"Some may object to my dogmatic assertions; but I do not apologize for them. Every preacher should believe strongly in his own method; and if I cannot persuade all of the rightness of mine, I can at least stimulate them to think and to consider other possibilities. I can say quite honestly that I would not cross the road to listen to myself preaching, and the preachers whom I have enjoyed most have been very different indeed in their method and style. But my business is not to describe them but to state what I believe to be right, however imperfectly I have put my own precepts into practice. I can only hope that the result will be of some help, and especially to young preachers called to this greatest of all tasks, and especially in these sad and evil times. With many others I pray that 'The Lord of the harvest may thrust forth' many mighty preachers to proclaim 'the unsearchable riches of Christ!'"

Today, as believers, we have the same God-like ability to speak those things which be not as though they were. For most of us, one of the most rewarding, yet difficult tasks, is preparing messages to preach and teach. We are honored by God to stand before our congregation each week, and we want to give them the very best, but with the press of the many demands of ministry, sometimes that is difficult to do. And if you're like me, you prefer writing your own sermons because you have a special connection with your congregation that is hard to reach through a message someone else has written. In other words, no one knows your people like you do! Our new Pulpit Outline Series gives you a starting point – a sermon title, a deductive sermon outline; and a relevant illustration you can use however you like. But you are free to "fill-in-the-blanks" so to speak, and add your own meat and potatoes to the mix! We invite you to make

these messages your own, because only you know the people God has called you to preach to. And we are so honored that you've invested in our fourth volume in the Pulpit Outline series – 52 Sermons From the Book of Acts – there will be more to come! May God Bless You as You Share His Word!

Christianity is a surprising religion. It has changed the world in remarkable ways throughout history simply through Christians living out their faith. More recently, we've become afraid of a habituated Christianity, thinking that routines will rob our faith of its vitality. The net effect is that we've replaced the habits that surprise the world with habits that mimic the world—and both we and the world suffer for it. Integrating the five habits in the BELLS model—Bless others, Eat together, Listen to the Spirit, Learn Christ, and understand yourself as Sent by God into others' lives—will help you spread the gospel organically, graciously, and surprisingly. Michael Frost, a world-renowned expert on evangelism and discipleship, makes evangelism a lifestyle that is fulfilling, exciting, effective, and easy to live out!

Why is justice fair? Why are so many people pursuing spirituality? Why do we crave relationship? And why is beauty so beautiful? N. T. Wright argues that each of these questions takes us into the mystery of who God is and what he wants from us. For two thousand years Christianity has claimed to answer these mysteries, and this renowned biblical scholar and Anglican bishop shows that it still does today. Like C. S. Lewis did in his classic *Mere Christianity*, Wright makes the case for Christian faith from the ground up, assuming that the reader is starting from ground zero with no predisposition to and perhaps even some negativity toward religion in general and Christianity in particular. His goal is to describe Christianity in as simple and accessible, yet hopefully attractive and exciting, a way as possible, both to say to outsiders ÖYou might want to look at this further,Ö and to say to insiders ÖYou may not have quite understood this bit clearly yet.Ö

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Preaching the Topical Sermon Westminster John Knox Press

Offers an in depth look at the Sermon on the Mount, discussing the importance of obeying God's law, how to build relationships that encourage, and making a difference God's way.

This is a classic that has stood the test of time. For forty-five years, seminary students and pastors have benefited from the principles found in this book. Two of Koller's popular texts, *Expository Preaching without Notes* and *Sermons Preached without Notes*, are combined in a single volume that allows preachers to prepare and deliver sermons without being tied to a manuscript or even outlines or notes. Among the eighteen topics discussed are the biblical conception of preaching, the advantages of preaching without notes, homiletical devices, the importance of structure, and the systematic filing of materials. Now repackaged for the next generation of preachers, with a foreword by current Northern Seminary preaching professor Michael J. Quicke, *How to Preach without Notes* is poised to continue its history of strong and steady sales.

When You Talk, Are People Changed? Whether you speak from the pulpit, podium, or the front of a classroom, you don't need much more than blank stares and faraway looks to tell you you're not connecting. Take heart before your audience takes leave! You can convey your message in the powerful, life-changing way it deserves to be told. An insightful, entertaining parable that's an excellent guide for any speaker, *Communicating for a Change* takes a simple approach to delivering effectively. Join Pastor Ray as he discovers that the secrets to successful speaking are parallel to the lessons a trucker learns on the road. By knowing your destination before you leave (identifying the one basic premise of your message), using your blinkers (making transitions obvious), and implementing five other practical points, you'll drive your message home every time! "Long ago, in a galaxy far, far away..." "Once upon a time..." "In the beginning..." Great stories capture and hold an audience's attention from start to finish. Why should it be any different when you stand up to speak? In *Communicating for a Change*, Andy Stanley and Lane Jones offer a unique strategy for communicators seeking to deliver captivating and practical messages. In this highly creative presentation, the authors unpack seven concepts that will empower you to engage and impact your audience in a way that leaves them wanting more. "Whether you are a senior pastor with weekly teaching responsibilities or a student pastor who has been charged with engaging the hearts and minds of high school students, this book is a must-read." -Bill Hybels, Senior pastor, Willow Creek Community Church "A very practical resource for every biblical communicator who wants to go from good to great." -Ed Young, Senior pastor, Fellowship Church, Grapevine, Texas "To communicate effectively, you have to connect. Andy has been connecting with people for years, and now he's sharing his insights with the rest of us." -Jeff Foxworthy, Comedian *Story Behind the Book* Andy Stanley and Lane Jones are on staff at one of America's largest churches, North Point Community. Leaders of thousands of people, they regularly speak in front of large groups. They also listen to numerous speakers and know the disastrous effects of a poorly delivered message. This book is the result of their efforts to make public speaking—one of the most common fear-inducing activities known to mankind—simple, easy, and even enjoyable, so that God's messages will readily produce the life-changing results they should.

"The Bible is what God has made. Sermons are what we make with what God has made." This is the foundation for developing expository messages, according to Ramesh Richard. His method, explained in *Preparing Expository Sermons*, has been field-tested in training seminars for thousands of preachers around the world. Richard's book is a simple do-it-yourself resource for developing and preaching expository sermons. It guides the reader through a seven-step process, with many practical suggestions and illustrative charts along the way. In addition, there are eleven appendixes that include information on: o how to choose a text o preaching narratives o understanding your audience o forms of sermon introduction A comprehensive sermon evaluation questionnaire is included as well. *Preparing Expository Sermons*, an updated and expanded version of *Scripture Sculpture*, is ideal for beginning preachers, lay preachers without formal training, or any pastor who is looking for a refresher course in expository sermon preparation.

Written by eleven biblical scholars, this study explores the theology of the suffering servant in Isaiah 53 and answers a number of important questions: What is a Christian interpretation of Isaiah 53? What is a Jewish interpretation of Isaiah 53? How did the New Testament writers understand Isaiah 53? How should forgiveness and salvation be understood in Isaiah 53? How can Isaiah 53 be used in Jewish evangelism? How do we preach Isaiah 53?

No matter how good your message, if your delivery is poor, your audience won't receive it. Even a great message with poor delivery will result in a disengaged audience. In my years of education on a bachelors and masters level from great Christian institutions, I learned the message of the Bible. But I didn't learn how to deliver that message. It took me a decade of failure, learning from great preachers, and years of research to learn the principles in this book. *Preach and Deliver* is a practical guide that will teach you the best practices for body language, eye contact, pauses, humor, illustrations, notes, and much more. This book will change the way you deliver a sermon so that you can preach in a powerful way that grips the hearts and minds of your audience. But reading alone will not make you a better preacher. That's why at the end of every chapter, I have included an action step to apply what you learned. If you want to master the fundamentals of sermon delivery, this book is for you.

Central to God's character is the quality of holiness. Yet, even so, most people are hard-pressed to define what God's holiness precisely is. Many preachers today avoid the topic altogether because people today don't quite know what to do with words like "awe" or "fear." R. C. Sproul, in this classic work, puts the holiness of God in its proper and central place in the Christian life. He paints an awe-inspiring vision of God that encourages Christian to become holy just as God is holy. Once you encounter the holiness of God, your life will never be the same.

Christians generally recognize the need to live a holy, or sanctified, life. But they differ on what sanctification is and how it is achieved. *Five Views on Sanctification* brings together in one easy-to-understand volume five major Protestant views on sanctification. Writing from a solid evangelical stance, each author describes and defends his own understanding of the doctrine, and responds as well to the views of the other authors. This book addresses such practical questions as: How does one achieve sanctification in this life? How much success in sanctification is possible? Is a crisis experience following one's conversion normal—or necessary? If so, what kind of experience, and how is it verified? The

Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians. Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series.

The last chapter includes sample sermons by other preachers.

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999
Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.
