**Ultimate Guide to Facebook Advertising: How to Access 600 Million Customers in 10 Minutes** Perry

Marshall, Thomas Meloche, 2011-09-01 FUEL YOUR BUSINESS WITH FACEBOOK Perry Marshall, author of the #1 selling book on Google advertising, and internet strategist Thomas Meloche lift the curtain to the 600 million potential customers on Facebook and show you how to reach them, convert them, and keep them as your fan, friend, and customer for life.

Introducing game-changing strategies, tools, and reports, Marshall and Meloche breakdown the magic of Facebook Paid Advertising and show you how to gain dramatically on your investment—in clicks, customers, and profits. Covers critical updates including: Targeting by birthday, family status, and more Pinpointing who is seeing your ads Managing impressions per ad to avoid ad fatigue Using Sponsored Story Ads—the newest advertising category Creating a Facebook business and identity “Perry and Tom not only understand every nuance of the technical aspects of getting Facebook ads to work for your business, they also understand the psychology behind what works and what doesn't when it comes to advertising online. If you're looking for an uber-effective way to master the art of driving traffic to your offers through paid advertising, get this book - it truly is the ultimate guide!” —Mari Smith, co-author of Facebook Marketing: An Hour A Day and author of The New Relationship Marketing “If anybody can make practical sense of Facebook for marketers, it's Perry. He has his finger on its truth - as advertising media not social media. This book shows how to capitalize on ideal timing with this media. He is a well-disciplined direct-response practitioner who holds this accountable for ROI. I bestow my 'No B.S. blessing.'” —Dan S.

Kennedy, legendary direct marketing advisor and author of the No B.S. book series, [www.NoBSBooks.com](http://www.NoBSBooks.com) “Ultimate Guide to Facebook Advertising just might be your ultimate guide to earning a ton of money with this social media phenomenon. What you don't know about Facebook could hurt you and what you will learn about Facebook from this book definitely will help you. It's a fun and easy read and a surefire way to seriously increase your income.” -Jay Conrad Levinson, The Father of Guerrilla Marketing, author of the Guerrilla Marketing series of books “Facebook advertising appears simple, but it's trickier than search engine marketing. In this book, Perry Marshall and Tom Meloche teach you secret of Right Angle Marketing - selling based on who people are and what they identify with. This is entirely different from Yahoo! or Google. They help you determine how to prioritize Facebook within your particular marketing mix. Then they take you by the hand and lead you through the minefield, showing you the tools, bidding techniques, and sales cycles of Facebook ads. Without their help, the odds are stacked against you. With their help, your chances of success are excellent.” -Alex Mandossian, Heritage House Publishing, author of The Business Podcasting Bible “Perry Marshall has done more to de-mystify Google AdWords for business owners than any person on earth. With this book, he's done the same for Facebook. If you want to cut through the

smoke quickly and make money advertising on Facebook, this is the book to read.” - Ken McCarthy. The System Seminar, Tivoli NY “The irony of living in the Information Age is that good info has gotten harder to come by. The lame stuff still manages to clog the pipes, causing chaos and preventing you from discovering the legit specifics that can actually help you in your quest for business success and a bigger bottom line. Perry Marshall has been a first- stop, one-stop resource for the best possible advice on making AdWords work since Google unleashed it on the marketing community...and now, Perry’s new tome on Facebook’s astonishing (and yet-to-be-fully-tapped) power to reach gazillions of targeted, eager prospects (most of whom you’d never even know existed, otherwise) is the first and probably the only book you need to be one of those early adopters who score fastest. Perry’s books are always essential. This one is perhaps more so than usual.” -John Carlton, the most respected and ripped-off veteran copywriter on the Web “Perry Marshall is amazing! He reinvented himself from engineer to white paper expert to become the world's leading expert in Google Adwords. Now with his secret weapon, Tom Meloche, he's reinvented himself again, this time as the guru in Facebook advertising ... through which, he points out, you can access 600 million customers in 10 minutes.” -Bob Bly, author of over 60 books including Complete Idiot’s Guide to Direct Marketing, The Online Copywriter’s Handbook and Public Relations Kit for Dummies “Perry Marshall is a terrific writer who makes wonderful use of stories and analogies to illustrate a concept. He does this exceptionally well in the chapter on ad copy writing, ‘The Power of Hidden Psychological Triggers.’ That chapter alone is worth the price of this book. Many companies have tried Facebook ads and failed for one simple reason: they treated Facebook advertising like search advertising. “Facebook is social advertising. Social advertising is about understanding and reaching the user. Not the user's behavior; but the actual person. This is where the book shines. It walks you through strategies of reaching your target audience based upon the person's social profile so that you aren't just accumulating 'Likes,' but actually gaining new customers. “I'd recommend this book to anyone who is advertising, or wants to advertise, on Facebook. Social advertising is unique from most other types of advertising, and this book will teach you the concepts and how-tos you must understand so that your Facebook ads increase your overall profits.” -Brad Geddes, author of Advanced Google AdWords “One of the things I love about Perry is that he always shoot from the hip. Ultimate Guide to Facebook Advertising is written with no holds barred, which means that all the ‘juicy’ tips that might get left out of other, similar books are all in this book. It's more than just a tactical ‘how to.’ It goes into the psychological aspects of ad writing specifically suited for Facebook and gives all kinds of practical advice for fan pages. So for anyone who really wants to get serious about Facebook advertising, this book is definitely a must read.” -Shelley Ellis, contextual advertising expert, [www.ContentNetworkInsider.com](http://www.ContentNetworkInsider.com) “Perry Marshall led the pack with Google AdWords back in 2006. He's still leading the pack today with Ultimate Guide to Facebook Advertising. Perry and Tom Meloche combine ‘insider’ knowledge of marketing on Facebook with proven marketing fundamentals for a powerful one-two punch that delivers results. Perry doesn't just theorize about how Facebook marketing works, he does it

himself, and he's worked with thousands of others to hone his knowledge of this emerging landscape. If you're thinking of marketing on Facebook, or if you're already doing it, you'd be crazy to not get *Ultimate Guide to Facebook Advertising*. -Clate Mask, president, InfusionSoft "Hands down, I have never seen a more comprehensive in-depth study of successful Facebook advertising than what you are holding in your hands. Perry has done it again, he's extracted the 'gold' within this amazing system of advertising that every astute marketer should devour and implement." - Ari Galper, founder and CEO, Unlock The Game, [www.UnlockTheGame.com](http://www.UnlockTheGame.com) Hundreds of my clients have failed at Facebook before. Many were so seriously slaughtered that I'd written it off as a traffic source for all but the most advanced marketer, so recommending this book is not something I do lightly—yet I DO suggest you order a rush copy. Simply put, it's a game changer. If you've tried Facebook before and failed, I'll bet you didn't have the testing paradigm, targeting insights, bidding strategies, tools, and creative advertising resources outlined in the easy-to-digest, entertaining words here. This goes double for experienced PPC marketers and triple for anyone who's read another Facebook advertising book. Seriously, if this isn't worth a trip to Amazon.com, I don't know what is! —Glenn Livingston, Ph.D., Marketing Psychologist, market research expert and founder of RocketClicks.com

Google Ads (AdWords) Workbook Jason McDonald, 2019

*Ultimate Guide to Facebook Advertising* Perry Marshall, 2022-08-01 NEW CUSTOMERS ARE WAITING... FIND THEM ON FACEBOOK Facebook makes it easy for businesses like yours to share photos, videos, and posts to reach, engage, and sell to more than 1 billion active users. Advertising expert Perry Marshall is joined by co-authors Keith Krance and Thomas Meloche as he walks you through Facebook Advertising and its nuances to help you pinpoint your ideal audience and gain a ten-fold return on your investment. Now in its third edition, *Ultimate Guide to Facebook Advertising* takes you further than Facebook itself by exploring what happens before customers click on your ads and what needs to happen after—10 seconds later, 10 minutes later, and in the following days and weeks. You'll discover how to: Maximize your ad ROI with newsfeeds, videos, and branded content Create custom audiences from your contact lists, video views, and page engagement Use the Facebook Campaign Blueprint proven to generate your first 100 conversions Boost your Facebook ads using the Audience Network and Instagram Follow the three-step formula for successful video ads Maximize campaigns and increase conversions on all traffic to your website Track and retarget engaged users by leveraging the Power of the Pixel Make every page on your website 5-10 percent more effective overnight If anybody can make practical sense of Facebook for marketers, it's Perry. He has his finger on its truth—as advertising media, not social media. He also realizes there is a short window of time during which it offers greatest opportunity. He identified this with Google AdWords. Now, this book shows how to capitalize on ideal timing with this media. Finally, he is a well-disciplined direct-response practitioner who holds this accountable for ROI. I bestow my 'No B.S.' blessing. —Dan S. Kennedy, legendary direct marketing advisor and author of the No B.S. series.

80/20 Sales and Marketing Perry Marshall, 2013-08-13 Marketer Perry Marshall converts the widely known 80/20 principle into a master framework that multiplies the power of everything you do in sales and marketing and makes scary-accurate predictions. It's the ultimate secret to selling more while working less. Guided by famed marketing consultant and best-selling author Perry Marshall, sales and marketing professionals save 80 percent of their time and money by zeroing in on the right 20 percent of their market - then apply 80/202 and 80/203 to gain 10X, even 100X the success. With a powerful 80/20 software tool (online, included with the book), sellers and marketers uncover how to slash time-wasters; advertise to

hyper-responsive buyers and avoid tire-kickers; gain coveted positions on search engines; differentiate themselves from competitors and gain esteem in their marketplace. With the included tools they'll see exactly how much money they're leaving on the table, and how to put it back in their pockets. Sellers will identify untapped markets, high-profit opportunities and incremental improvements, gaining time and greater profit potential. Supported by online tools from Marshall, including The 80/20 Power Curve, a tool that helps you see invisible money, and a Marketing DNA Test, a personal assessment that zeroes in on one's natural selling assets, this timeless guide promises to change the game for seasoned and novice marketers and sellers.

Ask The PPC Manager - Self-Managing Google Ads That Make Money Without Agency Fees David Rothwell, 2020-10-09 *Ask The PPC Manager* showcases the Clicks to Money(TM) system - self-managing Google Ads that make as much money as possible, as fast as possible, for as long as possible, with as little work as possible, for months or years, without paying agency fees. It is the insider exposé which busts every myth going about Google Ads and the pay-per-click industry. The

world standard in Pay Per Click - Perry Marshall, 'Ultimate Guide to Google Ads' Money doesn't lie This view is largely heretical in the digital industry. But this is data, not opinion. And money doesn't lie. For the past 15 years, I've seen business owners and PPC Managers make little or no money from Google Ads. All you see is the money you spend, not the money you make. And some agencies charge a percentage of your ad spend, so they make money even if you don't. If this makes you feel angry and frustrated, this book is for you. Google Ads helped us build, grow, and sell our company Ask The PPC Manager is a real \$21.34m, 19X ROI, 15X business-growth-to-exit, ten year case study told in a fictional setting, inspired by Built to Sell by John Warrillow. The owner grew his business every year for ten years, hired more staff, increased his ad spend, bought out two competitors, and sold to an international operator. Could that be your business? Your PPC campaigns are worthless This is the story of a fictional airport transfer company and PPC Manager Charlie. The business is successful, but Charlie now has a problem, with responsibility for selling more seat bookings, making more money, and out-selling their rivals. He finds he has no idea how to build, measure, manage, and scale PPC campaigns, and integrate them into the business and finances to make money. He is on a deadline, realizes he needs help, and as the story unfolds he is given permission to hire an experienced consultant to turn the campaigns around. Clicks to Money Charlie finds Joshua, a Google Ads PPC author and consultant, who lays out an easy to follow plan that enables them to finally make money from their PPC campaigns and transform their business. Many PPC managers build their campaigns backwards. Campaigns actually come last. Your business is numbers. Your PPC campaigns are numbers. Making PPC make money is just math. The key is that the underlying principles behind self-managing PPC campaigns that make money meet three criteria: - It is a learnable skill. When properly understood, architected and built correctly, and with sufficient sales volumes, campaigns can become largely self-managing for months or even years - It makes money, delivering sales and revenue even while you sleep - It is repeatable and scalable, allowing your business to become Fully Booked should you choose, or to grow for as long as demand does Like Charlie, readers can apply the powerful PPC strategies in this book to finally make self-managing Google Ads campaigns which make money without them, and without agency fees. Here's the simple secret to making PPC make money - Track online conversions, sales and revenue - Know your business numbers - Target your buyers - Do the math Free PPC Money Audit(TM) If you qualify, you will also receive the FREE PPC Money Audit(TM) with the author. Many PPC managers offer free audits, but they only look at how your campaigns are spending money, not how they should be making money. One client wasted almost \$48,000 on mobile clicks with no sales, and was saving almost \$4,000 a month after the audit. If you hate paying Google, Ask The PPC Manager is your new 'must-read'. Scroll to the top and click the Buy Now button.
