Blood of the Poor Léon Bloy,2021-04-19 Blood of the Poor (originally Le Sang du pauvre), by Catholic writer Léon Bloy, is perhaps the hardest to read of Léon Bloy's writings, as it goes straight to the heart of the matter of what is wrong in the world. It is hard to read, emotively, because it gives the honest reader no room for cover, no space for shelter, no shadow of a tree to hide behind. With avarice as its subject, it is a dark poem in prose, a sermon in the style of Savonarola, with the biting satire of a Jonathan Swift. The Blood and the Flesh of the Poor are the only aliments that can nourish, the substance of the rich being a poison and a putrefaction. It is therefore a necessity of hygiene that the poor be devoured by the rich who find that very good, and who ask for it again. Rich children are fortified by the juice of the poors' flesh, and the rich man's cuisine is endowed with concentrate of the poor. You believe yourselves to be innocent because you have not slit somebody's throat, as yet, I want to believe; because you have not forced open somebody's door nor scaled his wall in order to despoil him of his possessions; because finally you have not transgressed human laws too visibly. You are so gross, so carnal, for you do not conceive of a crime that cannot be seen. But I say to you, my very dear brother, that you are a plant, and that that assassin is your flower. It is true that there are refuges: drunkenness, prostitution of the body, suicide, or madness. Why would the dance not continue?

Distant Winds SERGIO. BAMBAREN BAMBAREN (SERGIO F.),Sergio F Bambarén,2011-09-23 Routine is a quiet, peaceful enemy. Day by day it conquers new territories of one's soul until there's no desire left to fight against it. Michael and Gail, a young married couple, were just realizing the silent march of routine creeping in their lives and killing their love, when Michael brought home a book of poems with more than poetry in it. That book was the decisive factor for them to give up their comfortable but sad life and embark on a dream they had cherished for long: to travel the South Pacific aboard of an old sailing boat. But more is to come: Thomas Blake, an old librarian who owns a small bookstore close to where Michael works, gives him as a present a very special book. Only later and in the open sea will Michael and Gail discover the gift they have been blessed with. Their fears, their desires, for which probably the reader will relate to and the secret of living your own and unique life are enclosed in Distant Winds, a book with flavour of the sea that invites us to take the risks in our pursuit of true happiness.
