A monumental, genre-defying novel that David Mitchell calls "Michel Faber's second masterpiece," *The Book of Strange New Things* is a masterwork from a writer in full command of his many talents. It begins with Peter, a devoted man of faith, as he is called to the mission of a lifetime, one that takes him galaxies away from his wife, Bea. Peter becomes immersed in the mysteries of an astonishing new environment, overseen by an enigmatic corporation known only as USIC. His work introduces him to a seemingly friendly native population struggling with a dangerous illness and hungry for Peter's teachings—his Bible is their "book of strange new things." But Peter is rattled when Bea's letters from home become increasingly desperate: typhoons and earthquakes are devastating whole countries, and governments are crumbling. Bea's faith, once the guiding light of their lives, begins to falter. Suddenly, a separation measured by an otherworldly distance, and defined both by one newly discovered world and another in a state of collapse, is threatened by an ever-widening gulf that is much less quantifiable. While Peter is reconciling the needs of his congregation with the desires of his strange employer, Bea is struggling for survival. Their trials lay bare a profound meditation on faith, love tested beyond endurance, and our responsibility to those closest to us. Marked by the same bravura storytelling and

precise language that made *The Crimson Petal and the White* such an international success, *The Book of Strange New Things* is extraordinary, mesmerizing, and replete with emotional complexity and genuine pathos.

Another winner from Center." — BOOKLIST, STARRED REVIEW "A spirited, independent heroine meets a smoking-hot fireman in Center's smart romance... If you enjoyed 'The Kiss Quotient,' by Helen Hoang, read Things You Save in a Fire" — THE WASHINGTON POST From the New York Times bestselling author of How to Walk Away comes a stunning new novel about courage, hope, and learning to love against all odds. Cassie Hanwell was born for emergencies. As one of the only female firefighters in her Texas firehouse, she's seen her fair share of them, and she's a total pro at other people's tragedies. But when her estranged and ailing mother asks her to give up her whole life and move to Boston, Cassie suddenly has an emergency of her own. The tough, old-school Boston firehouse is as different from Cassie's old job as it could possibly be. Hazing, a lack of funding, and poor facilities mean that the firemen aren't exactly thrilled to have a "lady" on the crew—even one as competent and smart as Cassie. Except for the infatuation-inspiring rookie, who doesn't seem to mind having Cassie around. But she can't think about that. Because love is girly, and it's not her thing. And don't forget the advice her old captain gave her: Never date firefighters. Cassie can feel her resolve slipping...and it means risking it all—the only job she's ever loved, and the hero she's worked like hell to become. Katherine Center's Things You Save in a Fire is a heartfelt and healing tour-de-force about the strength of vulnerability, the nourishing magic of forgiveness, and the life-changing power of defining courage, at last, for yourself.

Robyn Schneider's *The Beginning of Everything* is a witty and heart-wrenching teen novel that will appeal to fans of books by John Green and Ned Vizzini, novels such as *The Perks of Being a Wallflower*, and classics like *The Great Gatsby* and *The Catcher in the Rye*. Varsity tennis captain Ezra Faulkner was supposed to be homecoming king, but that was before—before his girlfriend cheated on him, before a car accident shattered his leg, and before he fell in love with unpredictable new girl Cassidy Thorpe. As *Kirkus Reviews* said in a starred review, "Schneider takes familiar stereotypes and infuses them with plenty of depth. Here are teens who could easily trade barbs and double entendres with the characters that fill John Green's novels." Funny, smart, and including everything from flash mobs to blanket forts to a poodle who just might be the reincarnation of Jay Gatsby, *The Beginning of Everything* is a refreshing contemporary twist on the classic coming-of-age novel—a heart-wrenching story about how difficult it is to play the part that people expect, and how new beginnings can stem from abrupt and tragic endings.

Susan Cain, New York Times bestselling author of *Quiet*: "The world could surely use a little more love, a little more compassion, and a little more wisdom. In *Love for Imperfect Things*, Haemin Sunim shows us how to cultivate all three, and to find beauty in the most imperfect of things--including your very own self." A #1 internationally bestselling book of spiritual wisdom about learning to love ourselves, with all our imperfections, by the Buddhist author of *The Things You Can See Only When You Slow Down* Hearing the words "be good to yourself first, then to others" was like being struck by lightning. Many of us respond to the pressures of life by turning inward and ignoring problems, sometimes resulting in anxiety or depression. Others react by working harder at the office, at school, or at home, hoping that this will make ourselves and the people we love happier. But what if being yourself is enough? Just as we are advised on airplanes to

take our own oxygen first before helping others, we must first be at peace with ourselves before we can be at peace with the world around us. In this beautiful follow-up to his international bestseller *The Things You Can See Only When You Slow Down*, Zen Buddhist monk Haemin Sunim turns his trademark wisdom to the art of self-care, arguing that only by accepting yourself--and the flaws that make you who you are--can you have compassionate and fulfilling relationships with your partner, your family, and your friends. With more than thirty-five full-color illustrations, *Love for Imperfect Things* will appeal to both your eyes and your heart, and help you learn to love yourself, your life, and everyone in it. When you care for yourself first, the world begins to find you worthy of care.
