The Dance is the most advanced work on the subject of cold reading techniques to date. Where many of the manuals in the past have told you what to do, The Dance teaches you how to do it!. Each reading is like a dance, an interplay between psychic and subject whereby the reader surreptitiously gains information and leads the listener into believing he is speaking in terms of ...

May 09, 2016 · What is “turn out”? “Turn out” is the amount of outward rotation that can be achieved from the legs. For a ballet dancer, the ideal amount of turn out is 90° from each leg. 1 If that motion is not possible from the hip joints, the motion must come from other parts of the body. 2 While the ideal amount of hip external rotation of each

Mambo was a spectacle for audiences as well as a way of life for musicians and dancers. "Although it had emerged as a stylistic innovation in the performance of existing forms of Cuban musical/dance, now it had become an object of

reification, fascination, and anxiety among ethnically diverse audiences".

Dance as communication is not always linked with music. Communication through dance is not music driven but rather body and soul driven. Dance involves the entire body, and the body can be a powerful agent of communication. Copeland even maintains that dance is "the conversion of bodily energy into something more spiritual, something worthy
