At that time he was 54 years old, it was his sixth Olympic participation and he fought against unbelievable obstacles. His victory was an incomparable demonstration of his will to fight – not even one year after he had to undergo surgery because of lung cancer. Santiago Lange gave the world of sailing an unforgettable moment of glory. Five years in the making, this book deals with weak kings, sacrifices, various minor attacking themes, intuitive sacrifices, opposite castling, modern king hunts, and enduring initiative.
