Stubborn to a fault, Jane is not a well-liked person in school. She's eighteen-years-old and tutoring her peers, trying to get them to not fail their course so they can graduate. She's doing them a solid, really. Sadly, they don't see it that way. When her car tires are punctured, she finds herself having to take the train instead. There, she meets a dangerously alluring foreigner who awakens perverse desires inside her. His dominating voice and expert hands send hot flavors of desire through her and she is too weak to resist. She finds herself surrendering to him eagerly, taking off her clothes in public and letting him do perverse things her, including showing her off to the other strangers on the train as he takes her... ~~~~~ PG Excerpt ~~~~~ "That was close, wasn't it?" he chuckles. She huffs and levels him with a glare that only makes him grin harder. She has never dressed so fast in her life. The moment she heard the sound of the train coming, she flew to action, grabbing her shirt and pulling it over her head without thinking. Her pants was tugged on haphazardly and she had forgotten her underwear altogether. Abel half pulls half carries her to the train and when he turns around to see that she has most of her clothes back on, he looks almost disappointed. Thankfully, the section of the train they're in is completely empty. "Hold on!" someone shouts from outside, as if there was anything they could do to delay the train from moving away. They turn to the source of the sound and her eyes widen. It's her classmates, the very same one she had left in school earlier. "Miss Jane!" Jack's cheeks are tinted red and he's breathing heavily, as were the rest of the men who had managed to hop onto the train right before the automatic doors slide close and the train announced it's departure. Tyler, Carter, and Kyle trail after him, looking a little bit sheepish, like schoolboys getting caught doing something they shouldn't have. She has a brief, somewhat paralyzing thought that they were the one who have done something to her car, but surely they don't- They do look especially guilty. "Do you know each other?" Abel asks, clearing coming to the same conclusion she has. "Yeah," she says. She has almost forgotten that he was there at all. He looks particularly handsome, stepping up in front of her, like some sort of knight in shining armor ready to come to her defense. "Who's this?" Jack glares at her new friend and she wonders if the jealousy she sees in his expression is sincere or merely a figment of her imagination. He's a little bit older than her and he's been flirting aggressively with her since the beginning, but she was so certain that he's just messing around. "This is Abel. He's um-" she frowns. Are they friends? She barely knows him. She doesn't even know what he does for a living. Her face burns red with embarrassment from all the thing she's allowed the perfect stranger to do to her. She is filled by the sudden urge to wrap her arms around herself, but she isn't wearing her bra. Oh gods. They're going to notice, aren't they? She's going to be in so much trouble-

New York Times bestselling author Eliza Gayle presents *Submissive Beauty*: Eager to understand her secret desires, Gabrielle enters "The Sanctuary." Inside she's immediately torn between fear of the unknown and a craving to learn more, until the lights dim. From the first sound of Thomas' calm and controlled voice, she is mesmerized. With an underlying need in her emotional spirit that requires more more control, she is easily seduced into a world of dominance and submission. For Thomas, an experienced Master, Gabrielle is an interesting mix of defiant, naive and submissive. Her sharp mind and wit appeal to him as much as the curves of her lush figure. He accepts the challenge to help train her despite the danger she represents. Long term anything for him is out of the question. If he does his job right, his protégé David will end up the perfect Dom for their submissive beauty and Thomas will move on with his armor intact. Get swept away in their love story as Gabrielle is put at the mercy of two men who teach her how to embrace her darkest needs and most secret fantasies all within a tight bond of

trust. Unfortunately, betrayal lurks on the path to total surrender.

Rachel Porter's dreams of being dominated are finally about to come true. But can she live up to the demands of a real-life Dom? Rachel Porter is feisty, independent and horny. Her libido is taunting her with erotic dreams of being tethered and spanked by a gorgeous, dominant man and, as a result, she decides to pursue her fledgling interest in BDSM after her trusted Rabbit gives up on her. When she unexpectedly bumps into her sexy but demanding boss, Adam Stone, at Boundaries, an exclusive BDSM club, it seems all her dreams are about to come true. Adam is a strict and challenging Dom and it's not long before he has Rachel kneeling at his feet, right where she wants to be. Rachel soon comes to crave Adam's firm discipline, but when she becomes too flippant and deliberately provokes a spanking, she finds out that a real punishment is not as pleasurable as an erotic one. Nevertheless, her complete surrender during these punishments takes her to new heights she never thought possible. But Rachel also learns that one of the most important aspects of a BDSM relationship is trust, and that's the one thing she doesn't have. After a lifetime of betrayal, she's not about to risk losing her heart again. To make matters worse, when she learns that Adam's ex-wife was, in fact, his slave, she realises that she might have to give up more than she'd bargained for if she's to remain his submissive.

Alexandra Noir writes what she lives. She's a therapist by day and devoted kinkster by night. She's committed not merely to letting you into her wild imagination but to give you a window into the intense feelings and intimacy that occur in real BDSM relationships. In *BDSM Bedtime Stories Volume 1* you get five kinky stories about male dominance and female submission. For some of the women in these stories, submitting to a man is what they've always wanted. For others, they didn't know they needed it until it was already happening. No matter they ended up at their Masters' feet, it is where they belong. In *A Dom in Shining Armor* Liz expects a little drama out of life, especially since she owns an adult toy shop. However, being harassed by someone whose brother is on the town's corrupt police force makes her life a living hell...until Erik appears. He's at her shop, searching for a few quality supplies but finds a petite beauty being cornered by a town bully. After a few questions and a lot of chemistry, Erik vows to stop the corruption and privately usher in a much more spicy atmosphere. Her relief at having a man protect her is shocking to this independent business woman, but it's nothing compared to how she'll feel when he starts claiming her as his own. In *Taming the Bitch Boss* Nina has quite the cold, hard bitch reputation and proudly terrorizes her small team of sales reps. On the job, she looks forward to manipulating, but nights have become boring. Thoughts of luring meek males leads to her creation of a fake profile on a popular kink site. She sprinkles in her 'soul crusher' mantra and challenges anyone to cross her. She has no idea that the half-brother of one of her employees also uses the same site to meet women who need an attitude adjustment. Right away, Damian knows she's a poser and challenges her. Once he puts it all together and realizes that she's been putting his sister through hell, he forms a plan to crush a bitch. Nina agrees to meet him, confident that she'll have him shaking in fear and desire. Instead, she discovers an alpha male who loves challenges and toppling bitches off their thrones. In *Her Master's Voice* Mary has always been an obedient wife and her husband, Jason, always gave her what she needed. But as time has gone on Mary has become too complacent in her submission to her husband. He decides to remedy this, and to pass on some of his wisdom to a young friend, Marcus. Between the two of them, they stand a decent chance of putting Mary back her in place. In *Submission on the High Seas* Zoe Rigley has worked hard to be a crew member on the *Fanta Seas*, a 178-foot charter yacht, but Kyle Wittenberg, a bad boy Dom, has something hard he'd rather have her work on. He doesn't care who witnesses his wild and naughty behavior. One thing is on his mind-driving her fantasies to new heights. He's not the only one who has Zoe on his radar, though. When she gets between a jealous thief and Kyle's wallet, Zoe has officially messed with a member of an elite

Women Dominated by Women Claire had a desire for a woman in her life, although she already had a husband. Claire not only wanted a woman for a lover but also to dominate her sexually. Claire was determined, and it wasn't long before she ventured out into a new world. She might be inexperienced, but she was driven to succeed. Daisy was pleasantly shocked when a woman picked her up in a dance club. This was unexpected, although Daisy found it wasn't unwanted. Claire was beautiful, sophisticated, and demanding. The demanding part Daisy didn't understand, but she did like it. Claire had such success with Daisy that it wasn't long before she worked on converting her husband to her way of thinking. Edger found he got more sex when he listened to his wife, so that is what he did. Not only listen but obey. It had its benefits. He never had so much sex with his wife, and it was outrageously arousing and fulfilling. Claire brought her two lovers together, and that was the start of something new. She had two submissive's, and at first, it was exciting, but it also required a lot of work on Claire's part, making sure what the three of them did was new and fulfilling. She converted one of her bedrooms into her dungeon, and that opened up a new realm of pleasure. Claire found she had limitations. She decided one day she would be a dominant and had success with Daisy and her husband. But, she never knew if that was her true calling or just something she aspired to be. She needed guidance from those that are more experienced, so she set out to visit the BDSM clubs in the larger city nearby that catered to the people that lived close by. It was here that Claire found Jenna and Raven, beautiful female dominants, to guide Claire. But, Claire wasn't sure where she was being guided to. Claire brings Daisy and Edger with her to Jenna and Raven's home, complete with a well-stock dungeon that made Claire's dungeon look like a child's playroom. Would Claire find her calling inspired to the next level? Or would Claire find herself with a new role to play that was unexpected? Powerone takes you on a ride of exploration of the human psyche. Revelations will surprise you when you least expect them. What might seem to be obvious is something hidden until what is revealed is a grand revelation of epic proportions. Get into the heads of all of those involved as the desires and pleasures are apportioned to their purpose in the greater scheme. Surprises are frequent as dominants, and submissive's come together to bring pleasure and pain to fulfillment in flawless ecstasy. Another BDSM classic that only Powerone can master.

It wasn't a match made in heaven, it was a match made in the boardroom! Bestselling bondage author Powerone takes readers beyond Eyes Wide Shut and 50 Shades of Grey in his most masterful novel yet. Molly was a month away from graduating with her MBA. She'd done it in five years in order to save money. She'd graduate with honors, summa cum laude and it required all her talents to do it. With her degree came student loans that were one hundred-one thousand dollars, but it was a worthy investment for her future. She'd become a teacher's assistant to help pay the bills and she found that it required much more than grading papers and doing research. Her professor had more demanding uses of her luscious body. He taught her the pleasure of serving him in any manner he desired and BDSM seemed to be the theme. She found it provoking strange desires in her to serve. Handsome, young and a billionaire, he had his choice of almost any woman and he took advantage of that. He has no desire to be married, at least not now. His sexual appetite grew to be more jaded, but tying up women and having his way with them didn't bring the excitement that it should. Michael was always generous with his university that gave him the tools to his success, parting with a million-dollar check when asked. He was caught off guard when the dean of the business school offered him an opportunity, but it came with a price of a twenty-five million dollar donation for a new state of the art AI computer lab building. Then there was the million dollar membership fee for the House of Surrender, a two-hundred-year-old organization that neither Michael nor anyone else ever heard of, that went with it. House of Surrender is a place where the elite met to celebrate the domination of submissive

women in a background of decadent wealth and ceremony. Hundreds of years of training brought them to the pinnacle of excellence in turning women into the truly submissive slaves that men of quality desired. While Michael might have thought he knew what was required on his part, he was quickly shown he was disillusioned with a fantasy that the modern movies taught. The university, in conjunction with the House of Surrender, would find the ideal candidate that had the disposition, but not the training necessary to please Michael's discerning tastes. The candidate and Michael would undergo the rigorous training at the House of Surrender until both were pleased with their roles. Was this an expensive hoax or could it deliver what it promised? Molly and Michael's lives collided, brought together by the dean of business. Michael would donate to the university and Molly would get paid handsomely, free of her student loans along with a six-figure cash settlement. All of it required her complete submission to Michael at the House of Surrender for six months. Could she submit so easily? Her professor gave her a glimpse of what it would be like, but House of Surrender would require her ultimate and complete submission. She would lose her ability to say no.

The power, the satisfaction, and the intense rush of domination that goes through your body when your submissive bows to your will cannot be compared to any other thing in this world. This book is every Dom's guide to training a submissive. It contains various guidelines and strategies on how a Dom can get the best of the relationship. As you read through, keep in mind that dominance and submission are simply one part of BDSM. It advances into a wider spectrum which includes sadism, bondage, discipline, and masochism as well. However, the focus of this book is submissive training.

Let the erotic pain lift you into its arms. Surrender to it. Surrender to me. Rylee Miller, independent, strong and in control, seeks intensity of experience in all things. She craves hardcore sadomasochism and believes erotic suffering is just another challenge to be overcome. Taggart Fitzgerald, aka Leather Master, is a world-class whip and leather-gear craftsman. A highly skilled and sexy Dom, he's also a brooding, intense and self-contained man. He takes what he wants from women, keeping his heart firmly out of the equation. When they meet on a video shoot for BDSMConnections, their intense, visceral connection stuns them both. The Leather Master is intrigued by Rylee's staunch assertion she's not a submissive. Is she lying to him-or just to herself? Or maybe she has never learned to truly surrender. With Taggart's dominant, sadistic side and Rylee's sensual, masochist mindset, they should be the perfect pair. But accepting her true nature may not be easy when the Dom she's falling for is a man so damaged by a past filled with pain that he's unable to trust in love. Or maybe it's that he has never learned to surrender to his heart. Editor's Note: Surrender to Me, Book Two of BDSM Connections, is a full-length, stand-alone story. The series may be read in any order.

Based on Scarlet Kry's true BDSM encounters. This is a prequel to my Submission and Surrender series, and contains 3 short stories which are 3 scenes I've experienced in my journey as a submissive. If you enjoyed these short stories, you will love Submission to Will as well!

into her sexy but demanding boss, Adam Stone, at Boundaries, an exclusive BDSM club, it seems all her dreams are about to come true. After a steamy start to their deepening D/s relationship, though, Rachel learns that Adam will soon demand her complete surrender, as his slave. Rachel doesn't want to live the lifestyle 24/7, but unfortunately, she's fallen in love with Adam and can't bring herself to tell him how she feels for fear of losing him. Rachel has also had to battle with lifelong betrayal and heartache, and her inability to let go of the past nearly destroys her chances of happiness with Adam. But Adam won't give up on Rachel, and tells her that he will collar her, one way or another. With Adam's support, Rachel tries desperately to face the truth and embrace her submission. Not everyone is so supportive though. It seems that someone will stop at nothing to get the only two things they want—revenge and Adam Stone. As they get closer to their goal, Rachel suddenly finds herself thrown into a desperate battle for survival.

Sydney Carter has a deep, dark fantasy to submit...and when she meets a Master who knows a born submissive when he sees one, she learns all about complete surrender. Sydney Carter can't remember the last time she had a man who really did anything for her. As a corporate lawyer she travels constantly, and her social life—especially her sex life—is nonexistent. Not only has it been ages since she's been laid, but Sydney has a deep, dark fantasy of spending one erotic night with a stranger. Josh Williams is a BDSM Master who knows a born submissive when he sees one. Just a look at the green-eyed brunette, and he has no doubt he can teach her all about pain...pleasure...and complete submission. What he doesn't expect is what Sydney has to teach him.

A contemporary fairy tale with a dirty, sexy twist! TOTAL SURRENDER is a modern, sinfully seductive take on Beauty and the Beast. How far would you go to make the man that destroyed your family pay? Maddux Wilder is a man consumed, a beast in a three-piece suit. Rich and powerful, he built his empire with one thought in mind: revenge. After years of patience and planning, the wait is finally over. Tonight, Maddux will finally watch Theodore Cole's kingdom crumble. At a lavish ball in the New York City castle the Wilder siblings call home, the man that killed their parents will atone for his sins. If only he'd planned for her. Arabella Cole is Theodore's only child; his cherished and sheltered daughter. She's an innocent, captivating beauty that would do anything to save her loving father, including sacrificing herself. With her freedom gone, she must surrender to a man she hates. A man that makes her want things she shouldn't. A man that awakens deep, forbidden desires. But everyone knows that roses don't bloom in darkness. Enter Maddux Wilder, a man that doesn't believe in fairy tales. Can the beauty tame the beast or will revenge cost them both everything that matters most? (TOTAL SURRENDER is a STAND-ALONE, enemies to lovers fairy tale romance. No cheating. No cliffhangers)

In a world of socially enforced liberation and independence the sexually submissive woman often feels maligned and misunderstood because of her brand of sexuality. While much attention has been given to what sexually submissive men need from dominant women, the sexually submissive woman's needs have been overlooked. Written by a sex worker with experience of both sides of the coin, readers are guided on their way to feeling more comfortable in their sexual skin, secure in the knowledge that many other women share their submissive fantasies.

A sinful collection of three full-length contemporary fairy-tale novels featuring Beauty and the Beast, Cinderella, and Lady and the Tramp themes. SINFUL SURRENDER (Beauty and the Beast) Rich and powerful, Maddux Wilder has built his empire with one thought in mind . . . exacting revenge against the man who killed his parents. But he never planned for his enemy's daughter, Arabella Cole, to offer herself in exchange for her father's debt. Innocent and captivating, Maddux can't resist her allure, or the lust she stirs within him. SINFUL PLEASURES (Cinderella) Elaina "Elle" Darien is gorgeous and driven, but her father's death left her dealing with a wicked stepmother intent on sabotaging the family business. After two years of constantly working, all she wants is one night for herself, and the Wilder Way Fairy Tale Ball promises to sweep her off her feet. SINFUL PROPOSITION (Lady and the Tramp) Remy Lowell has a troubled past, filled with abandonment and heartache. He's worked his way up from nothing and is damn proud of that. But his latest contracting job is more provocative than expected and his new client has him thinking thoughts he shouldn't. He's determined not to mix business with pleasure, but when Tempest sets her sights on something, she gets it. And right now she wants Remy, the sexy, rough-around-the-edges man who challenges her at every turn.

" . . . dark, provocative, and glaringly honest . . ." H. Turley, Reader Emily Vargas has been taken captive. As part of his conditioning methods, her captor refuses to speak to her, knowing how much she craves human contact. He's far too beautiful to be a monster. Combined with his lack of violence toward her, this has her walking a fine line at the edge of sanity. Told in the first person from Emily's perspective, Comfort Food is a tale of erotic surrender that explores what happens when all expectations of pleasure and pain are turned upside down, as whips become comfort and chicken soup becomes punishment. DISCLAIMER: This book explores mature themes and is not suitable for those who can't handle them or minors. The author does not condone the behaviors carried out by her characters. What Readers are Saying About Comfort Food: "If you enjoy reading romance lightly drizzled with some vanilla sex and a dusting of fairy tale fantasies wrapped up in a happy ending, then this is probably NOT the book for you. If you want to expand your mind while reading a steamy hot BDSM psychological thriller with an mind blowing ending, then go ahead and give this a try. I dare you." - Wendy G "This is a very unusual and good story that explores themes of power, control, dominance and enforced submission and the psychology of captivity, isolation and reliance, but as it turns out the story is told from the perspective of both the Dominant Master as well as Emily and her journey into submission." -Carocar "Kitty Thomas took me on a psychologically revealing roller coaster of a ride in Comfort Food. It's a story that explores dominance & control, forced captivity, sensory deprivation, non-con BDSM, & eventual forced submission..." - Angela Wallace "Comfort Food is crazy. Emily Vargas is crazy. Her captor is definitely crazy. And, after reading this book, I think I might be a little crazy. Can a book give you Stockholm syndrome by proxy? Because it definitely feels that way." -Letitia "The exploration of Stockholm syndrome was insightful. To see conditioning techniques successfully applied was fascinating. This is a memorable tale; I certainly have never read a story like it. I read it in a few hours. The erotica was dark BDSM / master-slave." - Sinfunni " I wonder if perhaps I've read so much dark erotica that it's lost some of it's shock value for me. I know that the only acceptable feeling to have towards Mr. Tall dark and nameless is disgust yet I never quite made it there. I'm choosing not to look too far into what that says about me as a

woman, but hey, its fiction. That makes it ok. Right?" - Amazon Customer "First let me start out by saying, this is DARK erotica. If you do not like this kind of book, don't read it...i get tired of reading reviews dissing the dark erotica/ dubious consent, stating it was "sooo uncomfortable" well don't read these titles, duh! Now for me, I love it. Dark Erotica is unpredictable, unconventional and most of all a whirl wind of emotions. Furthermore, saying that you could not form an attachment to Emily and Master is like saying you didn't read the book, it was about nothing but Emily and Master. I guess if one is unable to get past the kind of twisted relationship they had, then it would be hard to form attachment." - Amanda Rae "'Comfort Food' is dark erotica. Kitty Thomas is writing extreme BDSM erotic fiction - master/slave masochism without the simulated 'tie me up, tie me down' sex games... The Wasabi of Erotica" - Dee18 "I had read novels about bdsm and Stockholm syndrome but not like this. This one ruined many other books for me in that genre, lol, because it was that good (this is the one to beat). Comfort food crossed this little fine line between reality and fantasy . the majority of the books on the capture/kipnap/slavery theme you can view them like fantasy but Ms Kitty Thomas push the envelope taking it to a more realistic and plausible scenario. The severe case of Stockholm syndrome that Emily had towards Master is shocking, and let you wonder when does Stockholm syndrome grows into obsession or love." - Jay Benitez "My first dive into Dark Erotica and Kitty Thomas leaves me begging for more. As disturbing as Comfort Food is, it was also riveting. Emily Vargas has been taken captive, and in order for her captor to break her to his will, he removes the one thing she craves most--human contact. He tortures her with silence and offers comfort with chicken soup. And all too soon, Emily learns what it will take to get her abductor to give her what she craves." - Love, Lust, Books "riveting, sadistic, erotic in its own sense, and just plain excellent." -Kindle Customer "You pretty much can't look up dark erotica without finding Comfort Food at the top of the recommendations, and I'm so glad I took the time to read it. As soon as I started I couldn't stop, and I don't say this lightly, but it was perfect. It was more about the mental stimulation than the sex, though there was sex. It wasn't as heavily detailed or the entire focus of the relationship, however. It was far more about the process of breaking someone, of making them something new, and Kitty Thomas managed this wonderfully." - Michelle "While I have read some dark erotica, this book is the first of its kind. The BDSM world is pretty unknown to me. Aside from the fairly vanilla stuff we see on TVs or movies, this book does not pull any punches and pushes the audience into it." - acid_raine_burns "My exposure to erotica has not been favorable. Enough is enough; and the graphic descriptions of conquests gets boring and overdone quickly. Therefore, I usually avoid it totally. This work on the other hand, was very well done. The psychology of the captive/captor was very well presented. The material was well written and the erotica well placed in the story. The erotica was there but did not dominate or overwhelm the story. This is without a doubt the product of a talented author. I doubt if I will read more erotica; figure I'll quit while I'm ahead. However, this author is worth reading again." Dan C. Boutwell "The eroticism is in some ways explicit but not graphic and tastefully written to allow the imagination to work as well. At first I was afraid Emily's fear would remain the trigger for her obedience but it slowly evolved in to something else, something deeper that conveyed the steep emotions behind the erotic actions. When you strip away everything else, at the core Comfort Food is about a Master conditioning his slave." - Leontine's Book Realm "I would say this story is not for the faint of heart.

If you like "Consequences", "Seduced in the Dark" and more of the hard core erotica, Comfort Food will end up being one of your favorites. Even then, this is not a HEA/romance novel so don't go in expecting roses and candy for an ending." - Emily "50 shades of twisted ; very compelling. Very dark and very erotic. Certainly a new twist in the erotic read." - Beckie "I wondered if I really wanted to read a book about someone who was kidnapped but after reading all the excellent reviews and being drawn to BDSM themed books after reading 50 shades, I was absolutely captivated and think this is the best book I have read in a long time." - Megan "Extremely interesting story!! The description is right - this is not HEA or Fifty Shades remake. This is much more of a psychological thriller/erotic story. I won't get into details to ruin it, but I recommend this book if you like to dabble in the dark erotic stories or if you are curious about them - This is a great place to start." - CRFreads5012 "Wow, simply wow! I started this book last night and just finished it. I have to say I was blown away by it. It is not any kind of normal romance novel, so if that is what you're looking for, go somewhere else. The closest thing I can compare it to is Story of O. This is not Fifty Shades of Grey. This is an erotic novel pure and simple, very little romance is in it...If you want a challenging erotic novel, one that may remind you of Story of O, then this is a great book for you. If you want a romance novel featuring a cozy little love story, then pass this one by." - Charles M. Smith II "I have read the Fifty Shades Trilogy and Seduced in The Dark, so the dark side of this book did not shock me too much. I really liked this author's writing, very descriptive and had me really into the book." - Kerri "This was one of if not the most intelligent thought out and well written erotic stories I have ever read. The intelligence and well thought out analytical voice of Emily was a welcome surprise to the usual flippancy most "heroines" in stories have. This was written in a way that I can share with friends who don't particularly share my interest in erotica or things BDSM (consensual or not). It was not overly explicit there was just enough to entice, to stimulate through subtlety rather than blatancy. All in all, Kitty Thomas has earned herself a spot on my must read list." - C. Lauer "I agree with another reviewer that it is not a BDSM book, it is about a women who is kidnapped and her control is stripped away one layer at a time. An immensely enjoyable, brilliantly written novel. Highly recommended. Not a romance novel, except in a creepy Stockholm Syndrome way." - Lila "I had an expectation of reading an erotic book loaded with BDSM themes, sex, violence and force. I didn't expect to have to think too much. While there were some of those components throughout, the book was so much more. For me, it became a psychological profile of someone going through an extremely traumatic experience and how she chose to deal with it. Surprisingly, the book changed my viewpoints in some ways, helping me recognize that themes such as a victims response to trauma, may not always be comfortable or conforming to society's norms. The probing of the character's thought processes was unexpected." - Michael "I would still recommend this to those with a particular taste for BDSM and kidnap type books...it was definitely a mind-blower...also I will never look at chicken noodle soup the same ever again." - Sue B. "This is an adult book with dark, disturbing themes of possession, BDSM, Stockholm Syndrome and more. But if you can take it, this book will definitely stay with you." - Chris Jacobs "This is not a run of the mill BDSM story that ends w/a fluffy happy ever after ending. This is a story of submission and surrender - the total capulation of one's self, mind and body to another through force and a will to survive. I had been warned that this was a dark story and it truly is. I wanted something

that I could sink my teeth into and not wrapped up in a pretty little package...and I got it. If you looking for something that is soft this is not it. But if you are willing to step off the deep end and are ready for a intense story, this is it." - Jacque "I want to preface this review by saying that I've struggled to finish reading a lot of mediocre books lately. I didn't realize what a gem I had lurking under the benign title of Comfort Food. There was no "struggling" to read Comfort Food. The narrative was smooth and easy to read, and pulled me in immediately. I knew by page 3 that I would not be reading anything else until I finished this book, even though the characters were sometimes difficult to like, and the story isn't exactly nice. Apparently I don't require nice. Some didn't find this story erotic, but I did. I think this is GREAT erotic bdsm, although if you like BDSM light, sweet, 100% consensual, and romantic - then this one might not be to your taste." - Sheri Johnson "As a female reader of erotica I sometimes find, especially in the bdsm genre, the author is too quick to the 'spanking and chains' not this time. The author takes her time to build an actual story and relationship, allowing you to connect with Emily and what she is going through. She manages to touch on each aspect that make the Master/slave relationship so complex without exploitive sex scenes, that are often unnecessary." - Butterfly "Ah...reading this book by Ms. Thomas was like having a feast after being on bread and water. I'm an avid fan of BDSM erotica but it's so seldom that I find a book that a) surprises me and b) impresses me with the quality of writing. This book did both. First of all, there are none of the usual tropes associated with non-consensual slavery erotica. No violence, no lurid fights and unrealistic cruelty, no blatant disregard for the well-being of the enslaved. This "Master" plans and proceeds with so much thought and intelligence (and gentleness) that you are at once both outraged and yet drawn in by this guy. Not that he is completely kind--he isn't. But there's no thoughtless and spiteful brutality, which placed me in a strange imbalance--hating him and yet feeling an unwilling attraction to him too." - Annabel "I love a dark read when I'm in the mood for one, which I was when this book came highly recommended to me. And it is dark. It is erotic. It is BDSM. All things I enjoy in a story." -JennieW "This is very dark literature, unsettling, and not your standard erotica. It is not about BDSM, but rather a genuine kidnapping. It does have an "incomplete" feel to it, but in this case I felt that it enhanced the storyline. It's definitely uncomfortable to read, and yet I suggest it. The erotic scenes are still often steamy, despite the storyline. It's truly about two broken people in a broken society. This prompted me to read more by Kitty Thomas, which has proven to be entertaining." -Gail "Comfort Food is dark, exotic and raw! Told in a very realistic tone, Kitty Thomas masterfully drops the reader into Emily Vargas' carnal and enigmatic tale: a kidnapped woman's journey of becoming a BDSM slave to her own captor. It's not every day that an author can pull a reader across their normal genre and have them so emotionally invested that they can't put the book down, but Kitty Thomas skillfully weaves this tale with a finesse that is truly remarkable, especially given the subject matter." - Tom Wiseman "Disturbing, twisted, and just plain weird . . ." Amy, GoodReads Reviewer " . . . an intelligently written, well-researched and very erotic exploration of the extremity of power dynamics . . . It's refreshing to read someone brave enough to tackle erotic themes that are truly taboo and seldom published." - Remittance Girl, Reader and author of "Gaijin" and other works of erotica "They are a match made in a twisted sort of hell. I don't, as a rule, like erotica, but I'm likely to check out Ms. Thomas' future work just to see how far she can push the envelope." - A Taste For Ebooks, Review Blog " . . .

Warning: This story is for adult reading only and contains BDSM erotica content including: Bondage, handcuffs, spanking, and a strong, dominant woman with a British accent. Summary: George K. Jameson is a famous billionaire from New York. He has a serious heart condition and he needs to travel to London for surgery, which must be kept secret from ruthless business rivals and hungry journalists. But nothing goes according to plan and George gets kidnapped on his way from his Wall Street office. His female kidnapper turns out to be a dangerously attractive and strong woman, and before he knows what has happened he's tied to a chair in an old abandoned house. However, her plans are much more pleasurable and devious than George could ever have imagine... Who is she? And can George really trust her?

Excerpt:--- In fact, her inspection was more than thorough. Her hands seemed to linger against my skin for longer than necessary and I felt my heart beat faster, a combination of her light and seemingly innocent touch mixed with a growing sensation of anticipation, which I couldn't explain. It was clear to me that she didn't plan to simply walk out of the room together with the old-fashioned storm lantern and leave me alone in the dusty room for the rest of the night, but that she had another type of idea in mind. But what kind of plans? I wondered, and nervously I shot a glance at the black sports bag at the dining table, wondering if it contained a Dexter-inspired soft leather case with a neat row of stainless knives and sharp meat cleavers. However, I can honestly say that I would never in a million years have been able to guess what was going to happen next. --- This is an erotic fantasy novel about male submission. Complete surrender. Total submission.That was supposed to be it, but there's one complication,I'm pregnant, and he has no idea. JayceShe was like a bird with a broken wing... something small and delicate that wandered into my club, completely out of place and completely beautiful. One look and I knew I had to have her. I wanted to make her mine, to protect her, to claim her.All these years and I have never taken a submissive, but that's about to change. I'll teach her how sweet surrender can taste, and I'll show her how a real man treats a woman. She'll learn that she'll never feel as free or alive as when she's cuffed and bound, completely at my mercy.Myliel'd sworn off dominant men, locked away my need for submission. I'd given my trust to one too many men who abused it, and all I wanted was to move on. To heal.But one look at Jayce and I knew I'd never met a true dominant before. He radiated power and command. He carried the promise of something better--something real. For just one night, I gave him what I thought I'd never give again: my submission. I let him take me and dominate me. I let him shatter my world with the heat of his body and the brush of his lips on my ear as he whispered the words that were my undoing. "You're mine, princess." But he bound me in more ways than one that night. I'm pregnant, and he has no idea. *As always, this is a totally SAFE, full length standalone book with a happily ever after, no cheating, and plenty of steam. Bonus content included.*

Begging for It She needs punishment...before she deserves pleasure. Tragedy scarred TJ Lipton. Now the only way she can find pleasure is when it's delivered with a heavy-handed dose of S&M. But finding a lover who can give her what she needs proves an elusive quest-until she finds the sex club Unfettered and a Dom named Cross McNally. Cross understands all too well what drives TJ. He takes command of her body to give her everything she needs-restraint, the stinging kiss of a flogger, the thrill of a three-way-a sexual adventure that pulls her beyond her painful past and has her begging for more of his tender brand of domination. Controlling Interest Mozelle "Mouse" Vincent inherits money, a club and her boss' son as a business partner when society leader Regine Stuart dies. Torin Stuart knows what his late mother's wishes were for his exclusive BDSM club, Erotically Bound, but he's pissed that he's forced to trust Mouse-especially when her inherently submissive nature arouses the sexual Dominant in him. After baring all in a heated, intense scene, Mouse realizes they still have to work together, but now Tor challenges any business suggestion she makes. When she wants to offer education classes, Tor dares her to organize the class and participate-as a submissive. To his chagrin, Mouse agrees, but he can't stand the thought of any other Dom touching her. Suddenly there's far more at stake than the controlling interest in their club...because love is the ultimate prize in their power exchange. Mistress Mine FBI agent and ex-military man Trey Boudreau likes to be in control and issue orders. But the bedroom is not a battlefield. His secret desire is to submit his body to a strong, older woman. He discovers a card that promises him the right one to bring him to his knees. Juliette Coyne is a Domme determined to overcome a past experience that left her questioning her ability in the lifestyle. She is challenged by Trey, a strong, younger man in need of a good lesson or two. Old habits die hard, however, and the past continues to haunt them. Trey and Juliette grapple with each other and themselves for control, trust and a future together. Emerald Dungeon Dana's summer job as a musician in an Irish castle takes an adventurous turn after she witnesses a BDSM scene in the dungeon, and her submissive side awakens. Jack is a sexy Dominant who recognizes the sub smoldering beneath her demure exterior. His skillful commands take Dana beyond her darkest erotic fantasies. Whips, restraints and increasing levels of pain heighten her passion, but complete surrender and ecstasy are out of her reach. Secrets and strange events around the castle only add to the couple's troubles. Will a summer affair be enough to find what they both need? The appearance of a mysterious business card may help guide them. If Dana can accept Jack with complete trust and surrender, then ultimate pleasure and true love are possible.

Rachel Kramer Bussel's bestselling books of submissive women and dominant men showcase our fantasies, desires, and deepest wishes. For those (and there are MANY) who love to be tired up, spanked, blindfolded, bound, or "used," for another's pleasure, these are books of inspiration. And, of course, these smart subs are getting exactly what THEY really want in very many ways.

Good BDSM erotica makes us understand all the emotions that can come into play when, well, playing: there can be uncertainty, nervousness, fear, excitement. Each of the 22 stories in Surrender are blazingly hot and because they illuminate some aspect of submission. The authors of the stories understand the art of submission and the thrill of surrender, whether that's personal space, sight ("Without Eyes" by Terri Pray) or culinary choices ("Lunch" by Elizabeth Coldwell). What the women here want is to give up part of themselves to gain something else. They may still be skittish, but overcoming their fears, surrendering to them, yields beauty, pleasure and, in its way, power.

Though the terms "queer" and "Mennonite" rarely come into theoretical or cultural contact, over the last several decades writers and scholars in the United States and Canada have built a body of queer Mennonite literature that shifts these identities into conversation. In this volume, Daniel Shank Cruz brings this growing genre into a critical focus, bridging the gaps between queer theory, literary criticism, and Mennonite literature. Cruz focuses his analysis on recent Mennonite-authored literary texts that espouse queer theoretical principles, including Christina Penner's *Widows of Hamilton House*, Wes Funk's *Wes Side Story*, and Sofia Samatar's *Tender*. These works argue for the existence of a "queer Mennonite" identity on the basis of shared values: a commitment to social justice, a rejection of binaries, the importance of creative approaches to conflict resolution, and the practice of mutual aid, especially in resisting oppression. Through his analysis, Cruz encourages those engaging with both Mennonite and queer literary criticism to explore the opportunity for conversation and overlap between the two fields. By arguing for engagement between these two identities and highlighting the aspects of Mennonitism that are inherently "queer," Cruz gives much-needed attention to an emerging subfield of Mennonite literature. This volume makes a new and important intervention into the fields of queer theory, literary studies, Mennonite studies, and religious studies.

A debt repaid...in the form of her surrender. Rich and powerful, Maddux Wilder has built his empire with one thought in mind...exactng revenge against the man who killed his parents. But he never planned for his enemy's daughter, Arabella Cole, to offer herself in exchange for her father's debt. Innocent and captivating, Maddux can't resist her allure, or the lust she stirs within him. When Arabella sacrifices her life to save her father's, she does so with the intention of hating the man who now owns her. But beneath Maddux's gruff, boorish exterior she discovers a compelling man. One who makes her burn with need and awakens deep, forbidden desires she can't deny. Soon she's surrendering more than just her body to Maddux. What starts as an act of vengeance becomes something far more consuming. Can this beauty tame the beast, or will revenge cost them both everything that matters most? *SINFUL SURRENDER* is a seductive and modern take on *Beauty and the Beast*.

What is 'Female Leadership'? It's accepting that 'She knows best' in all matters. From the finances to the household to how best to accomplish long-term goals. It's trusting in Her judgement to run things and embracing 'Her way'. This doesn't make the man weak, just the opposite, because men are the best at 'getting things done' when the task is clearly defined but difficult to do. A Female Dominant Household plays to both side's strengths and minimizes weaknesses, leading to Female empowerment, greater satisfaction in the relationship, trust, bonding and yes, mind-blowing sex. Surrender, Submit, Serve Her seeks to help implement

Paradise Islands – Passion tailored for the woman with everything but time Shea Devon accepts the gift of a week at Paradise Islands, expecting moonlit walks on the beach and sweet kisses over candlelight dinners. Instead, a mix-up lands her on the company's BDSM island, at the mercy of a very sexy but stern Master. Liam Jordan follows the script he believes was designed expressly for the lovely young woman in his charge. Thinking her resistance is part of the game she desires, he subdues the sexy, sassy Shea and gives her a spanking she won't soon forget, with plans for so much more. Liam is captivated by this woman whose submissive potential has barely been tapped. Shea, both intrigued and terrified by the force of her own reactions, struggles with the concept of erotic submission, and even more with the ultimate surrender, that of the heart. But now that the Pandora's box of longing and desire has been opened, there is no going back for either of them.

A sparkingly strange odyssey through the kaleidoscope of America's new spirituality: the cults, practices, high priests and prophets of our supposedly post-religion age. 55 years have passed since the cover of Time Magazine proclaimed the death of God and while participation in mainstream religion has indeed plummeted, Americans have never been more spiritually busy. While rejecting traditional worship in unprecedented numbers, today's Americans are embracing a kaleidoscopic panoply of spiritual traditions, rituals, and subcultures --from astrology and witchcraft to SoulCycle and the alt-right. As the Internet makes it ever-easier to find new "tribes," and consumer capitalism forever threatens to turn spirituality into a lifestyle brand, remarkably modern American religious culture is undergoing a revival comparable with the Great Awakenings of centuries past. Faith is experiencing not a decline but a Renaissance. Disillusioned with organized religion and political establishments alike, more and more Americans are seeking out spiritual paths driven by intuition, not institutions. In Strange Rites, religious scholar and commentator Tara Isabella Burton visits with the techno-utopians of Silicon Valley; Satanists and polyamorous communities, witches from Bushwick, wellness junkies and social justice activists and devotees of Jordan Peterson, proving Americans are not abandoning religion but remixing it. In search of the deep and the real, they are finding meaning, purpose, ritual, and communities in ever-newer, ever-stranger ways.

The COMPLETE USA Today Bestselling series Jonathan Drazen is a beautiful, damaged billionaire with a taste for obedience. Monica is a struggling musician who obeys no man. But she just made a little wager with him--one she's sure she can win. If she loses, she spends the night under his command. If she wins... it doesn't matter. She just found out Jonathan doesn't lose his bets, and his women always end up where he wants them. And this little bet? Turns out it's for far more than a night on her knees.
