From stories of resurrected mummies and thousand-year-old curses to powerful pharaohs and the coveted treasures of the Great Pyramids, ancient Egypt has had an unflinching grip on the modern imagination. Now, in *Egyptian Mythology*, Geraldine Pinch offers a comprehensive introduction that untangles the mystery of Egyptian Myth. Spanning Ancient Egyptian culture--from 3200 BC to AD 400--Pinch opens a door to this hidden world and casts light on its often misunderstood belief system. She discusses the nature of myths and the history of Egypt, from the predynastic to the postpharaonic period. She explains how Egyptian culture developed around the flooding of the Nile, or the "inundation," a phenomenon on which the whole welfare of the country depended, and how aspects of the inundation were personified as deities. She explains that the usually cloudless skies made for a preoccupation with the stars and planets. Indeed, much early Egyptian mythology may have developed to explain the movement of these celestial bodies. She provides a timeline covering the seven stages in the mythical history of Egypt and outlining the major events of each stage, such as the reign of the sun God. A substantial A to Z section covers the principal themes and concepts of Egyptian mythology as well as the most important deities, demons, and other characters. For anyone who wants to know about Anubis, the terrifying canine god who presided over the mummification of bodies and guarded burials, or Hathor, the golden goddess who helped women to give birth and the dead to be reborn, or an explanation of the nun, the primeval ocean from which all life came, *Egyptian Mythology* is the place to look.

Retells nine tales of ancient Egypt, including the story of Ra rising from the waters of the Nile to create the gods of the earth, sky, and rain.

Worshiped for over three-fifths of recorded history, ancient Egypt's Gods and Goddesses are among the most fascinating of human civilization. The lives of pharaohs and commoners alike were dominated by the need to honor, worship, and pacify the huge pantheon of deities. From lavish tomb paintings and imposing temple reliefs to humble household shrines, countless tributes throughout Egypt reflect the richness and complexity of their mythology. This book examines the Egyptian gods and goddesses - from minor household figures such as Bes and Taweret to the all-powerful deities Amun and Re that made Egypt the most completely theocratic society of the ancient world, and made Egyptians, according to Herodotus, "more religious than any other people." Ancient Egypt has held humanity in its thrall for over 5000 years. The image of the Great Pyramids of the Valley of the Kings rising ghostlike from the white sands of the Sahara Desert is synonymous with the mysteries of the Ancient World. Ancient Egypt was remarkably advanced, especially considering its origins date back 30 centuries

A strikingly illustrated retelling of Homer's classic from the team who brought us *The Odyssey*—Carnegie Medalist Gillian Cross and illustrator Neil Packer. After nine years of war between the Greeks and Trojans, tensions are heating up among men of the same faction as well as those on opposing sides. Two proud and powerful Greeks, King Agamemnon and legendary warrior Achilles, quarrel over a beautiful maiden, causing Achilles and his myrmidons to drop out of the fight. Meanwhile, fueled by rage and pride, honor and greed, soldiers on both sides—Odysseus and Patroclus for the Greeks, Paris and Hector for the Trojans—perform heroic deeds, attempting to end the war. Depicting their actions, and those of the gods they invoke, are vivid, stylistic illustrations reminiscent of Greek pottery, giving this large-format volume an extra measure of authenticity and appeal.

Retells the myth of Cassiopeia, the vain queen of Ethiopia, who was changed into a constellation by an angry Poseidon, along with details on how to locate the constellation in the night sky.

Retells the story of Orion, the mythic hunter, and how his actions angered the gods and sealed his fate.
