From the creator of the popular blog *The Monsters Know What They're Doing* comes a compilation of villainous battle plans for *Dungeons & Dragons*. In the course of a *Dungeons & Dragons* game, a Dungeon Master has to make one decision after another in response to player behavior—and the better the players, the more unpredictable their behavior! It's easy for even an experienced DM to get bogged down in on-the-spot decision-making or to let combat devolve into a boring slugfest, with enemies running directly at the player characters and biting, bashing, and slashing away. In *The Monsters Know What They're Doing*, Keith Ammann lightens the DM's burden by helping you understand your monsters' abilities and develop battle plans before your fifth edition D&D game session begins. Just as soldiers don't whip out their field manuals for the first time when they're already under fire, a DM shouldn't wait until the PCs have just encountered a dozen bullywugs to figure out how they advance, fight, and retreat. Easy to read and apply, *The Monsters Know What They're Doing* is essential reading for every DM.

But when the animals each get one of their own, they are soon on their phones all day—"Here a tweet, there a chat, WhatsApping the farm cat"—and before they know it, no work is getting done! What can Old Macdonald do? Sing along to the tune of "Old Macdonald Had a Farm" and see! A hilarious cautionary tale for a new generation of phone-users, from the award-winning partnership of Jeanne Willis and Tony Ross.

2012 Winner of the Theodor Seuss Geisel Award! James is a very picky eater. His dad has to get creative—very creative—in order to get James to eat foods he thinks he doesn't like. He presents James with a series of outlandish scenarios packed with fanciful and gross kid-friendly details—like pre-chewed gum as an alternative to broccoli and lumpy oatmeal that grows so big it eats the dog—in an effort to get James to eat. But it is eventually James himself who discovers that some foods are not so bad, after all, if you're willing to give them a try. This irreverently hilarious early reader, illustrated in full color, explores a universal point of contention between parent and child in a playful, satisfying way.

Meet the accident-prone T-Rex. First he loses his glasses, then he has one disaster after another: he can't tell his breakfast toast from a slipper, then he mistakes a prehistoric owl for his bath towel! A laugh-out-loud tale from legendary picture book duo Willis and Ross.

"I was immediately mesmerized . . . as brilliant as it is haunting." —Toni Morrison In 1940s apartheid South Africa, Milla de Wet discovers a child abandoned in the fields of her family farm. Ignoring the warnings of friends and family, Milla brings the girl, Agaat, into her home. But the kindness is fleeting, as Milla makes Agaat her maidservant and, later, a nanny for her son. At turns cruel and tender, this relationship between a wealthy white woman and her Black maidservant is constantly fraught and shaped by a rigid social order. Decades later, Milla is confined to her bed with ALS, and is quickly losing her ability to communicate. Her family has fallen apart, her country is on the brink of change, and all she has left are her memories—and a reckoning with the only person who remains by her side: Agaat. In complex and devastating ways, the power shifts between the two women, mirroring the historic upheavals happening around them and revealing a shared lifetime of hopes, sacrifices, and control. Hailed as an international masterpiece, Marlene van Niekerk's Agaat is a haunting and deeply layered saga of resilience, loyalty, betrayal, and how the passage of time cannot heal all wounds.

A pair of gym socks that have never been washed come to life and follow the boy to whom they belong wherever he goes.
