Sex, decisions, and motorbikes. As a member of the Unforgiven Riders, EC, the sweet, baby-face of the club, did whatever was needed to help his brothers, often utilizing his good looks, body, and charm. But his focus becomes divided when his past mistakes cause him to lose the only two people who have ever held a place in his heart. After being hurt by the two people who meant the most to her, Click - aka Mae - fled, needing to find herself again and settle the war raging in her heart. But finding peace may just be the hardest thing she has ever had to do. Because she knows she must decide whether to choose one of them or let them both go. Levi has never been one to publicly share his sexuality, but in order to get what, deep down, he knows his heart wants, he will shout it from the rooftops. He needs to make his feelings clear. Being without them isn't an option anymore. Will EC, Click and Levi get what's theirs?

Things are about to heat up... Brandi Vaughn wishes she could stand out. She'd do anything to get out from behind the shadow of her socialite family--which now includes Dani, her half sister, recently discovered to be the most powerful vampire known to their kind. But Brandi is more extraordinary than anyone realizes. The fiery young vamp has a secret elemental power--an inner flame that

she must keep under control so as not to reveal herself to the dangerous rogue vampire targeting exceptional talents like hers. But when two desperate followers of the Rogue attempt to kidnap Dani during her wedding ceremony, Brandi lets loose with a pyrotechnic display that doesn't go unnoticed... As the vampire nation comes face-to-face with the threat of the Shade army, Brandi is caught in an emotional tug of war between the light and the dark. Torn between the affections of lovers from both factions, she will need to choose who to trust with her heart: a warrior or a rogue.

Mackenzie Day constantly struggles to silence the voices in her head. The inner thoughts of those around her intrude upon every aspect of her life, threatening to turn it into chaos. All her life, she thought she was alone as a mind reader--a freak. Then a member of a secret organization called The Unseen suddenly introduces himself, and she's immersed in a world she never knew existed. They teach her to hone her skills as a reader, but to what end? Secrets surround her, humming just out of reach, filling her with questions. Who are they? What do they do with their mind-reading abilities? In the end, just how far will Mackenzie go to be part of The Unseen?

Recounts the story of Amanda Hamm, who was convicted of child endangerment after the 2003 drowning deaths of her three children.

Since the days of "frontier justice" and "blood atonement," Utah has struggled with issues of capital punishment. Years after the Mountain Meadows massacre, John D. Lee was shot to death seated on his coffin in a theatrical, media-conscious staging, while some fifty other perpetrators went unpunished. Despite pleas for clemency from the daughter of an LDS church president and others, labor reformer Joe Hill was executed, due as much to corporate indignation as to the merits of the case against him. One of Utah's death row inmates was the first to challenge the constitutionality of his sentence as "cruel and unusual"; another, Gary Gilmore, broke the ten-year, nationwide moratorium on state-supervised executions. Recently William Andrews became the second Utahn to be executed without having committed murder. As Paul Swenson wrote in the Salt Lake Tribune, "This is the kind of stuff that makes you realize why we need Halloween -- because we can't deal with real blood, real death, the ghosts of our actual past."

They are the half-bloods, the broken, the unforgiven. They failed themselves and their people. They are outcasts. Then, in the bitter wilds of Rashemen, they receive a desperate plea they alone can answer. If they succeed, it could mean their redemption. But if they fail, a troubled past will be the least of their problems. About the Author Keith Francis Strohm is the current Chief Operating

Officer of Paizo Publishing, LLC, and the Publisher of Dragon and Dungeon magazines. Prior to that, he was the Vice President of Pokemon®, the Director of the Roleplaying and Miniatures categories, and the Brand Manager for Dungeons & Dragons®--all at Wizards of the Coast. He is the author of the Greyhawk® novel The Tomb of Horrors, and he has written three short stories for the Forgotten Realms. This is his second novel.

On an Earth decimated by war, a lone gunslinger delivers justice, protecting the innocent and righting the wrongs of a broken world. Some call him lawman. Some call him madman. Some call him vigilante. Some call him killer. Some call him legend. They all call him... ..the Sheriff. This is chapter two of his story. In the tradition of classic westerns and set against a post-apocalyptic sci-fi backdrop, if you like Fallout, Firefly, Mad Max, or the Dark Tower, you'll love The Sheriff.

After having overcome tremendous challenges to save a love that transcends the boundary between heaven and earth, Nora and Patch must face an adversary with the power to destroy all that they have worked for.

Before he was freed by Neferet, Kalona was imprisoned within the earth for centuries because of the Darkness in his heart. But what happened to the Other World's Kalona? It's as though he's been forgotten, or maybe he never existed at all ... In the present, Other Neferet may

have left her House of Night, but she has far from given up her goal of immortality and world domination. As she operates in secret to gain access to Old Magick, the new High Priestess, Anastasia Lankford, works toward peace and acceptance for the vampyres of the Other World. But just as Other Kevin's broken heart will take time to heal, peace in that world will also take time and work—and not all of the Other World vampyres want peace. After all, why should they return to being shunned by humans, especially when they've had a taste of how it feels to be in power? Meanwhile, Zoey is desperate to help rid the Other World of Neferet once and for all, and not knowing what's going on over there is eating away at her. But, as the Nerd Herd warns, it's far too dangerous to call on Old Magick time and again. As a distraction, she throws herself into her work and attempts to bring the humans and vampyres of Tulsa closer together with the first human-vampyre swim meet in history! It's too bad that something always seems to go wrong whenever the stakes are high. What happens when worlds clash and powers that should be left alone are awakened? Can Other Kevin and his world heal from the wounds Neferet continues to inflict? Can Old Magick ever truly be harnessed and used for good? Or will Darkness extinguish Light and leave our heroes broken, hopeless, and as forgotten as Kalona of the Silver Wings? Don't miss this second to last volume in the House of Night Other World saga!

They are big, strong and silent. Their faces are hidden behind masks, and their bodies are enclosed in armor suits. They took me from my home in the middle of the night and have been holding me in isolation for months. I don't fully understand the purpose of my captivity. No one explains anything to me. No one talks to me. Nearly driven to madness, with no more hope for freedom, I no longer care if I live or die. And then he speaks to me. Just a few words... He

throws me a lifeline and helps me find my way back to sanity. He becomes my only companion. My light in the darkness. I suspect they may not be entirely human. What's worse is that he may be one of them. Can I have everything I've ever wanted... so why do I still feel like the kid who came from nothing? Please help him... Three little words that have haunted me for years. Three little words that I know I'll take to my grave. It was supposed to be just another fight. Another few minutes of using my fists and my so-called natural "gift" for fighting to raise the cash I needed to save my little brother's life. But it wasn't just another fight. Yes, I had walked away with the prize money and yes, I had saved my brother, but I'd also destroyed not one, but two lives. I'd left my opponent broken on the ground with his eight-year-old brother begging the onlookers around him for help. Begging me for help. But I'd walked away... Fifteen years later and that little boy is now a bitter, broken young man standing over his brother's grave; the grave I might as well have put him in. I want nothing more than to help Micah Fox escape the hell his life has become, the life I condemned him to, but he wants nothing to do with me. But I can't walk away this time. I won't. Micah I'm so close to escaping my ugly little world that I can practically taste it. No way in hell am I letting the man who put me there try to play hero now. That night was supposed to change my life. It did. Just not in any way I could have ever conceived of. Fifteen years ago, the man known only as Zeus to his fans left my brother a broken man who wanted nothing to do with the world around him. I couldn't save my brother, but I sure as hell can make

sure my niece and nephew have a future... the one their father should have had. Zeus or Con or whatever the hell his name is wants to help me now? Not happening. He might know how to turn on the charm and play to his legions of adoring fans, but he and I both know what kind of monster lurks inside him. Okay, so what if strange things happen in my belly when he touches me? What if I feel a little stronger when he wraps his arms around me and promises me that everything will be okay? It's not real. It can't be. Because hate is all I have right now. If I let Con take that from me... Like I said... it can't be real. I won't let it be.

In the early 80s, 20 West Indian cricketers were paid more than \$100,000 each to take part in rebel tours of apartheid South Africa. When they returned home to the Caribbean they were banned for life and shunned by their countrymen. Some turned to drugs, some to God, while others found themselves begging on the streets. This is their untold story.

"In every person there is a bit of barbarian waiting to be unleashed. A moment when one must decide what one is willing to accept. Death, defeat, or allow one's carnal rage to take control and consequences be damned." Skharr DeathEater A lone DeathEater has forsaken his clan. Leaving behind his previous life he starts building a future next to a dangerous forest in an unknown land. He tells himself it is better than taking gold for questionable reasons. A lone old man travelling with a donkey offers him a choice: Continue this farm life, or trade him Skharr's just finished home and tilled land for a map. A map that Skharr can use to live large for years... If he survives. The old peddler watches him. Realizing the intelligence, the polished actions of the huge man is but an act. A carefully orchestrated semblance of civility, and shudders. Of all the Barbarian hordes, the rumor was to never, ever upset a DeathEater. ----- A lost starship... A dire warning from futures past... A desperate search for salvation... ----- Captain Mitchell "Ares" Williams is a Space Marine and the hero of the Battle for Liberty, whose Shot Heard 'Round the Universe saved the planet from a nearly unstoppable war machine. He's handsome, charismatic, and the perfect poster boy to help the military drive enlistment. Pulled from the war and thrown into the spotlight, he's as efficient at charming the media and bedding beautiful celebrities as he was at shooting down enemy starfighters. After an assassination attempt leaves Mitchell critically wounded, he begins to suffer from strange hallucinations that carry a chilling and oddly familiar warning: They are coming. Find the Goliath or humankind will be destroyed. Convinced that the visions are a side-effect of his injuries, he tries to ignore them, only to learn that he may not be as crazy as he thinks. The enemy is real and closer than he imagined, and they'll do whatever it takes to prevent him from rediscovering the centuries lost starship. Narrowly escaping capture, out of time and out of air, Mitchell lands at the mercy of the Riggers - a ragtag crew of former commandos who patrol the lawless outer reaches of the galaxy. Guided by a captain with a reputation for cold-blooded murder, they're dangerous, immoral, and possibly insane. They may also be humanity's last hope for survival in a war that has raged beyond eternity.

“MaryJanice Davidson’s Undead series is laugh-out-loud funny.”—Heroes and Heartbreakers  
New York Times bestselling author MaryJanice Davidson is back. So is Betsy Taylor,  
“everyone’s favorite vampire queen” (Bitten by Books) and this time Betsy’s going viral... If

Betsy Taylor has learned anything about ruling Hell it's: 1) She can't do it alone, and 2) She doesn't have to. She's got the help of a devoted vampire king, a dateless zombie, an exhausted new mom, an unshowered cop, a bitchy ghost, a kindly dead priest, and her late stepmother ("Go Team Satan 2.0!"). But the latest major hurdle in her afterlife is so big she can't even see it until it's on YouTube. Betsy's father and half sister Laura (a former Antichrist with a grudge) have teamed up, for what sinister purpose Betsy can't imagine. The former Antichrist didn't take kindly to getting what she wished for, and has decided that's entirely the fault of the vampire queen. What that means for Betsy is trouble (more than usual, even) and possible exposure to an unsuspecting world. Meanwhile Hell is having a deleterious effect on Betsy's friends ("I didn't think it was possible, but the damned are getting meaner."), the newly dead are confused about Hell's new rules ("A buddy system? Really?"), and the vampire king is trying to poach on Betsy's territory. Betsy loves her husband, but that's not the same as trusting him. Before long the king and queen of the vampires aren't speaking to each other, the mansion on Summit Avenue is a war zone, and Betsy's getting calls from a werewolf, a mermaid, and worst of all, her mother ("What do you mean you can't babysit?"). No one said life after death would be easy, but c'mon: this is ridiculous.

Grand Master is book 3 in Marina Simcoe's Paranormal Romance series, Demons.

Sheriff Hayden Duke was born on the Starship Pilgrim, and expects to die there. Access points to the ship's controls are sealed, and systems that guide her are out of reach. It isn't perfect, but he has all he needs to be content- until his wife

disappears. The only clue is a bloody hand print beneath a hatch that hasn't opened in hundreds of years.

The war is over. Earth is lost. Running is the only option. It may already be too late. Caleb is a former Marine Raider and commander of the Vultures, an elite search and rescue team that's spent the last two years pulling high-value targets out of alien-ravaged cities and shipping them off-world. Now he's on the last starship out, under orders to join forty-thousand survivors on their journey to a new home. It's not the mission he wants, but it's a mission he's doing his best to accomplish. When Caleb meets the colony's head sheriff, she represents an opportunity for a fresh start and a chance to leave his old life behind for good... Only the mission will be harder to complete than either of them realize. And the colonists will need the old Caleb more than he ever imagined... Enter the universe of the Forgotten with *Deliverance*, the first book in the Forgotten Colony series. If you're a fan of *Aliens*, *Battlestar Galactica*, *Starship Troopers*, *Ender's Game*, or *Edge of Tomorrow*, you'll love this epic military sci-fi thriller.

"A writer of great wit and style... I've read her books to ragged shreds." -Kate Fenton, *Daily Telegraph*

Horatia Winwood is simply helping her family When the Earl of Rule proposes marriage to her sister Lizzie, Horatia offers herself instead. Her sister is already in love with someone else, and Horatia is willing to sacrifice

herself for her family's happiness. Everyone knows she's no beauty, but she'll do her best to keep out of the Earl's way and make him a good wife. And then the Earl's archenemy, Sir Robert, sets out to ruin her reputation... The Earl of Rule has found just the wife he wants Unbeknownst to Horatia, the Earl is enchanted by her. There's simply no way he's going to let her get into trouble. Overcoming some misguided help from Horatia's harebrained brother and a hired highwayman, the Earl routs his old enemy, and wins over his young wife, gifting her with a love that she never thought she could expect. "Reading Georgette Heyer is the next best thing to reading Jane Austen."-PUBLISHERS WEEKLY From the New York Times bestselling author of the Marked Men series comes an irresistible and suspenseful romance between a doctor who plays by the rules and the outlaw who breaks them in order to protect her. Dr. Presley Baskin has always lived a quiet, calm life. Unfortunately, nothing about her life in Loveless, Texas -- especially not the wild, rowdy, and impossibly close-knit Lawton family who've claimed her -- is quiet or calm. Which is how loner Presley finds herself roped into patching up local bad boy Shot Caldwell against her better judgment. Presley wants nothing to do with the dangerous, brooding leader of the local outlaw motorcycle club. But when someone starts stalking her, Shot is the only person she trusts to help. Plus he owes her one . . . Palmer 'Shot' Caldwell has

always known his life isn't made for relationships. At least until shy, secretive, Presley reluctantly pulled a bullet out of him. He's oddly protective of the pretty doctor, so when she comes to him for help, hard-hearted Shot suddenly realizes there's nothing he wouldn't do to keep her safe.

IN A PLACE OF PEACE DURING A TIME OF WAR THE UNFORGIVEN WILL NOT GO FORGOTTEN. Edenville, 1940. In a rural hamlet where the majority of men are overseas to fight Hitler's Nazi war machine, someone is killing veterans of the first world war. Wartime Special Constable 'Lame' Eddie Sommers, a crippled rich boy and the butt of derision, is doing his best to fill a uniform he believes in, yet wears too large. Inexperienced and out of his depth, he turns to a former detective and veteran of the western front for assistance. Involving Marshall Geary might be his biggest mistake. Marshall wears a copper mask, as much to hide behind as to conceal his disfigurements. He struggles against howling flashbacks and the lingering stench of his own concealed crimes. In a town meant for sanctuary, repressed horrors awaken like worms in a collapsing coffin. The closer they get to the truth, the nearer everyone is dragged to their limits, their failings and their buried pasts.

A DEMON WITH FIRE IN HIS BLOOD... Groomed to slaughter, Morthanion spent millennia battling the forces of light, claiming countless lives. Captured and

banished to a remote island by the Mage Council, his fury knows no bounds - until he meets her. Mesmerized by her voice and beauty, he is powerless. A WOMAN HE COULDN'T RESIST... Aria knows survival means avoiding the other islanders at all costs. Yet when she encounters the dangerous, persistent Morthanion, it's clear all the rules have changed. But can she forgive him the wrongs he'd done and grant him her trust...and love? AN ISLAND MADE PRISON FOR THE UNFORGIVEN... Stripped of magic, Morthanion understands that savagery is necessary to survive. When Aria's true nature is revealed, the other inmates will stop at nothing to have her - and the demon would fight the entire world to keep her safe. ----- Warning: This book contains explicit sexual content and violence and is intended for mature readers only.

From David Baldacci--the modern master of the thriller and #1 worldwide bestselling novelist--comes a hero: a lone Army Special Agent taking on the toughest crimes facing the nation. And Zero Day is where it all begins.... John Puller is a combat veteran and the best military investigator in the U.S. Army's Criminal Investigation Division. His father was an Army fighting legend, and his brother is serving a life sentence for treason in a federal military prison. Puller has an indomitable spirit and an unstoppable drive to find the truth. Now, Puller is

called out on a case in a remote, rural area in West Virginia coal country far from any military outpost. Someone has stumbled onto a brutal crime scene, a family slaughtered. The local homicide detective, a headstrong woman with personal demons of her own, joins forces with Puller in the investigation. As Puller digs through deception after deception, he realizes that absolutely nothing he's seen in this small town, and no one in it, are what they seem. Facing a potential conspiracy that reaches far beyond the hills of West Virginia, he is one man on the hunt for justice against an overwhelming force.

1665. When Elise de Lesseps is sold in marriage to Lord Edward Asher, she resolves to be an obedient and dutiful wife, until, on their wedding night, she finds out exactly what her husband has in store for her. His request leaves her feeling shocked and humiliated, but being his chattel, she has no right to refuse. The consequences of that night seal Elise's fate, and set her on a path that will lead to heartbreak and tragedy. 2013. Renowned archeologist, Dr. Quinn Allenby has a gift; she can see into the past when holding an object that belonged to the dead. When asked to host a BBC series called "Echoes from the Past," Quinn uses her gift to find out what really happened to the 17th century couple known only as "The Lovers," and unwittingly stumbles onto the secret of her own birth.

"A smart and gripping debut that saves its best for last." —Chris Cleave, #1 New York Times bestselling author of *Little Bee* "[A] thoroughly satisfying and suspenseful debut...the final twist in the murder plot will catch many readers unaware, as will the surprising emotional heft of the

narrative, which traces the damage wrought by secrets and good intentions gone awry.” —Publishers Weekly For fans of Louise Penny and Tana French, this “unsettling...compelling” (Glamour) thriller explores the devastating repercussions of a long-ago crime as it delves into forbidden relationships, the emotional bond between mothers and daughters, and the dark consequences of harboring secrets. It is the summer of 1956, and fifteen-year-old Betty Broadbent has never left the Cornish fishing village of St. Steele or ventured far beyond the walls of the Hotel Eden, the slightly ramshackle boarding house run by her moody, unpredictable mother. But Betty’s world is upended when a string of brutal murders brings London’s press corps flooding into the village, many of whom find lodging at the Hotel Eden. She is instantly transfixed by one of the reporters, the mysterious and strangely aloof Mr. Gallagher—and he, fully twice her age, seems equally transfixed by her. The unlikely relationship that blooms between Betty and Mr. Gallagher is as overlaid with longing and desire as it is with impropriety and even menace. And as the shocking death toll rises, both Betty and Mr. Gallagher are forced to make a devastating choice, one that will shape their own lives—and the life of an innocent man—forever. The revelations in Powell’s haunting debut will give you chills, and her unforgettable heroine will break your heart.

3 enemies... 2 cities... 1 sheriff... BOOM!For Sheriff Duke, the danger has reached the final countdown. Captured, tortured, beaten but undefeated, it's sixty seconds to midnight and the only way to save his wife and daughter is through the fugitive he left home to hunt. The real enemy isn't what they seem and the history of the forgotten Earth is about to be rewritten...But will any of it matter if there's no one left to read it?Don't miss the thrilling conclusion to the series readers have called "superb, exciting, fantastic, and seriously good!!!!"

"Your pain is mine now, just as mine is yours." Pain of betrayal by the only man I've ever loved derails my life. As a professional marriage counsellor, I have the knowledge of the tools and techniques to help me cope, yet I find myself unable to use any of them effectively, plunging into a wide range of self-destructing behaviours, instead. A lifelong enemy of my family, the dangerously irresistible Raim, promises to be the most devastatingly destructive of them all. Yet he appears to be the only one capable of saving me from my pain and from myself. Neither of us knows that there is so much more that connects us all, more than even the former Grand Master of the Incubi Council who lived for a millennium could be aware of. Now, everyone with demons' blood in them will need to get together, before the apocalypse, masterminded by a man with nothing to lose, will end the Incubi's millennium-long existence in our world. The Last Unforgiven-Freed is the final book and the conclusion of Marina Simcoe's Demons series. Warning: The Last Unforgiven-Freed is a Paranormal Romance that contains graphic descriptions of intimacy and some violence. Intended for mature readers.

From the acclaimed composer and biographer Jan Swafford comes the definitive biography of one of the most lauded musical geniuses in history, Wolfgang Amadeus Mozart. At the earliest ages it was apparent that Wolfgang Mozart's singular imagination was at work in every direction. He hated to be bored and hated to be idle, and through his life he responded to these threats with a repertoire of antidotes mental and physical. Whether in his rabidly obscene mode or not, Mozart was always hilarious. He went at every piece of his life, and perhaps most notably his social life, with tremendous gusto. His circle of friends and patrons was wide, encompassing anyone who appealed to his boundless appetites for music and all things pleasurable and fun. Mozart was known to be an inexplicable force of nature who could rise

from a luminous improvisation at the keyboard to a leap over the furniture. He was forever drumming on things, tapping his feet, jabbering away, but who could grasp your hand and look at you with a profound, searching, and melancholy look in his blue eyes. Even in company there was often an air about Mozart of being not quite there. It was as if he lived onstage and off simultaneously, a character in life's tragicomedy but also outside of it watching, studying, gathering material for the fabric of his art. Like Jan Swafford's biographies Beethoven and Johannes Brahms, Mozart is the complete exhumation of a genius in his life and ours: a man who would enrich the world with his talent for centuries to come and who would immeasurably shape classical music. As Swafford reveals, it's nearly impossible to understand classical music's origins and indeed its evolutions, as well as the Baroque period, without studying the man himself.

ALLEGIANCE . . . the ties that bind. Friendship, duty, blood. TREACHERY . . . when friendship is abused, duty turns to burden, and blood is not enough. UNFORGIVEN . . . because there are some things that can never be forgotten. Allegiance . . . Treachery . . . Unforgiven. War is imminent, and a spy has infiltrated Raphael's estate. But his target is not Raphael; it's his sister, Alexandra, whose earlier duplicity nearly cost Cyn her life. Raphael and Cyn are determined to play the spy's game, traveling to Mexico to discover who their enemy is and just how far he'll go to win. But once Raphael finds his sister, can he take the chance that she won't betray him again?

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend

upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

A lively dialogue between a foreign philosopher and a powerful statesman reflects the essence of Platonic reasoning on political theory and practice. It also embodies the philosopher's practical ideas about a utopian republic.

Deep in the wilderness of northern Canada a monster lurks. For years, he has fought an uphill battle for his humanity, only to lose it to the beast inside him at the end. When he attacks me in the woods then reluctantly helps me fight for survival, my strange journey to discover the troubled man who hides underneath the dreadful appearance and the gruff attitude begins. The more I get to know the man within the beast, the more reasons I find to appreciate the person I think he is. Until I find out that the most terrifying thing about him is not his wild looks, not even his volatile temper, but his connection to the monster of my past. **THE MOST TERRIFYING IS THE BEAST INSIDE HIM.** To Love A Monster is a contemporary paranormal romance that contains graphic descriptions of intimacy, potential triggers, and some strong language: Monster swears.

Intended for mature readers.

A precious scroll inscribed with a lost Buddhist sutra—once owned by Pu Yi, the last emperor of China—is illicitly sold to an eccentric French linguist, Paul d'Ampere, who is imprisoned as a result. In jail, he devotes himself to studying its ancient text. A young Western scholar in China hears this account from the grocer Toomchooq, whose name mysteriously connects him to the document. She falls in love with both teller and tale, but when d'Ampere is killed in prison, Toomchooq disappears, and she, pregnant with his child, embarks on a search for her lost love and the scroll that begins, "Once on a moonless night . . ."

A mistake made long ago . . . Pain buried so deep . . . When Bailey Trent returns home to her small Ozark mountain town after being away for nearly six years, she is prepared to face the ghosts of her past. It does not mean she's prepared to come face to face with the cruelest of those memories. Darren Cory's life is a shell of what it once was, and when he's forced to look at the cause of his agony over and over, hatred rises to further blacken his days. But hating Bailey also destroys him, forcing him to become someone he doesn't recognize or want to be. Can Darren find a way to move past the pain and forgive the woman he once cared so much for before his anger consumes them both? Or will he drag them both into the hell of an unforgiven past?
