Told by their son now they have passed, Wally and Zizza's Amazing Journey is more than a family history, exploring the dramatic twentieth century through the lens of his parents. Through wars, emigration and exploration, the couple took on the world together, searching for new discoveries in both outer and inner landscapes. They lived on four continents, met with great teachers, dealt with wars and passed on lessons to their children. All of this astounding adventure is illustrated throughout by the extensive use of documents and photographs Louis shares, along with personal recollections and historical research. Told with humour and great affection, Wally and Zizza's Amazing Journey chronicles the laughs, the lows and every little and large moment that made up a spectacular life.
