Are you fighting a Goliath? Do you have uncertainty in the areas of health, finances or relationships? Have you prayed, waited a long time for your miracle and not seen the manifestation? This book outlines biblical verses for a Christian believer to stand on and see the promises of God come true in their life. Karen takes the reader through ten practices for walking in victory in the midst of a spiritual battle. Faith forged in the fires of unbelief, struggle and spiritual warfare will ultimately be stronger than that given by immediate answers. This book is for people who have been broken open and have reached the end of what they can do in their own strength. Even believers have to struggle through unbelief and that is part of the process. In the bible, God promises: "My grace is sufficient for you, for My strength is made perfect in weakness" (2 Corinthians 12:9 NKJV). God wants believers to be rooted in Jesus Christ alone as their strength and their rock. God has provided through Grace what he wants believers to receive by faith. In the included worksheets, the reader is taken through a coaching process of discovering what it means to "walk by faith." Stand firm and be confident and you will see the salvation of the Lord.

Great news! You can live a life of victory! In this 21-day

devotional you will learn all about how to live a victorious life! Victory is not subtle. In fact, it is a violent proclamation that you can win against all odds! The reality is that most people will live a life of defeat because they are unaware that the mundane, lackluster life does not belong to those who have accepted Christ! Christ says, "I have come to give you life, and life more abundantly"! The abundant life or full life is the victorious life! All we have to do is accept this life and walk in it! It's time to walk in victory from this day forward. This book is broken into three unique sections to get you started on your journey! Section one will focus on victory, itself. What is victory? How can I get it! Section two points out victory blockers in your everyday life! Shame, unforgiveness, fear! There are many more but let's start there. The last section is all about how to "walk the walk" and "talk the talk". It's not good enough to learn about victory, yet have no tools to move forward! The last section is where things start moving and if you dig in, the results will be life changing! Grab your pencil and your Bible, and let's start walking the victory walk! "For the Lord is our judge; the Lord is our lawgiver; the Lord is our king; He will save us" (Isaiah 33:22). This book, Gaining Victory in the Courtroom of Heaven has been ordained and approved by the Lord to be released at such a time as this. It is designed with you in mind to enlighten you, so you may walk daily in the victory we have in Jesus' name. To know the importance of operating and walking in the consciousness of the courtroom of heaven, we must understand a few things:

- The difference between the battlefield and the

courtroom-When we need to take our cases or make an appeal in the courts of heaven-When we need to put the Enemy in his place on the battle field in the name of Jesus Christ-A clearer understanding of God's kingdom, our citizenship and responsibilities-The level of authority that has been delegated to us through Lord Jesus Christ.-The authority Jesus purchased with His blood. In times past, children were taught the Bill of Rights and the Constitution in Civics classes. We were taught about our rights as citizens, the laws that govern our nation, and our responsibility as citizens.

Hearts divided between the flesh and the Spirit know only heartache, but spiritual healing takes place when God knits your heart back together with His love. We are living in tumultuous days. God knows us and is with us. What does He see in His children? Does He see them walking in victory? Does He see hearts that have been transformed, making His Holy Spirit's dwelling place one of holiness? Victory, transformation, holiness—most believers have no life knowledge of these truths, but their heads are crammed to overflowing with what they can tell you about them. Today's believer deeply needs a message of the availability of victory, of true heart transformation, and of holiness that meets the demand of God's heart. Spiritual Healing is for the anemic believer; it is for the anemic church.

Christians desire to grow in their relationship with God. They want to flourish, to experience victory in their Christian lives. They want to live in the overcoming power that the cross provides. But they are stuck. They are like my friend, John, who works sixty hours per week, sits in two hours of traffic

each day, and carries the burdens of the world on his shoulders. He and his wife, Jenny, love each other, or at least they used to. They now spend their time together carting their kids to activities after driving through Taco Bell for dinner. Every week, John sits in the second row at church, listening to the pastor, and he and Jenny volunteer in the children's church. But he told me last week that he is exhausted. On the surface, he has a good life, but deep down he is drowning. He has no real victory. How does someone like John stem the tide? How does he start living the victorious lifestyle Jesus came to offer? Many find the answer in promises of a magic pill, something that provides a quick fix. But such fixes don't exist. The victory of God is an ongoing lifestyle while adopting and applying certain priorities that prepare and equip us for life. True victory comes in heaven and not on earth. And only the Spirit of God living through the believer based on God's Word can give true victory. But there are basic principles that God has used throughout the centuries to encourage believers and give them victory. In this book, Dr. Joel Comiskey has pinpointed eight principles and priorities that will help a believer live a victorious Christian life. They are: victory in God's sovereignty victory in God's grace victory in spending time with Jesus victory in close relationships victory in the local church victory in rest victory in healthy living victory in preparing for eternity These eight priorities will help you understand and apply principles that are simple, biblical, and time-tested to produce spiritual, emotional, and physical benefits. The aim is to stimulate you to live these biblical truths while allowing the Holy Spirit to transform you. Many challenges are facing the Christian in this present world. The assault by the enemy is growing every day. Many believers are struggling just to keep their minds focused on the Lord. This edition of *The Christian and the Culture* helps the believer stay in touch with their identity and purpose. Only

pertains to life and godliness. This means that a life lived in Christ cannot fail. While Jesus promised freedom, many feel bound to their past, the requirements of religion, and the limitations of their abilities. This is because the promise isn't given to those who walk according to the flesh, but only to those who walk in the Spirit. So what does it mean to walk in the Spirit? How do you live according to the new creation and put the deeds of the old creation to death? Understanding these fundamental truths are essential for walking in victory. Victory has been given, but we must learn to live in the Spirit. Living by faith isn't complicated, but unless we know what has been given to us through Christ, the truth cannot set us free. Prayer and Spiritual Warfare equips and encourages the believer to effectively stand against the deceptive schemes of Satan by applying scriptural truths. It teaches the nature of the spiritual battle, what it takes to win battles, and weapons that are used to fight in this warfare. It trains God's soldiers to receive and obey orders from the war General-God. It discloses the deceptive
