Having this book in your pocket is just like having a real marque expert by your side. Benefit from Richard Copping and Kenneth Cservanka's years of Volkswagen Transporter ownership and experience to learn how to spot a bad example quickly, and how to assess a promising one like a professional. Get the right van at the right price! Packed with good advice – from running costs, through paperwork, vital statistics, valuation, and the VW community, to whether a VW Transporter T4 will suit you and your lifestyle – Volkswagen Transporter T4 (1990-2003) is THE COMPLETE GUIDE to choosing, assessing and buying the Transporter of your dreams.

Convert your own VW Panel Van to a Camper, and you've got the best of both worlds, as Lindsay Porter's manual shows. The T5 Transporter, the world's best selling van, is great to own and you'll save a fortune compared to the cost of buying a ready-converted Camper. Follow the detailed, highly illustrated instructions in this manual and you can't go wrong! This book will show you how to choose the right Panel Van for your needs, how to fit the roof, windows and furniture, plus step-by-step guides to fitting cookers, a water supply, wash-stands, heaters and more. A detailed guide with 500 illustrations, covering every aspect of the conversion. You'll save money and learn a lot!

Here, Volkswagen enthusiast and prolific author Richard Copping examines, for the first time, the complete story of the T4 from the Transporter concept originated forty years before its presence at VW's Hanover factory, through its development period and full production life. Topics covered include: the background story 1949-1990; design concept to production in the 1980s; full analysis of the T4's specifications; face-lifted Caravelles and Multivans from 1996 onwards; petrol- and diesel-aspirated engines including the VR6, V6 and 2.5 litre TDI; the T4 story in the USA - the Euro Van and finally camping conversions. The complete story of the Volkswagen T4, produced between 1990 and 2003 and the first book in the English language to have been written, illustrated and published solely about the T4, beautifully illustrated with 300 colour photographs - a sparkling mixture of archive and modern-day imagery.

The legendary 'classic' Land Rover – the mainstay of the four-wheel-drive market world-wide for over 60 years – was rebranded Defender in 1990, and has upheld Land Rover's reputation for producing rugged workhorses, with unbeatable off-road capability. This Haynes Manual provides a practical guide to modifications and upgrades for Defender owners who wish to update or improve their vehicles. Coverage includes modifications for both recreational off-road use and to improve comfort and cosmetic appearance.

One of the main attractions of the VW Bus, apart from its iconic looks and rugged reliability, is the way owners take the bus to heart and into their family, and set about personalizing them through both exterior and interior design and styling. Designing and building [or commissioning] an interior that will service your own needs is a daunting yet exciting task, and within these pages you will find many different sorts of interior to admire and inspire. Some have been built on a budget from scratch by the owner, some have been adapted and revamped, others are bespoke one-offs, built to the owner's designs.

Whatever your taste in camper design, there will be something to amaze and inspire in the pages of VW Camper Inspirational Interiors.

How to Rebuild and Modify High-Performance Manual Transmissions breaks down the disassembly, inspection, modification/upgrade, and rebuilding process into detailed yet easy-to-follow steps consistent with our other Workbench series books.
