

Vi Presento Klimt

Giuseppe Catozzella

Whose Story? Translating the Verbal and the Visual in Literature for Young Readers Riitta Oittinen, 2009-03-26 This book is based on the discussions carried out in two seminars on the translation of children's literature, coordinated by Maria González Davies and led by Riitta Oittinen. The main focus finally revolved around four questions: a) Tackling the challenges posed by translating children's literature, both picturebooks and books with illustrations, and the range of strategies available to solve specific issues; b) the special characteristics involved in reading aloud, its emotional dimension, and the sphere it occupies between private and public reading; c) the interpretation and manipulation of child images; and, d) the role of the translator, publishers and mediators as active or passive agents whose decisions may finally mirror the images projected by the authors of the source books. This volume is also professionally-oriented and presents examples that underline the interaction between theory and practice. The topics range from Bible translation, to translating the classics, such as Beatrix Potter's tales and fairytales, fantasy worlds for young adults as depicted in Tolkien's *The Lord of the Rings*, or novels such as those by Christine Nöstlinger, as well as stories with a psychological and social function such as the African war tales. Finally, it includes didactic applications that help enhance an awareness of the issues involved.

Le muse di Klimt Paola Romagnoli, 2016-10-11 Gustav Klimt ha vissuto a Vienna, capitale di un Impero che in quegli anni era il cuore culturale dell'Europa. Sono gli anni della Secessione viennese, della nascita della psicanalisi, delle sinfonie di Mahler e Schönberg, dei caffè letterari. E' questo il contesto unico e irripetibile che ricostruisce Paola Romagnoli in questa storia romanziata, in cui si alternano due voci. Una voce che narra cronologicamente le vicende dell'artista nella sua epoca. Una voce metafisica che si presenta come una sirena nell'Attersee, il lago nella regione del Salzkammergut, a ovest di Vienna, luogo dell'anima del pittore. La chiave narrativa della sirena racchiude in sé la sintesi di tutto ciò che Klimt ha inseguito nelle donne: è sensualità ed eros, è giovinezza ma senza età, è madre e amante, è mito. Ed è un simbolo che segna il passaggio tra vita e morte, poiché accompagna narrativamente gli ultimi giorni di vita di Klimt, stroncato da un ictus nel 1918. Con il piglio della scrittrice ma la conoscenza della storia dell'arte, Paola Romagnoli avvolge il lettore in una vicenda biografica di grande fascino, che spiega come Gustav Klimt, opponendosi alle idee conservatrici dei suoi contemporanei, realizzò dipinti erotici e simbolici che rappresentavano i sogni, le speranze, le paure e le passioni dell'uomo e sia diventato così per il pubblico il pittore delle donne.

The Craftsman Richard Sennett,2009-02-05 Why do people work hard, and take pride in what they do? This book, a philosophically-minded enquiry into practical activity of many different kinds past and present, is about what happens when people try to do a good job. It asks us to think about the true meaning of skill in the 'skills society' and argues that pure competition is a poor way to achieve quality work. Sennett suggests, instead, that there is a craftsman in every human being, which can sometimes be enormously motivating and inspiring - and can also in other circumstances make individuals obsessive and frustrated. The Craftsman shows how history has drawn fault-lines between craftsman and artist, maker and user, technique and expression, practice and theory, and that individuals' pride in their work, as well as modern society in general, suffers from these historical divisions. But the past lives of crafts and craftsmen show us ways of working (using tools, acquiring skills, thinking about materials) which provide rewarding alternative ways for people to utilise their talents. We need to recognise this if motivations are to be understood and lives made as fulfilling as possible.

Magritte s Apple Klaas Verplancke,2016-10-11 A man named Ren floats through the world of his dreams and imagination, fulfilling his desire to become a painter--of apples and hats, apple hats, apple-these and apple-thats. In his paintings, leaves are lips, baguettes are noses, the right side is never up, and the upside is never down. Award-winning author Klaas Verplancke mashes everyday objects and words together in ways that are guaranteed to make kids laugh and think. Ren Magritte (Belgian, 1898-1967), one of the world's most beloved artists, created whimsical, subversive paintings that helped launch the popularity of surrealism. His works combined words and images in novel, thought-provoking ways, and used humor and ordinary subjects to inspire viewers to question the world around them.

Modelle per Egon Schiele Gaetano Cinque,2020-10-31 Breve, forte e ardente è la vicenda di Egon Schiele catturata in queste pagine. L'Europa del primo Novecento, gonfia di tensioni represses, sta per collassare, e la crisi della società è il riflesso della crisi individuale: ognuno è in bilico su un abisso di mediocre passività. Il perbenismo asfissia la fantasia,

l'immaginazione è lasciata preda della più cinica ottusità. Lo Schiele di Gaetano Cinque, descritto lungo tutta la propria parabola artistica rivoluzionaria e scandalosa, rifugge le stantie formule accademiche, distanti dall'uomo. Arriva a consumare se stesso verso un ideale di arte che non si distacchi mai dalla sua unica vera fonte di ispirazione, la vita, piena, cruda, feroce e languida di eros, forza primigenia che ogni cosa domina e a cui ogni spirito deve cedere. I suoi quadri grondano di sferzante desiderio e di inesprimibile tragicità. Ma questa figura di Schiele non è ben definibile se non messa in stretto rapporto con quelle che della sua ispirazione sono imprescindibili muse, un po' amanti, un po' amiche, un po' tiranne e un po' schiave. La torbida sorella Gerti, le tante donne di strada, la celebre Wally che già aveva conquistato il grande maestro Klimt, e poi l'enigmatica Edith, che diviene sua moglie e che porta all'estremo il suo conflitto interiore tra una libertà assoluta a cui non può abdicare e una armonia borghese che può dargli stabilità e protezione. Una ambiziosa ricostruzione letteraria, che privilegia non tanto il puro dato biografico bensì la sfumatura interpretativa più intima e sfuggente della personalità dell'immortale artista austriaco.

Hilma Af Klint David Lomas,Pascal Rousseau,Helmut Zander,Hilma af Klint,2013 Hilma af Klint (1862-1944), an artist whose work is still far too unknown to a wider public, eschewed representational painting as early as 1906. Between 1906 and 1915 she produced nearly two hundred abstract paintings, some of which are in monumental formats. Like Wassily Kandinsky, Piet Mondrian, and Kazimir Malevich, who have previously been regarded as the main protagonists of abstract art, Hilma af Klint was influenced by contemporary spiritual movements, such as spiritism, theosophy, and anthroposophy. Her multifaceted imagery strives to provide insight into the different dimensions of existence, where microcosm and macrocosm reflect one another. Hilma af Klint left more than one thousand paintings, watercolors, and sketches. This publication presents her most important abstract works as well as paintings and works on paper that have never before been seen in public, enhancing our understanding of her oeuvre. (English edition ISBN 978-3-7757-3489-9) Exhibition schedule: Moderna Museet, Stockholm February 16-May 26, 2013 - Hamburger Bahnhof -Museum für Gegenwart, Berlin, June 15-October 6, 2013 - Musée Picasso, Malaga October 21, 2013-February 9, 2014

Shadow Suzy Lee,2010-09-01 A dark attic. A light bulb. An imaginative little girl. Internationally acclaimed artist Suzy Lee uses these simple elements to create a visual tour de force that perfectly captures the joy of creative play and celebrates the power of imagination. Stunning in their simplicity, Lee's illustrations, in just two shades of color, present an adventure that begins and ends with the click of a light bulb.

The Pull of the Ocean Jean-Claude Mourlevat,2009-05 Loosely based on Charles Perrault's Tom Thumb, seven brothers in modern-day France flee their poor parents' farm, led by the youngest who, although mute and unusually small, is exceptionally wise.

Art Workshops for Children Hervé Tullet,2015-09-21 A guide to twelve children's art workshops by one of the world's

most innovative facilitators and best-selling bookmakers. Art Workshops for Children is a guide for parents and teachers to organize and execute artistic workshops for children. 12 workshops are featured, each offering a list of materials needed, a step-by-step guide to facilitation, practical tips, illustrated examples, and photos of workshops in progress. The workshops are designed to spark children's imaginations, champion group bonding, and give visually pleasing results - with no artistic ability required. Tried and tested around the world by children of all ages. Perfect for organizing group events at home, in schools, at parties, at museums - anywhere!

Don't Tell Me You're Afraid Giuseppe Catozzella, 2024-06-18 *The inspiration for the film Samia* *The international bestseller published in over a dozen languages* *Winner of the Premio Strega Giovani Award* Based on a remarkable true story, an unforgettable Somali girl risks her life on the migrant journey to Europe to run in the Olympic Games. At eight years of age, Samia lives to run. She shares her dream with her best friend and neighbor, Ali, who appoints himself her professional coach. Eight-year-old Ali trains her, times her, and pushes her to achieve her goals. For both children, Samia's running is the bright spot in their tumultuous life in Somalia. She is talented, brave, and determined to represent her country in the Olympic Games, just like her hero, the great Somali runner Mo Farah. For the next several years, Samia and Ali train at night in a deserted stadium as war rages and political tensions continue to escalate. Despite the lack of resources, despite the war, and despite all of the restrictions imposed on Somali women, Samia becomes a world-class runner. As a teenager, she is selected to represent her country at the 2008 Beijing Olympics. She finishes last in her heat at the Games, but the sight of the small, skinny woman in modest clothes running in the dust of athletes like Veronica Campbell-Brown brings the Olympic stadium to its feet. Samia sets her sights on the 2012 Games in London. Conditions in Somalia have worsened, and she must make the arduous migrant journey across Africa and the Mediterranean alone. Just like millions of refugees, Samia risks her life for the hope of a better future. Don't Tell Me You're Afraid is the unforgettable story of a courageous young woman, and it is also a remarkable window onto a global crisis.
