**Paul L. Thompson**

**United States Marshal Shorty Thompson: a Western Adventure** Paul Thompson,2017-11-23 Saddle up and ride the same wild lonesome trails as US Marshal Shorty Thompson did in the 1870s through the 1890s. Feel the dry heat of hot desert floors and the bitter cold of snow-covered mountain passes, as Shorty gets shot and survives as he goes after lawless men. Though the novels are written about things that happened over 140 years ago, many of the old towns can be visited today. Many are in ruins, destroyed, but others still survive as haunting ghost towns. Western history lives on in this series. This is one you don't want to miss. This is the beginning of the Shorty Thompson US Marshal stories.

*U.S. Marshal Shorty Thompson - Marshal Shorty Please Help Us* Paul L Thompson,2021-02-09 Eleven-year-old twins, Paul and Patty Gates laid on grass on the north bank of the Rio Hondo, a few feet from water. An old sway back plow horse stood close by eating grass. Put your socks and shoes on, Patty. We'd better ride a few miles before sunup. We'll get to Picacho after a bit, I hope.As she slipped on those long, mid-calf socks and shoes she asked, Do you think it would be alright if I ate just a half piece of jerky? I'm so hungry. Sorry I ate all the food.A half will be alright. And drink lots of water. That will help your hunger. We don't know how much farther we have to go. Someone will tell us along the way.Paul led the horse over by a short dirt bank and helped Patty on it then upon that horse's bare back. He climbed on in front of her and tapped his heels to the horse's sides, Let's go Molly. With her arms around his waist, Pattie asked, Paul, what will happen to Daddy if we can't find Marshal Shorty? Can Mama-I mean-can we live without him?Patty, we'll find Marshal Shorty, I promise. And in plenty of time, wait and see. They turned west on that stage road.

**U. S. Marshal Shorty Thompson** Paul Thompson,2017-09-30 Four outlaws followed big Jake Ivey home after he sold a small cattle herd. Matt Crammer and his three men was a mean rotten bunch, but didn't know what they were getting themselves into when they followed Jake home, then robbed and shot him. Seventeen-year-old little Jake takes up their trail. He's to find where they hole up then ride back home and see if his pa is fit to ride. They'd go together and get their money.

Little Jake was gone longer than he ought'a been, so his little sister Rebecca sneaked off one night and went looking. When she runs into U S Marshal Shorty Thompson over in Tucson, Arizona she tells him she is going on seventeen, but really she'll be fourteen in less than a month. In the mountains of Mexico Shorty said she was very pretty standing naked in front of him, while an old Indian smiled at her youth. They followed Crammer down to Hermosillo, Mexico where he ties in with an old friend. With this gang of Mexican Banditos, they head for Gila Bend, Arizona and rob a train of just over two hundred thousand dollars. Marshal Shorty, little Jake and Rebecca stay close on their trail. Little Jake killed two of Crammers men and got big Jake's money back and several thousand dollars to boot. He kept up the pressure as Crammer cussed, wiped out tracks and did everything he could think of to lose these young trackers. Chasing and following them back to New Mexico, it all comes to a quick end, right in the doorway of Jake Ivey's ranch house.

**U. S. Marshal Shorty Thompson - Marshal Shorty Turns in His Badge** Paul L. Thompson,2018-08-18 Shorty came slowly riding into Denver, cradling a young girl in his arms. Behind the saddle sat a young boy no more than a year older than the girl. He rode straight to the doctor's office and helped them inside.Where did you find them Marshal? Around twelve miles west of town. The rest of the family is dead. And two more men and women. Did you get a name?Folks name was Homer an' Rachel Gilbreath. The boy's Nate, the girl Sally Ann. Doc you watch after um. I've got some huntin' to do.Do you have any idea who did this?No but I'll dad burn shor find out. After I go back an' bury that family that is.

**U. S. Marshal Shorty Thompson - from Texas to Montana** Paul Thompson,2017-12-09 U.S. Marshal, M D (Shorty) Thompson received a letter at his Fort Tularosa ranch, in western New Mexico. 'Dear Shorty, it saddens me to let you know Matt was killed and robbed of eleven thousand dollars and was buried today. April 19, 1881. Almost half of the stolen money was to pay off our ranch which the bank will foreclose on the first day of September. I know who killed my husband but the law cannot find him. It has been told he has family in Montana. I need your help if at all possible, or the children and I shall lose the ranch.'Sincerely, Nadine Rogers

**U. S. Marshal Shorty Thompson - Pure Raw Justice** Paul L. Thompson,2018-10-18 Christina danced wide of their table. Her castanets stopped clicking as she scooped up that hat with her money and started to run by their table. Mark

grabbed her wrist jerking her into his lap, he kissed her on the lips. She jerked back fighting and slapping his face hard, first one side then the other. Mark drew back his hand to slap her and over a dozen guns were pointed his way, all cocked. Gringo don you do that! No one touches our Christina an' lives. You will now leave! Do not return it would be very bad you do.

**U. S. Marshal Shorty Thompson - Trouble in Tascosa** Longhorn Publishing, Paul L. Thompson, 2020-10-29 U.S. Marshal M D (Shorty) Thompson's oversized ranch partner Buffalo, talked Shorty into letting him come along on this assignment in west Texas. James (Buffalo) Blackburn could be as stubborn as a sick mule about most everything. President Hayes sent Shorty a wire that had to be delivered by the Butterfield Stage Lines, telling him to head for Tascosa and round up some rustlers and land grabbers. A nagging feeling hit Buffalo to go along, not knowing this could lead them to the killers of his wife. Law or no law, nothing will stop Buffalo from beating them into a bloody pulp and ripping them apart limbs from body. He had waited too long to get his hands on these two low life murdering polecats. The local Ranchers around Tascosa had waited long enough for the Texas Rangers to show up, and Washington didn't seem to give a damn. Now they would take the matter into their own hands. Too much blood had been spilled in and around Tascosa and all of it theirs. With every farmer and rancher in the Panhandle using their guns, things were about to change. King or no damn King, a lot of men were about to die! Crooked law was about to be stopped. A huge showdown was coming in Tascosa. After being kidnapped and held for five months, Sherilea Bessmer escapes from the gang of outlaws. The only thing that kept her alive was her thoughts of revenge. She had a long time to think, and her choice of weapons will be one very sharp kitchen knife and one old wooden clothespin.

U. S. Marshal Shorty Thompson - Long Trail to Nowhere (Continued) Paul Thompson, 2017-12-28 Ron stood with hat in hand, Mister Johnson, I's needing to draw my pay, as I'll be taking up the trail after a bit. Trail, why's that? I'd like to travel a bit, being as Bobby ain't around no more. Just don't seem right without him. I can understand that. Jack went inside and came back with three month's pay. Now Ron, you've always made me a good hand. You come back any time yer wanting to, yer always welcome here. Where will yore trail lead? Nowhere.

*U. S. Marshal Shorty Thompson - the Martin Boys* Paul Thompson, 2017-12-09 Darrel and Bobby Lee Martin's parents, brothers and sisters, along with a gob of other folks were unlucky enough not to dodge Comancheros while making their way west for a new life. Bobby Lee, Darrel and several more children old enough to work were kidnapped and taken captive. A few weeks later, while their captors got drunk, Darrel and Bobby Lee cut and run, headed west. They stole two satchels, a dab of food, one box of sulfur matches, a Bowie knife and two canteens, one full the other well over half empty. The number one thing Darrel knew they would have to have to survive was one of those repeating rifles and a box of cartridges. Everything was easy to get, once those men got drunk. By walking and running, they should have seven or eight hours before anyone came looking. They walked all night and found a good hiding place by sunup. They slept by day and traveled by night

for the first two days then knew the outlaws and Indians had stopped looking for them. They kept walking northwest until they came upon a dead horse and a man lying face down with a bullet hole through his left shoulder. They couldn't just walk off and leave him, they'd stay and help. Perhaps he would live, or they could comfort him until he died.

**U. S. Marshal Shorty Thompson - Young Outlaws (almost)** Paul Thompson,2017-11-20 Can a young cowboy be too young to be a horse thief? Zack Wood, Harrison, and Marshall Pascoe were cousins and got into all kinds of trouble. All of it wasn't their fault, but enough was. May 23rd, 1889, being a late spring day and very hot, they sneaked off and went down to the river to go swimming. They had been told dozens of times not to go off anywhere without telling a grownup. The two younger boys were kidnapped, leaving 12-year-old Marshall to steal a horse and go after them.

**U. S. Marshal Shorty Thompson - Take Aim - Shoot Straight** Longhorn Publishing,Paul L. Thompson,2020-10-16 April first, 1891, ten year old Zack Wood and his six year old sister Penny, lay on the grassy bank of the river.They watched as riders ran the family stock from the corral then set fire to the barn.Across the river, Harrison and Kate Pascoe stood wide eyed with mouths open as those outlaws burned the Wood's barn. Come on Kate we got to help um.Kate wide eyed said, But Harrison, there's so many of them.Yeah but mine and Zack's rifle hold fourteen bullets.

**U. S Marshal Shorty Thompson - in the Middle of the Colfax County War** Paul Thompson,2018-05-31 Thru thick trees, Shorty saw flames of a campfire and dismounted several yards away. Walking in slowly not making a sound, he saw a little girl no more than maybe ten or so stirring something in a skillet over the fire.He came close enough she could make him out in the dim light so he wouldn't scare her. Hello the fire, Polly can I come in?Yes Sir Marshal Shorty. She never stopped

stirring. Shorty walked up saying, I see you have two plates setting there. Where's Dean? Hid out yonder in the dark with a rifle pointed dead center of your chest. She kept right on stirring. Shorty took a deep breath. Whoa now! Don't you think you ought'a call him off? She stopped stirring, looked up and hollered out, Hey Dean, it's nobody! Oh yes it is, it's U.S. Marshal Shorty! Sorry Marshal Shorty, I just mean it was nobody he had to shoot.

U. S. Marshal Shorty Thompson - Tascosa Showdown Paul L. Thompson, 2018-06-26 U.S. Marshal M D (Shorty) Thompson's oversized ranch partner Buffalo, talked Shorty into letting him come along on this assignment in west Texas. James (Buffalo) Blackburn could be as stubborn as a sick mule about most everything. President Hayes sent Shorty a wire that had to be delivered by the Butterfield Stage Lines, telling him to head for Tascosa and round up some rustlers and land grabbers. The local Ranchers around Tascosa had waited long enough for the Texas Rangers to show up, and Washington didn't seem to give a damn. Now they would take the matter into their own hands. Too much blood had been spilled in and around Tascosa and all of it theirs. Friends and fellow ranchers were being shot down every day and their cattle and property taken over by the King. Using their guns and every farmer and rancher in the Panhandle, things were about to change. King or no damn King, a lot of men were about to die! Crooked law was about to be stopped. A huge showdown was coming in Tascosa. After being kidnapped and held for five months, Sherilea Bessemer escapes from the gang of outlaws. The only thing that kept her alive was her thoughts of revenge. She had a long time to think, and her choice of weapons will be one very sharp kitchen knife and one old wooden clothespin.

**U. S. Marshal Shorty Thompson - Whiskers McPherson and Gabriel O'Grady** Paul Thompson, 2018-05-26 Mackland McPherson, AKA Whiskers McPherson, headed west to the Rocky Mountains. Set upon by road agents twice before getting to the Mississippi River, he realized he was a greenhorn and needed a rifle and pistol to survive. Heading west across Kansas, for the first time in his life, he found what real fear was. Indians kept him hunkered down in a buffalo wallow for days before cowboys rode up and saved his life. Instead of letting him ride on to certain death, the ranch these cowboys worked for would not let him go on west until he learned everything they knew about surviving. He did learn and became one of the last fur trapping mountain men in the Sangre de Cristo Range of northern New Mexico and southern Colorado. Gabriel O'Grady was the son of the very wealthy Henry O'Grady. This young man could not see himself behind a desk, leading a dull life forever. No, he wanted adventure and found it out west, working as a cowboy on a ranch in the wilds of the New Mexico Territory. He knew his boss was the ex-sheriff of Taos County, but did not know he also ran the biggest cutthroat gang of outlaw bank robbers in New Mexico. As these men live their lives, McPherson finds love with a beautiful young widow woman whose twelve year old son is as smart as any grown man, and a darn good fishing buddy. Gabe goes all the back to Kansas

City to fetch his dead boss's daughter. This beautiful city girl will become the love of his life.

**U. S. Marshal Shorty Thompson - I Know Who Back Shot Mister Fred** Longhorn Publishing,Paul L. Thompson,2020-10-10 Fifteen year old William (Will) Ross was now all alone. His mother had died seven years ago and his father was murdered. Sure he still had the small ranch, but what could a small young boy do all alone?His favorite horse was Molly girl and she followed him around like a puppy dog. Late one evening, just before dark, he was in town buying supplies. The gun on his hip was almost too heavy for him to hold up straight and aim, but he managed.A young man was walking down the sidewalk coming toward him. Another man stepped from an alley, gun in hand. At the same instant he fired that gun, a second shot making them sound as one took his life. Will was looking at two dead men, but he had only heard one shot.Another man wearing dark clothing with gun in hand quickly walked from the darkness taking something from the farthest dead men's pockets. Before he could get to the next man, people were shouting, asking where the gunfire came from. The man rushed between buildings disappearing out of sight.Will strained his eyes in the dark of night.
