"Learn all about trains with this informative and fun sticker book"--Page 4 of cover.

Explore Ultimate Sticker Book: Space, an out of this world sticker book filled with amazing facts, fun activities, and more than 250 reusable stickers. Learn about stars, planets, black holes, and more while creating your own stellar space scenes. Travel through space with Ultimate Sticker Book: Space. Taking subjects that kids love, from dinosaurs to baby animals to transportation, DK's Ultimate Sticker Book series is being refreshed and updated and now features more than 250 fun, reusable stickers. Packed with activities that allow children to create scenes, match pairs, and complete jigsaws, the activities throughout each book are simple enough for the child to do independently, but engaging enough to keep their interest and help develop dexterity, making these books products parents can trust, and ones that kids will want to keep picking up to learn more about their favorite subjects. This beautifully illustrated book for babies featuring lots of noisy diggers working together on a very busy building site. Turn the pages and lift the flaps to watch the big-wheeled digger shovel and scoop up the rubble with its big metal bucket, see how the long-armed crane stretches up high with a very heavy load, and watch the road roller chug slowly along to flatten the ground. With busy vehicles pushing, pulling, tipping, rumbling, chugging, scooping, and beeping, little ones will love learning about what happens on the building site, and joining in to make the noisy digger sounds. This hard-wearing board book has large flaps for babies and toddlers to lift and sturdy pages for little ones who are beginning to turn the pages. They'll reveal the busy diggers

doing different jobs and working hard to build a shiny new house! The short text is fun to read aloud and share with toddlers, while labels develop vocabulary and help little ones to learn the names of all their favorite diggers and trucks. This glorious visual celebration of train travel keeps you on the right track with stop-offs at the most important and incredible rail routes from all over the world. Your first stop in The Train Book is the groundbreaking steam locomotives of the 19th century and your final destination is the high-speed bullet trains of today. From the Union-Pacific Railroad to the Trans-Siberian Railway, you'll cross the continents to experience epic journeys and staggering scenery. You'll pick a seat on the most iconic locomotives, including the Orient Express, the Blue Train, and the Eurostar. You can also inspect the engines of famous British trains, such as Rocket, Mallard, and Javelin, and international trains, such as India's Palace on Wheels and America's Thatcher Perkins. You'll meet the true pioneers of train and track, including "Father of the Railways" George Stephenson, engineering legend Isambard Kingdom Brunel, and Métro maestro Fulgence Bienvenüe. For train-spotters and transport enthusiasts everywhere, this is your trip of a lifetime.

Each Ultimate Sticker Book presents an array of colorful, photographic stickers of baby animals or dinosaurs, the U.S. Presidents or the night sky - there's something for everyone. Young children will love working with these durable, reusable stickers, and they can have fun using the stickers to make picture books and projects on their own. These entertaining books provide a hands-on way to explore new subjects. (And some of the stickers even glow in the dark!) Includes over 60 full-color, self-adhesive stickers.
