*Indian Modernities* Nishat Zaidi,2023-06-30 This volume studies the ways in which modernity has been conceived, practiced, and performed in Indian literatures from the 18th to 20th century. It brings together essays on writings in Hindi, Urdu, Punjabi, Bengali, Odia, Gujarati, Marathi, Tamil, Telugu, Kannada, Malayalam, and languages from Northeast India, which form a dialogical relationship with each other in this volume. The concurrence and contradictions emerging through these studies problematize the idea of modernity afresh. The book challenges the dominance of colonial modernity through socio-historical and cultural analysis of how modernity surfaces as a multifaceted phenomenon when contextualized in the multilingual ethos of India. It further tracks the complex ways in which modernism in India is tied to the harvests of modernity. It argues for the need to shift focus on the specific conditions that gave shape to multiple modernities within literatures produced from India. A versatile collection, the book incorporates engagements with not just long prose fiction but also lesser-known essays, research works, and short stories published in popular magazines. This unique work will be of interest to students and teachers of Indian writing in English, Indian literatures, and comparative literatures. It will be indispensable to scholars of South Asian studies, literary historians, linguists, and scholars of cultural studies across the globe.

Pursuing Idealism Through Civil Service P. R. Dubhashi,2007 The book is a rich treasure of administrative experience relating to a whole range of development programmes taken up in the early years of post-independent India. The successive chapters of the book dealing with different assignments are administrative case studies, which are as interesting as they are instructive. Successful implementation of development programmes has many dimensions & 150; programme planning, organization building, coordination between different agencies, human resource development etc. But even more important than these technical aspects are the character of administration and attitudes, which the civil servants bring to bear on their work. Is administration people-oriented? Do the civil servants have a sense of dedication and idealism? If these were missing, the goals of good governance would remain elusive. The book hopefully may provide the needed corrective to governance. All those who are interested in better administrative performance would find the book valuable.

Sanathana Sarathi English Volume 05 (2000 to 2010) Sri Sathya Sai Media Centre,2022-11-11 Started in 1958,

Sanathana Sarathi is a monthly magazine devoted to Sathya (Truth), Dharma (Righteousness), Shanti (Peace) and Prema (Love) - the four cardinal principles of Bhagawan Baba's philosophy. It is published from Prasanthi Nilayam (the Abode of Highest Peace) and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode, besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba. The word meaning of Sanathana Sarathi is the 'Eternal Charioteer'. It signifies the presence of the Lord in every being as the atma guiding their lives like a charioteer. It implies that he who places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination. The magazine is an instrument to disseminate spiritual knowledge for the moral, physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of universal appeal. The fifteen Vahinis - streams of sacredness - known as the Vahini Series comprising annotation and interpretation of the Upanishads and other scriptures, Itihasas like the Ramayana, the Bhagavatha and the Mahabharata, and authentic explanations on Dhyana, Dharma, Prema, etc., have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba. This magazine is published in almost all Indian languages, English and Telugu from Prasanthi Nilayam and others from respective regions. Every year Sanathana Sarathi comes out with a special issue in November commemorating the Divine Birthday. The English and Telugu magazines are posted on the 10th and 23rd respectively, of every month, from Prasanthi Nilayam. This magazine has wide, ever increasing circulation in India as well as abroad, as the study of it brings the reader closer to the philosophy of the Avatar in simple understandable language THUS SPAKE SAI... Discoursing during the launch of Sanathana Sarathi... From this day, our Sanathana Sarathi will lead to victory the cohorts of truth - the Vedas, the Sastras and similar scriptures of all faiths, against the forces of the ego such as injustice, falsehood, immorality and cruelty. This is the reason why it has emerged. This Sarathi will fight in order to establish world prosperity. It is bound to sound the paeon of triumph when universal Ananda is achieved.

Karmveer Bhaurao Patil an Egalitarian Nativist Dr. Sanjay Dattajirao Thorat,2018-09-29 In India, there are not one but

several literary traditions. They exist in literature simultaneously, but one of them represents the canonized crest. The others are not canonized and placed, obscurely. Ganesh Devy conceptualized the other, obscure, suppressed or sub-cultural literary phenomena by using the term para-literature (Of many Heroes, 134). This kind of institutionalization of literature has a greater connection with the power-structure and power-relations of the society we live in.
