A brilliant look at colonialism and its effects in Antigua--by the author of Annie John "If you go to Antigua as a tourist, this is what you will see. If you come by aeroplane, you will land at the V. C. Bird International Airport. Vere Cornwall (V. C.) Bird is the Prime Minister of Antigua. You may be the sort of tourist who would wonder why a Prime Minister would want an airport named after him--why not a school, why not a hospital, why not some great public monument. You are a tourist and you have not yet seen . . ." So begins Jamaica Kincaid's expansive essay, which shows us what we have not yet seen of the ten-by-twelve-mile island in the British West Indies where she grew up. Lyrical, sardonic, and forthright by turns, in a Swiftian mode, A Small Place cannot help but amplify our vision of one small place and all that it signifies.

From cross-dressing pirates to servants and slaves, women have played vital and often surprising roles in the navigation and cultural mapping of Caribbean territory. Yet these experiences rarely surface in the increasing body of critical literature on women s travel writing, which has focused on European or American women traveling to exotic locales as imperial subjects. This stellar collection of essays offers a contestatory discourse that embraces the forms of travelogue, autobiography, and ethnography as vehicles for women s rewriting of "flawed" or incomplete accounts of Caribbean cultures. This study considers writing by Caribbean women, such as the slave narrative of Mary Prince and the autobiography of Jamaican nurse Mary Seacole, and works by women whose travels to the Caribbean had enormous impacts on their own lives, such as Aphra Behn and Zora Neale Hurston. Ranging across cultural, historical, literary, and class dimensions of travel writing, these essays give voice to women writers who have been silenced, ignored, or marginalized.

A Constant Concern Of Naipaul S Novels And Travel Writing Is The Negotiation Of Where The Individual Is Situated. Many Of His Fictional Figures Remain Unhoused, Displaced, Uprooted With No Distinct Place Called Home To Be Proud Of And Are, Therefore, Located On The Margins Of Fixed And Shifting Identities. In Formal Terms, Naipaul Experiments Along The Boundaries Of Fiction And Non-Fiction, In Particular Travel Writing, And Often Fuses Genres To Give Birth To New Ones. On The Occasion Of Naipaul S Winning The Nobel Prize For Literature This Anthology Presents A Perceptive Assessment Of Some Of His Important Works Of Fiction And Travel Writing And Puts Into Perspective His Contribution To Literature As A Whole.

Off the Tourist Trail is a guide to the world's unspoiled sights and experiences. It takes a hundred clichéd tourist destinations - everything from over-visited national parks to overrated museums - and reveal 1,000 fresh and fascinating alternative options. Written by a team of travel experts, and with a foreword by Bill Bryson, this book brings vibrant cities, enchanting sights, breathtaking natural wonders and unforgettable experiences to life with informative narrative and stunning photography. Choose your destination by theme - Ancient and Historical Sights, Festivals and Parties, Great Journeys, Architectural Marvels, Natural Wonders, Beaches, Sports and Activities, Art and Culture, and Cities - or simply flick through this sumptuous guide and be inspired. Practical advice on getting there and around, where to stay, where to eat and when to go, as well as useful 'Need to Know' facts, ensure that you get the most out of your time away. Less crowded, generally less expensive, and often more spectacular and rewarding, these lesser-known wonders of the world encourage readers to ditch the famous but well-worn choices, reminding them what real travel is all about - escaping the everyday and embracing the new. Vacations will never be the same again.

National Bestseller With his unique blend of intrepidity, tongue-in-cheek humor, and wide-eyed wonder, Ian Frazier takes us on a journey of more than 25,000 miles up and down and across the vast and myth-inspiring Great Plains. A travelogue, a work of scholarship, and a western adventure, Great Plains takes us from the site of Sitting Bull's cabin, to an abandoned house once terrorized by Bonnie and Clyde, to the scene of the murders chronicled in Truman Capote's In Cold Blood. It is an expedition that reveals the heart of the American West.

The year's best travel writing, as chosen by series editor Jason Wilson and guest editor Robert Macfarlane. Writing, reading, and dreaming about travel have surged, writes Robert MacFarlane in his introduction to the Best American Travel Writing 2020. From an existential reckoning in avalanche school, to an act of kindness at the Mexican-American border, to a moral dilemma at a Kenyan orphanage, the journeys showcased in this collection are as spiritual as they are physical. These stories provide not just remarkable entertainment, but also, as MacFarlane says, deep comfort, "carrying hope, creating connections, transporting readers to other-worlds, and imagining alternative presents and alternative futures." The Best American Travel 2020 includes HEIDI JULAVITS - YIYUN LI - PAUL SALOPEK - LACY JOHNSON - EMMANUEL IDUMA - JON MOOALLEM - EMILY RABOTEAU and others

"The book combines detailed evaluations of major contemporary models of analysis - new historicism, travelling theory, and post-colonial studies - with a series of specific studies detailing the complicity of the genre with a history of violent incursion from Columbus's reports from the New World through to the nomadism of postmodern travelogue." "Postcolonial studies has concentrated on travellers as conduits of erasure and appropriation. This book resists the temptation to think in terms of a simple monolithic Eurocentrism and offers a more complex reading of texts produced before, during and after periods of imperial ascendancy. In doing so, it provides a more nuanced account of the hegemonic functions of travel writing. As such it is necessary reading for students and academics of cultural studies, literary theory, anthropology and history."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Brand Jamaica is an empirical look at the postindependence national image and branding project of Jamaica within the context of nation-branding practices at large. Although a tiny Caribbean island inhabited by only 2.8 million people, Jamaica commands a remarkably large presence on the world stage. Formerly a colony of Britain and shaped by centuries of slavery, violence, and plunder, today Jamaica owes its popular global standing to a massively successful troika of brands: music, sports, and destination tourism. At the same time, extensive media attention focused on its internal political civil war, mushrooming violent crime, inflation, unemployment, poverty, and abuse of human rights have led to perceptions of the country as unsafe. Brand Jamaica explores the current practices of branding Jamaica, particularly within the context of postcoloniality, reconciles the lived realities of Jamaicans with the contemporary image of Jamaica projected to the world, and deconstructs the current tourism model of sun, sand, and sea. Hume Johnson and Kamille Gentles-Peart bring together multidisciplinary perspectives that interrogate various aspects of Jamaican national identity and the dominant paradigm by which it has been shaped.

This journal is the perfect traveling companion for anyone visiting Jamaica. Plan and record all details of your trip, includes lined and blank pages for writing your daily diary and holiday planning, with handy information tailored for travelers. Whether the travel was undertaken in the name of exploration, pilgrimage, science, inspiration, self-discovery, or a combination of these elements, questions of veracity and authenticity inevitably arise. Women, Travel, and Truth is a collection of twelve essays that explore the manifold ways in which travel and truth interact in women's travel writing. Essays range in date from Lady Mary Wortley Montagu in the eighteenth century to Jamaica Kincaid in the twenty-first, across such regions as India, Italy, Norway, Siberia, Austria, the Orient, the Caribbean, China and Mexico. Topics explored include blurred distinctions of fiction and non-fiction; travel writing and politics; subjectivity; displacement, and exile. Students and academics with interests in literary studies, history, geography, history of art, and modern languages will find this book an important reference.

The eighteenth century witnessed the publication of an unprecedented number of voyages and travels, genuine and fictional. Within a genre distinguished by its diversity, curiosity, and experimental impulses, Katrina O'Loughlin investigates not just how women in the eighteenth century experienced travel, but also how travel writing facilitated their participation in literary and political culture. She canvases a range of accounts by intrepid women, including Lady Mary Wortley Montagu's Turkish Embassy Letters, Lady Craven's Journey through the Crimea to Constantinople, Eliza Justice's A Voyage to Russia, and Anna Maria Falconbridge's Narrative of Two Voyages to the River Sierra Leone. Moving from Ottoman courts to theatres of war, O'Loughlin shows how gender frames access to people and spaces outside Enlightenment and Romantic Britain, and how travel provides women with a powerful cultural form for re-imagining their place in the world.
