Andrés Moreno. Sadistic drug lord. My most feared enemy. And my captor. I don't like to be touched. I'm the hacker-geek-goddess of the FBI. When I'm hiding behind my screen, I'm a safe distance from everyone; isolated, powerful. No man has ever touched me, but when I'm captured by Andrés, I no longer have the right to refuse. He's scarred and scary, and his cruel brother Cristian has tasked him with breaking me. The longer I remain trapped with him, the more I come to suspect that I'm not the only captive in his brother's home. Andrés' scars go deeper than the wicked furrows carved into his flesh, his pain reflected in the dark demands he imposes upon me. His obsession is twisted and wrong, but maybe I'm twisted, too. Do I want to be rescued from him? Or is he the one who truly needs saving?

Harvey Daniels' Literature Circles introduced tens of thousands of teachers to the power of student-led book discussions. Nancy Steineke's Reading and Writing Together showed how a teacher can nurture friendship and collaboration among young readers. Now, Daniels and Steineke team up to focus on one crucial element of the Literature Circle model; the short, teacher-directed lessons that begin, guide and follow-up every successful book club meeting. Mini-lessons are the secret to book clubs that click. Each of these forty-five short, focused, and practical lessons includes Nancy and

Harvey's actual classroom language and is formatted to help busy teachers with point-by-point answers to the questions they most frequently ask. How can I: steer my students toward deeper comprehension? get kids interested in each others' ideas? make sure kids choose just-right books? help students schedule their reading and meeting time? deal with kids who don't do the reading? get kids to pay more attention to literary style and structure? help special education and ELL students to participate actively in book clubs? get kids to expand their repertoire of reading strategies? make sure groups are on-task when I'm not looking over their shoulder? introduce writing tools (including role sheets) that support student discussion?. help shy or dominating members get the right amount of "airtime?" give grades for book clubs without ruining the fun? use scientific research to justify the classroom time I spend on literature circles? Each mini-lesson spells out everything from the time and materials needed to word-by-word instructions for students. The authors even warn "what could go wrong," helping teachers to avoid predictable management problems. With abundant student examples, reproducible forms, photographs of kids in action, and recommended reading lists, Mini-lessons for Literature Circles helps you deepen student book discussions, create lifelong readers, and build a respectful classroom community. A top-selling teacher resource line, The 100+ Series(TM) features over 100 reproducible activities in each book! Help your student form a solid understanding of the Spanish language. Building on the basics, this book covers common phrases, functional vocabulary, conjugation

For the past six years, Stephanie Nolen has traced AIDS across Africa, and 28 is the result: an unprecedented, uniquely human portrait of the continent in crisis. Through riveting, anecdotal stories, she brings to life men, women, and children involved in every AIDS arena, making them familiar. And she explores the effects of an epidemic that well exceeds the Black Plague in scope, and the reasons why we must care about what happens. In every instance, Nolen has borne witness to the stories she relates, whether riding with truck driver Mohammed Ali on a journey across Kenya; following Tigist Haile Michael, a smart, shy fourteen-year-old Ethiopian orphan fending for herself and her baby brother on the slum streets of Addis Ababa; chronicling the efforts of Alice Kadzanja, an HIV-positive nurse in Malawi; or interviewing Nelson Mandela's family about coming to terms with his own son's death from AIDS. Nolen's stories reveal how the disease works and spreads; how it is inextricably tied to conflict and famine and to the diverse cultures it has ravaged; how treatment works, and how people who can't get treatment fight to stay alive with courage and dignity against huge odds. Imagine the entire population of New York, Chicago, and Los Angeles combined infected with HIV, and its magnitude in Africa is clear. Writing with power and simplicity, Stephanie Nolen makes us listen, allows us to understand, and inspires us to care. Timely and transformative, 28: Stories

Grammar is an essential element of language learning. Yet it can be hard to teach and difficult to learn. Oxford surveyed over one thousand teachers to find out the biggest challenges facing grammar students. Elements of Success solves those challenges. Level-appropriate charts explain grammar in a clear, simple and highly visual way so that students can readily understand and review the grammar points. The charts have easy-to-understand explanations, manageable sections, and effective use of color making them accessible. Many of the grammar charts include common student errors. Grammar activities point students back to specific sections of the charts, so they know exactly where to look for help. The content is engaging, relevant, and meaningful, capturing students' interest. All the charts, activities, information and pronunciation notes use authentic, corpus-based language based on the 2-billion word Oxford English Corpus so that students learn grammar as it is most likely to be used by a native speaker. Additional Research Says notes, For Your Information notes, and Pronunciation notes throughout Elements of Success provide students with interesting, useful information. Extensive practice activities ensure students retain their learning, reducing time spent re-teaching the same grammar points. Students are given multiple ways to use the grammar so that they can not only remember it, but are able to apply it. All the grammar practice activities can be

adapted to the unique needs of the students and of the classroom. Think about It, Write about It and Talk about It activities are flexible, open-ended activities which integrate listening, speaking, reading, and writing skills, and engaging topic-based activities put grammar in context. Four-skills practice and critical thinking empower students to use language creatively and develop comprehensive language abilities. Elements of Success also allows students to practise anytime, anywhere through Elements Online Practice Plus. This easy-to-use site, designed specifically for English Language learners, provides students with all new practice activities and interactive games. Automatic feedback not only gives the right answers but explains why the answers are correct. The integrated discussion board and email tools allow students to communicate with one another. The Online Practice site includes the grammar charts, audio downloads of all the student book audio, and progress reports to show what students have mastered and what they still need help with. The comprehensive teacher's resources for Elements of Success include an easy-to-use learning management system which allows teachers to monitor their students' performance and communicate with their students online. Teachers can download all the resources, including student book answer keys, teaching notes, class audio, and audio scripts. Tests are available in a variety of formats to suit every classroom's

Why can't you hear a siren with your eyes? Spot an airplane with your hands? And how come a pickle on your ear isn't delicious? In *You Can't Take a Pickle with Your Ear* kids discover how each of their five senses is hard at work all day long, providing them with information and helping them get the most out of their daily lives. Whenever you think, "I'm oh-so-sweet," Pull off your socks and smell your feet! Sections such as "Hold Your Nose" and "Stick Out Your Tongue" (not the same time!) encourage hands-on investigations of what's happening inside kids' bodies and why a tongue is best for pickle tasting.

Deadly Duet, 1 Caleb Cassell always gets what he wants. Starting out as a

fighter, Caleb and his friend, Henry, have fought their way to the top. They've left a trail of bodies behind them and forged a life out of violence and illegal dealings. They control girls, guns, drugs, and are not afraid of taking out anyone who threatens their business. When Caleb first sees Donna working in the jewelry store, he knows he wants her. Donna's latest customer scares and excites her. She tries to fight off his advances but all too soon she gives in. One date turns into a second, and before she knows what's happening they're together. When the truth of who he is comes out, can Donna find it in her heart to remain with him? Who could love a crime boss that everyone fears? The Scarred One Deadly Duet, 2 Henry is the scarred one of the deadly duet. Everyone fears him, avoids him, and he takes his pleasures out on the whores he controls. He does whatever it takes to get the job done, even kill a woman's boyfriend in front of her. Lydia knows there is more to Henry than meets the eye but she will not be the one to find out the truth. She wants nothing to do with him or the world he's involved in. When they are kidnapped, she has to put her faith in him to get them out. Witnessing the damage done to Lydia, Henry promises to kill everyone responsible. With no other choice, Lydia sees the real man within him. She can no longer walk away as she has fallen in love with the scarred one. What will she do when his need for vengeance puts her at risk once again?
