiologist William Davis calls "wheat bellies." According to Davis, that excess fat has nothing to do with gluttony, sloth, or too much butter: It's due to the whole grain wraps we eat for lunch. After witnessing over 2,000 patients regain their health after giving up wheat, Davis reached the disturbing conclusion that wheat is the single largest contributor to the nationwide obesity epidemic—and its elimination is key to dramatic weight loss and optimal health. In *Wheat Belly*, Davis exposes the harmful effects of what is actually a product of genetic tinkering and agribusiness being sold to the American public as "wheat"—and provides readers with a user-friendly, step-by-step plan to navigate a new, wheat-free lifestyle. Informed by cutting-edge science and nutrition, along with case studies from men and women who have experienced life-changing transformations in their health after waving goodbye to wheat, *Wheat Belly* is an illuminating look at what is truly making Americans sick and an action plan to clear our plates of this seemingly benign ingredient.

The ultimate high-powered body transformation plan by the fitness trainer of TV's *Extreme Makeover* describes the exercise and diet plan used by celebrities, and demonstrates how to get in shape in

a mere two weeks. 100,000 first printing.

Fresh juices have remarkable powers: they enable a clean inner system, while promoting weight loss, boosting energy and immunity, and enhancing natural beauty. The Juice Diet offers more than 100 mouthwatering juice and smoothie recipes divided into three simple yet super-effective diet plans : Juice Blitz (quick weekend startup), Juice Week (one-week plan), and Juicing for Life (a month-long schedule). Additional chapters cover juicing for beauty, energy, and immunity, providing the perfect balance to bring out the body's true potential.

The most delicious and decadent way to lose weight, lower cholesterol, and increase energy. Wouldn't you rather savor a buttery croissant instead of inhaling an artificially flavored diet shake? Isn't taking a relaxing stroll preferable to pounding out early morning miles on the treadmill? The French live this way, yet stay thin and healthy. Now, with The French Don't Diet Plan, you can, too! In his groundbreaking book, *The Fat Fallacy*, Dr. Will Clower was the first to present a theory of how the French maintain low obesity and heart disease rates despite their seemingly "unhealthy" lifestyle. Dr. Clower learned that the French don't worry about dieting but rather are more concerned with how they eat. That means paying attention to the taste, pacing, and enjoyment of meals, instead of counting calories, cutting fat and carbs, or taking guilt trips to

the gym. Now, in *The French Don't Diet Plan*, Dr. Clower shows how easy it is to incorporate his remarkably effective techniques and the French lifestyle into a busy American day. Dr. Clower has found that natural foods have overwhelmingly been pushed out of the American diet by what he calls "faux foods": processed, additive-filled convenience products, often marketed as healthy with buzzwords like low fat and low carb. In addition, mealtimes should be a slow, sensual break for the body and mind—not a face-stuffing frenzy while standing up in the kitchen or sitting behind the wheel. As a result of such habits, Dr. Clower says, we are not eating what our bodies need, and we're eating in a way that is not conducive to proper digestion. Science shows this precise combination of factors causes weight gain. The French approach is about taking the time to enjoy real food without guilt or deprivation. Not only a successful path to becoming thin for life, *The French Don't Diet Plan* will help you put *joie de vivre* back into your relationship with food.

- Formerly forbidden foods, welcome back! Learn why butter, cheese, bread, and chocolate are health foods that keep hunger at bay.
- Spend more time eating! Discover why you should plan on having seconds and make meals last longer.

away!

"Donovan Green proves that motivation and inspiration improves his clients' lives inside and outside of the gym. Donovan's own life story is the greatest example of how being motivated and driven makes what once seemed impossible a reality."

--Joe Scarborough, NBC News Senior Political Analyst and host, Morning Joe  
Dr. Oz's personal trainer, Donovan Green, delivers a 30-day fitness program focusing on exercise, diet, and attitude, forged from his experience training thousands of clients ranging from celebrities to regular folks. Between his positive, can-do spirit and practical, brass tacks strategies for getting in shape, it's no wonder that Donovan Green has reached 3.7 million daily viewers via his unique No Excuses platform on DrOz.com. With No Excuses Fitness, Green delivers a comprehensive month-long plan designed to help readers lose 10 pounds in 30 days. Filled with healthy recipes, workouts that can be done anywhere and with minimal equipment, and daily tips for staying focused (especially through plateaus), and featuring a foreword by Dr. Oz's wife Lisa, No Excuses Fitness will inspire and guide anyone interested in losing weight and gaining optimal health.

Combat chronic inflammation, ease over-stressed digestive and immune systems, and make better food choices with this easy-to-follow nutrition plan

and cookbook Inflammation in the body shows up in the form of aches, pains, digestive distress, skin rashes, and swelling, and can lead to arthritis, type 2 diabetes, food allergies, skin conditions, and weight gain. Inflammation can result from undiagnosed food allergies or an autoimmune condition, or a diet that contains lots of processed foods, sugar, and meat. Adopting an anti-inflammatory diet can help. Health and wellness luminaries such as Dr. Oz, Michael Pollan, and Mark Bittman have all touted the benefits of an anti-inflammatory diet, and people are becoming increasingly aware of its benefits. Seattle nutritionist Michelle Babb lays out a sustainable diet plan that's a snap to maintain—it's essentially a Mediterranean, or pescatarian, diet that increases the intake of plant-based foods. With *Anti-Inflammatory Eating Made Easy*, you'll eat as much as you want, lose weight, and heal your body. And the great thing is that with this diet, you never go hungry! As long as half your plate is vegetables and fruit, and the other half is starch and fish, you may start to see health improvements in weeks once you adopt the diet. Dramatic lifestyle changes can be difficult, but this easy-to-follow plan makes anti-inflammatory eating approachable, understandable, and delicious.

The diet that works faster and forever! SUPER SHRED Using the same principles—meal spacing, snacking, meal replacement and diet confusion—that

made his SHRED a major #1 bestseller—Dr. Ian K. Smith has developed what dieters told him they needed: a quick-acting plan that is safe and easy to follow at home, at work, or on the road. SUPER SHRED It's a program with four week-long cycles: --Foundation, when you'll eat four meals and three snacks a day, start shedding pounds and set yourself up for success --Accelerate, when you'll kick it up and speed up weight loss --Shape, the toughest week in the program, and the one that will get your body back by keeping it guessing --Tenacious, a final sprint that cements your improved eating habits and melts off those last stubborn pounds The SHRED system never leaves you hungry. It's a completely new way to lose weight, stay slender, and feel fantastic about your body, mind and spirit! Includes more than 50 all-new recipes for meal replacing smoothies and soups!

Along with the many benefits of leisure-class living comes obesity and its attendant ailments. In *The Warrior Diet*, Ori Hofmekler looks not forward but backward for a solution—to the primal habits of early cultures such as nomads and hunter-gatherers, the Greeks, and the Romans. Based on survival science, this book proposes not ordinary dietary changes but rather a radical yet surprisingly simple lifestyle overhaul. Drawing on both scientific studies and historical data, Hofmekler argues that robust health and a lean, strong body can best be achieved

by mimicking the classical warrior mode of cycling—working and eating sparingly (undereating) during the day and filling up at night. Specific elements from the Warrior Diet Nutritional Program (finding ideal fuel foods and food combinations to reduce body fat) to the Controlled Fatigue Training Program (promoting strength, speed, and resilience to fatigue through special drills), literally reshape body and mind. Individual chapters cover warrior meals and recipes; sex drive, potency, and animal magnetism; as well as personalizing the diet for women. Featuring forewords by Fit for Life author Harvey Diamond and Fat That Kills author Dr. Udo Erasmus, *The Warrior Diet* shows readers weary of fad diets how to attain enduring vigor, explosive strength, a better appearance, and increased vitality and health.

Social media sensation, fitness trainer, and sports nutritionist Natalie Jill offers her popular 7 day jump start program for weight loss, with recipes and tips

Say goodbye to feeling disappointed with your body—*Body Confidence* is the highly anticipated fitness book from world-renowned Venice Nutrition Program founder Mark Macdonald. Macdonald's targeted series of diet and fitness strategies are proven to burn body fat, boost energy levels, increase muscle mass, and eliminate sugar cravings for a better looking, better feeling body today. Providing a step up to holistic body care for fans of Tosca Reno's *Eat-Clean Diet* or Jorge Cruise's *Belly Fat Cure*, and an excellent companion to Cynthia Sass's *Cinch!*, the Venice Nutrition Program's innovative fitness plan focuses on blood sugar

Teaches readers how to continue to stay fit through fun and innovative exercises that will help them regain and maintain the body they have always wanted.

With his unique, no-nonsense, no-filler approach to getting maximum nutrition and without sacrificing on the great taste that only smoothies can provide, Lars Andersen provides you with everything you need to have a tasty, varied, power-packed smoothie that is ready in moments. Tailored to your specific needs: Unlike other books which stop at simply

## Online Library Tone It Up Nutrition Plan

providing a list of smoothie recipes, Lars includes the nutritional information and specifies when and why you should enjoy each smoothie - whether it be pre-or-post training. One size rarely fits all and Lars eliminates the guesswork for you. In this Book sports nutrition guru Lars Andersen provides shows you delicious ways to: Run Significantly Further, Faster and Longer for Improved Race Times Build Muscle and Tone Up Dramatically Save Time and Money whilst Supporting optimal Performance Dramatically Reduce Muscle Fatigue, Joint Pain and Recovery Time Beat plateaus and achieve new levels of fitness Feel fresh and energized all day, every day Research shows that although people can lose 5 to 10 percent of their body weight on any given diet, dieting itself is a consistent predictor of future weight gain. Why? At some point, everyone stops dieting. The Lean Muscle Diet solves the sustainability problem while offering immediate results. It's simple: act as if you already have the body you want. If a reader is, say, a 220-pound man who wants to become a muscular 180-pounder, he then uses The Lean Muscle Diet's formula to eat and train to sustain a 180-pound body. The transformation begins immediately, and the results last for life. Lou Schuler, who has sold more than one million copies of his fitness books worldwide, and Alan Aragon, nutrition advisor to Men's Health, have created an eating and "metabolically expensive" exercise plan designed to melt fat while building muscle. The best part? The plan allows readers to eat their favorite foods, no matter how decadent. With full support from Men's Health, The Lean Muscle Diet delivers a simple--and simply sustainable--body transformation plan anyone can use.

The Fresh 20, the popular budget-friendly meal-planning service founded by working mother Melissa Lanz, is now a cookbook, offering families an all-natural and easy approach

to mealtimes. Using just 20 organic, non-processed ingredients per week, home cooks can create 5 wholesome, delicious meals in just minutes. A busy home cook herself, Lanz understands the “What’s for dinner?” conundrum and has developed a program that gives parents healthy cooking options. Inspiring and educational, *The Fresh 20* is filled with gorgeous color photos, shopping lists that take advantage of seasonal fruits and vegetables, prep tips, and, of course, easy and delicious recipes — including vegetarian, vegan, and gluten-free options.

New York Times bestselling author and CEO of 22 Days Nutrition, Marco Borges introduces one of the most inclusive, practical, and revolutionary plant-based lifestyle plans - *The Greenprint*. By following its 22 proven effective guidelines, you will shift your mindset, improve your health, lose weight, and impact the planet for the better. Accessible and easy-to-follow, *The Greenprint* is a movement to embrace your absolute best and healthiest life. Through his more than two decades of experience working with clients, including some of the world's biggest celebrities, and spearheading exercise and nutrition research, Borges developed the groundbreaking "22 Laws of Plants," which he's determined are the most important plant-based diet, exercise, and lifestyle secrets for losing weight, increasing energy, boosting metabolism, and reducing inflammation, not to mention helping minimize your carbon imprint to help the planet. *The Greenprint* outlines three simple, step-by-step plans to implement the 22 Laws into your life, depending on where you are on your journey. Whether you are ready for a gradual shift or excited to tackle them all full-on, in just weeks you will be on your way to a healthier, cleaner approach to eating that includes plenty of whole grains, bountiful veggies, legumes, nuts and more. You'll also find meal plans, more than 60 delicious recipes, countless tips, and inspirational stories to help you along the

way. Take control of your diet, create your own Greenprint and forever alter your weight, your health and the planet. Featuring thirteen short-term rules for weight loss, the coach of NBC's "The Biggest Loser" provides a four-part plan that includes a precise breakdown of the proper protein/carbohydrate proportions for every meal and simple exercise routines.

Get healthy in just 15 days with this diet plan from the celebrity trainer and New York Times bestselling author featured on Khloé Kardashian's *Revenge Body*--now revised with the latest nutrition science and updated recipes. Harley Pasternak has worked with most of Hollywood, whipping celebs into shape for roles and the red carpet and also appearing as a celebrity trainer on *Revenge Body* with Khloé Kardashian. With *The Body Reset Diet*, he introduced his ultimate reset plan to the world, and rebooted readers' systems to set them on the path to thinner, healthier, happier lives. Now he's updating this beloved plan with a new introduction, the latest findings in nutritional science, and new recipes. This three-phase program focuses on the easiest, most effective way to slim down: blending. The five-day jumpstart includes delicious, expertly crafted smoothies, dips, snacks, and soups--all customizable to any preference or diet restriction. Over the following ten days, readers will reintroduce healthy versions of their favorite foods along with the blended recipes, keeping their metabolisms humming. The plan also explains how the easiest

form of exercise--walking--along with light resistance training is all it takes to achieve the celebrity-worthy physique that every reader craves. Whether readers are looking to lose significant weight or just those last five pounds, The Body Reset Diet offers a proven program to hit the reset button, slim down, and get healthy in just fifteen days--and stay that way for good!

Dr Mike Moreno's 17 Day Diet is a revolutionary new weight-loss programme that activates your skinny gene so that you burn fat day in and day out. The diet is structured around four 17-day cycles:

Accelerate- the rapid weight loss portion that helps flush sugar and fat storage from your system;

Activate-the metabolic restart portion with alternating low and high calorie days to help shed body fat;

Achieve - this phase is about learning to control portions and introducing new fitness routines;

Arrive - A combination of the first three cycles to keep good habits up for good. Each cycle changes your calorie count and the food that you're eating. The variation that Dr. Mike calls 'body confusion' is designed to keep your metabolism guessing. This is not a diet that relies on a tiny list of approved foods, gruelling exercise routines, or unrealistic calorie counts that leave you hungry and unfulfilled. Each phase comes with extensive lists of what dieters can and can't eat while on the phase, but also offers acceptable cheats. He advises readers not to drink while on the

diet, but concedes that if they absolutely have to then they should at least drink red wine. Dr Mike knows that a diet can only work if it's compatible with the real world, and so he's designed the programme with usability as a top priority.

Karena Dawn and Katrina Scott, the founders of the Tone It Up fitness and health brand, have taken the world by storm with their fun, energetic, girlfriend-to-girlfriend approach to getting fit. In their Tone It Up book, the girls' genuine, relatable philosophy is boiled down to a 28-day program that incorporates fitness routines, nutritional advice, and mental and spiritual practices to transform readers' bodies, attitudes, and lives. Dawn and Scott take a holistic approach to fitness, including the same principles in their book that make their brand so popular--a sense of community, empowerment, and lightheartedness in every healthy, feel-good technique they recommend. Dawn and Scott will help readers get:

- **FIT.** With daily fitness challenges, workout plans, healthy-eating tips, and delicious recipes, readers will be on their way to the strong, sexy body they're after.
- **FIERCE.** Dawn and Scott will empower readers to be their best self-motivators by aligning their minds and bodies with their intentions through visualization exercises, daily meditations, confidence-boosting tips, and dares to move outside their comfort zones.
- **FABULOUS.** This is the fun stuff: beauty, sparkle, friendship, inspiration, joy, and all

the things that give readers that unmistakable glow so they radiate from the inside out!

The new healthy eating and lifestyle book from the inspirational and widely followed personal trainer, Kayla Itsines.

In *The 20/20 Diet*, Dr. Phil McGraw identifies seven reasons other diets fail people over and over again: hunger, cravings, feeling of restriction, impracticality and expense, boredom, temptations, and disappointing results or plateaus. Then, he addresses each of these roadblocks by applying the latest research and theories that have emerged since his last best seller on the same topic, *The Ultimate Weight Solution*. Dr. Phil and his team have created a plan that you can start following right now and continue working for the rest of your life. In this diet, readers will start by eating only 20 key ingredients, called the “20/20 Foods,” which theories indicate may help enhance your body’s thermogenesis and help you feel full. But that’s just the beginning. This book explains why you haven’t been able to lose the weight before, and empowers you with cognitive, behavioral, environmental, social and nutritional tools so you can finally reach your goal, and learn lifelong healthy habits to maintain those results.
