This book is filled with full-color and black-and-white Hidden Pictures® scenes puzzles featuring kids' favorite pets, along with 8 pages of vibrant stickers to mark the hidden objects. For Hidden Pictures® fans of all ages, here is an unbeatable combination that makes a terrific gift!

"Jump on the Bump" is one in a series of picture books for young children. It focuses on a specific set of sounds and letter combinations while telling a funny story. In the book, two children find a new way to play in the forest, but to their surprise, the object of their amusement turns out to be something much bigger and meaner looking. Young readers will love the colorful pictures as they read to find out how the two kids deal with a difficult situation.

These are truly the ultimate in hidden pictures. Jam-packed scenes on every page give hidden picture aficionados the ultimate challenge as they search for a checklist of items that are cleverly obscured within each spread. To add to the fun, each scene is also chock-full of visual jokes and humorous word balloons that will keep kids entertained for hours. Whether diving for sunken treasure or swimming with the fish, this is the ultimate excursion under the water. There's more to watch for than just the whales, and there's more hidden beneath the waves than you've ever suspected!

At just twenty-two years of age, Briana Mills finds herself at a desperate crossroads. Once a promising student at the University of Oregon, she now finds herself alone on the streets of Portland with only the clothes on her back, memories of a happier time, and the stray dog that's adopted her. And she's got the drug that helps her forget. Briana's mistakes haunt her, lashing her with severe consequence, forcing her to make a decision few would ever make. Still, in a final attempt to make her young life count for something, Briana begins writing it all down—everything—so that others walking the crumbling precipice of rebellion might leap to safety before it's too late. She writes about her present struggles and the past. She writes about Michael, the boy she loved and left behind when she went off to college. She writes about the violent activism and drug that derailed her life. She writes about the demands placed on her by a socially conscious mother, and the adoration shown by a proud father. And Briana talks about Brody—the young activist leader who captured her heart, took it to the altar, and then crushed it. What develops is an engrossing record of a young and troubled life, one both beautiful and ugly, innocent and corrupt, lost and then found. And wrapped in its literary sinew is a cast of characters as diverse and engaging as the stars, and an impassioned love story sure to transcend time. What readers are saying: "Timeless... provocative." "Characters so real you'd swear this was a true account." "A brilliant read!" "Alone Among People is D. M. Anthony's first novel. He lives in California where he's at work on his next book. This review is from: Alone Among People (Paperback) A Compelling and Heart Warming Story, September 25, 2012" "Alone Among People is at once an engaging, moving story and a provocative statement about the thin line between thriving and sinking into an abyss as inescapable as quicksand. Its timeless and uplifting messages of hope conquering despair, healing borne of love and care, and peace at discovering one's identity are an inspiration. The author's empathy for the characters and their plight betrays knowledge of what he writes, and offers the reader a unique glimpse into a vulnerable and intimate place... his heart. I recommend this book to anyone who has traveled through the anguish of darkness and longed for the light; it may just guide your way."

Hidden pictures that have appeared in previous issues of "Highlights for children" provide hours of fascinating and challenging fun.

Childhood memories become warm and rose colored, "and that's as it should be," so said an old friend of mine who shared more than a few with me. Mine, too, are warm and rose colored; but also vivid. Yes, I really do remember being in a crib. Folks challenge me on that once in a while. But for how much longer, I'm not sure. Once the mental concrete hardens, I'll be left with what I can glean from pictures and second hand accounts. So I wrote this book. And of course, one memory led to another. Eleven years of them, the ones I spent growing up Brooklyn. What follows are the good stories of the people who mattered - still matter - to me. Today more than ever, I look at them with warm, rose colored sight, content that my earliest memories are true and valuable.

The perfect gift for any stocking, this collection of festive Hidden Pictures puzzles offers a unique puzzling experience. Kids can use the included bright green highlighter to find hundreds of hidden objects and create fluorescent scenes. Spot the difference is an amazing activity that boosts your child's fine-ground perception. Fine-ground perception is the skill that would allow children to see in-between the negative spaces. This makes it possible to locate hidden objects, which is an important element to learning math and reading. Don't forget to checkout with a copy of this activity book today!

A classic Hidden Pictures® puzzle collection with unique "a-peel"--every puzzle has a hidden banana! 101 bananas are hidden among 90 puzzles and 1,500+ objects in this book that is easily portable for travel and taking the fun on the go. And if that doesn't make kids go bananas, they'll love the extra full-color bonus puzzles and activities that include banana jokes, riddles, mazes, drawing activities, and more. Makes a great gift for any kid!

Hidden picture activities should be encouraged among children because of all the benefits they promise. For instance, hidden pictures ensures familiarization of objects and pictures based on their features. This means that regardless of the presentation, a child would still be able to recognize a flower, a dog, and a tables and so on. This skill is very important in learning math and science later on. Play today!

These are cute eye candies that adults like you can't resist! Finding all the hidden pictures in this book is going to be quite addicting. Winner, Family Choice Award ?Winner, Mom's Choice Award, Gold Winner, Parents' Choice Fun Stuff

Who says having all your dreams come true is a good thing? Serenity Winters is taking the summer off. After her last year included crushing on the wrong guy (again), having her best friend move all the way across the country, and an unexpected loss she's still not prepared to deal with, she deserves it. And a visit to see Maia in California seems the perfect getaway. Beaches, bonfires and boys? Yes please! But Rennie's dreams aren't so easy to elude. Sketching what she can remember of them helps some, but her drawings are taking on a life of their own and the dreams they represent are starting to come true. Enter Alex, who may or may not be perfect. (No, who is she kidding? He's perfect. Great hair, plus he can quote Hamlet and Yoda? Come on!) But Alex has secrets of his own, namely a hidden ability to transport himself through time using a book as a portal. Could it be that both Rennie and Alex are being drawn in to the same mystery? They better find out quickly, because her dreams are getting louder. And they know her by name.

A modern, magic adventure with a difference. The Key element is humour. The delivery is pacey, direct and very action based. Characters are believable, with quirky personalities. A hilarious story of a dizzy witch and her two best friends, a lazy cat and a neurotic mouse, who make spells in the crazy kitchen of their magic house in Parsley Lane.

Jacek Lidwin presents "Unknown People", a book containing 126 black and white street portraits. This book highlights provoking and contemporary examples of the medium of portraiture. Jacek is trying to express his perspective on individuals, unknown people who he meets in the streets of Poland. His art illustrates Osho's words: "We are born alone, we live alone and we die alone. Aloneness is our very nature but we are not aware of it". He is inspired by street photography of Robert Frank, Henri Cartier-Bresson, Robert Doisneau.

Ultimate Hidden Pictures Across America

Adults are addicted to hidden pictures, too! Why? Because such games rescue them from the dilemma of routine. They provide a means to break free and clear the mind. They great adventures that the mind would appreciate. You can play hidden pictures on your own, or you can share the activity with friends. Grab a copy today!

Each page presents a challenge to find various objects within an illustration.

Locate such unlikely objects as carrots, a sea horse, party cap, and more in a charming scene of playful puppies; find a teddy bear, clothespin, spool of thread in a peaceful scene featuring a lion and its mate. Loads of brain-teasing diversions for older children and fun-loving adults in 24 pages of cleverly hidden items-all identified in a caption beneath each charmingly rendered picture.

Take one look, were you able to find all the hidden pictures right away? That's not probably the case, right? You have to look long and hard in every page so that you can find everything that's amiss. In the process, you will learn to focus and concentrate on the task at hand. Focus and concentration are two important skills required to acquire information as effectively as possible.

Dive deep with this Hidden Pictures puzzle book featuring over 100 underwater scenes and more than 1,900 hidden objects in Highlights best-known black-and-white puzzles. With illustrations of aquatic adventures, beach parties, and other fishy fun, each

black-and-white puzzle in this book is carefully designed to engage and entertain children while honing their concentration skills and attention to detail. This book is sure to please every ocean-loving puzzler!

It's a wheely wonderful world! But why are you seeing just the dotted outlines of it? Create the pictures by connecting the dots one at a time. Working on dot to dots help to improve hand to eye coordination, fine motor skills, and imagination. You will be connecting the dots based on their numbers so you can use this activity to boost counting a

Twenty-four delightfully drawn tableaux with ingeniously concealed objects: a near-sighted giant's mislaid glasses; tools belonging to an absent-minded tree-house builder; many other items.

The Tall House is a children's picture book about a house that reached the sky.

When the author's mother died he discovered over 200 letters in a shoe box that his father had written to her during their separation during World War II. Captain Lashley was stationed first at a hospital in England as a supply officer and then as the commander of a prisoner of war camp in France. During those months his letters tell of the events of his life. Some are boring and seem to be of little consequence, others are filled with emotional turmoil. Rene Lashley, his wife, has his fourth child while he is away, moves in with her mother and sister and raises her other three children. Kirk, the second son, is puzzled by what is happening, but continues doing those things a normal child does. The book is an effort to show the common, everyday concerns of all the family members in what is an unprecedented time in the life of the family and the world. The story is told through the voices of the soldier, the mom, and the child.

How fast can your child form these dots into pictures? A challenging activity book requires a child to play against the clock. This will push a child from passive to active learning. It'll make the game much more appealing because of the added element of pressure. Encourage your child to share this activity book with friends!

Children who love to color and who delight in solving puzzles will find this book a double treat. Anna Pomaska's charmingly drawn, imaginative scenes, peopled by elves, fairies, and other magical and ordinary creatures, have the added attraction of hidden objects ? animals, numbers, letters, and other items ? cleverly worked into the designs. Thirty-one pictures include all kinds of objects to hunt for while coloring: fish, birds, mice, rabbits, airplanes, flags, umbrellas, ice cream cones, laughing faces, mermaids, ghosts, and more. Captions for each picture provide story lines and indicate the numbers and kinds of items to locate. Solutions are provided in the back of the book.
