

Tyrannosaurus Wrecks

Join FunJungle's resident zoo sleuth, Teddy Fitzroy, as he solves mysteries and strives to protect the animals at the zoo with the first three funny and suspenseful novels of the bestselling FunJungle series from New York Times bestselling author Stuart Gibbs, now available together in one collectible boxed set! It all starts when the hippo goes belly up—and it's a wild ride from there. When Teddy Fitzroy moved into FunJungle, the nation's largest zoo, with his scientist parents, he expected things to be kind of quiet. There'd be the occasional elephant stampede and water balloon fight with the chimpanzees, of course, but when Henry the Hippo dies from not-so-natural causes, Teddy suspects foul play. And that was just the beginning. He begins to realize that the zoo is far more exciting than he thought it was, and soon the mysteries at FunJungle are piling up... This collectible boxed set includes hardcover editions of *Belly Up*, *Poached*, and *Big Game*.

When Stanley's big brother Lionel is too busy to play with him, Stanley gets an idea: if Stanley were a dinosaur, Lionel would have to pay attention to him. So Stanley takes a trip back to the Cretaceous period to find out all about the Tyrannosaurus rex.

Follow FunJungle's resident zoo sleuth, Teddy Fitzroy, as he continues uncovering more wild mysteries in books four through six of Stuart Gibbs's New York Times bestselling FunJungle series. Now available in a collectible paperback boxed set! When Teddy Fitzroy moved into FunJungle, the nation's largest zoo, with his scientist parents, he expected things to be kind of quiet. There'd be the occasional elephant stampede and water balloon fight with the chimpanzees, of course, but he begins to realize that the zoo is far more exciting than he thought it was, and soon the mysteries at FunJungle are piling up...like when a panda goes missing, or a mountain lion gets blamed for dog murder, or a Tyrannosaurus rex skull is stolen. This hilarious boxed set includes: *Panda-monium*, *Lion Down*, and *Tyrannosaurus Wrecks*

Stanley, the star of Playhouse Disney's brand-new half-hour show, is just wild about animals. In this first title of a new series, Stanley wishes he were a dinosaur so that his big brother, Lionel, would pay attention to him. But when Stanley actually becomes a T. Rex, he realizes that it is much better to be loved than feared. Illustrations.

Twelve-year-old Theodore "Teddy" Roosevelt Fitzroy believes that Henry, the hippopotamus at the brand-new FunJungle, has been murdered. The zoo's top brass claim the hippo went belly up the natural way, but Teddy and his feisty friend Summer McCracken have other ideas. Could the culprit be FunJungle's animal-hating head of operations? Or is it FunJungle's owner—Summer's dad—a man who is much more concerned about money than animal welfare? The deeper Teddy and Summer dig, the more danger they're in—because when it comes to hippo homicide, the truth can't be caged!

Thirteen-year-old Teddy Fitzroy and his girlfriend, Summer, investigate when a mountain lion is accused of killing a prized dog outside of FunJungle Wild Animal Park in the Texas Hill Country.

Look out! Here comes Rex! Children who love to construct and those who love to destroy will relate to this kid-pleasing tale that builds to a smashing finale. Gizmo, Sprinkles, and Wild are fed up. Every time they build something with their blocks, Rex wrecks it! Whether it's an out-of-this-world rocket, a magical heart, or the biggest, strongest, most awesomerific castle ever, Rex sends it crashing down with a "'Rawr!' "(and sometimes a sheepish"'Rawry!'?"). Isn't there "any "way to make playtime fun for "everyone"? With Rex-size humor, Ben Clanton explores the challenges of friendship, the benefits of working together, and the joys of destruction.

All in step with wing in wing . . . Chicks can conquer anything! Nerdy Chick has been waiting all day for the Rocket Club meeting. But when she gets there, she finds a disturbing sign tacked to the door: "NO CHICKS ALLOWED!!!" Puzzled, then baffled, then just plain mad, Nerdy Chick sets out to change the rules. Along the way, she meets other chicks who are just like her: passionate and determined. From Soccer Chick to Science Chick and Wordy Chick to Yoga Chick, these chicks aren't willing to take "NO" for an answer. They rally together, march to the barn at the center of town, and—when they hear "NO" once again—chart their own path forward (or, rather, up, up, and away!). A celebration of girl power and community action, *Chicks Rule!* is the playful, diverse, victorious anthem chicks everywhere will love.

In this read-along picture book, a classroom full of young dinosaurs plays with toys, does art projects, and reads books. But each activity is another opportunity for the over-enthusiastic Tyrannosaurus Rex to wreak havoc. Parents and young children will love the call-and-response nature of the book, and young dinosaur fans will appreciate the listing (and pronunciation guide) for a dozen different dino species. The format is extra vertical in order to accommodate T. Rex's biggest messes. Praise for *Tyrannosaurus Wrecks* "Punchy writing, an equally in-your-face palette, and OHora's characteristically brash painting style make this as much a stompalong as a readaloud." --Publishers Weekly "Along with the pleasure of pronouncing those multisyllabic dino names, young audiences may find food for thought in the behavioral dynamics on display." --Kirkus

Reviews "Warmly colored with childlike bodies and emotive faces, Ohora's dinosaurs are among the cutest you will come across in children's books." --Booklist "The brief rhyming text, which scans well, tells a story with child appeal. There is a good balance of two-to-three word sentences with large, uncluttered illustrations, making the book a good choice for reading aloud. In their simplicity, the brightly colored pictures have the look of children's art, but they enhance the classroom setting appropriately with interesting details." --School Library Journal "The shapely dinos, whose rough charcoal-style outlines and strong colors vividly contrast with the white or sometimes black backgrounds, are chunky and friendly in an eight-crayon-box color scheme and snazzy Peanuts-reminiscent outfits." --Bulletin of the Center for Children's Books "Together the chanting rhythm, ragged lines, and setting of an un-chaperoned dinosaur class create a satisfyingly high-energy, primal read-aloud strongly reminiscent of Bob Shea's 'Dinosaur vs.' series." --The Horn Book Magazine

Join New York Times bestselling author Stuart Gibbs in this first book in a hilarious, highly-illustrated new middle grade series about a peasant boy who wants to be a knight, perfect for fans of Max & the Midnighters. Tim is just a peasant, but he dreams big. He wants more out of life than to grow up to be a woodsman like his father. Unfortunately, the only route to success in the kingdom of Merryland is to be born a prince. Still, Tim is determined. He is brave and clever and always tries to do the right thing—even though he rarely gets the credit for it. Then news spreads that Princess Grace of the neighboring kingdom has been abducted by the evil Stinx and Prince Ruprecht needs a legion of knights to join him on his quest to rescue her. Tim finally has the lucky break he's been waiting for, the opportunity to change his station in life. And even though he doesn't know how to ride a horse or wield anything more deadly than a hoe, he's going to do whatever it takes to make sure his dream becomes a reality.

Dylan loves exploring and learning all about dinosaurs. In his amazing treehouse he has a magic journal. Every time he opens it awesome things happen - even his toy pterodactyl comes to life! They fly off on dinosaur discovery missions to the Land of Living Dinosaurs. This time he has to discover what a spinosaurus's spiny sail along its back was for.

Praise for Dylan's Amazing Dinosaurs: The T. Rex "A book with brilliant illustrations, well written and providing some gentle genuine learning opportunities"

<http://www.beingamummy.co.uk> "With its ever popular topic, some delicious alliterative sound bites, fascinating, embedded facts [...], boldly rendered action scenes and a removable pop out T.Rex, this [...] is bound to be popular with young children" <http://jillrbennett.wordpress.com>

Through illustrated full-color images, unravels the mystery of how we bring to life creatures that no one has ever seen before.

What if a triceratops and a spinosaurus had a fight? Who do you think would win?

The Paleo Theater is packed with cheering fans ready for a dance showdown. When the beat drops, can Triceratops win over the judges with his pop and lock? This prehistoric dance competition will keep you on the edge of your seat!

Ben can't wait to adopt the best dog in the world. On a trip to the shelter, he sees dogs of all kinds, but none of them are quite right. Then he finds Sadie. Sadie is big—really big. She says “roar” instead of “woof” and she doesn't fit inside the house, but Ben knows she's the best dog in the world. Now if only she could stop causing so much trouble! Dogosaurus Rex is a hilarious tale of a very special dog (with a prehistoric twist) that will have you roaring—just like Sadie.

Tyrannosaurus rex was one of the biggest meat-eating dinosaurs that ever lived, but life began for this giant dinosaur inside a small protective egg. Let's find out about the life of Tyrannosaurus Rex.

Teddy was all set for a campout at his friend Sage's family ranch, but then Sage gets terrible news. The skull of a rare dinosaur that was being excavated on his property has mysteriously vanished overnight in the middle of a rainstorm. A T-rex skull can sell for millions of dollars, and everyone is a suspect, including J.J. McCracken, the owner of FunJungle. Meanwhile, Teddy's old foes, the Barksdale twins, have gotten into trouble with an illegally purchased anaconda, and Teddy's girlfriend Summer wants to find out who's behind the local trade in black market reptiles. The two cases will drag Teddy into more danger and chaos than ever before, in this mystery that's stranger than fiction.

While on a mission aboard the The Emperor of the Seas, Ben Ripley faces off against his arch enemy, Murray Hill, on the high seas and quickly finds himself in hot water as things take a dangerous turn.

Twelve-year-old Teddy Fitzroy is the prime suspect when FunJungle's newly-acquired koala goes missing, thanks to a prank staged by middle school bully Vance Jessup.

From the hilarious mind of bestselling creator Zachariah OHora comes this tale about small acts of kindness, big hair, and spreading warm, fuzzy feelings Meet Fuzzy Haskins: with unruly fur and a heart of gold, he's fuzzy inside and out! Everywhere he goes, he spreads warm, fuzzy feelings throughout his community. There's only one thing that can possibly dampen his spirit: the humidity! When rainy weather brings on extra fuzz and gets Fuzzy into a jam of his own, it takes the generosity of others to get him back on his feet. With its endearing takes on friendship and small acts of kindness, this charmingly offbeat tale from the hilarious mind of Zachariah OHora will inspire readers to spread fuzziness wherever they go.

In this sequel to the New York Times bestselling Charlie Thorne and the Last Equation—which #1 New York Times bestselling author Chris Grabenstein called “a real page-burner”—Charlie searches for Charles Darwin's hidden treasure in South America. Charlie Thorne is a genius. Charlie Thorne is a fugitive. Charlie Thorne isn't even thirteen. After saving the world, Charlie is ready to take it easy in the Galapagos Islands. That is, until she's approached by the mysterious Esmeralda Castle, who has a code she knows only Charlie can decipher. In 1835, Charles Darwin diverted his ship's journey so he could spend ten months in South America on a secret solo expedition. When he returned, he carried a treasure that inspired both awe and terror in his

crew. Afterward, it vanished, never to be seen again... But Darwin left a trail of clues behind for those brave and clever enough to search for it. Enter Charlie Thorne. In a daring adventure that takes her across South America, Charlie must crack Darwin's 200-year-old clues to track down his mysterious discovery—and stay ahead of the formidable lineup of enemies who are hot on her tail. When an ancient hidden treasure is at stake, people will do anything to find it first. Charlie may be a genius, but is she smart enough to know who she can trust?

A collection of riddles about dinosaurs including "How does a dinosaur send a letter? Fierce class" and "What kind of dinosaurs make good policemen? Tricera-cops."

Stanley wishes he were a dinosaur so that his big brother, Lionel, would pay attention to him. But when Stanley actually becomes a T.rex, the mightiest of the dinosaurs, he realizes that is is much better to be loved than feared.

In the seventh novel in New York Times bestselling Stuart Gibbs's FunJungle series, Teddy Fitzroy returns as FunJungle's resident sleuth to solve the disappearances of endangered bison and an irreplaceable necklace. Teddy Fitzroy, his family, and some other FunJungle employees have been invited to visit a bison ranch just outside Yellowstone National Park that FunJungle's owner, J.J. McCracken, is considering purchasing. But as usual, trouble isn't far behind. The ranch's endangered bison have been mysteriously disappearing. Then a massive local grizzly bear named Sasquatch breaks into the house, causing chaos. In the aftermath, Kandace McCracken discovers that her exceptionally expensive sapphire necklace has vanished. Was it stolen? Or did Sasquatch eat it? (And if so, can it be recovered?) And what's been happening to the bison? With over a dozen suspects, it's up to Teddy to detangle this hairy situation, before his family or friends—or any more expensive objects—become dinner.

Teddy Fitzroy must solve the crime of the kidnapped rare and expensive panda, Li Ping.

"Beliefs about men and women are as old as humanity itself, but Fine's funny, spiky book gives reason to hope that we've heard Testosterone rex's last roar." —Annie Murphy Paul, New York Times Book Review Many people believe that, at its core, biological sex is a fundamental force in human development. According to this false-yet-familiar story, the divisions between men and women are in nature alone and not part of culture. Drawing on evolutionary science, psychology, neuroscience, endocrinology, and philosophy, Testosterone Rex disproves this ingrained myth and calls for a more equal society based on both sexes' full human potential.

Here is an epistolary picture book with a T. rex in a role similar to that of the mouse in If You Give a Mouse a Cookie. A little girl is turning six in two weeks, and she's decided to invite a Tyrannosaurus rex to her birthday party! Her invitation entices the huge carnivore with promises of fun games to play, the extra-large cake her mother will bake, the goody bag he will get to take home, and, most important of all, how she will be the happiest girl in the world if he comes. But will he? Lisa McClatchy's sweet, persuasive text is perfectly complemented by John Manders's endearing Tyrannosaurus rex, who can't quite fit under the birthday-party tent or blow out the candles without making a huge mess but is sure to make this birthday party-and this book-unforgettable!

The local police prove unhelpful when a 500-pound dinosaur skull vanishes from a secret excavation on Sage's family's ranch, so Teddy and his friends conduct their own investigation.

A spooky and kooky tale about a lonely duck and his unexpected new friend—now in an 8 x 8 trim size and paperback Told in rollicking rhyme, this picture book introduces Quackenstein, a lonely duck in his "lair" at the zoo. One day, Quack is inspired to adopt an egg from the nursery and—much like his inspiration, Dr. Frankenstein—he's shocked by what emerges from the egg. The "monster" chases him throughout the zoo in a fast-paced and funny parody of monster movies. In the twist ending, the monster (actually an adorable platypus) and Quack resolve their differences and settle down as a not-so-spooky family.

"Someone is trying to hunt FunJungle's Asian greater one-horned rhinoceros, and twelve-year-old Teddy Fitzroy is on the case."--

"Combines Alex Rider's espionage skills with a huge dose of the sarcasm of Artemis Fowl." —School Library Journal Can an undercover nerd become a superstar agent? In the first book in the New York Times bestselling Spy School series, Ben Ripley sure hopes so—and his life may depend on it! Ben Ripley may only be in middle school, but he's already pegged his dream job: CIA or bust. Unfortunately for him, his personality doesn't exactly scream "secret agent." In fact, Ben is so awkward, he can barely get to school and back without a mishap. Because of his innate nerdiness, Ben is not surprised when he is recruited for a magnet school with a focus on science—but he's entirely shocked to discover that the school is actually a front for a junior CIA academy. Could the CIA really want him?

A collection of jokes, knock-knocks, and riddles about dinosaurs.
