I'm good at two things: finding treasure and killing demons. Lying low is a close third-but not because I want to be good at hiding. I have to be. I'm a FireSoul, one of the unlucky few to inherit a piece of the dragon's soul. Being born with the dragon's covetousness should be a sweet gig - I have the power to find and steal any type of treasure, including the powers of other supernaturals. But it doesn't come without a price - stealing powers requires that I kill, and others would destroy me if they discover what I am. In a world full of magic, hiding my species is the only way to survive. Finding magical

artifacts is the only way to pay the bills. It's a dangerous job when you can barely use your magic, but that's one of the things I like about it. When Aidan Merrick, the most powerful shifter in the city, hired me to find an ancient scroll, I didn't want to take the job. His immense amount of power reminds me of too much of murky memories from a past I can't remember. But I don't have a choice. The scroll reveals what I am. And if anyone finds out, I'm dead.

There's a monster on the loose, and only I can stop him. My enemy Drakon is on the hunt for dragons, and I'm on the hunt for him. Problem is, he's a step ahead of me every time.

Worse, I'm a pawn in chess game only he understands.

When Drakon puts my hometown under a horrifying freezing spell, I get the first terrifying clue to his plan. My family is trapped, slowly wasting away. I must break the spell before it's too late, but the task might kill me. Though I've got my friends at my back, I'm the only one who can stop Drakon.

And I'm not sure my magic is strong enough to do the job.

Another Dragon Fantasy for everyone who fell in love with the Dragon Lore Series and my other dragon-saturated books. By his own admission, Johan's always been one stubborn bastard. He's wedded to his freedom, and the thought of bonding with a dragon has some pretty serious downsides. If he doesn't sign on to become magical, though, he'll be left behind—also not an acceptable outcome.

Distant relatives to dragons, sea-serpents are gaining strength shockingly fast. Breeding farms spring up on distant outposts, spitting out all manner of evil. Katya, dragon shifter and twin to the dragons' prince, thought she wanted Johan as her mate, but he has more rough edges than she counted on. Besides, the serpent problem supersedes everything. She's used to dragons being in charge, but when a serpent almost steals her will, it's quite the wakeup call her magic isn't as potent as she always assumed. Is the age of dragons drawing to a close? savior of our people. I know they're wrong. My entire life I've been an assassin, but after a botched job, I'm the most wanted sorceress in the world. I lie low, taking whatever jobs I'm given. When I'm assigned a new partner, a dragon shifter named Deacon, he strides into my life like he belongs, whether I want him or not. My heart's been burned before, so despite his sexy charm--or maybe because of it--I definitely don't want him. When the fae court declares I've fulfilled an ancient prophecy, they anoint me the Dragon Fae, the mythical savior of our people. That explains Deacon's presence. He's the Dragon Fae's fated mate. Problem is, the fae court is manipulating this sacred legend. Lies may be my trade, but I can't stand for this deception. So I cut a deal. If Deacon and I can stop a terrorist plot, I can go back to lying low. If we fail, they'll make me the Dragon Fae. I was raised on this myth, and the most memorable part? The Dragon Fae dies young and alone--and the fae court has shown they'll do whatever it takes to make the prophecy come true. If I don't take fate into my own hands, the fae court will do it for me. Dragon Fae Prophecy is the first book in a fae urban fantasy series with a slow-burn romance.
