

Vampyre Magick The Grimoire Of The Living Vampire

If you've ever felt that your energy or life force was being continually drained by someone - especially if it was someone that you loved - then you probably should have given them this book. This is the definitive guide to psychic vampires, with exercises and advice to help them learn control and compassion, and get their needs met in ethical ways. From coping with vampire children to dealing with your vampire lover, this book covers it all in straightforward style.

SEKHEM APEP is both a recent modern study and magical grimoire exploring 20 years of the darker traditions of Typhonian and Vampyric Magick of the Black Order of the Dragon. Destined to be one of the most controversial magickal books of recent years, SEKHEM APEP unveils the theory and practice of vampyrism and the dark current of Typhonian Thelema from a Luciferian perspective. Presenting the foundation and beginning structure of the BOTD in the early 1990's, including the original manifesto, published for the first time since 1994, techniques and the mental technology of astral vampyrism is clearly presented including the Sigils of the Vampyre Cultus and their meaning. Techniques of feeding and accumulating Astral Energy from the physical body, astral projection and transforming life force according to the goal and desire of the Vampyre Adept, SEKHEM APEP is a gateway to those interested in the darker path of predatory spirituality.

Since the dawn of civilization the vampire has danced through the dreams and nightmares of every culture, expressed in folklore, literature, and art. Today, this fascination resonates in pop-culture, through hit television shows and movies and bestselling books. But what does it mean to be a vampire, a living and modern vampire? What many do not realize is that the Living Vampyre is on a serious, lifelong spiritual path. Best known as Strigoii VII, the Living Vampyre is one who has embarked on a serious and lifelong spiritual path. Not just "kids in capes," the members of this magickal community seek to live in glamour and ritual every day. The Vampyre Sanguinomicon provides a profound perspective on the Vampyre culture, traditions, movement and philosophies, which are intended to challenge and inspire your views. Chapters include Vampyre Ritual, Vampyre Sensuality, Beginning Vampyrism, and The Vampyre Wedding.

SEKHEM APEP is both a recent modern study and magical grimoire exploring 20 years of the darker traditions of Typhonian and Vampyric Magick of the Black Order of the Dragon (BOTD). The ceremonial rites of the Vampyre are also included, methods of attaining insight, wisdom and power from an ideology which aligns the perception of the individual with the Laws of Nature,

balanced in the concept of survival of the fittest. The Nightside sorceries of Apep, the abyssic teachings of the Egyptian Vampyric Cultus which opens the shadow and predatory spirituality of the recesses of the Duat and Tunnels of Set, building on the structure of the Nightside Magick of Typhonian Thelema and Kenneth Grant. A discussion with author Stephen Sennitt ("Infernal Texts: Nox and Liber Koth") explores the dark magickal traditions he pioneered with a courage to present the Left Hand Path when few would accept it. A very controversial and previously secret ritual vampyric working in which Vampyre Adepts on specific dates and times in 2010 conducted astral projection and Black Mirror rituals entitled 'Carrefour-Niantiel Working'. Illustrated with the haunting and death-inspired art of Karl N.E. (one of the original founders of the BOTD) and Kitti Solymosi, SEKHEM APEP will both shock and shatter the boundaries of forbidden and darksome magick and predatory spirituality.

THE ORDER OF PHOSPHORUS is an initiatory order of practitioners focused on Luciferian and Left Hand Path Magick and ideology. While traditional Cabalists and Magickans view the Qliphoth as an Unclean and perverse inversion of the Tree of Life, suggesting that those who practice Magick avoid it due to the dangers within. The 22 Scales of the Serpent are the Spheres and Tunnels of the Qliphoth which allow the Black Adept or Luciferian the ability to gain power from the depths of knowledge.

Qliphothic demons and Archdemons are deep symbols of primal wisdom and possibility.

This companion to "Nocturnal Witchcraft" contains exclusive material taken from the author's own "Book of Shadows." Includes nocturnal rituals for the sabbats and the Dark and Full Moons.

- Explains how a Vampyre is not a blood-sucking mythical figure but a shaman who is skilled in gathering, using, and storing energy for magical power and personal liberation
- Reveals how to gather and store energy from the world around you and shares magical techniques, manifestation methods, and practices to utilize the energy you have collected
- Looks at servitors and familiars, vampyric runes, dream architecture, money magick practices, and sex magick techniques as well as advanced practices such as healing with vampyric magick

In this initiatory guide, Don Webb explains how to learn from the myth of the vampire to gather, use, and store energy for magical power, manifestation, and personal liberation. A Master of the Order of the Vampyre within the Temple of Set, the author shares a 9-month process to awaken and initiate you as a Vampyre and allow you to actualize your hidden potential. Webb begins by explaining how to gather energy from the world around you and store it in the body, in artifacts and talismans, and in groups of people, such as a coven. Through the 9 stages of initiation, the author offers guided magical techniques, manifestation methods, and experiments to utilize the energy you have learned to gather and store. He also examines familiars, Vampyric runes, money magick practices, and sex magic techniques. Sharing more advanced practices, Webb looks at the creation and destruction of egregores and how to fight off psychic vampires--those who steal your power and energies. Achieve greater self-knowledge, a deeper connection with the energies that surround you, and the power to manifest your deepest desires by walking the path of the Vampyre.

"I conjure thee, Oh BOOK to be useful and profitable unto all those who shall read thee for success in their affairs."

Conjuration for the Book, Grimoire of Pope Honorius Description: The Grimoire of Pope Honorius is the first and most important of the French 'black magic' grimoires which proliferated across Europe in the 17th-19th centuries. Combining a grimoire of conjurations to demons of the four directions and seven days of the week with a Book of Secrets full of simple charms, the Grimoire of Pope Honorius was second only to the Key of Solomon in the influence it exerted on magicians, charmers and cunning-folk in both rural and urban France. This grimoire also played a role in social events which rocked France, being used in the Affair of the Poisons which scandalised the French royal court in 1679, and by the young priest

who assassinated the archbishop of Paris in 1857. The Complete Grimoire of Pope Honorius contains material translated from all four of the different French editions of the Grimoire of Pope Honorius, including the complete text of one manuscript version never before seen in English (Wellcome 4666), and a new translation of the later corrupted German version of 1845. All of the material and its variations found in the five different editions of the Grimoire of Pope Honorius is contained in this work, presenting the entire corpus of this grimoire in print for the first time. In addition to tracing much of the material to sources such as the Heptameron, the works of Agrippa and earlier religious texts for the first time, the derivation of much of the material into later grimoires including the Grimorium Verum, the Grand Grimoire/Red Dragon and the Black Dragon is clearly demonstrated. As well as charms for health, wealth, sex and protection, the Grimoire of Pope Honorius also contains a substantial number of agrarian charms by the Norman magician Guidon for protecting livestock, emphasising the popular rural use of such charms until at least the 19th century. The corpus of charms comes from diverse sources, including Scot's Discoverie of Witchcraft (1584), and some like the Letter of St Anthony can be dated back to at least the 13th century. Including numerous illustrations, and tables tracing the derivation of the material through the different editions and into other grimoires, the Complete Grimoire of Pope Honorius demonstrates the versatility and significance of this grimoire, cutting past outdated misperceptions to a viewpoint which reflects more accurately the position of the Grimoire of Pope Honorius in the development of magic since the seventeenth century. Presenting the forbidden works of Chaos, Vampiric and Luciferian Sorcery. A grimoire which explores the dark feminine current of HECATE, Witch Moon explores ritual and dream Lycanthropy, Chaos Sorcery and Luciferian Ritual practice as well as the darksome practice of Vampirism and Predatory Spirituality. The Nine Angles and the Trapezoid workings, inspired by Anton LaVey and presented around the cult of Daeva-Yasna, the persian demon-sorcery of Yatuk Dinoih. Contains the Rituals of Dream, ritual and astral vampirism as an initiatory tool, other Cabalistic workings presenting the Qlippoth. Contains the Grimoire based on Ancient Egyptian Vampirism, LIBER AAPEP, Luciferian Magick practice, The Chaos Cult Workings of Choronzon as Vampire, The Rites of Hecate, the Infernal and Luciferian Sabbat, and the foundations of Satanic practice in Magick.

This grimoire from the baddest witch around will teach potential slayers and aspiring wiccans everything they'll ever need to know about magic in Buffy the Vampire Slayer. Every good witch has a grimoire, and Willow Rosenberg is no exception. The Official Grimoire is the first and only truly comprehensive collection of every magical moment from all seven seasons of Buffy the Vampire Slayer, humorously narrated by beloved resident witch Willow Rosenberg. Completely illustrated and annotated by the rest of the gang, this book of spells is a unique keepsake for fans of the Buffy-verse and an incredible celebration of the show's twenty-year legacy.

Translated from a 17th century manuscript stored in Paris, this is an ancient but still useful book of popularized Christian magic. It is illustrated with intricate sigils.

LIBER HVHI, the awaited grimoire of the Luciferian Path is now published containing the infernal rites of the Qlipboth, an extensive ideological and magical system presenting a grounded and understandable form of working with the Qlipbothic Tree of Da'ath and tunnels. The second part of the grimoire is based on the ritualistic inversions of the Avestan texts and the forbidden path of Predatory Spiritualism. LIBER HVHI contains the 22 spheres of the Infernal Qlipboth, the methods of filling and draining those "shells" and the Luciferian Rites of the Supper of Cain, symbolic of the first Satanist from the ancient Hebrew texts relating to the devouring process from a symbolic and ritualistic approach. The second half of Liber HVHI is the workings based on the demonology of the Avestan texts and ancient persian sorcery and predatory spirituality.

Vampyre Virtues "The Red Veils" is the first book in history dedicated to furthering and defining "Vampyre Culture," written to inspire and challenge the reader through a lexicon presenting 100 words of power related to the vampire mythos. Each Virtue promotes personal evolution and embraces the Vampyre Spirit with some examples including Primal Nature, Romance, Mystery, Transhumanism, Music, Culture, Glamour, Elegance, Courtesy, Chivalry, Immortality, Magick and Sensuality. Each Virtue is beautifully presented with the design of French conceptual artist William Vocant and an enticingly written forward by vampire author Gabrielle Faust. What makes this book unique and a must-read is the fact that it was written from the inspiration of over two decades of close interaction between Father Sebastiaan and his fang clients. This cumulative knowledge is presented to the reader in a simple and easily understandable format. Here is what the experts are saying about Vampyre Virtues "The Red Veils"; "A definitive perspective of modern Vampyre culture written by one of the most experienced thinkers in the international community." Dr. Mark Benecke, German Forensic Biologist "An amazing piece of work. From Fledgling to Elder to ancient f**ks like me, there is something here for everyone." Lord Chaz, New Orleans "I always have great consideration about the work of Father Sebastiaan, I love him as fangsmith, and I love him as an author too! Vampyre Virtues is a tome which every single vampire on the earth should read." Sonya Scarlet, Theatres des Vampires' lead vocalist "Vampyre Virtues is a tome which can bring the reader into the possibility that we can be charged and embrace the best attributes of the darkest anti-hero of our modern age, the VAMPIRE." Magister Mael, Grand Magister of the Ordo Strigoi Vii "This book reminds me of The Secret by Rhonda Byrne but written with the perspective of the vampire archetype." Adrian Lumley, Father Sebastiaan's fang client from 1997

AKHKHARU - Vampyre Magick is a truly grimoire of forbidden, guiding and inspiring the aspirant towards the heretical and considerably 'secretive' initiatory rites formulated from the Black Order of the Dragon, beginning in the mid-1990's. Vampyre Magick is transgressive, liberating the mind from moral and ethical concerns, the Black Adept is transforming and by dark Illumination, becomes a spiritual predator so aligned and identical to such patron spirits as Lamastu and Lilith. The rational and disciplined calculation of the Black Adept, shaping and conquering earthly life so visualized with Vampyric Awareness (the transformation from the mundane to the predatory mastery of energy via the meditative and

will-to-power unity of Will-Desire-Belief) elevates the Vampyre Magickian towards the hidden levels of liminal experience. Akhkharu guides the aspirant with beginning steps: philosophic transformation, self-mastery, and the strengthening of will; the techniques of feeding and draining energy (Life Force) from the living by unnoticeable techniques. Initiation into the Nightside, the alchemy which manipulates fantasy, imagination, will, desire and belief to attain power and liberation by the "drinking" of energy. The initiatory path of the Gates of the Qlippoth and Vampyre teachings are unveiled, gaining the path to Infernal Apotheosis, Baptized as a Vampyre Magickian whose potential has now glimpsed the anti-cosmic liberation of chaos and the abyss. These The contents of each Gate of the Qlippoth, containing invocations and methods for slowly liberating the spirit from the flesh, mapping out the simultaneous co-existence of the realms of matter, energy, and spirit.

Never before released to the general public, this twentieth anniversary edition of the influential "Vampire Codex" contains a faithfully scanned and annotated copy of the hand-lettered original. Penned in 1994, this definitive text on psychic vampirism provides insight into energy work and past lives, giving readers a rare peek inside the earliest development of the teachings of House Kheperu.

THE ordinary fields of psychological inquiry, largely in possession of the pathologist, are fringed by a borderland of occult and dubious experiment into which pathologists may occasionally venture, but it is left for the most part to unchartered explorers. Beyond these fields and this borderland there lies the legendary wonder-world of Theurgy, so called, of Magic and Sorcery, a world of fascination or terror, as the mind which regards it is tempered, but in either case the antithesis of admitted possibility. There all paradoxes seem to obtain actually, contradictions coexist logically, the effect is greater than the cause and the shadow more than the substance. Therein the visible melts into the unseen, the invisible is manifested openly, motion from place to place is accomplished without traversing the intervening distance, matter passes through matter. There two straight lines may enclose a space; space has a fourth dimension, and untrodden fields beyond it; without metaphor and without evasion, the circle is mathematically squared. There life is prolonged, youth renewed, physical immortality secured. There earth becomes gold, and gold earth. There words and wishes possess creative power, thoughts are things, desire realises its object. There, also, the dead live and the hierarchies of extra-mundane intelligence are within easy communication, and become ministers or tormentors, guides or destroyers, of man. There the Law of Continuity is suspended by the interference of the higher Law of Fantasia. But, unhappily, this domain of enchantment is in all respects comparable to the gold of Faerie, which is presumably its medium of exchange. It cannot withstand daylight, the test of the human eye, or the scale of reason. When these are applied, its paradox becomes an anticlimax, its antithesis ludicrous; its contradictions are without genius; its mathematical marvels end in a verbal quibble;

its elixirs fail even as purges; its transmutations do not need exposure at the assayer's hands; its marvel-working words prove barbarous mutilations of dead languages, and are impotent from the moment that they are understood; departed friends, and even planetary intelligences, must not be seized by the skirts, for they are apt to desert their draperies, and these are not like the mantle of Elijah.

Where there was effort, there will be ease. Where there was fear, there will be control. Where there was lack, there will be wealth. If you fear evil, know that there is no evil in this grimoire other than the evil that you bring. Be at ease with your desires, and you will not falter. The practical magick in this book gives you powers that include influence and control, with magick for money, sex, passion, and seduction. There are powers of persuasion, charm, and trust, alongside those for healing, guidance, wisdom, and peace. The demons enable you to solve legal problems, finding justice and improving your willpower. You will discover protection, bindings, and ways to improve personal skills and creativity. For those who seek greater control, there is a sequence of corruption and cursing rituals and methods for causing disease and mental suffering. Other powers create illusion or concealment and even manipulate time and reality itself. Working with demons is safe when you accept that the demons do not need to be restrained or controlled. A demon wants to fulfill its destiny by helping you obtain what you desire. When you get what you want, that is what the demon wants. This is the true harmony of magick. When you are clear about your desire, there is no risk in surrendering to the power of this magick. You are not selling your soul or making a pact with the devil, but connecting to a legion of consciousness that rewards desire, choice, and determination. Working as The Order of The Unveiled Faces we have performed magick with the powers of Lucifer and The Hidden Demons since 1955. Our intention is to clarify the mysteries and dispel the myths. For those who seek magick, we swear an oath to provide you only with the methods that we know to be true. This is not another book about the demons of Goetia, but one that reveals the Legion of Lucifer. There are more than 100 demons in this book, and

most are unknown outside of the secret orders. We reveal the full details of our source materials so you can see how these demons were hidden, and how they were found. You will have the ability to work with hundreds of unique powers. Open your mind, and you will be granted the power to shape, guide, and transform your reality.

An extensive study of ancient books of magic and the magical practices preserved in the few surviving grimoires • Includes spells, talisman formulations, and secret magical alphabets reproduced from the author's private collection of grimoires, with instructions for their use • Explains the basic principles of medieval magic, including the doctrine of names and the laws of sympathy and contagion • Offers an overview of magic in the Western Mystery tradition Grimoires began simply as quick-reference "grammar books" for sorcerers, magicians, and priests before evolving into comprehensive guides to magic, complete with spell-casting rituals, magical alphabets, and instructions to create amulets and talismans. With the advent of the printing press, some grimoires were mass produced, but many of the abbreviations were misinterpreted and magical words misspelled, rendering them ineffective. The most powerful grimoires remained not only secret but also heavily encoded, making them accessible only to the highest initiates of the magical traditions. Drawing on his own private collection of grimoires and magical manuscripts as well as his privileged access to the rare book archives of major European universities, Claude Lecouteux offers an extensive study of ancient books of magic and the ways the knowledge within them was kept secret for centuries through symbols, codes, secret alphabets, and Kabbalistic words. Touching on both white and black magical practices, he explains the basic principles of medieval magic, including the doctrine of names and signatures, mastery of the power of images, and the laws of sympathy and contagion. He gives an overview of magic in the Western Mystery tradition, emphasizing both lesser-known magicians such as Trithemus and Peter of Apono and famous ones like Albertus Magnus and Hermes Trismegistus. Creating a universal grimoire, Lecouteux provides exact reproductions of secret magical alphabets, symbols, and glyphs with instructions for their use as well as an illustrated collection of annotated spells, rituals, and talismans for numerous applications including amorous magic, healing magic, and protection rites. The author also examines the folk magic that resulted when the high magic of the medieval grimoires melded with the preexisting pagan magic of ancient Europe.

The Psychic Vampire Codex is the first book to examine the phenomenon and experience of modern vampirism completely from the vampire's perspective. Father Sebastiaan, a fellow vampire writes in the foreword that Michelle Belanger's system "introduced a breath of fresh air into the vampire subculture. It freed us to look at ourselves in a new light, and it also helped those outside our community to view us differently. No longer were we parasites or predators . . . we could use our inborn abilities to help people heal." Psychic vampires are people who prey on the vital, human life energies of others. They are not believed to be undead. They are mortal people whose need for energy metaphorically connects them to the life-stealing predators of vampire myth. In The Psychic Vampire Codex, Michelle Belanger, author and psychic vampire, introduces readers to the fascinating system of energy work used by vampires themselves and provides the actual codex text widely used by the vampire community for instruction in feeding and other techniques. Belanger also examines the ethics of vampirism and offers readers methods of protection from vampires. The Psychic Vampire Codex explodes all preconceptions and myths about who and what psychic vampires really are and reveals a vital and profound spiritual tradition based on balance, rebirth, and an integral relationship with the spirit world.

The first of D.H. Thorne's smaller Grimoires, this book details his practices of Infernal Vampiric Magick, complete with his explanation of what Vampirism is, and how to apply that knowledge in both ritual practice, and Energy manipulation. There are many books illustrating the fantastic and fictional nature of Vampirism. However, there are very few that properly, rationally, and unapologetically focus on its sinister left-hand path magickal applications. In "The Infernal Vampire Handbook," D.H. Thorne explores the metaphysical plausibility of what Vampirism is, how it works, and what a Vampire really is. He instructs the reader on essential practices, rituals, and even vampiric initiatory rites with the Sanguine Mother, Lilith. All of this is from the perspective of a man who was part of the cultural awakening of the vampire subculture that took place in the 1990s. The era when the Vampire was established as more than a myth, but a kind of Otherkin. Dare to explore this book to learn how one need not even be a "Vampire" to use these elegant and practical techniques. To begin feeding upon the life force of others. To learn ways to initiate yourself with the Sanguine Mother, and execute vampiric astral attacks, and much more. This book has something for the newly awakened vampire, the curious, and the experienced esoteric truth seeker alike.

What is a grimoire? The word has a familiar ring to many people, particularly as a consequence of such popular television dramas as Buffy the Vampire Slayer and Charmed. But few people are sure exactly what it means. Put simply, grimoires are books of spells that were first recorded in the Ancient Middle East and which have developed and spread across much of the Western Hemisphere and beyond over the ensuing millennia. At their most benign, they contain charms and remedies for natural and supernatural ailments and advice on contacting spirits to help find treasures and protect from evil. But at their most sinister they provide instructions on how to manipulate people for corrupt purposes and, worst of all, to call up and make a pact with the Devil. Both types have proven remarkably resilient and adaptable and retain much of their relevance and fascination to this day. But the grimoire represents much more than just magic. To understand the history of grimoires is to understand the spread of Christianity, the development of early science, the cultural influence of the print revolution, the growth of literacy, the impact of colonialism, and the expansion of western cultures across the oceans. As this book richly demonstrates, the history of grimoires illuminates many of the most important developments in European history over the last two thousand years.
