But when the boy in the suit gets off on the same stop as Milo--walking the same path, going to the exact same place--Milo realizes that you can't really know anyone just by looking at them.

A BIG story about a small boy who sees the world a little differently Milo curled his thumb and forefinger together to make a small hole and held his fingers up to Al's eyes. 'Look through here. That's what I see. Kind of, only worse.' 'Wow, that must be amazing.' Milo shrugged. 'Not really.' 'I mean, it makes you focus, doesn't it? I bet you see all kinds of stuff that other people miss.' Nine-year-old Milo Moon has retinitis pigmentosa: his eyes are slowly failing and he will eventually go blind. But for now he sees the world through a pin hole and notices things other people don't. When Milo's beloved gran succumbs to dementia and moves into a nursing home, Milo soon realises there's something wrong at the home. So with just Tripi, the nursing home's cook, and Hamlet, his pet pig, to help, Milo sets out on a mission to expose the nursing home and the sinister Nurse Thornhill. Insightful, wise and surprising, What Milo Saw is filled with big ideas and simple truths. This sprawling novel concerns the lives of two generations in one family; of their loves both licit and illicit, of their work, and of their personal triumphs and tragedies. It is a story, at first, about the three Woodruff brothers: Peter, a businessman, Leonard, an artist, and Ike, an attorney and member of Congress who risks his political career to prevent a lynching and bring justice to a black man falsely accused of murder. And it is about George Islar, a thoughtful physician, and his beautiful wife, Margaret, who is loved by Leonard. It is a triumphant expression of the human spirit, of the artist and of the forces that inevitably mold the lives of each succeeding generation, told by a modern master who has lived to see all of the ages of man about which he so consummately writes.

It's friends-to-enemies-to-friends-to-lovers in this LGBTQIA+ Romance for fans of Red, White & Royal Blue and The Pros of Cons. Jasper Quigley is tired of being everyone's favorite sidekick. Jasper may be reluctant to reopen old wounds, but he never could resist Milo. There's a catch, though: if Milo wants his help, he's going to have to pitch in to make the upcoming children's hospital charity ball the best ever. In 49 B.C., a bloody civil war between the forces loyal to Pompey and Julius Caesar has engulfed the Roman world and no one is allowed to be neutral. With Rome itself in turmoil, Gordianus the Finder receives an anonymous message informing him of the death of his son Meto, who lately has been acting as a double agent for Caesar. In search of the truth about Meto's fate, Gordianus journeys to the besieged seaport of Massilia (modern-day Marseilles) which has sided with Pompey and is now stubbornly holding out against Caesar's troops camped just outside its gates and harbor. Using his wits, Gordianus discovers a way past the siege troops and into Massilia. But once there he finds himself in a city where famine and slaughter threaten the populace, and intrigue and recriminations has taken over a city that cannot hope to stand out much longer against the troops outside its walls. His only friend is Hieronymus, the doomed scapegoat chosen by the priests of Artemis to bear the sins of the population and save them from annihilation. When Gordianus witnesses the fall of a young woman from a precipice called Sacrifice Rock, he becomes entangled in finding out what exactly happened - did she fall or was she pushed? -- and where, in all of this, is the truth about his missing son.

A wildly imaginative novel about a man who is reincarnated over ten thousand lifetimes to be with his one true love: Death herself. “Tales of gods and men akin to Neil Gaiman’s Sandman as penned by a kindred spirit of Douglas Adams.”—Kirkus Reviews (starred review) First we live. Then we die. And then . . . we get another try? Ten thousand tries, to be exact. Ten thousand lives to “get it right.” Answer all the Big Questions. Achieve Wisdom. And Become One with Everything. Milo has had 9,995 chances so far and has just five more lives to earn a place in the cosmic soul. If he doesn’t make the cut, oblivion awaits. But all Milo really wants is to fall forever into the arms of Death. Or Suzie, as he calls her. More than just Milo’s lover throughout his countless layovers in the Afterlife, Suzie is literally his reason for living—as he dives into one new existence after another, praying for the day he’ll never have to leave her side again. But Reincarnation Blues is more than a great love story: Every journey from cradle to grave offers Milo more pieces of the great cosmic puzzle—if only he can piece them together in time to finally understand what it means to be part of something bigger than infinity. As darkly enchanting as the works of Neil Gaiman and as wisely hilarious as Kurt Vonnegut’s, Michael Poore’s Reincarnation Blues is the story of everything that makes life profound, beautiful, absurd, and heartbreaking. Because it’s more than Milo and Suzie’s story. It’s your story, too. Praise for Reincarnation Blues “The most fun you’ll have reading about a man who has been killed by both catapult and car accident.”—NPR “This book made me laugh out loud. And then a page later, it made me sob. Reminiscent of Tom Robbins and Christopher Moore, Poore finds humor in the dark absurdities of life.”—Chicago Review of Books “Charming . . . surprisingly light and uplifting . . . It reads like a writer having fun.”—New York Journal of Books

HE'S FOUGHT FOR HIS LANDS, HIS MARRIAGE, AND HIS KING. THE FIGHT FOR HIS SOUL IS JUST BEGINNING. "He's alive." With these two words, the world as Sebastian knows it will never be the same. The news that his cousin Konrad—his sworn enemy and abusive first husband of his beloved wife Adela—means that his marriage is no longer valid. Even the high king Charlemagne cannot challenge the decision of a powerful emerging Church. Sebastian can do nothing but watch as the love of his life enters a convent. This epic tale of love and honor sweeps the reader back into the fascinating 9th century world of the incomparable Charlemagne. No mere military account of conquests and battles, this is a rich, well-rounded period drama and an authentic recreation of the early medieval world. Book I of this three-volume series was highly recommended by the Historical Novel Society. The second novel does not disappoint, as the hero is sent from the king's Rhineland court to three preeminent capitals of the 9th-century medieval world: Constantinople, Jerusalem, and Baghdad. Through his courage under pressure, original ideas, and steadfast service to the king Sebastian has become one of Charlemagne's twelve paladins, a high honor, but the cost is also high. He loses his beloved wife and family, becomes entangled with other beautiful women, and is submerged into a foreign world of intrigue and betrayal. Becoming a paladin changes Sebastian from a young man of faith and character into a hard-bitten warrior in a ruthless world. Thus the latter part of the novel presents a swirling adventure but also a parable of the ruin and redemption of a professional soldier.

Milo, the young boy who animated Malissa, has inadvertently upset the forces of Lifefire and sundered its delicate balance. Throughout history, many people have escaped to nature either permanently or temporarily to rest and recharge. Richard L. Proenneke, a modern-day Henry David Thoreau, is no exception. Proenneke built a cabin in Twin Lakes, Alaska in 1968 and began thirty years of personal growth, which he spent growing more connected to the wilderness in which he lived. This guide through Proenneke's memories follows the journey that began with One Man's Wilderness, which contains some of Proenneke's journals. It continues the story and reflections of this mountain man and his time in Alaska. The editor, John Branson, was a longtime friend of Proenneke's and a park historian. He takes care that Proenneke's journals from 1974-1980 are kept exactly as the author wrote them. Branson's footnotes give a background and a new understanding to the reader without detracting from Proenneke's style. Anyone with an interest in conservation and genuine wilderness narratives will surely enjoy and treasure this book.

A journey through a land where Milo learns the importance of words and numbers provides a cure for his boredom.

What Milo SawSphere

A searing, beautiful, and deeply comic novel by a young American master Milo Burke, a development officer at a third-tier university, has "not been developing": after a run-in with a well-connected undergrad, he finds himself among the burgeoning class of the newly unemployed. Grasping after odd jobs to support his wife and child, Milo is offered one last chance by his former employer: he must reel in a potential donor—a major "ask"—who, mysteriously, has requested Milo's involvement. But it turns out that the ask is Milo's sinister college classmate Purdy Stuart. And the "give" won't come cheap. Probing many themes— or, perhaps, anxieties—including work, war, sex, class, child rearing, romantic comedies,

Benjamin Franklin, cooking shows on death row, and the eroticization of chicken wire, Sam Lipsyte's *The Ask* is a burst of genius by an author who has already demonstrated that the truly provocative and important fictions are often the funniest ones. A New York Times Book Review Editors' Choice
