The first in the thrilling Stage Dive series, Lick is a passionate rock n' roll romance from Kylie Scott. Evelyn Thomas's plans for celebrating her twenty-first birthday in Las Vegas were big. Huge. But she sure as hell never meant to wake up on the bathroom floor with a hangover to rival the black plague, a very attractive half-naked tattooed man, and a diamond on her finger large enough to scare King Kong. Now if she could just remember how it all happened. One thing is for certain, being married to rock and roll's favourite son is sure to be a wild ride.

Shows how English reflects and absorbs other languages and is transformed in the process.

"Based on the New Oxford dictionary of English"--Preface.

Over the years, startling evidence has been unearthed, challenging established notions of the origins of Earth and life on it, and suggesting the existence of a superior race of beings who once inhabited our world. The product of thirty years of intensive research, The 12th Planet is the first book in Zecharia Sitchin's prophetic Earth Chronicles series--a revolutionary body of work that offers indisputable documentary proof of humanity's extraterrestrial forefathers. Travelers from the stars, they arrived eons ago, and planted the genetic seed that would ultimately blossom into a remarkable species...called Man. The 12th Planet brings to life the Sumerian civilization, presenting millennia-old evidence of the existence of Nibiru, the home planet of the Anunnaki, and of the landings of the Anunnaki on Earth every 3,600 years, and reveals a complete history of the solar system as told by these early visitors from another planet. Zecharia Sitchin's Earth Chronicles series, with millions of copies sold worldwide, deal with the history and prehistory of Earth and humankind. Each book in the series is based upon information written on clay tablets by the ancient civilizations of the Near East. The series is offered here, for the first time, in highly readable, hardbound collector's editions with enhanced maps and diagrams.

Film tie in edition of Alan Bennett's classic memoir. For fifteen years, the recalcitrant Miss Shepherd lived in her broken-down van on Alan Bennett's driveway in Camden. Deeply eccentric and stubborn to her bones, Miss Shepherd was not an easy tenant. Bennett, despite inviting her in the first place, was a reluctant landlord, never under the illusion that his impulse was purely charitable. This account of those years was first published in 1989 in the London Review of Books. The play premiered in 1999, directed by Nicholas Hytner and starring Dame Maggie Smith, who reprise those roles in this new film adaptation. Shot on location at Bennett's house, Alex Jennings plays the author, alongside household names including James Corden, Frances de la Tour, Jim Broadbent and Dominic Cooper.

Jen e Bill, fin da bambini, hanno dovuto provare sulla loro pelle quanto può essere dura la vita. Nati entrambi con una forma di nanismo che li ha costretti a complicate operazioni e lunghi e dolorosissimi periodi di convalescenza, si sono sfiorati più volte negli stessi ospedali che frequentavano, curati dallo stesso specialista e assistiti dalla stessa infermiera, prima di incontrarsi su un sito di incontri riservato a persone con la stessa patologia dove avevano deciso di iscriversi per trovare qualcuno con cui uscire. In comune hanno la solidità di una famiglia che li ha adorati e sostenuti nel corso delle tante avversità quotidiane ma anche una grande forza di lottare e la volontà di avere una vita il più possibile "normale" e soprattutto felice: non ci vuole molto perché si innamorino e decidano di vivere insieme, di sposarsi e costruire una famiglia. Senza autocommiserazione o senso di rivalsa, i due autori raccontano il percorso straordinario compiuto per riuscire a vivere come tutti, insieme, e lo fanno con un'incredibile positività e infinito entusiasmo, regalando ai lettori (e ai fedeli telespettatori) un'importante lezione: nei momenti bui, affrontare la vita con un sorriso può portare dappertutto.

That is, until a tiny angel named Charlie walks through his door. Blonde and blue-eyed, sweet as can be, this dancer's sad smile opens up old wounds. She reminds him so much of Penny. As much as Cain tries to avoid being that creepy strip club boss who dates his staff, he can't help but be attracted to Charlie. As he grows closer to her, waiting for her to turn her

life around, he discovers that she's headed down a dangerous path, the same one that claimed the other important women in his life"--

Nel settembre del 1998 Michael J. Fox sbalordì il mondo annunciando pubblicamente che gli era stato diagnosticato il morbo di Parkinson, condizione neurologica degenerativa, attualmente non curabile, che solitamente colpisce persone molto più anziane. La reazione fu impressionante. Quella coraggiosa confessione ruppe il silenzio che aveva avvolto fino ad allora la malattia, sensibilizzando l'opinione pubblica e innescando un movimento di informazione e di ricerca. Ora, Michael J. Fox, con la stessa passione, lo stesso senso dell'umorismo e la stessa energia che ha messo in tanti anni di lavoro come attore, ha scelto di raccontare la storia della sua vita, della sua carriera e della sua lotta contro questo male. «Avevo un obiettivo molto preciso: scrivere un resoconto onesto di come, negli ultimi 7 anni, avevo integrato la malattia in una vita ricca e produttiva. Era importante per me riuscire a trasmettere il mio ottimismo, la gratitudine, la speranza e perfino la capacità di ridere di certi aspetti di una vita con il Parkinson.»
