A complete guide with lessons and acoustic songs.

**TWO BESTSELLERS NOW AVAILABLE IN ONE**

**COMPLETE VOLUME!** Bringing together the ukulele

beginners guides, 'What Ukulele Players Really Want To Know' and 'More Of What Ukulele Players Really Want To Know' in one handy volume. The Complete What Ukulele

Players Really Want To Know! Over 50 detailed chapters aimed at advising new ukulele players on the things that most

tutor books leave out, with everything from how to hold the uke, fingernail care, to basic theory and advice on practice

regimes. Want advice on cases, on performing, on types of wood? Look no further. What about electronics, how to tune

up, advice on strings - that's covered too. In fact, just about everything a new player will think about is in here. This is

NOT a how to play book or a song book, but has been called an 'owners manual for new players' -an answer to all those

niggling questions that will hit you when you first start playing. Barry recommends that his guides are read alongside

traditional tuition (whether you are learning online, from books or with a teacher) as a means to supplement your all round

knowledge of the uke! And don't worry! If you prefer one or other of the original books they are still available and always

will be!

Take your ukulele playing to the next level - fast! - with hundreds of fun exercises, drills and practice tunes You have

a ukulele, you know just enough to be dangerous, and now you're ready to do something with it. You're in luck: Ukulele

Exercises For Dummies helps you become a better player.

This practice-based book focuses on the skills that entry-level players often find challenging and provides tips, tricks and

No matter if you're a beginning ukulele player or you're wanting to stretch and improve your chops, Ukulele Exercises For Dummies puts you on your way to becoming a ukulele extraordinaire!

While the 'ukulele is enjoying a well-deserved renaissance on the mainland, in the land of its birth, it has never gone out of style. Hawaiians took to the jumping flea right from the start, creating music of stunning beauty and versatility. Now intermediate players can learn to play lovely finger style solo arrangements of classic Hawaiian songs, folk songs, standards—even a few pieces from the classical guitar repertoire. The book offers 27 arrangements from around the world written in standard notation and tablature playable on any 'ukulele. Songs are grouped according to level of difficulty, starting with simple arrangements well within the grasp of dedicated beginners and intermediate players and leading through more challenging songs featuring unusual chord voicings, inversions up the neck, tricky fingerings and all the fun stuff the author could muster. To aid the student, the companion CD includes all of the songs taught. Includes chord charts, inversion studies, introductory material on finger-picking and making the transition from strumming to melodic playing.

(Ukulele). This collection features 15 classic songs arranged by ukulele master, James Hill. In these remarkable

The ukulele has gone from strength to strength in recent years, undergoing a massive resurgence. You can hear the uke all over the place, from trendster indie rock to top ten pop songs, from unshakeable TV ads to YouTube megahits. And this obsession shows no sign of abating - all over the country people are picking up a ukulele and starting to strum, at home, in classes and down at the pub. Schools are even replacing the faithful recorder with a jazzy, inexpensive uke. Famous idlers Gavin Pretor-Pinney and Tom Hodgkinson have spent hours idling away on their ukuleles to produce the ultimate uke handbook: an illustrated guide to its history crossed with a how-to guide and songbook. This is the book that will bring the underground movement into the mainstream. The first half of the book delves into the rich history of this eccentric little instrument, from its
