

United States Marshal Shorty Thompson A Western Adventure The U S Marshal Shorty Thompson Western Series Book 1

Gold was the driving force for mass migration in the United States from 1849 at Sutter's Mill and into the 1880's in California, Nevada, Arizona, New Mexico and Colorado. In no time small settlements of a few people became a city of thousands. Those people needed supplies, food and clothing. Transportation was the number one issue. Every gold, silver and copper mining town, train and stage coach were a robber's paradise. So much gold and silver, so many gangs to try and steal it.

Saddle up and ride the same wild lonesome trails as US Marshal Shorty Thompson did in the 1870s through the 1890s. Feel the dry heat of hot desert floors and the bitter cold of snow-covered mountain passes, as Shorty gets shot and survives as he goes after lawless men. Though the novels are written about things that happened over 140 years ago, many of the old towns can be visited today. Many are in ruins, destroyed, but others still survive as haunting ghost towns. Western history lives on in this series. This is one you don't want to miss. This is the beginning of the Shorty Thompson US Marshal stories.

Although they knew nothing of his background, the Starretts offered their hospitality to Shane when he came to Wyoming in 1889

April first, 1891, ten year old Zack Wood and his six year old sister Penny, lay on the grassy bank of the river. They watched as riders ran the family stock from the corral then set fire to the barn. Across the river, Harrison and Kate Pascoe stood wide eyed with mouths open as those outlaws burned the Wood's barn. "Come on Kate we got to help um." Kate wide eyed said, "But Harrison, there's so many of them." "Yeah but mine and Zack's rifle hold fourteen bullets."

"Ernest Lageson Sr. was one of the guards shot. His son, Ernest Jr., a teenager at the time, agonized along with other hostage families waiting to hear if loved ones were alive. Now Ernest Lageson Jr. delivers an insider's account of both the notorious riot and life inside the most infamous prison in American history."--BOOK JACKET.

The 1870s. As opposed to the myths of popular culture, not everybody was swaggering around with six-irons strapped down and leading lives of mayhem. But there were the exceptions--every bit as evil, bloody and deadly as legends portray. And so too, was the law that handled these outlaws. In the mold of men like Bat Masterson and Wyatt Earp, M D "Shorty" Thompson is just that kind of lawman: Short on stature but tall on guts. Hand-picked by President Rutherford B. Hayes, he is one of best. And since United States Marshals of the 1870s handle desperados, this means just about everybody does seem to be using those strapped-down dragoons and wreaking havoc. For Marshal M D Thompson, its the life of a lawman. From frozen plains to burning deserts and from despicable morals to honorable hearts, the southwest is a place of extremes often hard to endure and harder still to accept. Marshal Thompson arrives too late to save the beautiful Sister Anna, who dies in his arms while asking for her priest. And yet Thompson is there to protect the monster accused of the crime. Why he couldn't have been there to save the nun and do justice to the killer is beyond Marshal Thompson's reckoning. But Thompson is the law and he can't just gun down the fierce-looking, 270 pound, 6 feet tall and change "Little Buck" Kilgore. Especially when everybody who is saying that the hombre is guilty, can't say they saw him do it. Marshal Thompson would rather face down a gang of outlaws than untangle such a mess. But if Thompson doesn't find evidence one way or the other--and find it quick--he might just be facing a gang of angry desperados that were previously ordinary folks wanting justice. Narrated in the authentically seasoned dialect of a southwestern storyteller, the Marshal Thompson series pays tribute to the thrilling and heartbreaking hardships of our nation's western history. Accurately reconstructing the sweeping landscapes of the old west, these novels document the times and historical locations largely ignored by writers who have not been there. Paul L Thompson actually has been there, and you will feel like you were there, too.

The true story of the 101st Airborne Division's most notorious squad of combat paratroopers—the inspiration for the classic WWII film, *The Dirty Dozen*. Since World War II, the American public has learned of the exploits of the 101st Airborne Division, the paratroopers who led the Allied invasions into Nazi-held Europe. But within the ranks of the 101st, one unit attained truly legendary status. Known as the Filthy Thirteen, they were the real-life inspiration for *The Dirty Dozen*. Primarily products of the Dustbowl and the Depression, the Filthy Thirteen became notorious within the elite Screaming Eagles for their hard drinking and savage fighting skills. From D-Day until the end of the war, the squad's heart and soul—and its toughest member—was a half Native American soldier named Jake McNiece. McNiece made four combat jumps, was in the forefront of every fight in northern Europe, yet somehow never made the rank of PFC. The Filthy Thirteen offers a vivid group portrait of hardscrabble guys whom any respectable person would be loath to meet in a dark alley: a brawling bunch whose saving grace was that they inflicted more damage on the Germans than on MPs, the English countryside, and their own officers.

From bestselling authors William W. Johnstone and J.A. Johnstone, the epic tale of a Rebel doctor surviving in the lawless aftermath of the Civil War continues . . . *Johnstone Justice*. What America Needs Now. A DEADLY CURE FOR JUSTICE When the war ended, Dr. Samuel Knight went home to Texas—but the life he expected was in ruins, his wife married to a carpetbagger. Trying to defend what's left of his previous existence, the good doctor is branded an outlaw and driven from Texas. Now he's laying low in New Mexico, with his image on wanted posters everywhere. But when the town explodes in violence, Knight will risk his neck to save innocent lives. After a cave-in injures a team of miners, Knight throws his cover aside to tend to their wounds. He catches the eye of Helena "Hellfire" Bonham, the mine's owner, who's wrapped up in a murderous dispute with her ex-husband over control of the land. She thinks he was responsible for the cave-in, and wants Knight to prove it. She's chosen well, because if Dr. Samuel Knight is quick with a scalpel, he's even faster with a gun. Live Free. Read Hard.

U.S. Marshal Shorty Thompson walked into the Colorado State Prison in Canon City, Colorado with Gus Bassett in handcuffs. After papers were shown, the warden walked with him as they walked down to six holding cells. "Marshal, you have just brought in the most dangerous man ever brought here. I know you had a tough job and I am grateful he is now under lock and key, guarded for the rest of his life." As Gus was shoved in a cell, in the next one was a handsome young boy. As Shorty glanced at him the boy said, "Howdy Marshal Shorty." "Howdy there, do I know you?" "Yes Sir, I am Bobby Skelton, Bob Skelton's boy. We met over in Glenwood Springs, years back." "What in the world are you doing in here?" "A crooked judge and jury found me guilty of killing my mom and dad. You know it isn't true Marshal Shorty. You know that for fact. No matter what that judge said, he said justice has been served. I say there is no justice, at least not for the innocent." "Well now let's just up an' see if we can't change that. How long have you been in here?" "Five long years." "What? How old are you now?" "Seventeen." "You mean you were sent to prison at the age of twelve!" "Yes Sir. If I'd been fifteen they'd hung me."

In 1966, most young men graduating high school in America only saw three options: go to college, wait to be drafted, or enlist. Ray chose enlistment, and for the next three years, embarked on the adventure of a lifetime around the world on a Navy Destroyer. Read firsthand accounts of working with NASA on Apollo capsule retrieval and participating in Naval rituals like crossing the Equator. Lose yourself in memories that have delighted friends and family for decades, now collected in this personal and honest look backward. In *A Sailor's Journey*, Ray Perrotti shares genuine, personal stories about Navy life during Vietnam. This memoir captures the good, the bad, and the hustle of a not-so-typical enlisted man, just trying to get through his commitment to serve.

With her husband injured and no men available, Mary, a sheltered ranch wife, and Katie, her teenage daughter, must save their ranch from foreclosure. Along with some dedicated friends, they trade their dresses for workpants to take on the rigors of a cattle drive. But the challenges ahead are greater than they imagine. Will they overcome with hearts and humor intact? Will they survive at all? It's a western adventure laced with humor and emotion.

Johnstone Country. Keeping the West wild. U.S. Marshal Will Tanner is one hell of a manhunter. But this time, he's chasing six men across three states with one gun and no backup. This isn't justice. This is a suicide mission . . . DIG YOUR OWN GRAVE It starts with a prison break in Missouri. When notorious bank robber Ansel McCoy busts out, he teams up with five other outlaws. Then he and his gang rob a bank in Kansas. Now they're crossing state lines into Oklahoma Indian Territory. And that's where U.S. Marshal Will Tanner steps in. Other marshals from Kansas and Missouri have already lost the trail. Which means Tanner has to go it alone. Deep in the wilderness. Outnumbered and outgunned. One good man against six blood-crazed killers. Even if he manages to survive the elements and find McCoy's hideout, it's not just the end of his search. It's his funeral . . . Live Free. Read Hard.

The first biography of the artist who "essentially invented indie and alternative rock" (Spin) A brilliant and influential songwriter, vocalist, and guitarist, the charismatic Alex Chilton was more than a rock star—he was a true cult icon. Award-winning music writer Holly George-Warren's *A Man Called Destruction* is the first biography of this enigmatic artist, who died in 2010. Covering Chilton's life from his early work with the chart-topping Box Tops and the seminal power-pop band Big Star to his experiments with punk and roots music and his sprawling solo career, *A Man Called Destruction* is the story of a musical icon and a richly detailed chronicle of pop music's evolution, from the mid-1960s through today's indie rock.

You Can Teach An Old Dog New Tricks . . .With *A Six-Gun!* When gold is discovered near the little town of No-Name, Colorado, the citizens are overjoyed at their good fortune. . .until trouble gallops down Maine Street on a horse straight out of Hell. For gold's closest companions are greed and murder, and every two-bit gunslick from the Atlantic to the Rockies is beating a path to the gold strike—which is practically on the doorstep of Smoke Jensen. They're looking to get rich quick. . .and never mind how it's done. But this legendary mountain man never learned how to back away from a good fight—and this one promises to be a whopper. Outnumbered a hundred to one, he recruits an army of his own: twenty aging but still lethal legends of the frontier of the frontier in the violent sunset of their grizzled lives. One thing you can count on: There's going to be a lot of blood spilled before anyone walks away with the gold.

Being the youngest and by far the smallest brother to the famous gunfighter Ben Thompson, M D had been called Shorty since he was ten years old. That didn't bother him at all, but being called 'little man', made him mad enough to take a quick leak on a rabid skunk. Rutherford B. Hayes, 19th. President of the United States needed a U. S. Marshal in the New Mexico Territory. When Shorty showed up in Washington D C, asking for help with some cattle rustlers, President Hayes knew he had his man. Wet and near frozen to the bone, James (Buffalo) Blackburn and all of his gold is saved by Shorty Thompson. Buffalo is grateful and gave Shorty a full partnership in a whole gob of gold. A mountain full and what he had packed on two mules he'd left tied to a stump about six miles back. All they had to do now was go back and get it. While Buffalo goes to New Mexico and buys a ranch, Shorty finishes off the outlaws in Wyoming. Not only is Shorty now a U. S. Marshal, he's also one of the richest ranchers in the New Mexico Territory.

Voyage To Crusoe is a fast-paced, action-packed saga with all the essential elements to keep the reader involved in the antics of the ragtag yacht crew. Suspense, larceny, lust, and lots of high seas adventure keep the pages turning.

Nobody can "play God without getting friendly with the devil."For four decades ghost-like Tonkawa cousins, Tuc and Potak, have exacted deadly revenge against the Comanche Indians. Whether it be working for the Texas Rangers and Capt. Bates or for the Army back in the day of Buffalo Hump during the height of the Comanche Conflict. Suddenly when it appears most of their adversaries have been escorted to reservations, a lone renegade with more grit than most, Raven, is committed to doing what his forefathers could not - kill the last remaining enemies of the Penateka Comanche.Raven recruits the help of a thirty-man war party from a reservation in the southwestern Oklahoma Territories. The aging Tonkawa enlist the aid of an old Army friend, Lt. Davie Hart, a soldier who had been as mean as a grizzly bear in his youth. After he left the Army, Hart worked as a marshal and a sheriff, bouncing from one town to the next until Potak convinced him to take one more tough challenge.Finally, the odds are reduced to ten to one. Who will survive the bloodbath that ensues? Once again Ash Lingam takes us on a Western Fiction Adventure through the Old West as we observe through the eyes of the author and the new country they encounter in their adventures across Texas and beyond.

March 19, 1886, nine U.S. Marshals from New Mexico, Colorado, Texas and Arizona were summoned to the Nevada State Prison in Carson City, Nevada.Shorty Thompson from New Mexico, Hopper Scranton from Arizona, Billy Hart, James Kilmer, Bob Betterton and Roy Denton from Texas. Then there was Larry and Jimmy Colman, along with Ron Hubbell from Colorado.The governor stood looking over these men. "Please, if my wife is alive bring her back to me. I wish you men luck and may you return safely."

"As gritty and hard-driving a thriller as you'll find....The action never stops, the language sings and stings." —Washington Post The City Primeval in Elmore Leonard's relentlessly gripping classic noir is Detroit, the author's much-maligned hometown and the setting for many of the Grand Master's acclaimed crime novels. The "Alexander the Great of crime fiction" (Pittsburgh Post-Gazette) shines in these urban mean streets, setting up a downtown showdown between the psychopathic, thrill-killing "Oklahoma Wildman" and the dedicated city cop who's determined to take him down. The creator of U.S. Marshal Raylan Givens of TV's *Justified* fame, Elmore Leonard is the equal of any writer who has ever captivated readers with dark tales of heists, hijacks, double-crosses, and murder—John D. MacDonald, Dashiell Hammett, James M. Cain, and Robert Parker included—and nobody then or now is better.

United States Marshal Shorty Thompson: a Western Adventure(the U. S. Marshal Shorty Thompson Western Series Book 1)

Janice McCord is fourteen years old, when the five Kraymon brothers ride in and shoot down her parents and twin brother Jack. She takes up Jack's name and her father's .45 to blaze a trail of revenge across the Territory of New Mexico. After out-gunning one of the brothers in a saloon in Silver City, New Mexico Territory, outlaw friends of his are hot on her trail. When they catch up to her on the side of a mountain, she leaves a few more dead. Her fast shooting and sharp wit, turns a couple of them from lawlessness to helping her track down the killers of her family. She's in jail, arrested for the murders of her family before she writes her cousin, U.S. Marshal Shorty Thompson for help. Help does arrive, but she still joins the outlaw gang that killed her family. Now they are getting ready to pull off the largest robbery in the Territory's history. Over a million dollars in gold will be crossing Tecolote Creek on Saturday. To make sure she is the one to get the killers of her family and the revenge she has sought for months, Janice may have to fight her three friends and her cousin Shorty, along with half the U.S. Cavalry. It matters not, she has a set mind and will do what she has to do, or get killed trying. This she promised her dead parents and twin brother Jack, she would be the one to get them all. Her revenge may not be swift, but definitely painful and final!

Bullets rip the air, snapping past Clay Barlow's head as, riding Blue, he charges a band of robbers surrounding the Austin stagecoach. Clay lets loose with a load of buckshot from his 12-gauge Roper

Repeating Shotgun. With his third blast, the robbers turn tail and race off into the Texas hill country, leaving one of their own dying in the hot Texas dust. At eighteen, Clay has been invited to join the Texas Rangers. Now, he rides to Austin to either put on the Rangers' badge, or fight for the law in Texas courts, fulfilling his parents wish that he becomes an attorney. Whether he protects Texas on the range or in the courtroom, his quick and deadly six-guns will not be stilled. Join Clay as his path takes him from brawls to blizzards to gunfights. The only question remaining, will he survive to choose between Law and Justice?

A gang of Texas outlaws kidnap U S Marshal Shorty Thompson, and is after his and Buffalo's Wyoming gold. Buffalo and his ranch foreman ride over two hundred miles to get little Janice McCord and her .45 to bring Shorty back alive. The horseback ride from New Mexico to Wyoming is filled with gunfights and crooked town sheriffs. Though Janice starts out two weeks behind, she catches sight of the gang in northern Colorado. If not for her trackers Indian friends, they could have been ambushed several times. Two Texas Rangers show up looking for the same gang, but the local law does not take too kindly to Rangers messing around in his town. Late one night while the outlaws were getting drunk in a saloon, Shorty makes a run for it. Early the next morning the outlaws grab Janice and Cloudy Dawn to take his place, as they leave their hotel room. Dawn is turned loose to find Shorty and tell him to back off or Janice is dead. Dawn strikes out on her own to free Janice and removes several outlaws from their saddles with an arrow or two. The gang is in total panic, thinking they are about to be scalped. When gold is found, greed takes over the minds of friend and foe alike. A bunch more men are about to die.

Carlos Webster was fifteen in the fall of 1921 the first time he came face-to-face with a nationally known criminal. A few weeks later, he killed his first man—a cattle thief who was rustling his dad's stock. Now Carlos, called Carl, is the hot kid of the U.S. Marshals Service, one of the elite manhunts currently chasing the likes of Dillinger, Baby Face Nelson, and Pretty Boy Floyd across America's Depression-ravaged heartland. Carl wants to be the country's most famous lawman. Jack Belmont, the bent son of an oil millionaire, wants to be public enemy number one. Tony Antonelli of True Detective magazine wants to write about this world of cops and robbers, molls and speakeasies from perilously close up. Then there are the hot dames—Louly and Elodie—hooking their schemes and dreams onto dangerous men. And before the gunsmoke clears, everybody just might end up getting exactly what he or she wished for.

Hailed as "toweringly important" (Baltimore Sun), "a work of scrupulous and significant reportage" (E. L. Doctorow), and "an unforgettable historical drama" (Chicago Sun-Times), Big Trouble brings to life the astonishing case that ultimately engaged President Theodore Roosevelt, Supreme Court justice Oliver Wendell Holmes, and the politics and passions of an entire nation at century's turn. After Idaho's former governor is blown up by a bomb at his garden gate at Christmastime 1905, America's most celebrated detective, Pinkerton James McParland, takes over the investigation. His daringly executed plan to kidnap the radical union leader "Big Bill" Haywood from Colorado to stand trial in Idaho sets the stage for a memorable courtroom confrontation between the flamboyant prosecutor, progressive senator William Borah, and the young defender of the dispossessed, Clarence Darrow. Big Trouble captures the tumultuous first decade of the twentieth century, when capital and labor, particularly in the raw, acquisitive West, were pitted against each other in something close to class war. Lukas paints a vivid portrait of a time and place in which actress Ethel Barrymore, baseball phenom Walter Johnson, and editor William Allen White jostled with railroad magnate E. H. Harriman, socialist Eugene V. Debs, gunslinger Charlie Siringo, and Operative 21, the intrepid Pinkerton agent who infiltrated Darrow's defense team. This is a grand narrative of the United States as it charged, full of hope and trepidation, into the twentieth century.

As soldiers preparing to drive the Comanche onto reservations raid Ten Bears' village, slaughtering its inhabitants, John Dunbar, now the Comanche warrior Dances With Wolves, must rescue his kidnapped wife and infant daughter.

"Speedy, exhilarating, and smooth. Nobody does it better." —Washington Post "The man knows how to grab you—and Pronto is one of the best grabbers in years." —Entertainment Weekly Fans of U.S. Marshal Raylan Givens of the hit TV series Justified are in for a major treat. The unstoppable manhunter with the very itchy trigger finger stars in Pronto, a crime fiction gem from the one and only Elmore Leonard, "the greatest crime writer of our time, perhaps ever" (New York Times Book Review). The Grand Master justifies the overwhelming acclaim he has received over the course of his remarkable career with an electrifying thriller that sends the indomitable Raylan racing to Italy on the trail of a fugitive bookie who's hiding from the vengeful Miami mob. The legendary Leonard, whom the Seattle Times lauds as the "King Daddy of crime writers," proves that all comparisons to American noir icons John D. MacDonald, Dashiell Hammett, and James M. Cain are well deserved with this tale of very dirty doings and extremely dangerous men coming together in the birthplace of Puccini, Garibaldi, and La Cosa Nostra.

A soiled dove at rock bottom. A mountain man broken and lonely. Can an unexpected encounter be their second chance at love? Jo Bradford never thought she'd end up a fallen woman in a mining-town brothel. But after running away from a family who loves her and falling into the clutches of a sinister outlaw, Jo found herself left with a devastating choice. Starvation or prostitution. After a brutal attack in the brothel leaves her with an ugly scar, she's cast out of the Parlor House, her only sanctuary from the outlaws she escaped from. Gideon Cross blames himself for his pa's disappearance. When he decided to search for his father, he left Jo behind with hopes of returning for her. Instead, news arrived that she was missing, and Gideon was left broken-hearted. After years of grieving, he is finally ready to move on and start the family he's always wanted, even if it isn't with Jo. When a twist of fate brings Jo and Gideon face to face again, can the grace of God mend their broken pieces and lead them to reclaim love, or will their past failures be too much to overcome? This gripping saga, full of heart-pounding adventure, will take you on an emotional journey of love and redemption in the majestic Rocky Mountains.

The NRA steadfastly maintains that the 30,000 gun-related deaths and 300,000 assaults with firearms in the United States every year are a small price to pay to guarantee freedom. As former NRA President

Charlton Heston put it, "freedom isn't free." And when gun enthusiasts talk about Constitutional liberties guaranteed by the Second Amendment, they are referring to freedom in a general sense, but they also have something more specific in mind---freedom from government oppression. They argue that the only way to keep federal authority in check is to arm individual citizens who can, if necessary, defend themselves from an aggressive government. In the past decade, this view of the proper relationship between government and individual rights and the insistence on a role for private violence in a democracy has been co-opted by the conservative movement. As a result, it has spread beyond extreme "militia" groups to influence state and national policy. In *Guns, Democracy, and the Insurrectionist Idea*, Josh Horwitz and Casey Anderson reveal that the proponents of this view base their argument on a deliberate misreading of history. The Insurrectionist myth has been forged by twisting the facts of the American Revolution and the founding of the United States, the denial of civil rights to African-Americans after the Civil War, and the rise of the Third Reich under Adolf Hitler. Here, Horwitz and Anderson set the record straight. Then, challenging the proposition that more guns equal more freedom, they expose Insurrectionism---not government oppression---as the true threat to freedom in the U.S. today. Joshua Horwitz received a law degree from George Washington University and is currently a visiting scholar at the Johns Hopkins Bloomberg School of Public Health. He is Executive Director of the Coalition to Stop Gun Violence and the Educational Fund to Stop Gun Violence. He has spent nearly two decades working on gun violence prevention issues. He lives in Arlington, Virginia. Casey Anderson holds a law degree from Georgetown University and is currently a lawyer in private practice in Washington, D.C. He has served in senior staff positions with the U.S. Congress, the Coalition to Stop Gun Violence, and Americans for Gun Safety. He lives in Arlington, Virginia.

Includes the Aerial Warfare In Europe During World War II illustrations pack with over 180 maps, plans, and photos. Gen Henry H. "Hap." Arnold, US Army Air Forces (AAF) Chief of Staff during World War II, maintained diaries for his several journeys to various meetings and conferences throughout the conflict. Volume 1 introduces Hap Arnold, the setting for five of his journeys, the diaries he kept, and evaluations of those journeys and their consequences. General Arnold's travels brought him into strategy meetings and personal conversations with virtually all leaders of Allied forces as well as many AAF troops around the world. He recorded his impressions, feelings, and expectations in his diaries. Maj Gen John W. Huston, USAF, retired, has captured the essence of Henry H. Hap Arnold---the man, the officer, the AAF chief, and his mission. Volume 2 encompasses General Arnold's final seven journeys and the diaries he kept therein.

Johnstone Justice. What America Needs Now. Bestselling authors William W. Johnstone and J.A. Johnstone give the classic American hero a real shot in the arm---in this epic story of a Rebel doctor fighting for justice in the aftermath of the Civil War . . . *VENGEANCE WITH A SCALPEL* On the blood-stained battlefields of a divided nation, Dr. Samuel Knight used his surgical skills to treat wounded Confederate soldiers. In the brutal prison camps of the Union Army, he offered his healing services to fellow captives who'd given up hope. But now, with the war over and the South in ruins, the good doctor faces his hardest challenge yet: to save himself . . . Penniless and hungry, Knight has to beg, borrow, and steal to survive in a post-war hell that used to be his country. By the time he reaches his home in East Texas, it's been taken over. Ruthless Union soldiers rule over the town with an iron fist. A Yankee carpetbagger is living in his old house---and the jackal has forced Knight's wife to marry him. A normal man might give up, but Dr. Samuel Knight is going to take back what belongs to him. With a heartfull of grit and a hunger for revenge and with swift, surgical precision, he'll stick a bullet in every dead man walking . . .

The Rio Grande runs right down the middle of the Mesilla Valley in southern New Mexico Territory. This rich soil was easy to water and toil. Farmers raised all the food for themselves as well as grains and hay for animals. The Jordan Textile Company found growing cotton in these southern valley's was must better than the war torn southern states. Shipping cost to bring in cotton from Cuba and the islands was too great. All that had to be done was hire killers and outlaws to burn these farmers out. Why pay good money and buy land when you can just kill off all the families? Betty Sue Gains' father was the first farmer killed. She went to the law, but Sheriff Brady Cole could not cross to the east side of the Rio Grande to bring those men to justice. She would have to do it, and this she would. Fourteen year old Betty Sue visited an ex-law man Leslie Trousdale, so he might teach her all about using the forty-five she now worn on her right hip. With this over, it was time for her to go after and kill every outlaw she could get in her sights. She had to be careful, if the outlaws found out who was knocking off their men, they might go after and do harm to the Carter family. This must not happen, it will not happen.

As opposed to the myths of popular culture, not everybody was swaggering around with six-irons strapped down and leading lives of mayhem. But there were the exceptions--every bit as evil, bloody and deadly as legends portray. And so too, was the law that handled these outlaws. In the mold of men like Bat Masterson and Wyatt Earp, M D "Shorty" Thompson is just that kind of lawman: Short on stature but tall on guts. Hand-picked by President Rutherford B. Hayes, he is one of best. And since United States Marshals of the 1870s handle desperados this means just about everybody does seem to be using those strapped-down dragoons and wreaking havoc. For Marshal M D Thompson, its the life of a lawman.
