"The fox knows many things, but the hedgehog knows one big thing." This ancient Greek aphorism, preserved in a fragment from the poet Archilochus, describes the central thesis of Isaiah Berlin's masterly essay on Leo Tolstoy and the philosophy of history, the subject of the epilogue to War and Peace. Although there have been many interpretations of the adage, Berlin uses it to mark a fundamental distinction between human beings who are fascinated by the infinite variety of things and those who relate everything to a central, all-embracing system. Applied to Tolstoy, the saying illuminates a paradox that helps explain his philosophy of history: Tolstoy was a fox, but believed in being a hedgehog. One of Berlin's most celebrated works, this extraordinary essay offers profound insights about Tolstoy, historical understanding, and human psychology. This new edition features a revised text that supplants all previous versions, English translations of the many passages in foreign languages, a new foreword in which Berlin biographer Michael Ignatieff explains the enduring appeal of Berlin's essay, and a new appendix that provides rich context, including excerpts from

reviews and Berlin's letters, as well as a startling new interpretation of Archilochus's epigram.

One night, a rabbit allows a frightened duck, mouse, and lamb to squeeze into his house in order to hide from a fox that each animal believes chased after him. An American tapestry is woven daily with the circulation of coins, and who better to tell our story than the currency that is most prolific yet incredibly underappreciated: the penny. “I absolutely love this book. I could not put it down until I read where the penny would land next and knew which fascinating and interesting people I was going to meet. As the story unfolds, it becomes clear that this is more than an adventure of a humble penny: we’re shown that “significance” is found in making an impact and difference in the lives of those around us.” Tom McConnell, longtime Division I and II Mens and Womens head college basketball coach “A Penny’s Thoughts helps us all to see the magical and divine parts of life through the perspective of one penny as it passess through the hands of many people on vastly different personal journeys. Its timely message is clear: if a penny can find out the true meaning of life, despite the hardships, we can too. A book for any age, A Penny’s Thoughts is sure to take you on an unexpected journey of your very own.” Kara Lawler, author of Everywhere Holy “A Penny’s Thoughts is beyond creative, well written and

intriguing from the moment you start reading. The idea that a penny, or any object for that matter, could tell a story from their vantage point is so thought provoking. I kept finding myself asking, “What would a penny say about my life?” What would my story be? Very creative correlations made between a penny’s “life” and our own as well. I highly recommend this investment of time! Dan O’Leary, former Notre Dame and NFL tight end

This business classic features straight-talking advice you’ll never hear in school. Featuring a new foreword by Ariel Emanuel and Patrick Whitesell Mark H. McCormack, one of the most successful entrepreneurs in American business, is widely credited as the founder of the modern-day sports marketing industry. On a handshake with Arnold Palmer and less than a thousand dollars, he started International Management Group and, over a four-decade period, built the company into a multimillion-dollar enterprise with offices in more than forty countries. To this day, McCormack’s business classic remains a must-read for executives and managers at every level. Relating his proven method of “applied people sense” in key chapters on sales, negotiation, reading others and yourself, and executive time management, McCormack presents powerful real-world guidance on • the secret life of a deal • management philosophies that don’t work (and one that does) • the key to running a meeting—and how to attend one •

the positive use of negative reinforcement • proven ways to observe aggressively and take the edge • and much more Praise for What They Don't Teach You at Harvard Business School "Incisive, intelligent, and witty, What They Don't Teach You at Harvard Business School is a sure winner—like the author himself.

Reading it has taught me a lot."—Rupert Murdoch, executive chairman, News Corp, chairman and CEO, 21st Century Fox "Clear, concise, and informative . . . Like a good mentor, this book will be a valuable aid throughout your business career."—Herbert J. Siegel, chairman, Chris-Craft Industries, Inc. "Mark McCormack describes the approach I have personally seen him adopt, which has not only contributed to the growth of his business, but mine as well."—Arnold Palmer "There have been what we love to call dynasties in every sport. IMG has been different. What this one brilliant man, Mark McCormack, created is the only dynasty ever over all sport."—Frank Deford, senior contributing writer, Sports Illustrated

Only 35,000 humans remain... ..and the aliens hunt them for sport. Who will lead the uprising? In the year A.D. 3000, Earth is a dystopian wasteland. The great cities stand crumbling as a brutal reminder of what we once were. When the Psychlos invaded, all the world's armies mustered little resistance against the advanced alien weapons. Now, the man animals serve one purpose. Do the Psychlos' bidding or face extinction. One man, Jonnie Goodboy Tyler, has a plan. They must learn about the Psychlos and their weapons. He needs the other humans to follow him. And that may not be enough. Can he outwit his Psychlo captor, Terl? What is their weakness? The fate of the Galaxy lies on the Battlefield of Earth. This is one of the finest examples of science fiction ever written, with nuance, sub-plots, and action all the way through. A masterpiece at over 1,000 pages. Feel the Wild is an intimate and powerful story about Nature and our relationship with it, told through stunning photography and thought-provoking writing. To "Feel the Wild" is to connect with the wilderness - the untamed Nature, the untamed Us, the essence of Life, through all of our senses and experience everything it has to offer - the physical, the emotional, the philosophical, and the spiritual. Daniel Fox's book of outdoor photography is ultimately about learning who we are and our place on this planet. It is a journey of growth told through the lenses of humility, vulnerability, and perspective. Published in conjunction with a North American promotional tour sponsored by Arc'teryx (Vancouver, Calgary, Seattle, Portland, Palo Alto, Los Angeles, Denver, New York, Boston, and more), Feel the Wild is certain to infuse everyone with the majesty of the natural world and revive within the reader a deep connection to every living thing. Vivica A. Fox is a dynamo who has created a lasting career on her own, through sheer, roll-up-your-sleeves DIY hustle. Every Day I'm Hustling is a personal book with a message Fox passionately believes in: that you make your own luck, that you never ever wake up in the morning thinking somebody's going to call you and offer you that part or ask you out on that date that's going to change your life, that you have to wake up and put on your longest eyelashes and fiercest heels and go out and make your life happen yourself. The actress provides start-today strategies for success in business and "been there" lessons in love, buttressed with stories from her early family life all the way through to today. Always honest and always funny, Fox also tells behind-the-

scenes tales from some of her biggest movies — such as Uma Thurman’s life-changing advice during Kill Bill and Will Smith's downtime pep talk on Independence Day. And she maps out exactly what it took to come back with a role on the smash hit Empire and her own frisky show on Lifetime, Vivica’s Black Magic. She also shares her how-is-she-53? secrets to looking your best, no matter the age on your driver’s license.

The masterly essay on Tolstoy's view of history, in which Sir Isaiah underlines a fundamental distinction between those people (foxes) who are fascinated by the infinite variety of things and those (hedgehogs) who relate everything to a central, all-embracing system. This little book is so entertaining, as well as acute, that the reader hardly notices that it is learned too. --Arnold Toynbee

Haunted by the myth of Cupid and Psyche throughout his life, C.S. Lewis wrote this, his last, extraordinary novel, to retell their story through the gaze of Psyche's sister, Orual. Disfigured and embittered, Orual loves her younger sister to a fault and suffers deeply when she is sent away to Cupid, the God of the Mountain. Psyche is forbidden to look upon the god's face, but is persuaded by her sister to do so; she is banished for her betrayal. Orual is left alone to grow in power but never in love, to wonder at the silence of the gods. Only at the end of her life, in visions of her lost beloved sister, will she hear an answer.

Three farmers, each one meaner than the other, try all-out warfare to get rid of the fox and his family.

One of PW's "Most Anticipated Books of Fall 2019" Ecologist Adele Brand has devoted her life to understanding the fabled yet enigmatic fox. Now she reveals their secrets in this extraordinary portrait of our most remarkable wild neighbors. The fox. For thousands of years myth and folklore have celebrated its cunning intelligence. Today the red fox is the nature's most populous carnivore, its dancing orange tail a common sight in backyards. Yet who is this wild neighbor, truly? How do we negotiate this uneasy new chapter of an ancient relationship? Join British ecologist Adele Brand on a journey to discover the surprising secrets of the fabled fox, the familiar yet enigmatic creature that has adapted to the human world with astonishing—some say, unsettling—success. Brand has studied foxes for twenty years across four continents—from the Yucatán rainforest to India's remote Thar Desert, from subarctic Canada to metropolitan London. Her observations have convinced her that the fox is arguably the most modern of all wildlife, uniquely suited to survival in the rapidly expanding urban/wild interface. Blending cutting-edge science, cultural anthropology, and intimate personal storytelling drawn from her own remarkable fieldwork, *The Hidden World of the Fox* is Brand's rich and revelatory portrait of the extraordinary animal she has devoted her life to understanding.

The instant New York Times bestseller that reveals the collusion between Fox News and Donald Trump—with explosive new reporting covering the election and the January 6 riot. As the nation recovers from the Trump presidency, many questions remain: Why was the COVID-19 pandemic so grossly mishandled? How did we get so politically polarized? What caused white nationalist groups to come out of the shadows, and are they here to stay? The answers lie the twisted story of the relationship between Donald Trump and Fox News. Through firsthand accounts from over 250 current and former Fox insiders, CNN anchor and chief media correspondent Brian Stelter unlocks the inner workings of Rupert Murdoch's multibillion-dollar media empire. The confessions are shocking: "We don't really believe all this stuff," a producer says. "We just tell other people to believe it." Stelter completes the story of the Trump years and looks toward the future of the network that made him. Hoax is a book for anyone who reads the news and wonders how we got here, and what happens next. The #1 New York Times-bestselling master of international intrigue takes readers into the bleeding-edge world of technological espionage in a propulsive thriller that feels chillingly real. Former chief of the British Secret Intelligence Service Adrian Weston is awoken in the middle of the night by a phone call from the Prime Minister. Her news is shocking: the Pentagon, the NSA, and the CIA have been hacked simultaneously, their seemingly impenetrable firewalls breached by an unknown enemy known only as "The Fox." Even more surprisingly, the culprit is revealed to be a young British teenager, Luke Jennings. He has no agenda, no secrets, just a blisteringly brilliant mind. Extradition to the U.S. seems likely--until Weston has another idea: If Luke can do this to us, what can he do to our enemies? After conferring with both the

A New York Times Editors' Choice: "A mind-bending romp through a gender-fluid, eighteenth century London . . . a joyous mash-up of literary genres shot through with queer theory and awash in sex, crime, and revolution." NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New Yorker * HuffPost * Kirkus Reviews * Shortlisted for the Center for Fiction First Novel Prize * "A dazzling tale of queer romance and resistance."--Time Jack Sheppard and Edgeworth Bess were the most notorious thieves, jailbreakers, and lovers of eighteenth-century London. Yet no one knows the true story; their confessions have never been found. Until now. Reeling from heartbreak, a scholar named Dr. Voth discovers a long-lost manuscript--a gender-defying exposé of Jack and Bess's adventures. Is Confessions of the Fox an authentic autobiography or a hoax? As Dr. Voth is drawn deeper into Jack and Bess's tale of underworld resistance and gender transformation, it becomes clear that their fates are intertwined--and only a miracle will save them all. Writing with the narrative mastery of Sarah Waters and the playful imagination of Nabokov, Jordy Rosenberg is an audacious storyteller of extraordinary talent. Praise for Confessions of the Fox "A cunning metafiction of vulpine

The book behind the phenomenal Youtube sensation 'What Does the Fox Say?' Dog goes woof. Cat goes meow. Bird goes tweet, and mouse goes squeak... But what does the fox say? Ylvis started working with the illustrator for this book before they had even uploaded the video to Youtube as they felt it had the potential to become an interesting book as well. As they say "The level of detail in Svein's drawings make the book fun to read over and over. Hopefully kids will

the scary things he's heard. Marije Tolman's ingenious illustrations use a fresh technique that feels like a movie and a dream, starring the cheerful, bright orange Little Fox on grainy mixed media landscapes of blue and green. And when Little Fox wakes up, he's perhaps a little wiser, but still every bit as curious and full of life. Praise for Little Fox ? "A beautiful, fully realized dreamscape. A tender, brilliant tour de force from the Netherlands."—Kirkus Reviews, starred review

A New York Times Best Illustrated Book H  l  ne has been inexplicably ostracized by the girls who were once her friends. Her school life is full of whispers and lies - H  l  ne weighs 216; she smells like BO. Her loving mother is too tired to be any help. Fortunately, H  l  ne has one consolation, Charlotte Bront  's Jane Eyre. H  l  ne identifies strongly with Jane's tribulations, and when she is lost in the pages of this wonderful book, she is able to ignore her tormentors. But when H  l  ne is humiliated on a class trip in front of her entire grade, she needs more than a fictional character to see herself as a person deserving of laughter and friendship. Leaving the outcasts' tent one night, H  l  ne encounters a fox, a beautiful creature with whom she shares a moment of connection. But when Suzanne Lipsky frightens the fox away, insisting that it must be rabid, H  l  ne's despair becomes even more pronounced: now she believes that only a diseased and dangerous creature would ever voluntarily approach her. But then a new girl

joins the outcasts' circle, Géraldine, who does not even appear to notice that she is in danger of becoming an outcast herself. And before long Hélène realizes that the less time she spends worrying about what the other girls say is wrong with her, the more able she is to believe that there is nothing wrong at all. This emotionally honest and visually stunning graphic novel reveals the casual brutality of which children are capable, but also assures readers that redemption can be found through connecting with another, whether the other is a friend, a fictional character or even, amazingly, a fox.
