[I Moved Your Cheese](#) Deepak Malhotra, 2013-09-02 The author of *Negotiating the Impossible* "tackles our assumptions

about business and life with humor, zest, and wisdom in this delightful fable” (Daniel H. Pink, New York Times-bestselling author). If you were a mouse trapped in a maze and someone kept moving the cheese, what would you do? In a world where most mice dutifully accept their circumstances, ask no questions, and keep chasing the cheese, Deepak Malhotra tells an inspiring story about three unique and adventurous mice—Max, Big, and Zed—who refuse to accept their reality as given. *I Moved Your Cheese* reveals what is possible when we finally discard long-held and widely accepted assumptions about how we should live our lives. After all, achieving extraordinary success, personal or professional, has always depended on the ability to challenge assumptions, reshape the environment, and play by a different set of rules—our own. But rejecting deeply ingrained beliefs is not easy. As Zed explains, “You see, Max, the problem is not that the mouse is in the maze, but that the maze is in the mouse.” “Deepak Malhotra allows you to glimpse a world of your own making without the limits and barriers that others create.” —Stephen R. Covey, New York Times-bestselling author of *The 7 Habits of Highly Effective People* “A magnificent story with a powerful message. As someone who has encouraged scores of professionals into breaking through the maze and defining their own pursuits, I find this to be a gem of a book.” —Vinod Khosla, cofounder, former CEO and Chairman, Sun Microsystems, and founder, Khosla Ventures “This book’s message is both profound and durable. Malhotra has left the maze, and so can we.” —Foreword Reviews

Lead with Humility Jeffrey Krames, 2014-09-09 How did a relatively unknown priest from Argentina rise so quickly from obscurity to one of the top leaders of the twenty-first century? The answer lies in his humility, as well as the simple principles that have sprung from it. In the years since his election to the highest position in the Catholic Church, Pope Francis has breathed life into an aging institution, reinvigorated a global base, and created real hope for the future. His early

accomplishments have been so remarkable that in 2014, Fortune magazine awarded the top spot of their coveted World's Greatest Leaders list not to a captain of industry or political leader but to the new pontiff. Lead with Humility explores 12 of these principles and shows how other leaders and managers across a broad spectrum can adapt them for the workplace with just as impressive results as our great pope has. These invaluable principles include: Don't stand over your employees--sit down with them Don't judge—assess Take care of people, not lobbies Go where you are needed Temper ideology with pragmatism Don't change--reinvent! Even just a few years in, it is clear to all that Pope Francis's ability to inspire the world is unprecedented in modern times. Lead with Humility reveals the power of his methods, and helps anyone lead with the humility, grace, and authenticity that has elevated the pope to where he is today and had a direct impact in inspiring everyone and everything around him.
