triumphant laugh-out-loud celebration of forging ahead with gusto, even long after we're old enough to know better. Age, after all, isn't a number, it's a state of mind, and being fertile isn't just about having babies, it's about being passionate and creative. Writing with the candor of a friend who knows where the bodies are buried, Kathie Lee reveals the truth every woman of a certain age knows but won't admit: that we love our kids every second of every day but are counting the minutes till they're ready to go off to college, that even though gravity is a constant force, not all parts of our bodies droop at the same rate, and that life and show business share one simple rule: "Don't sit by the phone and wait for a man or a job." Full of warmth, humor, and down-to-earth wisdom, this wonderful book is a delectable read for grown-ups of all ages. Praise for *Just When I Thought I'd Dropped My Last Egg* "I've been through a couple of calamities with Kathie Lee and nobody handles them better. You could blow her up, cook her and hang her out to dry and she will still survive and have some laughs doing it."—Regis Philbin "Kathie Lee has always entertained me with her humor, wry wit, and penchant for pinpointing all of our very human foibles with great accuracy and hilarity. Now she does it again. This charming memoir filled with amusing anecdotes about herself and her family, friends, and colleagues brought a smile to my face but also touched me. Her insight is as remarkable as she is."—Barbara Taylor Bradford "Gifford dishes about everything."—The Tampa Tribune "Fans will be delighted . . . by the book's mix of earnest life lessons and self-conscious

In this tour de force, master storyteller Gregory Maguire offers a dazzling novel for fantasy lovers of all ages. Elena Rudina lives in the impoverished Russian countryside. Her father has been dead for years. One of her brothers has been conscripted into the Tsar's army, the other taken as a servant in the house of the local landowner. Her mother is dying, slowly, in their tiny cabin. And there is no food. But then a train arrives in the village, a train carrying untold wealth, a cornucopia of food, and a noble family destined to visit the Tsar in Saint Petersburg — a family that includes Ekaterina, a girl of Elena's age. When the two girls' lives collide, an adventure is set in motion, an escapade that includes mistaken identity, a monk locked in a tower, a prince traveling incognito, and — in a starring role only Gregory Maguire could have conjured — Baba Yaga, witch of Russian folklore, in her ambulatory house perched on chicken legs.
