## Giacomo Leopardi

**Giacomo Leopardi: Canti** Giacomo Leopardi, 2014-07-24 First published in 1937, this book presents a selection of poems from Leopardi's *Canti* in the original Italian. Created primarily for university students, the selection was made with the idea of representing as fully as possible all stages of Leopardi's poetic career. The text also contains a detailed introduction, notes and bibliography, all in English. This book will be of value to anyone with an interest in Leopardi's poetry and Italian literature.

**Peppers and popcorn** Remo F. J. Mancini, 2024-02-01 On a mountain property in the Marche region, Italy, Biagio Marasco receives an unexpected visit. The stranger, in need of a ride, drags him against his will into a reckless yet unsuccessful escape from mysterious secret agents. It's the beginning of a disturbing and bizarre series of events that will change the life of the lonely cinephile forever. Guinea pig for an experiment, Biagio will be catapulted into a dreamlike dimension created by his own conscience; Hollywood stars with anthropomorphic features and peppers galore, in what will prove to be a journey of redemption.

**Conversations with Karl Ove Knausgaard** Bob Blaisdell, 2023-12-15 Norwegian author Karl Ove Knausgaard (b. 1968) made a literary mark on his home country in 1998, when his debut novel won the prestigious Norwegian Critics Prize for Literature. His fame continued to grow with the publication of his six-volume autobiographical series *Min Kamp*, or *My Struggle*. Translated into English in 2012, the critically acclaimed and controversial series garnered global attention, as did its author. *Conversations with Karl Ove Knausgaard* is a collection of twenty-two interviews, each conducted during the ten-year span in which Knausgaard's literary prowess gained worldwide recognition. Knausgaard is both a daring writer and a daring interviewee. He grounds his observations in the ordinary aspects of the world around him, which, he insists, is the same world in front of most of his readers. He regards his appearances in newspapers, magazines, and literary festivals as "a performance," where he plays himself. While that role may differ from his inner life, it is consistent with the role he plays in his autobiographical novels. Fans of Knausgaard will easily recognize this public persona, an embodiment of the protagonist, husband, and father featured in *My Struggle* and in the *Seasons* quartet. Knausgaard discusses his work, aspects of his personal life, and his writing routines and practices in marvelous detail. He comments on literary and artistic world classics

and on international contemporary authors. A bilingual speaker, he is accustomed to appearing before the press and in front of audiences in his roles as a famous author and as the publisher and cofounder of the publishing house Pelikanen (Pelican). Remarkable for his candor and directness, Knausgaard delivers the same variety and number of surprises in these interviews as he does in his most thrilling books.

*Operette Morali* Giacomo Leopardi, 1983-12-09 This series is conceived as a library of bilingual editions of works chosen for their importance to Italian literature and to the international tradition of art and thought Italy has nurtured. In each volume an Italian text in an authoritative edition is paired with a new facing-page translation supplemented by explanatory notes and a selected bibliography. An introduction provides a historical and critical interpretation of the work. The scholars preparing these volumes hope through Biblioteca Italiana to point a straight way to the Italian classics. **Giacomo Meyerbeer** Marco Clemente Pellegrini, 2008-10-01 This Guide has resulted from years of research on the papers and music of Giacomo Meyerbeer, and aims to provide a bibliographical aid and point of reference for further research. The first part presents the private papers connected to the composer and his principal librettist, Eugène Scribe—both archival and printed, with working papers and correspondence, as found in Berlin, Paris and some of the famous libraries of the world. The body of Part 2 draws together all the known resources on Meyerbeer's life and historical reputation—from full scale biographies and entries in reference books, through critical discussions to website resources to records of symposia. The third part provides material about his background with its unique mixture of Jewish and Prussian elements, the powerful role of the city of Berlin in his life and work. The fourth part lists bibliographic material for Meyerbeer's music, looking at his operas, grouped as German, Italian and French, with each individual entry providing a record of the scores available, both modern and historical, the various arrangements made from the operas during the heyday of their popularity, reviews of modern performances, discography, and bibliography of studies and publications pertinent to the wider cultural and historical contexts of the works. The next two sections constitute an extended record of material pertinent to the contemporaries of Meyerbeer. In the fifth section are select bibliographies of composers, authors, artists, performers, politicians, those who played some part in the composer's life, or anyone of significance in his wider contemporary circumstances. This is continued in the sixth part where the cultural and aesthetic elements of the composer's milieu, or life in the theatre during seventy years of the nineteenth century, are listed. The seventh part adds a bibliography of social and historical background, where the incidental issues of Judaism in nineteenth-century Europe, and the wider political, historical and geographical circumstances of Meyerbeer's life, his relentless travelling, and closely recorded experiences in Germany, France, Italy, Belgium, England, and Austria. The eighth section provides a thematic key to this

extensive material. Part 9 provides an extended tripartite series of lists of the published scores, arrangements and some special studies of Meyerbeer over the period 1820 to 2005—in alphabetical, chronological and thematic ordering. The last two sections furnish the modern equivalent of this record of Meyerbeer and his compositions, showing in Part 11 the list of performances of his operas since the Second World War, and in Part 12, listing the recordings of the operas, both commercial and private, for the same period. The thirteenth and last section is iconographical, pictures that represent an interesting survey of the popular response to Meyerbeer in the 19th century.

Stars and Masculinities in Contemporary Italian Cinema C. O'Rawe,2014-06-18 Stars and Masculinities in Contemporary Italian Cinema is the first book to explore contemporary male stars and cinematic constructions of masculinity in Italy. Uniting star analysis with a detailed consideration of the masculinities that are dominating current Italian cinema, the study addresses the supposed crisis of masculinity.

**It's already us in ten minutes** Gerardo D'Orrico,2020-09-05 This diary is my third book, an exploration of urban and suburban environments to observe humans and modern objects. Representations in philosophical or mathematical form in order to find the right amount of motion, the proof that good is a higher feeling than an evil, the right repetition of always the same things to confirm that here one cannot say the false is even less realize it. This diary is the third book written by me, an exploration of urban and suburban environments to observe humans and modern objects. Representations in philosophical or mathematical form in order to find the right amount of motion, the proof that good is a higher feeling than an evil, the right repetition of always the same things to confirm that here one cannot say the false is even less realize it. A certain practicality that can be associated with a manual on socio-political rights, then the different forms of exit from a modern unhealthy or incorporeal being. The becoming of one's own experiences, of one's own dreams in their reality, without basic problems to confirm an overall human evidence, finally the transfer of social and anthropic material so much contested in these years after the year two thousand. The period of the twenty-one letters contained reaches from December 2008 to July 2010.

**Giacomo Leopardi: gli anni dell'inquietudine e della contestazione (1798-1822)** Raffaele Urraro,2023-07-14T00:00:00+02:00 Il volume, dedicato ai primi vent'anni della vita e soprattutto della personalità di Giacomo Leopardi, analizza la sua straordinaria formazione culturale, che investì i più disparati campi del sapere: dalla

filologia alla filosofia, dalle scienze, in particolare la chimica e l'astronomia, alla poesia degli antichi e dei moderni, dalla storia alla politica. Un campo sterminato di interessi, di studi, di ricerche, di composizioni, che costituirono la base sulla quale Leopardi avrebbe costruito in seguito la sua filosofia e la sua poesia, risultando di una modernità tale che Cesare Garboli ha potuto affermare: "il Leopardi è come un meteorite precipitato per caso nell'Ottocento".

**Fatti di Vasco** Marco Antonio Gallico, 2011-01-07 Di libri su Vasco ce ne sono in giro tanti ma molti sono stati fatti al solo scopo di vendere. Il libro, scritto da un grande fan di Vasco, è una testimonianza diretta dell'affetto e della passione di chi con lui è cresciuto, di chi ha imparato a memoria i testi di tutte le sue canzoni, anche quelle meno conosciute, e di chi si è letteralmente fatto di Vasco.

Due coglioni - Prontuario di etica del cazzeggio Francesca Romana Mormile, Gerry Hyerolamus Turano, 2017-07-21T00:00:00+02:00 Due Coglioni, in nome e per conto di un'umanità di affini, esprimono il proprio scoglionamento su questioni ordinarie e si interrogano, da par loro, sui massimi sistemi. Dall'uno al molteplice, da Platone a Rino Gaetano, dal misurabile all'immenso, per arrivare a comprendere che nella vita ci vogliono almeno tre C: Coglioni, Culo e una terza, a scelta. Noi ci mettiamo il Cuore, perché siamo Due Coglioni.

*Lettere* Italo Calvino, 2023-07-11 Lettere a familiari, amici, lettori, scrittori, traduttori; lettere d'occasione; lettere destinate a un'immediata pubblicazione, o strettamente confidenziali. Scarni resoconti, ampie riflessioni, talora veri e propri saggi epistolari. Le oltre mille lettere presentate e annotate in questo volume (che riprende e arricchisce di un centinaio di inediti il volume uscito nei «Meridiani» nel 2000) sono molto diverse l'una dall'altra per consistenza e tono. L'epistolario calviniano selezionato da Luca Baranelli si presenta al lettore come un labirinto, che da un lato fornisce una grande quantità di notizie per ricostruire molte fasi importanti della storia culturale e civile del Novecento italiano; dall'altro consente di seguire passo dopo passo il cammino creativo, intellettuale e psicologico di Calvino, dalla formazione durante gli anni della guerra, della Resistenza e del dopoguerra all'impegno civile e politico, dal lavoro editoriale al riconoscersi e interrogarsi come scrittore. E scrittore Calvino appare fin da subito, vero maestro di brevità e di sintesi, ma anche di lucida argomentazione, che persino nei testi più rapidi e informali riesce a raggiungere un altissimo livello concettuale e stilistico.

*Califano. Un attimo di vita.* Antonio Gaudino, Paolo Silvestrini, 2014-07-01 Il primo libro pubblicato dopo la morte di Franco Califano, in cui l'artista si rivela nella sua più autentica essenza, lontano da scandali e gossip Franco Califano ha segnato un'epoca. Cantante e autore di alcune delle canzoni da sempre più amate e ascoltate della musica italiana, ha portato al successo testi di grande impatto emotivo, ormai considerati intramontabili. Il Califano è stato il primo artista moderno capace di nobilitare il dialetto romano. Molti suoi versi sono diventati veri e propri slogan di uso comune all'interno del

linguaggio quotidiano: Tutto il resto è noia. Tutto quello che non è vita. La fama di Califano è stata, e continua a essere, straordinaria e tocca indistintamente le corde di tutti senza distinzioni sociali e anagrafiche. Le canzoni di Califano sono state la colonna sonora di tanti momenti della nostra vita: chi non ha un ricordo legato a un suo pezzo? Un volume che ripercorre attraverso interviste, testi di canzoni, appunti sparsi e testimonianze di tanti amici la vita di Franco Califano, svelandone il vero volto. Una vita priva di mezze misure, traboccante di poesia e solitudine, di passione e di eccessi, una vita che rispecchia a pieno la sua natura quella di un uomo dalla pelle ruvida ma dotato di una sensibilità straordinaria che gli ha permesso di comporre testi per le donne più affascinanti della musica italiana, basti pensare a Mina o a Mia Martini. Il motto di Califano era Vivere Vivere tanto, intensamente, freneticamente, accettando premi e sconfitte, sempre con un grande sorriso stampato sulle labbra, senza fermarsi mai. Il suo sogno era quello di arrivare alla morte stanco, ma lucido, per poter dire ai suoi affetti: Finalmente!...Signori io vi ammollo non ce la faccio più. Ci siamo divertiti, voluti bene, ma è ora di tirare i remi in barca Cazzi vostri amici miei, io me ne voglio andare, può essere che mi farò vivo se no fatevi morti voi!
