Anecdotes of the Guest family

Covering three fantastic regions for lovers of the "great outdoors" - the Rockies, Alberta and the Yukon - this guide introduces British Columbia including Vancouver and Vancouver Island. Eco-tourism, sport-based holidays and wildlife viewing are all available in this region of Canada and are all covered in this handbook. It features detailed information on hiking trails, canoe routes, ski hills, rock climbing, mountain biking and more, as well as routes that leave the beaten track to discover the secrets locals usually keep to themselves, including viewpoints, free hot springs and special beaches. The guide also offers a selection of accommodation concentrating on interesting hotels, B&Bs and campsites.

"With a glint in his eye, Rob turns and asks me if I want to 'touch his furry puma'. We are only hours into the trip and things have already taken a sinister turn. Thankfully, it turns out he is referring to the little embossed logo on his new shirt. " Fuelled by a degree of midlife crisis and the need to escape from routine, armed with rusty schoolboy French and plenty of schoolboy humour, friends David and Rob set out to walk the fabled GR10 hiking trail. It will take them from the Hendaye on the Atlantic coast to Banyuls-sur-Mer on the Mediterranean, through beautiful scenery and one of the most spectacular mountain ranges in Europe. Just about perfect – if you can put aside the inevitable snoring-induced conflict and bad habits that result from two men spending over seven weeks in each other's company.

Walking in the Yorkshire Dales: South and West Wharfedale, Littondale, Malhamdale, Dentdale and Ribblesdale Cicerone Press

A guidebook to 44 circular walks in the south and west of the Yorkshire Dales National Park, with bases including Sedbergh, Malham, Grassington, Skipton, Settle and Kirkby Lonsdale. The walks cover the valleys of Wharfedale, Littondale, Malhamdale, Ribblesdale and Dentdale - each with its own distinctive landscape and character. Also included is the Yorkshire Three Peaks, a 23 mile (37km) challenge to bag three summits - Pen-y-ghent, Whernside and Ingleborough. The walks range between 3.5 and 13 miles in length and showcase Yorkshire's diverse landscapes, beautiful views and rich heritage. With the exception of the Three Peaks walk, they are designed to suit most abilities: steeper sections are rare and usually short-lived. Detailed route description and 1:50,000 OS mapping are provided for each route, along with information on nearby points of interest and facilities. Highlights include delightful riverside walking in Wharfedale, spectacular views of the distant Howgills and Lake District Fells, and the arresting limestone cliffs of Malham Cove providing a wonderful introduction to this magnificent area.
