Sure, you think you know the story of the fearsome red dragon, Dragonia. How it terrorized the village of Skendrick until a brave band of heroes answered the noble villagers' call for aid. How nothing could stop those courageous souls from facing down the dragon. How they emerged victorious and laden with treasure. But, even in a world filled with epic adventures and tales of derring-do, where dragons, goblins, and unlicensed prestidigitators run amok, legendary heroes don't always know what they're doing. Sometimes they're clueless. Sometimes beleaguered townsfolk are more hapless than helpless. And orcs? They're not always assholes, and sometimes they don't actually want to eat your children. Heloise the Bard, Erithea's most renowned storyteller (at least, to hear her tell it), is here to set the record straight. See, it turns out adventuring isn't easy, and true heroism is as rare as an articulate villager. Having spent decades propagating this particular myth (which, incidentally, she wrote), she finally able to tell the real story--for which she just so happened to have a front-row seat. Welcome to Erithea. I hope you brought a change of undergarments--things are going to get messy.

"No one writes about love like Gayle Forman. Lose yourself in her passionate mash note to rock music, indie bookstores and best of all, the miracles that can happen when you take chances on other people." — E. LOCKHART, #1 New York Times bestselling author of We Were Liars and Again Again A poignant and uplifting novel about the power of community, from the #1 New York Times bestselling author of If I Stay. Aaron Stein used to think books were miracles. But not anymore. Even though he spends his days working in his family's secondhand bookstore, the only book Aaron can bear to read is one about the demise of the dinosaurs. It's a predicament he understands all too well, now that his brother and mom are gone and his friends have deserted him, leaving Aaron and his shambolic father alone in a moldering bookstore in a crusty mountain town where no one seems to read anymore. So when Aaron sees the opportunity to sell the store, he jumps at it, thinking this is the only way out. But he doesn't account for Chad, a "best life" bro with a wheelchair and way too much optimism, or the town's out-of-work lumberjacks taking on the failing shop as their pet project. And he certainly doesn't anticipate meeting Hannah, a beautiful, brave musician who might possibly be the kind of inevitable he's been waiting for. All of them will help Aaron to come to terms with what he's lost, what he's found, who he is, and who he wants to be, and show him that destruction doesn't inevitably lead to extinction; sometimes it leads to the creation of something entirely new.
