

## When You Were Inside Mommy

When a young boy and his mother travel overseas to her childhood home in Korea, the town is not as he imagined. Will he be able to see it the way Mommy does? This gentle, contemplative picture book about family origins invites us to ponder the meaning of home. A young boy loves listening to his mother describe the place where she grew up, a world of tall mountains and friends splashing together in the river. Mommy's stories have let the boy visit her homeland in his thoughts and dreams, and now he's old enough to travel with her to see it for himself. But when mother and son arrive, the town is not as he imagined. Skyscrapers block the mountains, and crowds hurry past. The boy feels like an outsider--until they visit the river where his mother used to play, and he sees that the spirit and happiness of those days remain. Sensitively pitched to a child's-eye view, this vivid story honors the immigrant experience and the timeless bond between parent and child, past and present.

Describes the life of a tiny baby in his safe, warm, floating place during the nine months before he is born.

Inside Mommy's Tummy By: Beth Rosiello Baby is growing in Mommy's tummy! She hears the voices of her mommy and daddy and big brother, Sean—plus the barking of little puppy Diesel. She listens as the family holds a party to say “It's a Girl!” And then she's off to the hospital with Mommy and Daddy to finally be born and welcomed into the world by her family. Inspired by the birth of her granddaughter Brianna, Beth Rosiello's book is a charming story of love and family, from the point of view of the baby on the way.

From the creator of the popular blog Mommy Shorts comes a “hilarious and comforting” look at real-world motherhood (New York Times bestselling author, Jill Smokler). Ilana Wiles is not a particularly good mother. She's not a particularly bad mother either. Like most of us, she's somewhere in between. And she has some surprisingly good advice about navigating life as an imperfect parent. In this witty and loving homage to the every-parent, Wiles suggests that they having the best child-rearing experience of all. Using Wiles's signature infographics and photographs to illustrate her personal and hilarious essays on motherhood, The Mommy Shorts Guide to Remarkably Average Parenting is an honest book that celebrates the fun of being a mom.

This book features beautiful scenes of mothers and babies from all across the animal kingdom. From fluffy farmyard creatures to jungle animals, children will love meeting new mother and baby pairs on every page. Bright images of cute, cuddly animals are accompanied by rhyming text, ideal for reading aloud to your little one. Children will love listing all the things that mums do for them, and why they love them so much. And mummies will, too! This sweet board book is the perfect gift to show mums just how much we care about them.

There is no available information at this time. Author will provide once available.

This book was written for those who have perhaps become disillusioned with the condition of today's church. Over the years, much of the content of our faith has been seriously diluted, many words have been emptied of meaning, and much vibrancy has been lost. Found in these writings is the offering of some thoughts that can help us regain some of what we have lost. Jesus is still

## Where To Download When You Were Inside Mommy

building his church today, whether or not we can see it, and it is the author's hope that these writings are part of his reconstruction.

Mommy Mantras are phrases you can say in your head, or out loud if you need to, during those trying moments of mothering. They act to empower you, revive you, and remind you that there is always another way to see your situation. Buddhist-inspired and psychologically grounded, these snippets of wisdom come through entertaining and universal stories of unpredictable life with children. Here are a few examples of how a mantra can help you control your reactions to those mothering circumstances largely out of your control: When it seems like everyone else's children are better behaved (and doesn't it always feel that way?), you can remind yourself to narrow your focus, or stop comparing your children to others, which is only bound to make you miserable. When the monotony of caring for a toddler gets to you, remembering to surrender to the goat, as one mother did when her son insisted on feeding the same goat at the petting zoo every day, for hours, will help you recognize the importance of being in the moment, and will help you endure and even enjoy the sometimes tedious routines. When you begin to resent that you do more housework than your spouse, despite your best intentions and all the nagging in the world, you can learn to ignore the score, or let go of keeping track, which can become an unhealthy (and unhelpful) obsession. When your mantras seem to fail you, you can always remind yourself that I am not Buddha. Motherhood is not something we can master. We can only try to be more mindful. Even so, some days are harder than others. Mantras are the deceptively simple words we can use to diffuse stress and choose appropriate, constructive behavior so we can recognize ourselves, find our center and be more mindful and compassionate mothers.

Sarah didn't understand. It looked like a party just like the one she had for her birthday. There were lots of people around and lots of food, but people looked very sad, not happy like at her party. Everyone was talking about her mom. Some were crying. All Sarah wanted to know was Where Did Mommy Go? Sherry Riffle lives in Ohio with her husband and children. An advocate for adoption, she wrote this story to help her oldest son understand the death of his birth mom. She prays her stories will help children around the world through Christ's love.

Every day is Mother's Day as the inimitable Baby sings Mommy's praises in a board book full of humor and heart. Now we dance. Wiggle, wiggle. I can make my mommy giggle! Mommy gives hugs and kisses and says Baby's belly is delicious. She makes spaghetti that's yummy and cleans Baby's face and tummy. Then it's off to the park to play hide-and-seek . . . where's Mommy? Simple (and silly) pleasures abound in this Baby's-eye celebration of a beloved mommy.

As high frequency words, prepositions are one of the most dynamic parts of speech. Perfect Prepositions shows the meanings and usage of prepositions in Modern English. Used in unstressed syllables and pronounced fast and softly in oral speech, prepositions are often barely distinguishable to the listener. Prepositions can also pose communication problems for English learners and even native speakers. Author Galina Kimber provides general and specific information

## Where To Download When You Were Inside Mommy

on the meanings of prepositions as well as ideas on usage as they are applied today. Living languages constantly evolve over time, and reference books like Perfect Prepositions reflect these changes. Perfect Prepositions details different ways of defining the meanings of almost one hundred prepositions written in semantic categories and subcategories that are easy to understand and use in daily life. It's a useful resource for those desiring to improve their communication skills. With an author's note about what big siblings need—extra guidance, reassurance, love—and sweet, engaging artwork, it's no wonder that nearly 4 million families have chosen I'm a Big Sister and its companion book, I'm a Big Brother, to prepare their young ones for their first big transition. "Someone new is at our house," begins this loving, reassuring celebration of brotherhood from trusted author Joanna Cole. Told through the eyes of a new older sister, this simple story lays out all the good things about being an older sibling, and just how exciting welcoming a new member to the family can be.

A lift-the-flap book showing milestones in a baby's development during pregnancy and the mother's experiences as it grows.

A latest entry in the series that includes It's NOT the Stork! follows the adventures of young Gus and Nellie, who watch their mother's pregnancy and anticipate the arrival of a new sibling while learning engaging facts about how unborn babies develop.

A tired mommy lets her daughter have a turn being the parent at bedtime in You Be Mommy, a humorously charming debut picture book from writer Karla Clark and illustrator Zoe Persico. Mommy's too tired to be Mommy tonight. Can you be Mommy and hold me tight? In this clever, rhyming picture book, a mother tells her child that she's simply too tired to be Mommy tonight and asks her daughter to take over for her. An utterly relatable theme told with humor and heart provides a story parents and children will delight in reading together at bedtime.

Why is Mommy Crying? -explaining early pregnancy loss to young children comforts children as young as three, their parents, extended family, and friends. One is often at a loss how to engage with those in grief, whether adult or child. Because miscarriage affects about a third of pregnancies, most readers likely know someone who has experienced this sadness. This beautifully illustrated, inclusive, nondenominational picture book helps recipients of every age know that the door is open, and a caring person is on the other side. Written by an experienced physician, Why is Mommy Crying? comforts in the context of family and the larger universe. Young ones are also helped in navigating their fears. The young protagonist, Max, uses his imagination, and accompanied by his stuffed animal, Mink, begins to understand what has made his mother sad. His imagery and ideas offer a gentle springboard to discuss with children and the adults who love them the broader concepts surrounding grief and recovery.

Some mommies sing you songs. Some mommies read you stories. All mommies want you to be who you are! With his trademark childlike art, Todd Parr celebrates all different kinds of mothers. Whether mommies work far away or at home, cook or order pizza, they are all lots of fun and filled with love. This is the perfect book for celebrating mommies on Mother's Day, and all year round.

A little girl stays home with Mama when Mommy goes off on a work trip in this tender, inviting story that will resonate with every child who has missed a parent. For one little girl, there's no place she'd rather be than sitting between Mama and Mommy. So when Mommy goes away on a work trip, it's tricky to find a good place at the table. As the days go by, Mama brings her to the library, they watch movies, and all of them talk on the phone, but she still misses Mommy as deep as the ocean and as high as an astronaut up in the stars. As they pass by a beautiful garden, the girl gets an idea . . . but when Mommy finally comes home, it takes a minute to shake off the empty feeling she felt all week before leaning in for a kiss. Michael L. Printz Award winner Nina LaCour thoughtfully renders a familiar, touching story of a child who misses a parent, illustrated by Kaylani Juanita, whose distinctive style brings charm and playfulness to this delightful family of three.

"I DON'T THINK EITHER ONE OF US GOT THIS OUT OF OUR SYSTEM...." Jack Granger's reference to a few stolen kisses haunted Abby Walsh. For being with him and his daughter made her feel like a penniless kid with her nose pressed against the toy-store window. Everything she'd ever wanted was right in front of her, but still completely out of reach. Well, Abby could hardly complain; the man was only keeping his promise—keeping their relationship casual. Still, Abby felt a sexual thrill she couldn't ignore. And she'd caught enough heated glances and heard enough strangled sighs to suspect he was suffering as much frustration as she was. Phooey. She'd never been this attracted to anyone. Ever. But there was no future for them. End of story. Right? If only it were that simple....

With an author's note about what big siblings need—extra guidance, reassurance, love—and sweet, engaging artwork, it's no wonder that nearly 4 million families have chosen I'm a Big Brother and its companion book, I'm a Big Sister, to prepare their young ones for their first big transition. "Someone new is at our house," begins this loving, reassuring celebration of brotherhood from trusted author Joanna Cole. Told through the eyes of a new older brother, this simple story lays out all the good things about being an older sibling, and just how exciting welcoming a new member to the family can be.

A reassuring, cheery book about going to the doctor by the highly successful team that gave us I'm a Big Brother and I'm a Big Sister

Laugh till you cry in this new collection of stories from the award-winning "Serena Williams of humor writing" (New York Times Book Review) about raising babies and trying not to be one. Called a "comedic Godsend" by Conan O'Brien and "the Stephen King of comedy writing" by John Mulaney, Simon Rich is back with New Teeth, his funniest and most personal collection yet. Two

murderous pirates find a child stowaway on board and attempt to balance pillaging with co-parenting. A woman raised by wolves prepares for her parents' annual Thanksgiving visit. An aging mutant superhero is forced to learn humility when the mayor kicks him upstairs to a desk job. And in the hard-boiled caper "The Big Nap," a weary two-year-old detective struggles to make sense of "a world gone mad." Equal parts silly and sincere, *New Teeth* is an ode to growing up, growing older, and what it means to make a family.

The co-host of the syndicated morning radio show *Bob & Sheri* offers an entertaining look at the trials and tribulations of pregnancy, childbirth, and motherhood and explains how to overcome the fears, anxieties, and examples of a dysfunctional childhood to become a mother. Original.

A funny and tender picture book about waiting for a new brother or sister to arrive. There's a house inside my mummy, Where my little brother grows, Or maybe it's my little sister No one really knows. Waiting for a new brother or sister to arrive can be a confusing and worrying time for young children. Sharing this simple rhyming story together is the perfect way to reassure your little one and involve them in all the excitement. Told with humour and warmth by Giles Andreae, the author of much-loved family favourite *Giraffes Can't Dance*. 'A great book for sharing with your first born while your second is still in the 'tummy house' - *The Times* A note from the author: 'When my wife became pregnant for the second time, I was talking to Flinn, our 2-year old son, about what was going to take place and how exciting it would be for him to have a brother or sister. I started to think about it as though I were a young child myself ... 'There's a house inside my mummy' was a phrase that just popped into my head, and from then on the book was a joy to write.'

Using simple text and illustrations, describes the nine months of life before birth.

MINI TREASURES: delightful mini picture books to treasure forever. MUMMY LAID AN EGG Mum and Dad decide it's time to tell the kids about the facts of life. But do they dare? And do the really know everything about the birds and the bees?

When You Were Inside Mommy Harper Collins

There's a baby inside Mommy's tummy! But how big is it? What does it look like? Lift the flaps to learn all about how a new baby grows in this sweet book for expecting families. baby! You're excited and a little nervous, but most of all you're wondering how you're going to explain this miraculous, but complex, process to your older, but still very young, child. We're here to help you answer your child's questions about how a baby is created, how it grows, and how it comes out to join the family. Have fun!

Mommy Loves Me is the ideal "cuddle up together" eBook. Mommy Loves Me celebrates the precious bond between mother and child with gently rhyming text, perfect for reading aloud to your baby. This eBook encourages tickling and hugging games as you read together to keep your baby giggling and engaged.

It is natural for young children to be curious about where they come from. Using vivid full-color photographs and a clear, straightforward text, this comprehensive book answers the questions they have about how an egg cell grows to become a baby, how a baby lives inside its mother's uterus, and how a baby is born.

On a spring day in 1993, Nancy Abrams helped her daughter dress for day care, packed her lunch, and said good-bye. Next she drove to court, where she learned that in the eyes of the law she was nothing more than “a biological stranger” to the child she helped bring into the world and raise. That was the last time she would see her daughter or hear her voice for five years. *The Other Mother* begins as Abrams and her female lover decide to start a family together. With giddy anticipation, they search for a sperm donor, shop for baby clothes and crib, and attend childbirth classes. But despite their high hopes, the relationship begins to fall apart, and they separate when their daughter is a toddler.

Problems between the two intensify until, shortly before her daughter's fifth birthday, Abrams loses custody. In unprecedented depth, Abrams's compelling narrative examines the social, legal, and political implications of gay and lesbian parenting. Her haunting memoir asks the question, “What makes a mother?” It is a question that biological parents, co-parents, adoptive parents, step-parents, and divorced parents must each answer in their own way. In telling one woman's story, *The Other Mother* makes a solid case for legal protections, including marriage, for lesbian and gay families.

Uses life-size illustrations to show the growth and development of a baby inside the womb from the first month until birth. Sexual images saturate today's culture--and children will learn about sex somewhere. But research shows that they want to learn from the parents they trust. Talking about sex doesn't have to be a fear-filled challenge. *The Focus on the Family® Guide to Talking with Your Kids about Sex* shows parents how to talk with confidence to their kids about sex and sexuality. This candid resource is full of the latest information, practical insights, and age-appropriate answers to the questions parents and children ask about sex. *Focus on the Family's Physicians Resource Council*, along with research from *The Medical Institute for Sexual Health* provides parents with the tools and empowering encouragement they need in order to communicate more effectively and biblically about sex, self-control, and self-respect at every stage of a child's

development.

As a child explains the many happy, loving things Mommy does, many different animal mothers are shown caring for their young.

52 Weeks of Self-Care To Help You Identify, Unleash, Empower, & Nurture the Woman Within You.

Isn't it amazing that you were once inside Mommy? With clear inviting text and lively illustrations, Joanna Cole and Maxie Chambliss introduce young children to the concepts of pregnancy and childbirth--from the time they begin as one tiny cell to the joyful moment when their parents welcome them into the world.

Whether used for thematic story times, program and curriculum planning, readers' advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. • Offers easy subject access to children's picture books • Features a user-friendly organization • Provides in-depth indexing and full bibliographic detail

When William and Emily Smith had their third child, they were quite happy that, after their first two children were both boys, they finally had a little girl of their own. At first, both of their sons; William and Andrew, embraced their baby sister, but soon Andrew started getting jealous of the baby because she started getting all the attention from aunts, uncles, cousins and anyone outside the family, really, that used to be reserved for him. This started Andrew and baby Carol Anne on the road to "The Great Sibling Rivalry," as they kept bickering especially once Carol Anne started being able to crawl around and get into Andrew's things, the two little siblings acting just like the typical brother-sister sibling rivals

I finally found the time to finish the book I had years ago promised my grandson I would write, to tell him how he was born. Every time I started to write, I was confronted by another roadblock. After my bouts with cancer, surgery, chemo, and then more surgery, I just could not get it finished. Now, I have been able to get the book in print to fulfill my promise to write my grandson an answer to his often-asked question, "Where did I come from, Oma?" I hope you enjoy this book as much as I did writing it, and that you will pass it on to your children and grandchildren, so it can help answer questions they might have on how they were born. I want to thank Nicholas for never giving up on me and for asking the question, which gave me the idea that all children might enjoy the answer. I also need to thank my gynecologist, Dr. Jeffrey B. Frank, affiliated with the Reading Hospital and Medical Center (Reading, Pennsylvania), for proof-reading the accuracy of my details, and my friend Gloria Beidler, who continued to encourage me to get the book finished. It is my love of children that kept me writing, to help parents who simply do not know what to say to their children on the subject. Thank you for taking the time to read this book. Enjoy the story of "Where did I come from, Oma?"
