'Human beans is not really believing in giants, is they? Human beans is not thinking we exist.' On a dark, silvery moonlit night, Sophie is snatched from her bed by a giant. Luckily it is the Big Friendly Giant, the BFG, who only eats snozzcumpers and glugs frobscottle. But there are other giants in Giant Country. Fifty foot brutes who gallop far and wide every night to find human beans to eat. Can Sophie and her friend the BFG stop them?

Lawyer Andy Carpenter's true passion is the Tara Foundation, the dog rescue organization he runs with his friend Willie Miller. All kinds of dogs make their way to the foundation, and it isn't that surprising to find a dog abandoned at the shelter one morning, though it was accompanied by a mysterious anonymous note. But they are quite surprised when they scan the dog's embedded chip, and discover that they know this dog. He is the "DNA dog." Two and a half years ago, Jill Hickman was a single mother of an adopted baby. Her baby and dog were kidnapped in broad daylight in Eastside Park, and they haven't been seen since. A tip came in that ID'd a former boyfriend of Hickman's, Keith Wachtel, as the kidnapper. A search of his house showed no sign of the child but did uncover more incriminating evidence, and the clincher that generated Wachtel's arrest was some dog hair, notable since Wachtel did not have a dog. DNA tests showed conclusively that the hair belonged to Hickman's dog. Wachtel was convicted of kidnapping, but the dog and baby were never found. Now, with the reappearance of the dog, the case is brought back to light, and the search for the child renewed. Goaded by his wife's desire to help a friend and fellow mother and Andy's desire to make sure the real kidnapper is in jail, Andy and his team enter the case. But what they start to uncover is far more complicated and dangerous than they ever expected, in David Rosenfelt's *Collared*.

"IN THE FUTURE EVERYBODY will be world famous for 15 minutes." The Campbell's Soup Cans. The Marilyns. The Electric Chairs. The Flowers. The work created by Andy Warhol elevated everyday images to art, ensuring Warhol a fame that has far outlasted the 15 minutes he predicted for everyone else. His very name is synonymous with the 1960s American art movement known as Pop. But Warhol's oeuvre was the sum of many parts. He not only produced iconic art that blended high and popular culture; he also made controversial films, starring his entourage of the beautiful and outrageous; he launched *Interview*, a slick magazine that continues to sell today; and he reveled in leading the vanguard of New York's hipster lifestyle. The Factory, Warhol's studio and den of social happenings, was the place to be. Who would have predicted that this eccentric boy, the Pittsburgh-bred son of Eastern European immigrants, would catapult himself into media superstardom? Warhol's rise, from poverty to wealth, from obscurity to status as a Pop icon, is an absorbing tale—one in which the American dream of fame and fortune is played out in all of its success and its excess. No artist of the late 20th century took the pulse of his time—and ours—better than Andy Warhol. Praise for Vincent van Gogh: *Portrait of an Artist*: "This outstanding, well-researched biography is fascinating reading."—*School Library Journal*, Starred "Readers will see not just the man but also the paintings anew."—*The Bulletin*, Starred "An exceptional biography that reveals the humanity behind the myth."—*Booklist*, Starred A Robert F. The Bigfoot Prince has his heart set on a big, hairy, odiferous bride, and Rrrrella, a perfect match, must get past her awful stepsisters and reach the annual forest fun-fest in time to win his heart. Reprint.

Albert Facey's story is the story of Australia. Born in 1894, and first sent to work at the age of eight, Facey lived the rough frontier life of a labourer and farmer and jackaroo, becoming lost and then rescued by Indigenous trackers, then gaining a hard-won literacy, surviving Gallipoli, raising a family through the Depression, losing a son in the Second World War, and meeting his beloved Evelyn with whom he shared nearly sixty years of marriage. Despite enduring unimaginable hardships, Facey always saw his life as a fortunate one. A true classic of Australian literature, Facey's simply penned story offers a unique window onto the history of Australian life through the greater part of the twentieth century – the extraordinary journey of an ordinary man.

Presents, in brief text and illustrations, the life of the painter who drew much of her inspiration from nature.

Examines the life and work of the pop artist Andy Warhol, from his early days in Pittsburgh, PA, to his popular commercial art of the 1960s. By the author of the New York Times Notable book, Woody Guthrie: Poet of the People.

Following the success of *Bury the Lead*, David Rosenfelt delivers a "wise cracking legal thriller" featuring Defense Attorney Andy Carpenter (Publishers Weekly). Kenny Schilling is the new star running back for the New York Giants. Troy Preston was a wide receiver for the Jets, until his recent murder. Could rivalry have turned Kenny Schilling into a cold-blooded killer? The police say yes. And now the football hero needs a good lawyer-quick. Still basking in the glow of his last successful case, Andy Carpenter is called to defend Kenny's innocence. Then it's revealed that Troy wasn't the only murdered player Kenny was in contact with. Now, amid a collapsing personal life and death threats from a drug king-who may or may not have a hand in things-Andy must keep his eye on the ball during what could become the media trial of the century.

Having failed to win the pumpkin-carving, pie-eating, and seed-spitting contests, William hopes to impress Hester by winning the Dress-Up Competition.

The author describes a trip to see his uncle, the soon-to-be-famous artist Andy Warhol, and the fun that he and his family had on the visit. "Citizen Kane does Adventureland." —The Washington Post The outlandish, hilarious, terrifying, and almost impossible-to-believe story of the legendary, dangerous amusement park where millions were entertained and almost as many bruises were sustained, told through the eyes of the founder's son. Often called "Accident Park," "Class Action Park," or "Traction Park," Action Park was an American icon. Entertaining more than a million people a year in the 1980s, the New Jersey-based amusement playland placed no limits on danger or fun, a monument to the anything-goes spirit of the era that left guests in control of their own adventures--sometimes with tragic results. Though it closed its doors in 1996 after nearly twenty years, it has remained a subject of constant fascination ever since, an establishment completely anathema to our modern culture of rules and safety. Action Park is the first-ever unvarnished look at the history of this DIY Disneyland, as seen through the eyes of Andy Mulvihill, the son of the park's idiosyncratic founder, Gene Mulvihill. From his early days testing precarious rides to working his way up to chief lifeguard of the infamous Wave Pool to later helping run the whole park, Andy's story is equal parts hilarious and moving, chronicling the life and death of a uniquely American attraction, a wet and wild 1980s adolescence, and a son's struggle to understand his

father's quixotic quest to become the Walt Disney of New Jersey. Packing in all of the excitement of a day at Action Park, this is destined to be one of the most unforgettable memoirs of the year.

In an unnamed Third World country, in the not-so-distant future, three "dumpsite boys" make a living picking through the mountains of garbage on the outskirts of a large city. One unlucky-lucky day, Raphael finds something very special and very mysterious. So mysterious that he decides to keep it, even when the city police offer a handsome reward for its return. That decision brings with it terrifying consequences, and soon the dumpsite boys must use all of their cunning and courage to stay ahead of their pursuers. It's up to Raphael, Gardo, and Rat—boys who have no education, no parents, no homes, and no money—to solve the mystery and right a terrible wrong. Andy Mulligan has written a powerful story about unthinkable poverty—and the kind of hope and determination that can transcend it. With twists and turns, unrelenting action, and deep, raw emotion, *Trash* is a heart-pounding, breath-holding novel.

Sylvette was a shy girl with many secrets. She dreamed of being an artist, but no one knew of her plans. One summer, the famous Picasso came to Sylvette's town, Vallauris. Amazingly, out of all the people in the town, Picasso chose her as his model. Gradually, Sylvette came to view the famous artist as a father and told him of her secret ambitions. This is the true story of Sylvette David, who modelled for Picasso in 1954. She now lives in the West of England, where she works as a painter and sculptor.

Mr. Quickstep, accompanied by his dog Foxtrot, is looking for the future. On the way, they meet up with Coppernickel and his dog Tungsten. Coppernickel says there's no need to look for the future, as it will arrive anyway. Mr. Quickstep disagrees, for the future he's after hasn't even been thought of yet. Left behind, Coppernickel worries that he will miss out if he doesn't follow Mr. Quickstep, so he sets off with Tungsten. Naturally, Coppernickel and Mr. Quickstep bump into each other again, which allows Mr.Quickstep to fling open the door to the future by showing Coppernickel his last, most modern work. What stands out here is how Mr. Quickstep's attempt to find an abstract essence in the very stuff of reality is woven right into the illustrations of this graphically distinguished work, giving children the sense that the future is theirs to create as they see it. Dreams can become reality and in the process we too will be transformed. Wouter van Reek went to art school, which was too easy, so he changed to mathematics, which was too hard, so he changed back to art. After art school, he created an animated cartoon series for TV, introducing Keepvogel (Coppernickel) and Tungsten, a super bird/dog team. Wouter has created numerous animations and books about these famous and beloved Dutch

characters.

No one ever said it was easy being a monster. Take Frankenstein, for instance: He just wants to marry his undead bride in peace, but his best man, Dracula, is freaking out about the garlic bread. Then there's the Headless Horseman, who wishes everyone would stop drooling over his delicious pumpkin head. And can someone please tell Edgar Allan Poe to get the door already before the raven completely loses it? Sheesh. In a wickedly funny follow-up to the bestselling Frankenstein Makes a Sandwich, Adam Rex once again proves that monsters are just like you and me. (Well, sort of.) Uses examples of the modern artist's works to teach the youngest of children colors, from purple horses to golden monkeys. 20,000 first printing.

Presents a biography of French artist Henri Rousseau, who spent his life as a toll collector, but created unheralded masterpieces in his spare time.

From the bestselling author of Lily and the Octopus and The Editor comes a warm and deeply funny novel about a once-famous gay sitcom star whose unexpected family tragedy leaves him with his niece and nephew for the summer. Patrick, or Gay Uncle Patrick (GUP, for short), has always loved his niece, Maisie, and nephew, Grant. That is, he loves spending time with them when they come out to Palm Springs for weeklong visits, or when he heads home to Connecticut for the holidays. But in terms of caretaking and relating to two children, no matter how adorable, Patrick is, honestly, overwhelmed. So when tragedy strikes and Maisie and Grant lose their mother and Patrick's brother has a health crisis of his own, Patrick finds himself suddenly taking on the role of primary guardian. Despite having a set of "Guncle Rules" ready to go, Patrick has no idea what to expect, having spent years barely holding on after the loss of his great love, a somewhat-stalled acting career, and a lifestyle not-so-suited to a six- and a nine-year-old. Quickly realizing that parenting--even if temporary--isn't solved with treats and jokes, Patrick's eyes are opened to a new sense of responsibility, and the realization that, sometimes, even being larger than life means you're unfailingly human. With the humor and heart we've come to expect from bestselling author Steven Rowley, The Guncle is a moving tribute to the power of love, patience, and family in even the most trying of times.

Drake Pearson, a narrow-minded 18-year-old barely enduring Missouri's heat, is tired of feeling empty. Living conditions are about as cozy as a cardboard box, on account of his alcoholic father who can find nothing better to do than argue relentlessly with him. When Drake thinks he can't take another blow, he is reminded daily of his mom who vanished twelve years ago. And now there's a dead body. After a terrible accident turns into a protected secret, a twisted string of events brings Drake miles away from home to an elderly man's front door. Every promising opportunity also brings new doubts and temptations to run away—this time for good. When the secret he has kept locked away threatens to reveal itself, Drake knows he must shield it with his very life, even if the love he has been shown undeservingly is about to be destroyed.

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

In celebration of its 25th anniversary, the bestselling classic is introduced to a new generation-with an added preface by Warhol's diarist and long-time friend, Pat Hackett, contemplating Warhol's lasting cultural impact. This international literary sensation turns the spotlight on one of the most influential and controversial figures in American culture. Filled with shocking observations about the lives, loves, and careers of the rich, famous, and fabulous, Warhol's journal is endlessly fun and fascinating. Spanning the mid-1970s until just a few days before his death in 1987, THE ANDY WARHOL DIARIES is a compendium of the more than twenty thousand pages of the artist's diary that he dictated daily to Pat Hackett. In it, Warhol gives us the ultimate backstage pass to practically everything that went on in the world-both high and low. He hangs out with "everybody": Jackie O ("thinks she's so grand she doesn't even owe it to the public to have another great marriage to somebody big"), Yoko Ono ("We dialed F-U-C-K-Y-O-U and L-O-V-E-Y-O-U to see what happened, we had so much fun"), and "Princess Marina of, I guess, Greece," along with art-world rock stars Jean-Michel Basquiat, Francis Bacon, Salvador Dali, and Keith Haring. Warhol had something to say about everyone who crossed his path, whether it was Lou Reed or Liberace, Patti Smith or Diana Ross, Frank Sinatra or Michael

Jackson. A true cultural artifact, THE ANDY WARHOL DIARIES amounts to a portrait of an artist-and an era-unlike any other. NATIONAL BESTSELLER • NATIONAL BOOK CRITICS CIRCE WINNER • With music pulsing on every page, this startling, exhilarating novel of self-destruction and redemption "features characters about whom you come to care deeply as you watch them doing things they shouldn't, acting gloriously, infuriatingly human" (The Chicago Tribune). Bennie is an aging former punk rocker and record executive. Sasha is the passionate, troubled young woman he employs. Here Jennifer Egan brilliantly reveals their pasts, along with the inner lives of a host of other characters whose paths intersect with theirs. "Pitch perfect.... Darkly, rippingly funny.... Egan possesses a satirist's eye and a romance novelist's heart." —The New York Times Book Review

This is the story of Andy Warhol—and how his pop art took the world by storm. From drawing shoes for a shoe company to his Campbell's Soup cans and Marilyn Monroe prints, Andy made art out of the everyday. People claimed Andy's art wasn't real art, but that didn't stop him from making it, plus movies, a magazine, a TV show, and more! With Art Is Everywhere, Jeff Mack explores Warhol's fascination (and our own) with celebrity and fame, and opens readers' minds to the possibilities for art in the world around us.
