Karen Noe was strongly guided by the angels to write *The Rainbow Follows the Storm* to bring comfort and laughter to those who want to know about what happens to our souls after we cross over to the other side. Part I, "Opening Up to the Spiritual Realm," recounts the author's spiritual journey and how she became a spiritual medium after experiencing the light and receiving a life-changing message. It includes real stories of messages she has received from those who have crossed over, showing that our souls really do survive and keep the same personality. Part II, "How to Connect with the Other side," details what the reader can do to receive messages from angels and deceased loved ones. Part III, "Is This All There Is?" incorporates various related spiritual topics, including God, the Angels, reincarnation, the human spirit, life on other planets, and healing. Part IV, "May Peace Prevail on Earth," is perhaps the most important. At this very critical period on earth, the oneness of all life means we can create peace within our hearts first, and then peace throughout the entire universe. ISBN:
